JOURNAL OF PROCEEDINGS

BOARD OF SUPERVISORS

MONDAY, JANUARY 7, 1918, 2 P. M.

In Board of Supervisors, San Francisco, Monday, January 7, 1918, 2 p. m.

The Board of Supervisors met in regular session.

CALLING THE ROLL.

The Roll was called and the following Supervisors were noted present:

Supervisors Brandon, Deasy, Gallagher, Hayden, Hilmer, Hocks, Hynes, Kortick, Lahaney, McLeran, Mulvihill, Nelson, Nolan, Power, Suhr, Walsh, Welch—17.

(Supervisor Wolfe excused on account of illness.)

Quorum present.

His Honor Acting Mayor McLeran presiding.

Correction of Journals.

Supervisor Power presented:

Resolution No. 15220 (New Series), as follows:

Resolved, that the approval of the Journals of July 9th, 10, and October 8th, 1917, be reconsidered and set aside for the purpose of making the following corrections therein:

1. That the Journal of July 9th be corrected by adding the following to the concluding words of the Journal of that day, viz.: "to meet on Tuesday, July 10, at 11 o'clock a. m."

2. That the Journal of July 10th be corrected by striking out the second paragraph of afternoon session and inserting the following in lieu thereof: "The Supervisors met in regular session pursuant to orders previously made, the clerk having notified all the members to attend at this time."

3. That the Journal of October 8th be corrected by adding the following to the concluding words of the Journal of that date, viz.: "to meet on Tuesday, October 9, at 2 o'clock p. m."

That the Journals of said dates as amended be and they are hereby approved.

Adopted by the following vote:

Ayes—Supervisors Brandon, Deasy, Gallagher, Hayden, Hilmer, Hocks, Hynes, Kortick, Lahaney, McLeran, Mulvihill, Nelson, Nolan, Power, Suhr, Walsh, Welch—17.

Absent—Supervisor Wolfe—1.

JOURNAL OF DECEMBER 31, 1917.

Supervisor Brandon moved that the statement of Supervisor Power on page 1531, Journal of Proceedings of Monday, December 31, 1917, be expunged from the minutes.

Supervisor Hocks moved as an amendment that the motion of Supervisor Brandon made at meeting of December 31, to table statement of Supervisor Power, be reconsidered.

Supervisor Power raised point of order that the proper motion at this time was one providing for the approval or disapproval of the Journal.

Ruling.

Chair ruled that question was an approval or disapproval of Journal.

Supervisor Power thereupon moved that the Journal of the meeting of December 31, 1917, be approved as printed.

(No second.)

Supervisor Brandon moved that the statement of Supervisor Power on page 1531, Journal of Proceedings of Monday, December 31, 1917, be expunged from the record, and the Journal, so amended, approved.

Supervisor Power moved as an amendment the adoption of a resolution, which repeated his original statement and requested the opinion of the City Attorney upon the right and power of the Board to expunge such statement from the Journal.

Ruling of Chair.

The Chair ruled the amendment offered by Supervisor Power *out of order* for the reason that it would delay the approval of the Journal one week.

Supervisor Brandon's Motion Carried.

Whereupon, the question being taken on Supervisor Brandon's motion, the same was *carried* by the following vote:

Ayes—Supervisors Deasy, Brandon, Hayden, Hilmer, Hocks, Hynes, Kortick, Lahaney, McLeran, Nelson, Walsh, Welch—12.

Noes—Supervisors Gallagher, Nolan, Power—3.

Absent — Supervisors Mulvihill, Suhr, Wolfe—3.

Chairman.

(Acting Mayor McLeran thereupon retired and called Supervisor Hayden to the chair.)

Motion.

Whereupon *Supervisor Brandon* moved that any reference to Supervisor Power's statement in today's record be expunged from the proceedings.

Amendment.

Supervisor Power moved as an amendment the adoption of a resolution which repeated his original statement and requested the opinion of the City Attorney upon the right and power of the Board to expunge such statement from the Journal.

Amendment *lost* by the following vote:

Ayes—Supervisors Gallagher, Nolan, Power, Walsh—4.

Noes—Supervisors Brandon, Hayden, Hilmer, Hocks, Hynes, Kortick, Lahaney, Mulvihill, Nelson, Welch—10.

Absent—Supervisors Deasy, McLeran, Suhr, Wolfe—4.

Motion Carried.

Whereupon, the question being taken on Supervisor Brandon's motion to expunge from today's record, the same was carried by the following vote:

Ayes—Supervisors Brandon, Hayden, Hilmer, Hocks, Hynes, Kortick, Lahaney, McLeran, Mulvihill, Nelson, Suhr, Welch—12.

Noes—Supervisors Deasy, Gallagher, Nolan, Power, Walsh—5.

Absent—Supervisor Wolfe—1.

Supervisor Welch's Motion.

Thereupon, *Supervisor Welch* moved that all reference in today's Proceedings to Supervisor Power's statement be expunged from the record and that any further statements or motions be laid on the table and no mention be made in the record of today's Proceedings of any such statements or motions.

Division of the Question.

Supervisor Power called for a division of the question.

So ordered.

Whereupon, the first question was taken up, to-wit:

(a) That all reference in today's Proceedings to Supervisor Power's statement be expunged from the record.

Amendment.

Supervisor Power again presented his resolution as an amendment to the foregoing motion and moved its adoption in lieu thereof.

Ruling of the Chair.

The resolution presented by Supervisor Power was ruled out of order by the Chair.

Motion Carried.

Thereupon, the vote being taken on Sub. (a) of Supervisor Welch's motion, the same was *carried* by the following vote:

Ayes—Supervisors Brandon, Hayden, Hilmer, Hocks, Hynes, Kortick,

Lahaney, McLeran, Mulvihill, Nelson, Suhr, Welch—12.

Noes—Supervisors Deasy, Gallagher, Nolan, Power, Walsh—5.

Absent—Supervisor Wolfe—1.

Whereupon, the second part of Supervisor Welch's motion was taken up:

(b) That any further statements or motions be laid on the table and no mention be made in the record of today's Proceedings of any such statements or motions.

Point of Order.

Supervisor Power raised the point of order that the Chair could not consider a motion to lay on the table a matter that did not exist—that is still in the future.

Whereupon, Supervisor Welch withdrew that portion of his motion.

Whereupon, the second question, as amended, was *adopted* by the following vote, to-wit:

Sub. (b) That no mention be made in the record of today's Proceedings of any such statements or motions.

Ayes—Supervisors Brandon, Deasy, Hayden, Hilmer, Hocks, Hynes, Kortick, Lahaney, McLeran, Mulvihill, Nelson, Suhr, Welch—13.

Noes—Supervisors Gallagher, Nolan, Power, Walsh—4.

Absent—Supervisor Wolfe—1.

Supervisor Power then moved that Clerk confer with City Attorney before printing record of today's Proceedings.

Motion ruled out of order by Chair.

Police Department Needs Application Forms.

Supervisor Gallagher presented: *Communication*—From San Francisco Police Department, advising that Lieutenant Casey, of the Bureau of Permits and Registration, reports that he is entirely out of application blanks for permits as retail liquor dealers and other forms of applications, etc., and urging that same be supplied as soon as possible.

Referred to Supplies Committee.

Report of City Engineer Relative to Use of United Railroads' Tracks West of Twin Peaks Tunnel.

The following was presented, read, referred to Public Utilities Committee and ordered spread in Journal and Record:

January 4, 1917.

To the Honorable the Board of Supervisors of the City and County of San Francisco.

Gentlemen: Under Resolution No. 15074 (New Series), adopted November 26, 1917, you authorized and directed me to enter into negotiations with the United Railroads of San Francisco with the object of securing operating rights for the City's municipal cars over certain of the United Railroads tracks in the district west of Twin Peaks, thereby providing immediate transportation to and from the Ingleside and Parkside Districts through the Twin Peaks Tunnel, and to report to your Board the result of these negotiations.

After several preliminary discussions since the above date, with Mr. von Phul, general manager of the United Railroads, and in order to bring out clearly the desires of the City in these negotiations, I addressed the following letter to Mr. von Phul:

"Under a recent resolution of the Board of Supervisors I have been requested to negotiate with your company for the use of certain of your tracks in the district west of Twin Peaks to the end that the district may be afforded a full measure of benefit of the service which the City will establish through the tunnel about the first of the year.

"I consider that adequate and satisfactory transportation would be afforded this district by—

"1. The establishment of a direct service over Ocean avenue from Harold avenue through the tunnel and down Market street.

"2. An exchange of transfers at Sloat and Junipero Serra boulevards, between the tunnel line and the Sloat boulevard cars running to and from the ocean beach.

"3. A direct service from the west portal of the tunnel over our proposed Ulloa street, Fifteenth avenue and Taraval street line to Twentieth avenue, thence over the United Railroads Taraval street tracks to Thirty-third avenue, with an exchange of transfers at Twentieth avenue.

"Considering the above as a complete solution for the immediate future, will you kindly outline upon what terms your company will permit the City to connect with the United Railroads tracks at Sloat and Junipero Serra boulevards and operate over the company's Ocean avenue tracks to Harold avenue.

"I would suggest that you make an alternative proposition in this connection, taking into consideration the transfer exchange to the Ocean beach as part of the consideration which the City will pay to the company as compensation for the use of the Ocean avenue tracks.

"Will you further state upon what consideration you will permit the City to connect with the company's Taraval street tracks at Twentieth avenue and to operate over Taraval street to Thirty-third avenue on a car mileage basis in lieu of the provisions of the Parkside franchise which provides for the City acquiring the use of these tracks for a distance of ten blocks upon the payment of a share of the cost of the tracks and dividing the maintenance thereof. In this connection you might also take into consideration the benefit which the company would derive from an exchange of transfers at Twentieth avenue and Taraval street."

In response to this communication the United Railroads on December 15th, 1917, submitted the following reply:

"Mr. M. M. O'Shaughnessy, City Engineer, San Francisco, Cal.

"Dear Sir: I acknowledge your letter of the 11th inst., outlining a basis for the operation of the Municipal Railway which you consider would afford, for the immediate future, adequate and satisfactory transportation to the district west of Twin Peaks Tunnel.

"In considering this matter we have appreciated the benefits to the city in general which would be afforded by adequate transportation service, but at the same time we believe that under present conditions such transportation can be furnished only on a basis which would be mutually fair both to the Municipal Railway and to the United Railroads. We would, therefore, be pleased to enter into an agreement with the City to provide service such as you outline based upon a mutual exchange of trackage facilities.

"On this basis we would suggest—

"(1) The Municipal Railway shall have the privilege of operating its cars over the tracks of the United Railroads from a point near Junipero Serra and Sloat boulevards to Ocean and Harold avenues.

"(2) The United Railroads shall have the privilege of operating its cars over the tracks of the Municipal Railway from a point near Junipero Serra boulevard to Market and Castro streets.

"(3) Should there be any difference in the car mileage use of each other's tracks, as provided for in paragraphs 1 and 2, the United Railroads or the Municipal Railway, depending upon

which operates the greater car mileage, shall compensate the other for such excess mileage at a rate per car mile to be agreed upon.

"(4) The Municipal Railway shall have the privilege of operating its cars over the tracks of the United Railroads on Taraval street, from Twentieth avenue to Thirty-third avenue, based upon a mutual exchange of trackage facilities, as outlined in paragraphs 1 and 2, and upon payment of excess mileage, if any, as stated in paragraph 3.

"(5) It does not seem, that with an agreement based on an exchange of trackage facilities, that the establishment of transfer privileges at Junipero Serra and Sloat boulevards, or at Twentieth avenue and Taraval street, between the cars of the United Railroads and the Municipal Railway is either necessary or would be of material benefit to the public. The United Railroads, in maintaining service for many years through the sparsely settled district, and in the development of the now existing business, has sustained enormous losses. Now that this business is becoming profitable, it does not appear just to this company to ask for an agreement based on a method of operation that would involve an abandonment of conditions that make for the advantage of this company and ask it to assume new losses for the future without any compensating feature.

"We feel that the arrangement above outlined will result in the greatest benefit to the public from the use of the tunnel, and will be of the greatest mutual benefit to the Municipal Railway and the United Railroads consistent with the preservation of the rights of all parties and a fair and reasonable use of all facilities.

"We trust, therefore, that in our offer to divide this business with the Municipal Railway you will appreciate our earnest desire to arrange promptly for the efficient use of the magnificent facilities which have been provided for the development of this district.

"Yours truly,

(Signed)

"WM. von PHUL,
"Vice Pres. & Gen. Mgr."

In connection with the foregoing letter it should be pointed out that the United Railroads will agree, under Paragraph 2, to confine its operations through the tunnel exclusively to the Sloat boulevard cars.

It is apparent that the United Railroads' offer, while not being a direct response to the specific questions asked, presents an immediate solution for the transportation west of Twin Peaks, which meets the needs of the

district and will furnish adequate and satisfactory transportation, to which the property owners who paid 85 per cent of the assessment for the construction of the tunnel in this district, are morally entitled.

Under this proposal it will be possible to so regulate the mileage operated by the City and the United Railroads that there will be practically no exchange of revenue. Any agreement of this nature which might be entered into should be made revocable upon six months notice, thereby safeguarding the interests of the City. It should be brought to your attention that the United Railroads franchise on Market street and on Sloat boulevard expires in 1929, practically eleven years from now, and the question of whether or not your Board should accept the proposal of the United Railroads is one which must be determined purely as a matter of policy, as from an economic and engineering point of view I consider it equitable.

On July 20, 1917, I addressed a communication to your Board covering both phases of the problem of transportation through the tunnel, in which I strongly emphasized the necessity of four-tracking Market street and just as strongly disapproved the paralleling of existing lines in the sparsely settled district beyond Twin Peaks, as the operation of railways in such a district during the pioneer period is made at a loss and will be a heavy drag on the profitable portions of our Municipal Railway system. While I concede that the people in the Twin Peaks Tunnel district are unquestionably entitled to a reasonable service connecting with the tunnel, it is my judgment that the class of service which can be rendered with the greatest economy is most desirable.

Should your Board decide not to enter into any arrangement with the United Railroads, there remain two alternative methods of providing the service to this district in connection with the trunk line through the tunnel, which now terminates at St. Francis Gate, near the junction of Sloat and Junipero Serra boulevards:

(a) In the establishment of a bus system connecting with the present terminus of the Municipal Railways at this point and operating over Ocean avenue to Harold avenue, and the construction of additional independent tracks from the southwesterly tunnel portal, over Ulloa and Vicente streets, to the beach.

This will necessitate the grading of Vicente street, but if there is going to be any prolonged controversy with the United Railroads over this problem of traffic on Taraval street, which might delay connection for a couple of years before such a solution is

reached, such as was the case on Church street, it will be desirable for the City to build its pioneer line on Vicente street, even though it involves the grading of that street at present.

(b) The acquisition of the United Railroads lines west of the tunnel, including the purchase of the Twentieth avenue line, Taraval street, and Sloat boulevard lines outright, together with trackage rights on Ocean avenue as far as Harold avenue, with suitable transfer connections at Twentieth avenue and Lincoln Way and at Ocean and Harold avenues.

Opposition is offered at this time by many reputable citizens to the use of buses in connection with the tunnel traffic, as the citizens believed they would get an all-rail transportation when they advocated and subscribed for the construction of the tunnel, and justly feel that a bus service is an inferior service, which they should not be burdened with considering their great enterprise and public spirit in constructing this project.

The second alternative, which I believe possesses greater merit than any of the suggested solutions, was two years ago submitted to your Board and was then considered and discouraged, and I hesitate, therefore, to urge upon your Board a reconsideration of its possibilities at this time.

San Francisco takes pride in the successful completion of the Twin Peaks Tunnel in record time, and as a medium for the greatest future development of the City and the suburban peninsular region, when a rapid transit service can be passed through the tunnel to serve the future Greater San Francisco. I earnestly hope that your Board will bring your combined wisdom to a speedy satisfactory solution of this problem. It has been a source of anxiety to me for over two years to reach a satisfactory solution of same, and I trust that one or other of the recommendations herewith submitted will receive favorable consideration at your hands.

Very respectfully yours,
M. M. O'SHAUGHNESSY,
City Engineer.

SPECIAL ORDER—3 P. M.

Ordering Street Work.

Bill No. 4792, Ordinance No. 4444 (New Series), as follows:

Ordering the performance of certain street work to be done in the City and County of San Francisco, approving and adopting specifications therefor and authorizing the Board of Public Works to enter into contract for doing the same.

Be it ordained by the People of the City and County of San Francisco as follows:

Section 1. The Board of Public Works in written communication filed in the office of the Clerk of the Board of Supervisors December 17, 1917, having recommended the ordering of the following street work, the same is hereby ordered to be done in the City and County of San Francisco in conformity with the provisions of the Street Improvement Ordinance of said City and County of San Francisco, said work to be performed under the direction of the Board of Public

Works, and to be done in accordance with the specifications prepared therefor by said Board of Public Works, and on file in its office, which said plans and specifications are hereby approved and adopted.

The improvement of the crossing of *Twenty-second and Kansas streets* by the construction of concrete curbs, of artificial stone sidewalks of the full official width, of three brick catchbasins with cast iron frames, gratings and traps and 10-inch vitrified, salt-glazed, ironstone pipe culverts and of an asphalt pavement consisting of a 6-inch concrete foundation and a 2-inch asphaltic wearing surface on the roadway thereof.

The width of sidewalks on Division street, the northerly side of, between Bryant street and Florida street, shall be seven (7) feet.

The width of sidewalks on Division street, the southerly side of, between Potrero avenue and Florida street, shall be seven (7) feet.

Section 2. Any expense caused by the above change of walk widths shall be borne by the property owners.

Section 3. This Ordinance shall take effect and be in force from and after its passage.

Also, Bill No. 4811, Ordinance No. — (New Series), as follows:

Amending Ordinance No. 1061, entitled "Regulating the width of Sidewalks," approved December 18th, 1903,

by adding thereto a new section, to be numbered Six Hundred and Ninety-nine.

Be it ordained by the People of the City and County of San Francisco as follows:

Section 1. Ordinance No. 1061, entitled "Regulating the width of Sidewalks," approved December 18th, 1903, be and is hereby amended in accordance with the communication of the Board of Public Works, filed in this office December 24, 1917, by adding thereto a new section, to be numbered Six Hundred and Ninety-nine, to read as follows:

Section 699. The width of sidewalks on Treat avenue between Florida street and Eighteenth street shall be seven (7) feet.

Section 2. Any expense caused by the above change of walk widths shall be borne by the property owners.

Section 3. This Ordinance shall take effect immediately.

Blasting Permits.

Also, Resolution No. — (New Series), as follows:

Resolved, That J. P. Holland is hereby granted permission, revocable at will of the Board of Supervisors, to explode blasts while grading on Pope street between Brunswick and Morse streets, provided said permittee shall execute and file a good and sufficient bond in the sum of \$— as fixed by the Board of Public Works and approved by his Honor the Mayor, in accordance with Ordinance No. 1204; provided, also, that said blasts shall be exploded only between the hours of 7 a. m. and 6 p. m., and that the work of blasting shall be performed to the satisfaction and under the supervision of the Board of Public Works, and that if any of the conditions of this resolution be violated by the said J. P. Holland, then the privileges and all the rights accruing thereunder shall immediately become null and void.

The rights granted under this resolution shall be exercised within six months; otherwise said permit becomes null and void.

Also, Resolution No. — (New Series), as follows:

Resolved, That J. F. Dowling & Co. is hereby granted permission, revocable at will of the Board of Supervisors, to explode blasts in Paris street between Amazon avenue and Italy street for the purpose of constructing a sewer, provided said permittee shall execute and file a good and sufficient bond in the sum of \$2,500.00, as fixed by the Board of Public Works, and approved by his Honor the Mayor, in accordance with Ordinance No. 1204; provided, also, that said blasts shall be exploded only between the hours of

7 a. m. and 6 p. m., and that the work of blasting shall be performed to the satisfaction and under the supervision of the Board of Public Works, and that if any of the conditions of this resolution be violated by the said J. F. Dowling & Co., then the privileges and all the rights accruing thereunder shall immediately become null and void.

The rights granted under this resolution shall be exercised within six months; otherwise said permit becomes null and void.

Extensions of Time.

Supervisor Welch presented:

Resolution No. 15210 (New Series), as follows:

Resolved, That Flinn & Treacy are hereby granted an extension of ninety days' time from March 14, 1918, within which to complete contract for improvement of Raymond avenue between Delta and Elliott streets.

This *second* extension of time is granted upon the recommendation of the Board of Public Works, for the reason that the work of grading on this contract is completed.

Contractor still has time to complete the above work, but owing to the uncertainty of the weather and to inability to secure the necessary materials the extension is deemed advisable by the City Engineer.

Adopted by the following vote:

Ayes—Supervisors Brandon, Deasy, Gallagher, Hayden, Hilmer, Hocks, Hynes, Kortick, Lahaney, McLeran, Mulvihill, Nelson, Nolan, Power, Suhr, Walsh, Welch—17.

Absent—Supervisor Wolfe—1.

Also, Resolution No. 15211 (New Series), as follows:

Resolved, That D. L. Bienfield is hereby granted an extension of sixty days' time from and after January 20, 1918, within which to complete contract for construction of the Trocadero sewer between Nineteenth and Twenty-fourth avenues produced.

This *first* extension of time is granted upon the recommendation of the Board of Public Works, for the reason that 300 feet of sewer is practically completed, and the contractor is prosecuting his work diligently. He has been held back by the delay in acquiring certain rights of way.

Adopted by the following vote:

Ayes—Supervisors Brandon, Deasy, Gallagher, Hayden, Hilmer, Hocks, Hynes, Kortick, Lahaney, McLeran, Mulvihill, Nelson, Nolan, Power, Suhr, Walsh, Welch—17.

Absent Supervisor Wolfe—1.

Intention to Change Grades.

Supervisor Welch presented:

Resolution No. 15212 (New Series), as follows:

Resolved, That it is the intention of the Board of Supervisors to change and establish grades on the following named streets, at the point hereinafter specified and at the elevations above City base, as hereinafter stated, in accordance with Resolution No. 56775 (Second Series) of the Board of Public Works adopted December 28, 1917, and written recommendation of said Board, filed December 31, 1917, to-wit:

Newhall Street.

Street Specification Ordinance Amendment.

Bill No. 4812, Ordinance No. — (New Series), as follows:

Amending Section 7 of Ordinance No. 240, entitled "Prescribing general rules and standard specifications for street and sidewalk work and limiting the use of various kinds of pavements and sidewalks in the City and County of San Francisco."

Be it ordained by the people of the City and County of San Francisco as follows:

Section 1. Section 7 of Ordinance No. 240, entitled "Prescribing general rules and standard specifications for street and sidewalk work and limiting the use of various kinds of pavements and sidewalks in the City and County of San Francisco." is hereby amended to read as follows:

Section 7. No street shall hereafter be accepted unless curbs are of granite, basalt or armored concrete, except that where unarmored concrete curbs are already set, and are on proper line and grade and in good condition they may, upon recommendation of the Board of Public Works, be allowed to remain. The

construction of new unarmored concrete curbs will not be allowed. Where a portion of the crossing has been improved, or where a street, lying between adjacent main streets, has been partially improved by the construction of curbs of granite, basalt or armored concrete, only curbs of the same class of material as that already installed shall be thereafter constructed in the remaining portions of that crossing or street; provided, that where a street is intersected by other main streets at irregular intervals and curbs of one class of material have been partially constructed on one side of the street, the continuation of the curbs throughout the block on that side of the street shall be of the same class of materials as that already installed, but the provisions of this section shall not be construed as prohibiting the construction of curbs of a different class of material on the opposite side of the street.

Section 2. This ordinance shall take effect immediately.

JOURNAL OF PROCEEDINGS

BOARD OF SUPERVISORS

MONDAY, JANUARY 14, 1918, 2 P. M.

In Board of Supervisors, San Francisco, Monday, January 14, 1918, 2 p. m.
The Board of Supervisors met in regular session.

CALLING THE ROLL.

The Roll was called and the following Supervisors were noted present:

Supervisors Bancroft, Deasy, Gallagher, Hayden, Hilmer, Hocks, Hynes, Kortick, Lahaney, McLeran, McSheehy, Mulvihill, Nelson, Power, Schmitz, Suhr, Welch—17.

(Supervisor Wolfe excused on account of illness.)

Quorum present.

His Honor Acting Mayor McLeran in the Chair.

ROLL CALL FOR PETITIONS FROM MEMBERS.

The following was presented:

California Home Guard.

Communication—From California Home Guard, extending invitation to members of the Board of Supervisors to attend patriotic ceremonies and presentation of stand of colors to California Home Guard Regiment, Thursday evening, January 22, 1918, at 8 p. m., at Civic Auditorium.

Read and invitation accepted.

READING AND APPROVAL OF THE JOURNAL.

Supervisor Power moved that the approval of the Journal of the meeting of January 7, 1918, be laid over one week.

Motion carried by the following vote:

Ayes—Supervisors Deasy, Gallagher, Hynes, Lahaney, Mulvihill, Power, Schmitz—7.

Noes—Supervisors Hilmer, Hocks, McLeran, Nelson, Suhr—5.

Excused—Supervisor McSheehy—1.

Absent—Supervisors Brandon, Hayden, Kortick, Welch, Wolfe—5.

Status of Officials Who Failed to File Official Bonds Within Required Time.

Supervisor Power raised the question as to the necessity of the Acting Mayor filing with the Board of Supervisors today his announcement of the appointment of Tax Collector Bryant, Supervisors Deasy, Suhr and McLeran and himself, as a precaution against any cloud in their title to their respect-

ive offices by reason of their failure to comply with certain provisions of the Charter in regard to the filing of their official bonds within a certain period of time.

Acting Mayor McLeran declared that the question had not been raised, but that if he was advised by the City Attorney that such action was necessary, written appointments would be filed at the next meeting of the Board. "As to my standing, the City Attorney tells me that all my official acts are legal in every respect, and that he would file a written opinion to that effect with the Board and Mr. Bryant. He also advised me that no act of the Board of Supervisors would be jeopardized by any act of mine. As to the filing of the appointments with the Board there is some question as to whether or not it is necessary. If it is necessary they will be filed next week.

Whereupon, the City Attorney, at the request of Supervisor Power, was sent for.

City Attorney's Statement.

Supervisor Power requested that Board be advised whether or not anything else is necessary to correct any cloud that may be on the office of the officials above mentioned, and that City Attorney make plain his version of Section 10, Article 16, of the Charter.

City Attorney Lull declared in reply to Supervisor Power that he would file this week an opinion covering every point regarding the status of the officials mentioned. As far as the actions of the Board of Supervisors are concerned they are legal in every respect. The official acts of *de facto* officers are legal acts. Only the City itself can question their authority to act, although there is a cloud on the title to office. He will advise Acting Mayor McLeran, he said, that bond should be filed within twenty days from receipt of certificate. It will show list of officials who have not filed within the twenty days. He said there were other Supervisors as to whom the same cloud existed. He declared that he did not say that such cloud constituted forfeiture of office. There can be excusable negligence under certain circumstances whereby forfeiture is averted.

Certificates of Appointment.

Whereupon, Supervisors Power and

Deasy presented the following and requested that the same be spread in the minutes of the Board:

The City and County of San Francisco, State of California.

To all to whom these presents shall come, Greeting:

Reposing special confidence in the fidelity and ability of *James E. Power*, I do by these presents, by virtue of the authority vested in me by the Charter of the City and County of San Francisco, appoint him a member of the Board of Supervisors in and for the City and County of San Francisco, he to hold said office for the term of four years from and after the Eighth day of January, 1918.

In Testimony Whereof, I have signed my name and have caused the seal of my office to be affixed hereto this 11th day of January, 1918.

RALPH McLERAN,
Acting Mayor.

Appeal of City Street Improvement Company from the assessment issued for the improvement of Harrison street between Sixteenth and Eighteenth streets and of Elizabeth street between Harrison street and Treat avenue, including those portions of Harrison street opposite the termination of Seventeenth, Mariposa and Eighteenth streets.

Privilege of the Floor.

G. F. Snyder, representing the City Street Improvement Company, was granted the privilege of the floor. He complained that the City Street Improvement Company is assessed more per front foot than the property on the other side of the street. It is admitted

that this assessment is invalid and Mr. Donovan of the Board of Public Works has recommended a new assessment. "This proposed new assessment, if made as intended, will also fail to meet the requirements of the law and will be unjust to my clients. We submit that asphalt pavement of both sides of the street should be assessed to both sides, not each side paying for its own."

Action Deferred.

Whereupon, the foregoing matter was laid over two weeks.

Inauguration of Municipal Bus Line for Sunset District.

Supervisor Mulvihill announced that he had been advised by Mr. O'Brien of the City Attorney's office that the Sunset Federation of Improvement Clubs purposed to hold, at noon tomorrow, at Forty-eighth avenue and Kirkham street, a celebration of the inauguration of the new line of Municipal Buses in the Sunset District. He requested the use of the Municipal Band for the occasion.

Supervisor Power moved reference to Concerts Committee.

Motion carried by the following vote:

Ayes—Supervisors Brandon, Deasy, Hayden, Hilmer, Hocks, McLeran, Power, Schmitz, Suhr, Welch—10.

Noes—Supervisors Gallagher, Kortick, Lahaney, McSheehy, Mulvihill, Nelson—6.

2. Absent—Supervisors Hynes, Wolfe—

(*Supervisor Hynes* subsequently announced that a small band would be provided for the occasion.)

City Attorney to Compromise Destructor Company Judgment.

Resolution No. 15239 (New Series), as follows:

Whereas, in an action commenced and pending in the District Court of the United States for the Northern District of California, wherein The Destructor Company, a corporation, is plaintiff, and the City and County of San Francisco, a municipal corporation, is defendant (said action being numbered 15873), a verdict was rendered after trial by jury on January 17, 1917, in favor of said plaintiff and against the defendant, City and County of San Francisco, in the sum of \$185,389.02, together with costs, amounting to \$265.75, or a total verdict of \$185,654.77; and,

Whereas, the amount of said verdict has borne interest since January 17, 1917, at the rate of seven per cent per annum, and the plaintiff in said action has offered to waive all of said

accrued interest and to accept the said sum of \$185,654.77 in full settlement of the judgment rendered upon said verdict, provided the same is paid by January 1, 1918; and,

Whereas, the City Attorney has advised this Board that, in his judgment, it is for the best interests of the City and County of San Francisco to accept said offer and to make said payment, and has recommended such acceptance and payment; now, therefore, be it

Resolved, That the City Attorney be and he is hereby directed to secure a satisfaction and settlement of the aforesaid judgment upon the payment of the sum of \$185,654.77, which sum is to be paid out of the balance now in the City Treasury in the Garbage Construction Fund; and to draw the necessary papers for the satisfaction of such payment and settlement of said action.

Street Specification Ordinance Amendment.

Bill No. 4812, Ordinance No. 4465 (New Series), as follows:

Amending Section 7 of Ordinance No. 240, entitled "Prescribing general rules and standard specifications for street and sidewalk work and limiting the use of various kinds of pavements and sidewalks in the City and County of San Francisco."

Be it ordained by the people of the City and County of San Francisco as follows:

Section 1. Section 7 of Ordinance No. 240, entitled "Prescribing general rules and standard specifications for street and sidewalk work and limiting the use of various kinds of pavements and sidewalks in the City and County of San Francisco" is hereby amended to read as follows:

Section 7. No street shall hereafter be accepted unless curbs are of granite, basalt or armored concrete, except that where unarmored concrete curbs are already set, and are on proper line and grade and in good condition they may, upon recommendation of the Board of Public Works, be allowed to remain. The construction of new unarmored concrete curbs will not be allowed. Where a portion of the crossing has been improved, or where a street, lying between adjacent main streets, has been partially improved by the construction of curbs of granite, basalt or armored concrete, only curbs of the same class of material as that already installed shall be thereafter

constructed in the remaining portions of that crossing or street; provided, that where a street is intersected by other main streets at irregular intervals and curbs of one class of material have been partially constructed on one side of the street, the continuation of the curbs throughout the block on that side of the street shall be of the same class of materials as that already installed, but the provisions of this section shall not be construed as prohibiting the construction of curbs of a different class of material on the opposite side of the street.

Section 2. This ordinance shall take effect immediately.

Thence easterly on a curve to the left of 370.469 foot radius, tangent to the preceding course, central angle 28 deg. 44 min. 15 sec., a distance of 185.815 feet to the point of intersection of the southerly curb of Ninth avenue in Forest Hill with the westerly boundary line of Forest Hill, said curb being distant radially 5 feet more or less northerly from the southerly line of Ninth avenue.

Section 2. Any expense caused by the above change of walk widths shall be borne by the property owners.

Section 3. This ordinance shall take effect and be in force from and after its passage.

Intention to Change Grades.

Supervisor Power presented:

Resolution No. 15249 (New Series), Declaring that it is the intention of the Board of Supervisors to change and establish grades on the following names streets, at the points herein-after specified and at the elevations above city base, as hereinafter stated, in accordance with Resolution No. 56833 (Second Series) of the Board of Public Works adopted January 2, 1918, and written recommendation of said Board, filed January 4, 1918, to-wit:

On Hale street, between Barneveld avenue and Merrill street.

The Board of Supervisors hereby declares that no assessment district is necessary as no damage will result from said change of grades, inasmuch as the streets are ungraded and there are no existing street improvements.

The Board of Public Works is hereby directed to cause to be conspicuously posted along the street or streets upon which such change or modification of grade or grades is contemplated, notice of the passage of this Resolution of Intention.

Adopted by the following vote:

Closing and Abandoning Portion of Watt Avenue.

Supervisor Welch presented:

Resolution No. 15250 (New Series), as follows:

Closing and abandoning a portion of Watt avenue, in the City and County of San Francisco, State of California, as hereinafter described.

Whereas, this Board has by Resolution No. 15128 (New Series) declared its intention to close and abandon a portion of Watt avenue, in the City and County of San Francisco, more particular described; and

Whereas, proper notice of said resolution and of said proposed closing and abandonment of said portion of said street was duly given by the Board of Public Works of said City and County by publication and posting in the manner provided by Section 3, Chapter III, Article VI of the Charter of this City and County; and

Whereas, More than ten (10) days have elapsed after the expiration of the time of publication of said notice; and

Whereas, No objections to the said closing and abandonment of said portion of said street were made or delivered to the Clerk of this Board within said period of ten (10) days, or at all; and

Whereas, It is the opinion of this Board that the public interest and convenience will be conserved by the closing and abandonment of said portion of said street; and

Whereas, The said work is for closing up said portion of said street and it appears to this Board that no assessment is necessary therefor;

Now, therefore, be it Resolved, That the said closing and abandonment of said portion of said street be and the same is hereby closed and abandoned as a public street hereinabove referred to and more particularly bounded and described as follows, to-wit:

Commencing at a point on the southerly line of Brunswick street, distant thereon 79.41 feet easterly from the easterly line of Gutenberg street; thence easterly along the southerly line of Brunswick street 67.37 feet; thence deflecting to the right 62 deg. 56 min. 35 sec. and running southeasterly 302.63 feet to the westerly line of Concord street; thence deflecting to the right 31 deg. 51 min. 53 sec. and running southerly along the westerly line of Concord street 113.66 feet; thence deflecting to the right 148 deg. 08 min. 07 sec. and running northwesterly 429.81 feet to the southerly line of Gutenberg street and the point of commencement.

Be it further Resolved, That the Clerk of this Board transmit a certified copy of this resolution to the Board of Public Work and that the Board of Public Works be instructed to proceed thereafter as required by law, and the Clerk is hereby directed to advertise this resolution in the "Daily Journal of Commerce" as required by law.

Adopted by the following vote:

Ayes—Supervisors Brandon, Deasy, Gallagher, Hayden, Hilmer, Hocks, Hynes, Kortick, Lahaney, McLeran, McSheehy, Mulvihill, Nelson, Power, Schmitz, Suhr, Welch—17.

City Attorney to Purchase Southwest Corner of Liberty and Sanchez Streets for Liberty Street Grade Change Purposes.

Supervisor Welch presented:

Resolution No. 15251 (New Series), as follows:

Whereas, Helen S. Artieda, the owner of property at the southwest corner of Liberty and Sanchez streets, has tendered an offer to the City Attorney to sell to the City and County of San Francisco, for the price of fifteen hundred (1500) dollars, property required for the Liberty street grade change, and

Whereas, The offer is considered an equitable and fair price, within the appraised value of the property; now, therefore,

Resolved, That the City Attorney be authorized and requested to purchase the said property and in behalf of the City and County of San Francisco, free from all encumbrances, including taxes for the current fiscal year, with the so-called McEnerney title thereto, on the reservation of sufficient moneys, to obtain the said title for the sum of fifteen hundred (1500) dollars, the land being situate and described as follows:

Commencing at a point where the westerly line of Sanchez street intersects the southerly line of Liberty street, running thence southerly along the westerly line of Sanchez street 57 feet; thence deflecting to the right 108 deg. 39 min. 53 sec., 89.297 feet; thence along a curve to the right, radius 30 feet, central angle 71 deg. 20 min. 07 sec., 37.35 feet to the southerly line of Liberty street; thence easterly along the southerly line of Liberty street 105 feet to the westerly line of Sanchez street and point of beginning; being a portion of Mission Block 108.

Extension of Time.

Supervisor Welch presented:

Resolution No. 15254 (New Series), as follows:

Resolved, That Thomas A. Clark is hereby granted an extension of sixty days' time from February 3, 1918, within which to complete contract for the improvement of Bruce avenue, between Harold avenue and its easterly termination.

This first extension of time is granted upon the recommendation of the Board of Public Works for the reason that no work has been done with the exception of the survey which has been made and delivered to the contractor on December 5, 1917. Petitioner was delayed on account of other work which he is completing and on account of the shortage of material.

Adopted by the following vote:

Ayes—Supervisors Brandon, Deasy,

Hayden, Hilmer, Hocks, Hynes, Kortick, Lahaney, McLeran, McSheehy, Mulvihill, Nelson, Power, Schmitz, Suhr, Welch—16.

City Attorney to Condemn Land on Army Street for Playground.

Resolution No. 15255 (New Series), as follows:

Resolved, By the Board of Supervisors of the City and County of San Francisco, that the immediate acquisition of land for playground purposes is an imperative and public necessity and that the public interest and necessity demand such acquisition.

Resolved Further, That the lands hereinafter described are hereby selected by the City and County of San Francisco for the public use and purpose of a playground and that the whole thereof is necessary for the City and County of San Francisco and suitable and adaptable for said public use and purpose.

Resolved Further, That the City Attorney is hereby directed to forthwith institute in the Superior Court of the State of California, in and for the City and County of San Francisco, condemnation proceedings against the owners of and all persons having or claiming to have an interest in the land hereinafter described for the purpose of acquiring a title in fee simple absolute to such described lands for the City and County of San Francisco for the public uses herein set forth. The lands to be so acquired

for public use and necessity are described as follows, to-wit:

Commencing at a point on the northwesterly line of Army street, distant thereon 90 feet southwesterly from the southwesterly line of Potrero avenue; running thence southwesterly and along said line of Army street 60 feet; thence at a right angle northwesterly 300 feet; thence at a right angle northeasterly 60 feet; thence at a right angle southeasterly 300 feet to the point of commencement. Being Lot No. 18, Precita Valley lands.

Seaboard Terminals.

Supervisor Welch presented:

Resolution No. 15256 (New Series), as follows:

Favoring the creation and operation of Seaboard Terminals by the Federal Government, in connection with its operation of railroad systems, and pledging the co-operation of the City and County of San Francisco in the matter of securing sites for such terminals.

Whereas, the Government of the United States has taken possession and assumed control of all of the railroad systems of the country, including all terminal facilities and appurtenances necessary to their unified operation; and also is in control of all overseas shipping and is developing a vast scheme involving the establishment of a world-wide system for the transportation and exchange of all the products of industry; and

Whereas, it is essential to the prompt movement of all commodities from the points of production to their consumption destinations, that transfers from ship to rail and from rail to ship be made without congestion and its consequent delay, and that to this end extensive areas should be set aside, convenient to deep water where docks may be constructed and facilities be provided for the efficient handling of all commodities exported and imported, and

Whereas, San Francisco, by reason of its location contiguous to one of the finest harbors of the world and being the terminus of several transcontinental railroad systems, and having within its limits large areas of land contiguous to deep water now unoccupied, which at a minimum of labor and expense could be reclaimed and made available, offers advantages for the creation of magnificent terminals whereat the movement of the

world's products could be expedited; therefore, be it

Resolved, That the Board of Supervisors favors the creation of Seaboard Terminals to be owned and operated by the Federal Government as a necessary connecting link between its operation of ships and railroads; also

Resolved, That the City of San Francisco, through its authorized officers, express its willingness to initiate or second any movement that will result in the location of such a terminal at this point; that it will favor the ceding to the United States, either by this city or the State, of such lands, water fronts, harbor facilities and appurtenances as the Government may require to satisfy its needs; also

Resolved, That the Senators and Representatives in Congress from this city be requested to give the subject expressed in this resolution their immediate attention and use their best endeavors to induce the proper Governmental authorities to take such action in respect thereto as may result in the creation of the Seaboard Terminals herein favored; and that copies of this resolution be transmitted to such Senators and Representatives; also

Resolved, That the Committee on Commercial Development and the City Planning Commission be directed to collect all available data and information bearing on this subject and to place the same at the disposal of this Board.

Adopted under suspension of the rules by the following vote:

Ayes—Supervisors Brandon, Deasy, Gallagher, Hayden, Hilmer, Hocks, Hynes, Kortick, Lahaney, McLeran, McSheehy, Mulvihill, Nelson, Power, Schmitz, Suhr, Welch—17.

Concert—Knitting Bee for U. S. Soldiers and Sailors.

Supervisor Gallagher presented:

Whereas, the San Francisco Chapter of the American Red Cross is urging upon its members and the women residents of San Francisco in general the need of knitting various garments for use by the soldiers and sailors of the United States army and navy, and

Whereas, it has been suggested by the San Francisco Call-Post that this cause could be furthered by the use of the Civic Auditorium for a series of free afternoon concerts during which the women of San Francisco could engage in knitting, be it

Resolved, That the Auditorium and Concerts Committees of the Board of

Supervisors co-operate in this worthy cause and that the use of the main floor of the Civic Auditorium be granted for this purpose.

Referred to Auditorium Committee, Municipal Band and Orchestra Organization.

Supervisor Schmitz presented:

Resolved, That the directors of the Municipal Band and Orchestra be changed every six months and that only fully qualified citizens of the United States of America be employed.

*Proposed Ordinances and Charter Amendments***ORDINANCE No. 9.**

An ordinance prohibiting public speaking upon the streets and sidewalks and public parks of the City and County of San Francisco, and providing a penalty for any violation thereof.

Be it ordained by the People of the City and County of San Francisco as follows:

Section 1. It shall be unlawful for any person to make or deliver any public speech, lecture, address or exhortation upon any of the public streets in the City and County of San Francisco, or in any public parks, or upon any premises in such manner that the person speaking, or any of the audience or persons listening to the same shall encroach upon any public street or sidewalk in said City and County, except such person shall first apply for and receive from the Board of Supervisors of the City and County of San Francisco a permit so to do.

Sec. 2. Any person violating the provisions of this Ordinance shall be punished by a fine of not less than Twenty-five (\$25) Dollars or more than One Hundred (\$100) Dollars or by imprisonment in the City and County jail for not less than twelve (12) or more than fifty (50) days, or by both such fine and imprisonment.

ORDINANCE No. 10.

An ordinance amending Section 19b of Ordinance No. 3212 (New Series) entitled: "Regulating the use of the streets of the City and County of San Francisco by self-propelled motor vehicles carrying passengers for hire, and providing for the licensing of such vehicles and for a penalty for the violation of this Ordinance," and providing that "jitney buses" may operate on all streets of said City and County and at all times, subject to such legal traffic regulations as apply to all other vehicular traffic, providing that "jitney buses" shall run to the end of their respective routes, but authorizing certain deviations therefrom.

Be it ordained by the People of the City and County of San Francisco as follows:

Sec. 1. Section 19b of Ordinance No. 3212 (New Series), the title of which is recited in the title of this ordinance, is hereby amended so as to read as follows:

Sec. 19b. "Jitney buses" may operate on all streets within the City and County of San Francisco at all times, subject, however, to such traffic regulations as the Police Department by law exercises over all other vehicular traffic. Jitney buses must run to the end of such routes as are indicated by their respective terminal signs; provided, however, that they may deviate from said routes to go on "side trips" or to make "special trips," on routes other than five cent or ten cent jitney routes, and may indicate such deviation by special terminal signs.

AMENDMENT No. 11.**Size Furnished.**

be provided at the right of the name of each candidate, wherein the voter may stamp a cross for that candidate his first, second or third choice, and at the top of each column of candidates the three columns of squares shall be designated "First Choice," "Second Choice" and "Third Choice," respectively.

Blank Spaces for Additional Candidates.

(b) Three-eighths inch spaces shall be left below the printed names of candidates for each office equal in number to the number to be elected, wherein the voter may write the name of any person or persons for whom he may wish to vote.

Other Requirements of Ballot.

Section 13. All ballots shall be precisely of the same size, quality, tint of paper, kind of type, and color of ink, so that without the number it would be impossible, in each Assembly district to distinguish one ballot from another; and the names of all candidates, printed upon the ballot shall be in type of the same size and style. A column or columns may be provided on the right hand side for Charter amendments or other questions to be voted upon at the municipal elections, as provided for under the Charter.

Voting Machines.

Section 14. In the event of the use of voting machines, the ballot shall be arranged on the machines in the same form in each Assembly district as provided for the printed ballot.

No Party Designation.

Section 15. No party name or political designation or descriptive matter concerning the candidate shall appear on the ballot.

Form of Ballots.

Section 16. Except as to the order of names of candidates, the ballots shall be printed in the form designated by the Board of Election Commissioners.

Sample Ballots.

Section 17. The Registrar of Voters shall cause to be printed ballots identical with the ballot to be used in each Assembly district at the election and shall furnish copies of the same on application to registered voters at his office at least ten days before the date fixed for such election, and shall mail to each voter entitled to vote at such election a copy of the ballot to be used in his district, so that all said sample ballots shall have been mailed at least eight days before said election.

Section 18. The Registrar of Voters shall, at each municipal or special municipal election, prepare lists for and select and appoint for each election precinct a precinct board of election officers to hold and conduct such election at the precinct for which said board is appointed. Such board shall consist of four persons—one inspector, one judge and two clerks, who shall perform all the duties required by law at such polling place, except, as in this Chapter provided. In constituting such precinct board the Registrar shall have the power to excuse persons appointed whenever he is satisfied any such person ought to be excused, and to substitute new appointees in all cases when any person appointed shall be excused or found disqualified or incompetent by the said Registrar of Voters, down to the time when the Registrar of Voters shall send the final inspector's list of such election officers to the inspector, which list shall be his final order of appointment.

Census of Returns and Determination of Results of Election.

Section 19. (a) The ballots cast at any given precinct shall not be counted at the polling place, but as soon as the polls are closed, the precinct election officers shall not open the ballot box except as may be necessary to close the mouth of the box, and see that the ballot box is correctly locked again without any ballot being removed or added and seal the same and separately seal the key in the manner provided by printed instructions from the Registrar of Voters, and as soon as said election officers have certified, signed and sealed the other packages or envelopes as required by law, such ballot box and key and packages shall be sent by not less than two of said precinct election officers to the office of the Registrar of Voters and there delivered to the Registrar, and until so delivered it shall be unlawful for such officers so conveying the same to allow any other person or persons to have possession of said ballot box or key or packages. Such officers shall proceed as continuously as possible to the office of the Registrar of Voters. Immediately upon the delivery of such ballot box to the Registrar of Voters or his deputy, said Registrar shall cause each such box to be plainly labeled with the correct number of the precinct in which such ballots were cast. The Registrar of Voters shall in such manner as he shall deem best calculated to provide competent persons, select and provide as many persons as he may deem necessary for the counting, tallying and certifying of returns of the vote cast in each precinct, and such persons shall have the qualifications required for election officers at State elections, save that all persons who are employed in the Department of Elections, or who report for service from the Civil Service of the City and County, shall, if not a candidate at such election, be qualified, save that none of the persons so selected need reside in a particular precinct. The persons so selected and provided shall be segregated by the Registrar of Voters or his deputies into counting boards respectively to consist of three persons each, and each such selected counting board shall proceed to count and tally such ballots by precincts separately under the direction of the Registrar of Voters or his deputies or such superintendents as the Registrar of Voters may direct, in the same manner provided by law for counting, tallying and certifying ballots at State elections except as herein otherwise provided. The form of tally sheets shall be provided and determined by the Registrar of Voters, and there shall be a certificate at the end thereof to the effect that the foregoing is the correct result of the election in such precinct, and such certificate shall be signed by the three persons who completed such tally list and return. The Registrar of Voters or any deputy empowered by him by writing may excuse or dismiss any person from any such counting board at pleasure and enforce such order and substitute any person so provided by the Registrar of Voters in the place of any person so excused, dismissed, or who absents himself from said counting board. Any person acting on any such counting board who shall refuse to obey any lawful order of the Registrar or his deputy shall be guilty of a misdemeanor. The tally sheets shall be in duplicate, kept by two clerks, and one copy upon the completion thereof shall be sealed and signed across the flap in the manner provided by the laws of the State of California for sealing tally lists where votes are counted at the precinct, and the other tally list shall remain open for inspection in the office of the Registrar of Voters. The returns so sealed shall be securely kept by the Registrar until produced before the Board of Election Commissioners for official canvass in the manner provided by law. The Registrar of Voters shall determine the compensation to be paid to each person employed in counting, tallying and sealing such ballots or engaged in superintending or assisting during said count, not to exceed the sum of twenty-five dollars (\$25) aggregate for each

Acting Mayor McLeran's Statement.

His Honor Acting Mayor McLeran declared that various heads of departments had called his attention to the matter of public printing and that they declared that it was absolutely necessary in order to carry on the work of the various offices that the contract for printing be let. He presented a list of departments making the foregoing complaint, which is on file in the Clerk's office.

Supervisor Deasy's Resolution.

Whereupon, Supervisor Deasy presented the following resolutions and moved their adoption:

Rejection of Printing Bids of Neal Publishing Company and Awards to Next Bidders.

Resolution No. — (New Series), as follows:

Whereas, it appears from the written record of the proceedings of the Board of Election Commissioners that the firm of Neal Publishing Company has flagrantly violated its printing contract with this city by its failure to comply with the specifications for furnishing printed matter for the Charter Amendment election of 1916, for the use of the Department of Elections, and

Whereas, owing to the short time until the election of that year it was impossible to correct the work and it had to be accepted, and

Whereas, after reporting this violation of contract to his Honor Mayor Rolph, the Election Commissioners saw fit, by resolution of that Board, unanimsously adopted, to censure and penalize said firm of Neal Publishing Company and to characterize their action as an unfair and unjust advantage taken of other bidders who doubtless bid with a view to performing their contracts in exact accord with the specifications;

Therefore, in awarding the contract for printing for this year, in justice to reputable firms whose bids are based on considerations of full compliance with our specifications, and in order that such firms may be protected against all unreliable and unscrupulous competitors, be it

Resolved, That the bids of the Neal Publishing Company on the following items be and they are hereby rejected, and said items are hereby awarded to the following named firms, who are the next lowest bidders, at their bid price, as hereinafter set forth, and in strict accordance with the specifications prepared therefor, and the amounts of the bonds for the faithful performance of said contracts are hereby fixed in the sums set under the names of the respective bidders to whom the contracts are hereby awarded as per the number and article enumerated and appearing on the schedule of yearly supplies, to-wit:

Rejection of Bids of Neal Publishing Company, Award of Contract for Books.

Resolution No. — (New Series), as follows:

Whereas, it appears from the written record of the proceedings of the Board of Election Commissioners that the firm of Neal Publishing Company has flagrantly violated its printing contract with this city by its failure to comply with the specifications for furnishing printed matter for the Charter Amendment election of 1916, for the use of the Department of Elections, and

Whereas, owing to the short time until the election of that year, it was impossible to correct the work and it had to be accepted, and

Whereas, after reporting this violation of contract to his Honor Mayor Rolph, the Election Commissioners saw fit, by resolution of that Board, unanimately adopted, to censure and penalize said firm of Neal Publishing Company and to characterize their action as an unfair and unjust advantage taken of other bidders who doubtless bid with a view to performing their contracts in exact accord with the specifications,

Therefore, in awarding the contract for books for this year, in justice to other reputable firms, whose bids are based on considerations of full compliance with our specifications, and in order that such firms may be protected against unreliable and unscrupulous competitors, be it

Resolved, That the bids of the Neal

Publishing Company on the following items be and they are hereby rejected and said items are hereby awarded to the following named firms, who are the next lowest bidders, at their bid price, as hereinafter set forth, and in strict accordance with the specifications prepared therefor, and the amounts of the bonds for the faithful performance of said contracts are hereby fixed in the sums set under the names of the respective bidders to whom the contracts are hereby awarded, as per the number and article enumerated and appearing in the schedule of yearly supplies, to-wit:

Amendment.

Supervisor Hayden moved as an amendment that the foregoing resolutions be referred to the City Attorney for his opinion as to whether or not under all the circumstances an award can be made to a higher bidder when there is a lower.

There being no objection, it was so ordered.

Supervisor Welch asked that the City Attorney also be requested to advise whether or not the Board could declare Neal or any other bidder a responsible or an irresponsible bidder.

So ordered.

ADJOURNMENT.

Whereupon, the Board at the hour of 6:30 p. m. adjourned.

J. S. DUNNIGAN, Clerk.

Approved by the Board of Supervisors February 4, 1918.

Pursuant to Resolution No. 3402 (New Series), of the Board of Supervisors of the City and County of San Francisco, I, John S. Dunnigan, hereby certify that the foregoing is a true and correct copy of the Journal of Proceedings of said Board of the date, thereon stated, and approved as above recited.

JOURNAL OF PROCEEDINGS

BOARD OF SUPERVISORS

MONDAY, JANUARY 21, 1918, 2 P. M.

In Board of Supervisors, San Francisco, Monday, January 21, 1918, 2 p. m.

The Board of Supervisors met in regular session.

CALLING THE ROLL.

The Roll was called and the following Supervisors were noted present:

Supervisors Bancroft, Deasy, Gallagher, Hayden, Hilmer, Hocks, Hynes, Kortick, Lahaney, McLeran, McSheehy, Mulvihill, Nelson, Power, Schmitz, Suhr, Welch—17.

(Supervisor Wolfe excused on account of illness.)

Quorum present.

His Honor Acting Mayor McLeran in the Chair.

ROLL CALL FOR PETITIONS FROM MEMBERS.

Cancellation of Demands.

Communication—From Auditor, requesting adoption of a resolution providing for the cancellation of certain demands.

Referred to the Finance Committee.

City Attorney's Opinion on Award of Printing Contract.

Communication—From City Attorney, advising that printing and supplies contract must be awarded to the lowest bidder offering adequate security for performance, unless all bids are rejected and new bids called for.

On motion of Supervisor Power, the Clerk was directed to have twenty copies of the opinion typewritten for the members and consideration thereof was made a Special Order of Business for 4 p. m.

Transportation West of Twin Peaks.

Supervisor Mulvihill presented a resolution relative to use of Twin Peaks tunnel for car service to the district west of the Twin Peaks and moved the suspension of the rules for its immediate consideration.

Motion to suspend rules defeated by the following vote:

Ayes—Supervisors Brandon, Hilmer, Hynes, Kortick, Lahaney, McSheehy, Mulvihill, Nelson, Schmitz, Suhr, Welch—11.

Noes—Supervisors Gallagher, Hayden, Hocks, Power—4.

Absent—Supervisors Deasy, McLeran, Wolfe—3.

(See later proceedings in page 62.)

Appointments of Tax Collector and Supervisors.

The following was presented by Acting Mayor McLeran, read by the Clerk and ordered spread in the Journal.

San Francisco, Cal.,
January 21, 1918.

Board of Supervisors,
San Francisco.

Gentlemen:

In the matter of qualifying as Supervisors, two Supervisors who were elected at the last municipal election, namely, Cornelius J. Deasy and James E. Power, did not present their official bonds for approval until January 9th, 1918. Also, Edward F. Bryant, elected Tax Collector at the same election, did not present his official bond for approval until January 9th, 1918.

So far as the Supervisors in question are concerned, it appears that their official bonds were subscribed by them and their sureties within the time prescribed for qualifying, and the bonds were left with the surety company to be delivered to the proper approving officers. The Bonding Company, however, neglected to present these bonds until the date above indicated. The Supervisors proceeded under the belief that their bonds had actually been filed and approved by the proper approving officers and did not know that the bonds had not been approved until January 9th, 1918.

The reason assigned by Tax Collector Bryant for his failure to file his official bond was that he believed that his old bond filed for his term of office which expired on January 8th, 1918, ran until March of 1918, for the reason that a premium had been paid when the bond was executed in March of 1917 for a full year.

I was advised that under the provisions of Section 10 of Article XVI of the Charter, the failure of these respective officials to file their official bonds within the time specified in that section could possibly be claimed to amount to a forfeiture of their respective offices, and in order to pre-

vent any question of their respective titles to the offices to which they have been elected being raised in the future, I have re-appointed Supervisors Deasy and Power and Tax Collector Bryant to the offices to which they were elected, and said officers have duly qualified.

Respectfully,

RALPH McLERAN,
Acting Mayor.

Read and ordered spread in *Journal*.

SPECIAL ORDER, 3 P. M.

Rincon Hill-Islands Creek Project.

Consideration of the proposed change of grade ordinance (Rincon Hill-Islands Creek project), laid over from last meeting, was taken up and again laid over one week.

Revoking Appropriations for Salary Increases.

Supervisor McLeran presented:

Resolution No. — (New Series), as follows:

Resolved, That Resolution No. 14892 (New Series), appropriating and setting aside \$3,810 out of the General Fund, 1917-1918, to the credit of salaries accounts of Department of Public Works, for payment during balance of fiscal year of increased wages to engineers employed in the bureaus of street repair and building repair, be and the same is hereby repealed.

Also, Resolution No. — (New Series), as follows:

Resolved, That the hereinatter mentioned appropriations, as provided by Resolution No. 14992 (New Series), Items 5, 6 and 7, to-wit:

(5) For increase in salary of two assistant head janitors and 58 janitors, Department of Public Works, at the rate of \$10 per month, for period Oct. 1, 1917, to June 30, 1918, \$5,400.

(6) For increase in salary of 26 watchmen, Department of Public Works, at rate of \$10 per month; for period Oct. 1, 1917, to June 30, 1918, \$2,340.

(7) For increase in salary of 17 elevator operators and one elevator starter, Department of Public Works, at rate of \$10 per month; for period Oct. 1, 1917, to June 30, 1918, \$1,620. Be and the same are hereby rescinded.

Discussion.

Acting Mayor McLeran declared that the Finance Committee recommends the repeal of the resolutions providing for salary increases for the reason that no funds were available and it is desirable to clear the records. He stated further that the employees mentioned would get the increase but that it would be provided out of the funds of the Board of Public Works.

Supervisors Gallagher and Power objected to the repeal of the foregoing resolutions, declaring that they had been adopted, upon the recommendation of the Board of Public Works, who at the time declared they had no funds to grant the increases and wanted the Supervisors to set aside the money for the purpose. In justification of his statement, Supervisor Gallagher requested that the following correspondence be spread in the record.

October 13, 1917.

The Honorable Board of Supervisors.

Gentlemen: The San Francisco Labor Council has advised this Board of its approval of the new wage scales of the Janitors' and Watchmen's Unions.

In order that the approved increase may be given those janitors and watchmen who are now receiving \$90 per month, the Board of Public Works respectfully recommends that the sum of \$7,470 be made available to defray this increase for the remainder of the present fiscal year, computed as follows:

26 watchmen, at \$10 increase, \$260 per month, 9 months, October 1, 1917, to June 30, 1918, \$2,340.

60 janitors, at \$10 increase, \$600 per month, 9 months, October 1, 1917, to June 30, 1918, \$5,400.

Very respectfully,

BOARD OF PUBLIC WORKS.

By F. J. CHURCHILL, Secretary.

October 16, 1917.

To the Honorable the Board of Supervisors.

Gentlemen: By Resolution 55515 (Second Series), and in accordance with the approval of the Building Trades Council, dated October 12, 1917, the Board of Public Works recommends that the sum of \$1,620 be made available to increase the compensation of one elevator starter and that of seventeen elevator operators by \$10 per month, the new compensation of the starter to be \$110 and of the elevator operators to be \$100 for the period commencing October 1, 1917, and ending June 30, 1918.

By the same resolution the Board of Public Works reiterates its request of October 13, 1917, that the sum of \$7,470 be made available to increase the compensation of twenty-six watchmen and of fifty-seven janitors employed by this department, in accordance with the new wage scale endorsed by the San Francisco Labor Council under date of October 13, 1917.

Respectfully,

BOARD OF PUBLIC WORKS.

By F. J. CHURCHILL, Secretary.

October 23, 1917.

Gentlemen: By Resolution No. 55671 (Second Series), adopted October 22, 1917, and supplementing our communication of October 13, 1917, the Board of Public Works recommends that the sum of \$270 be made available in addition to the sum of \$5,130 requested in said communication, to enable this Board to increase by \$10 per month from October 1, 1917, to June 30, 1918, the compensation of the following janitors employed by this department:

Henry Viner, assistant head janitor (to be increased from \$115 to \$125 per month);

Frank Ralston, assistant head janitor (to be increased from \$100 to \$110 per month);

W. Harders, Janitor No. 57-1, assigned to Auditorium (to be increased from \$100 to \$110 per month).

Very respectfully,

BOARD OF PUBLIC WORKS.

By F. J. CHURCHILL, Secretary.

Privilege of the Floor.

L. Levy, bookkeeper of the Board of Public Works, being sent for, appeared and addressed the Board. In reply to a question of Supervisor Gallagher as to whether or not he had received instructions from the Board of Public Works to pay the demands, he said: "The Board of Public Works passed a resolution increasing salaries, and, as in the case of the engineers, two demands will be drawn in each case, one for the salary as previously paid and one for the increase. Demands as yet have not been paid.

Amendments.

Supervisor Gallagher moved as an amendment that the Board request the Finance Committee to pledge the Board of Public Works the amount required to make up funds in case of deficit for the payment of these salary increases and authorizing the Board of Public Works to proceed to pay said salaries.

Action Deferred.

Supervisor Nelson moved as an amendment to the amendment that Items 16 and 17 on calendar (the foregoing resolutions) be laid over one week and that a communication be requested from the Board of Public Works assuring Supervisors that men will get their money, and also requesting repeal of resolutions mentioned in Items 16 and 17.

Amendment to the amendment carried by the following vote:

Ayes—Supervisors Brandon, Deasy, Hayden, Hilmer, Hocks, McSheehy, Nelson, Power, Schmitz, Welch—10.

Noes—Supervisors Gallagher, Hynes,

Kortick, Lahaney, McLeran, Mulvihill, Suhr—7.

Extensions of Time, San Francisco Hospital.

Supervisor McLeran presented:

Resolution No. 15268 (New Series), as follows:

Resolved, That the following extensions of time be granted to contractors on public work, upon the recommendation of the Board of Public Works, for the reasons stated in each particular case, and that in each case the advertising fee be remitted:

Southeast Wing of the San Francisco Hospital:

To Scott Company—Ninety days

from December 3, 1917, to complete contract for furnishing and installing instrument and water sterilizers.

Reason: The construction of the building is not sufficiently advanced to permit the installation of this equipment.

To Emil Hogberg—Sixty days from November 26, 1917, to complete contract for brick and terra cotta work, in connection with the yard work, northeast wing, San Francisco Hospital.

Reason: Certain portions of the brick work could not be installed until work being performed by other contractors had been completed.

To Bos & O'Brien—Sixty days' time from November 23, 1917, to complete contract for general construction of yard work, northeast wing, San Francisco Hospital.

Reason: Contractors could not proceed with their work until the temporary building on the site had been vacated by the Board of Health.

To Newsom & Henning—Ninety days from October 11, 1917, to complete contract for excavation, grading and concrete work at the Fairmount School.

Reason: Impossible to complete certain work incorporated in the contract until the temporary school buildings were removed.

To Michel & Pfeiffer—Thirty days from December 8, 1917, to complete contract for furnishing and installing the fencing for the Fairmount School.

Reason: Fence could not be installed until the temporary school buildings had been removed from the site.

Adopted by the following vote:

The following resolution, heretofore presented by Supervisor Nelson and referred to the Public Buildings Committee, was returned by said committee with favorable recommendation and *adopted* by the following vote:

Resolution No. 15269 (New Series), as follows:

Whereas, The Auto Truck Owners' Association is making arrangements to hold an exhibition in the Civic Auditorium, February 26, 27 and 28, 1918, and

Whereas, The Auditorium is not large enough to permit of demonstrations of some of the trucks and trailers that are to be exhibited, and

Whereas, Any machinery or device that will assist in the economical cultivation of the soil and increase the

production of California land should be exhibited to the people, and the uses thereof explained to them, and to that extent will assist the Government in the prosecution of the war; now, therefore, be it

Resolved, That the Auto Truck Owners' Association is hereby granted permission to occupy and use the block of land belonging to the City and bounded by Grove, Larkin, Fulton streets and Marshall Square, for the period of said exhibition and in connection therewith, provided that all structures, poles, tents or other material shall be immediately removed from said land upon the closing of said exhibition.

Action Deferred.

The following resolution, laid over from last meeting, was taken up and again laid over one week:

Rules Amended, Building Committee.

Resolution No. — (New Series), as follows:

Resolved, That the Rules of Proceedings of the Board of Supervisors of the City and County of San Francisco, adopted January 8, 1916, be and the same are hereby amended to read as follows:

Page 6.

Public Buildings—To supervise the erection of all public buildings and to recommend the purchase of sites therefor; to consider proposed changes in the building laws, and make recommendations thereon; to consider, report upon and supervise the repairs to public buildings and to recommend as to the janitorial, elevator and other service required for the proper conduct of all buildings of the City and County.

Extension of Time.

Supervisor Gallagher presented:

Resolution No. 15270 (New Series), as follows:

Resolved, That the White Company be granted an extension of 40 days from the 3rd day of December, 1918, within which to complete contract for furnishing five buses under contract No. 88, Municipal Railway System.

This *fourth* extension is granted upon the recommendation of the Board of Public Works and for the reason that unforeseen delays occurred in the transit of the busses by rail and that after the arrival of the same some changes and alterations were required before final acceptance. Advertising fees are remitted.

Adopted by the following vote:

Ayes—Supervisors Brandon, Deasy,

Intention to Change Grades.

Supervisor Welch presented:

Resolution No. 15274 (New Series), as follows:

Resolved, That it is the intention of the Board of Supervisors to change and establish grades on the following named streets, at the points hereinafter specified and at the elevations above City base, as hereinafter stated, in accordance with Resolution No. 57000 (Second Series) of the Board of Public Works adopted January 11, 1918, and written recommendation of said Board, filed January 14, 1918, to-wit:

On Berlin street, between Dwight and Olmstead streets.

The Board of Supervisors hereby declares that no assessment district is necessary as no damage will result from said change of grades, inasmuch as the streets are ungraded and there are no existing street improvements.

The Board of Public Works is hereby directed to cause to be conspicuously posted along the street or streets upon which such change or modification of grade or grades is contemplated, notice of the passage of this resolution of intention.

Adopted by the following vote:

SPECIAL ORDER, 4 P. M.

The following matters were thereupon taken up:

Award of Printing Contract.

Resolutions No. — (New Series).
Rejecting bids of Neal Publishing Company and awarding contracts to next lowest bidders for city printing.

January 14, 1918—Presented by Supervisor Deasy. On motion of Supervisor Hayden referred to City Attorney for an opinion as to whether or not, in consideration of all the circumstances, award can be made to a higher bidder when a lower bid has been presented.

Opinion of City Attorney.

The following was thereupon read by the Clerk:

January 21, 1918.

Subject: Printing and supplies contract must be awarded to the lowest bidder offering adequate security for performance—unless all bids are rejected and new bids called for.

Gentlemen: I am in receipt of your request for an opinion in which you call my attention to resolutions pending before the Board of Supervisors and relating to the award for furnishing printed and lithographed blanks for the various departments, and also the contract for printed books required for the various departments of the City and County of San Francisco. These two annual contracts have not as yet been awarded. Several bids have been received by the Board of Supervisors in accordance with the Charter provisions calling for such bids.

The two resolutions which you have referred to me, one dealing with the matter of printed and lithographed blanks and the other with the matter of books, required for the various departments, have reference to the bids of the Neal Publishing Company, which company is the lowest bidder on several items in each of these two proposals.

These resolutions refer to a written record of certain proceedings had before the Board of Election Commissioners in the year 1916.

It appears that in the year 1916 the Neal Publishing Company was awarded a contract by the Election Commissioners for the printing of certain matters in connection with the Charter amendments election of that year. Because of a failure to follow specifications for this printing the Neal Publishing Company was penalized by the Election Commissioners in a certain sum of money.

The two resolutions introduced in your Board which have been submitted to me for examination refer to this experience of 1916 with the

Election Commissioners, and attempt to reject these two bids of the Neal Publishing Company on account of said experience, and to award the contract to the next lowest bidder. You ask my advice, first, as to the validity of such resolutions of award if adopted, and second, as to the general power of the Board of Supervisors to declare any bidder on such supplies or printing to be an irresponsible bidder.

Opinion.

The Charter, Art. II, Chap. III, Sec. 1, provides that:

"All contracts for goods, merchandise, stores, supplies, subsistence or printing for the City and County * * * must be made by the Supervisors, with the lowest bidder offering adequate security * * *

"The award as to each article shall in all cases be made to the lowest bidder for such article, * * *

"The Supervisors shall require bonds with sufficient sureties for the faithful performance of every contract. * * *

Section 3 of the same Article provides that the Clerk of the Board of Supervisors shall annually advertise for proposals for supplying the various departments—

"with all stationery and supplies in the nature of stationery, assessment books, minute books, blank books and the printing of blanks. * * * Such advertisements * * * (shall state) the amount of the bond that will be required as security for the performance of the contract. * * *

"The contract or contracts must be made with the lowest bidder offering adequate security, quantity and quality being considered."

From the above language it is very clear that if your Board at this time desires to award a contract for this printing that there is only one firm to which such contract can be awarded and that is the Neal Publishing Company. On the face of its bid the Neal Publishing Company is the lowest bidder and I am assuming that it has offered adequate security.

The language above quoted controls when it states that the contract, if awarded at all, "must be made by the Supervisors, with the lowest bidder offering adequate security." This language is clear and unequivocal and leaves no discretion in your Board if it is your present desire to award a contract.

Referring again to this same chapter of the Charter we find that certain discretion is vested in your Board in determining as to whether you will award a contract at all. I refer to Section 5 of this Chapter III, which states that:

"When the Supervisors believe that the prices bid are too high, or that bidders have combined to prevent competition, or that public interest will be subserved thereby, they may reject any and all bids and cause the notice for proposals to be re-advertised."

There is thus given to your Board the discretion, after investigation, to come to a conclusion that any one of three conditions exists, the existence of which condition would authorize your Board to reject all bids and re-advertise for new bids. This you may do if you believe, after such investigation, any one of the following conditions do exist:

First, that the prices bid are too high; second, that bidders have combined to prevent competition; or, third, that the public interest will be subserved by rejecting all bids and causing the notice for proposals to be re-advertised.

Coming to your second question, I advise that if in your opinion a lowest bidder is so irresponsible as to make it subserve the public interest to reject his bid it is within your power to so reject that bid, but if you do so you cannot award the bid to the next lowest bidder, since the Charter directs otherwise. You must, if you reject the lowest bid for such reason, or for either of the two other reasons above described, cause the notice for proposals to be re-advertised.

You are therefore respectfully advised:

First: That the resolutions submitted to me, if adopted, would have no effect and would not be a proper award to the next lowest bidder, and that if it is your intention at this time to award a contract you must award it to the Neal Publishing Company.

Second: It is within your power, if upon investigation you believe a lowest bidder is irresponsible and that the public interest will be subserved by rejecting such bid, to do so, but you must then cause the notice for proposals to be re-advertised.

Respectfully,
 GEORGE LULL,
 City Attorney.

Board of Supervisors.

Resolutions.

Whereupon, Supervisor Deasy withdrew his pending resolutions.

Supervisor Hilmer's Resolutions.

Thereupon, Supervisor Hilmer presented the following resolutions and moved their adoption:

Printing and Blanks.

Resolution No. — (New Series), as follows:

Resolved, That a contract for furnishing and delivering printing and blanks for the use of the various offices and departments of the City and County for the fiscal year 1917-1918 be awarded to Neal Publishing Company, in strict accordance with the proposal notice inviting bids thereon, and in strict accordance with the specifications prepared therefor, and the amount of the bond for the faithful performance of said contract is hereby fixed in the sum set under the name of the bidder to whom contract is hereby awarded, as per the number and article enumerated and appearing on the schedule of yearly supplies.

JOURNAL OF PROCEEDINGS

BOARD OF SUPERVISORS

MONDAY, JANUARY 28, 1918, 2 P. M.

In Board of Supervisors, San Francisco, Monday, January 28, 1918, 2 P. M.

The Board of Supervisors met in regular session.

CALLING THE ROLL.

The Roll was called and the following Supervisors were noted present:

Supervisors Bancroft, Deasy, Gallagher, Hayden, Hilmer, Hocks, Hynes, Kortick, Lahaney, McLeran, McSheehy, Mulvihill, Nelson, Power, Schmitz, Suhr, Welch—17.

(Supervisor Wolfe excused on account of illness.)

Quorum present.

His Honor Acting Mayor McLeran in the Chair.

APPROVAL OF JOURNAL.

The Journal of the meeting of January 7, 1918, was presented and approved by the following vote:

Ayes—Supervisors Brandon, Deasy, Hayden, Hilmer, Hocks, Hynes, Kortick, Lahaney, McLeran, Nelson, Suhr, Welch—12.

Noes—Supervisors Gallagher, Power—2.

Absent—Supervisors Wolfe, Mulvihill—2.

Excused from Voting—Supervisors McSheehy, Schmitz—2.

Explanation of Vote.

Supervisor Power explained his vote by saying that he voted *No* because the Journal is not a true and correct copy of the proceedings and does not contain the following statement:

(Statement expunged.)

Supervisor Power proceeded to read statement but was interrupted by the chair, who ruled the statement *out of order*.

Whereupon, the Board proceeded to the regular order of business, Supervisor Power declaring that he would take the matter up later.

NEWSPAPER CRITICISM OF FORMER FINANCE COMMITTEE.

Supervisor Power requested information from Acting Mayor McLeran as to whether or not it was true that certain heads of departments and commissions had called at the Mayor's office during the week and made the

statement published in a certain newspaper in San Francisco that said heads of departments were forced to accept employees from previous Finance Committee before they could get budget appropriations necessary for the operation of their departments.

Acting Mayor McLeran declared that the statements in the paper were substantially the same as those made to him by certain heads of departments.

Supervisor Power requested the names of the commissioner or commissioners who had made the statements and asked that they be sent for.

Acting Mayor McLeran refused to give the names of the commissioners or to send for them.

Motion.

Supervisor Power thereupon moved that the commissioner or commissioners who made the statements be directed to appear before the Board of Supervisors at 4 o'clock.

Motion seconded by Supervisor Gallagher.

Acting Mayor McLeran ruled motion *out of order*.

Whereupon, Supervisors Power and Gallagher requested that the officials be sent for.

Point of Order Sustained.

Supervisor Gallagher continued discussion as to newspaper criticism and was ruled out of order on point of order raised by Supervisor Hayden that there was nothing before the Board.

Supervisor Gallagher raised a question of personal privilege.

Supervisor Hayden moved to proceed with regular order of business. (Seconded by Supervisor Hilmer.)

Supervisor Gallagher insisted as a matter of personal right that the officials mentioned should be sent for.

Point of Order Sustained.

Supervisor Hayden raised point of order that Supervisor Gallagher was not addressing himself to the motion, and point of order was *sustained* by the chair.

Appeal From Decision of Chair.

Supervisor Gallagher appealed from the decision of the chair.

Whereupon, Supervisor Hilmer was called to the chair and the question

being put, the chair was *sustained* by the following vote:

Ayes—Supervisors Brandon, Hayden, Hilmer, Hocks, Kortick, Nelson, McSheehy, Suhr, Welch—9.

Noes—Supervisors Deasy, Hynes, Lahaney, Mulvihill, Power, Schmitz—6.

Excused from Voting—Supervisors Gallagher, McLeran—2.

Explanation of Vote.

Supervisor Schmitz explained his vote by saying that it was no more than right that the Supervisors should meet man to man those who have accused them. If any commissioners have made the charges published in the paper, he said, they should be brought before the Board to prove them. I do not care to vote against sustaining the chair, but I must do so under the circumstances.

Regular Order of Business.

Whereupon, with the understanding that Supervisors Power's and Gallagher's request would be granted that A. Barendt, President of the Board of Health; Chief of Police White, Fire Commissioner Davis and City Attorney Lull be sent for to appear before the Board at 4 p. m., the motion of Supervisor Hayden to proceed with the regular order of business was agreed to.

Privilege of the Floor.

Arthur Barendt, President of the Board of Health, appeared at 4 p. m. He was informed by Acting Mayor McLeran of the statement the chair had made to the Board in answer to Supervisor Power and the reason he had been sent for.

Mr. Barendt denied that he had made the statements attributed to him in the newspapers. In reply to Supervisor Power's question as to whether or not he made the statement published in the Examiner that he (Barendt) had stated to Acting Mayor McLeran that the former Finance Committee had "forced men" on the Board of Health before said committee would grant budget appropriations necessary for the upkeep of the department, he replied: "Absolutely *no*. We were courteously treated by the former Finance Committee and got from them all we requested. None of the members of that committee approached me for jobs." In reply to a further question from Supervisor Power, he declared that the Board of Health received less from the committee this year than it did during the previous year.

Chief of Police White, who also appeared, was unable to stay, so was not heard.

Resolution.

Thereupon, *Supervisor Gallagher* presented the following resolution which was subsequently withdrawn on objection being offered by Supervisor

Hayden to its consideration under suspension of the rules:

Resolution No. — (New Series), as follows:

Whereas, The Honorable Ralph McLeran, while presiding at the meeting of the Board of Supervisors on January 28, 1918, made a statement "that a Commissioner had in substance told him that the previous Finance Committee had 'forced men' on them," and

Whereas, Said Hon. Ralph McLeran, on the same day and at the same meeting, stated publically "that there were people on the city's pay roll who did not do any work;" therefore be it

Resolved, That he is requested and directed to, at 4 p. m., Monday, February 4th, at the meeting of the Board of Supervisors, make known the name of said Commissioner and have him present; also he is directed to submit any proof and names he may have of people whom the former Finance Committee is reputed to have placed in the city's employ, or who are on the pay roll of the City and County and are not earning same.

(See subsequent action, page 86, referring above resolution to Finance Committee.)

Opinion of City Attorney on Change of Grade Ordinance for Rincon Hill-Islands Creek Project.

The following was presented, read and ordered *spread in the Journal*:
January 28th, 1918.

Board of Supervisors, San Francisco, Cal.

Gentlemen: In accordance with your request, I have examined the so-called "Change of Grade Ordinance" now being considered by you.

I am of the opinion that the proposed ordinance, while it contains some provisions which have not been judicially passed upon, is in proper form for your honorable Board to adopt. I do not find therein any defect, although it may be necessary, as I have indicated, to have certain of its provisions judicially passed upon.

Very truly yours,
GEORGE LULL,
City Attorney.

Annual Rate of Interest for City Deposits.

The following was presented, read, ordered *spread in the Journal* and *filed*:

January 23, 1918.

To the Honorable Board of Supervisors, San Francisco.

Gentlemen: In compliance with Chapter 3, Section 2 of the Charter providing for the fixing of the annual rate of interest on all bank deposits of public money, we have this 23rd day of January, 1918, established the annual rate of interest on all such deposits at 2 per cent for the year 1918.

Respectfully,
RALPH McLERAN,
Acting Mayor.
THOS. F. BOYLE,
Auditor.
JOHN E. McDOUGALD,
Treasurer.

Hearing of Appeal.

Appeal of City Street Improvement Company from the assessment issued for the improvement of Harrison street, between Sixteenth and Eighteenth streets, and of Elizabeth street, between Harrison street and Treat avenue, including those portions of Harrison street opposite the terminations of Seventeenth, Mariposa and Eighteenth streets.

Appeal Sustained.

Supervisor Welch presented: Resolution No. 15276 (New Series), as follows:

Resolved, That the appeal of City Street Improvement Company from the assessment issued by the Board of Public Works for the improvement of Harrison street, between Sixteenth street and the northerly line of Eighteenth street produced west-erly, and of Eighteenth street, be-

tween Harrison street and Treat avenue, including those portions of Harrison street opposite terminations of Seventeenth, Mariposa and Eighteenth streets be sustained, and the Board of Public Works be directed to issue a new assessment.

Adopted by the following vote:

Ayes—Supervisors Brandon, Deasy, Gallagher, Hayden, Hilmer, Hocks, Hynes, Kortick, Lahaney, McLeran, McSheehy, Mulvihill, Nelson, Power, Suhr, Schmitz, Welch—17.

Absent—Supervisor Wolfe—1.

Appeal From Street Assessment—Wisconsin Street.

The appeal of Mary Kissane from assessment issued for street work on Wisconsin street, between Twenty-second and Twenty-third streets, was on motion of Supervisor Welch laid over in Board one week and protestants notified that hearing would be had before Streets Committee on Thursday.

SPECIAL ORDER, 3 P. M.

Rincon Hill-Islands Creek Project.

Consideration of the proposed change of grade ordinance (Rincon Hill-Islands Creek project), laid over from last meeting, was taken up and again *laid over one week*.

Notice of Reconsideration—Contract for Printing.

On motion of *Supervisor Hayden* the notice given by him at last meeting that he would move today for a reconsideration of the vote whereby the resolutions awarding printing contracts to Neal Publishing Co. were defeated, was *postponed one week*:

REPORTS OF COMMITTEES.

The following Committees, by their respective Chairmen, presented reports on various matters referred, which reports were read and ordered *filed*:

Fire Committee, by Supervisor Deasy, Chairman.

Streets Committee, by Supervisor Welch, Chairman.

Health Committee, by Supervisor Walsh, Chairman.

Supplies Committee, by Supervisor Hilmer, Chairman.

Auditorium Committee, by Supervisor Hayden, Chairman.

Relative to Press Agent for Auditorium.

Supervisor Gallagher moved that that portion of the report of the Auditorium Committee relating to the employment of a press agent be re-committed to the Committee.

So ordered.

Passed for Printing.

The following matters were passed for printing:

Board of Public Works to Contract for High Pressure Mains in Clarendon Avenue.

On motion of Supervisor McLeran: Bill No. 4824, Ordinance No. — (New Series), entitled, "Ordering the hauling and laying of high pressure water mains and appurtenances in Clarendon avenue between Burnett avenue and Stanyan street; ordering the Board of Public Works to enter into contract for said hauling and laying of mains and appurtenances, and approving plans and specifications therefor."

Board of Public Works to Contract for Commercial Street Sewage Pumping Station.

Also, Bill No. 4825, Ordinance No. — (New Series), entitled, "Ordering the construction of the Commercial Street Sewage Pumping Station; authorizing the Board of Public Works to enter into contract for said construction, approving plans and specifications therefor, and permitting progressive payments during the progress of said construction."

Rescinding Resolutions Providing for Salary Increases.

The following matters laid over from last meeting were taken up:

Resolution No. — (New Series). Repealing Resolution No. 14892 (New Series), appropriating and setting aside \$3,810 out of the General Fund, 1917-1918, to the credit of the salaries accounts of Department of Public Works, for payment during balance of fiscal year of increased wages to engineers employed in the bureaus of street repair and building repair. Effective February 1, 1918.

Resolution No. — (New Series). Repealing the hereinafter mentioned appropriations, as provided by Resolution No. 14992 (New Series), items 5, 6 and 7, to-wit:

"(5) For increase in salary of two assistant head janitors and 58 janitors, Department of Public Works, at the rate of \$10 per month: for period Oct. 1, 1917, to June 30, 1918, \$5,400.

"(6) For increase in salary of 26 watchmen, Department of Public Works, at rate of \$10 per month: for period Oct. 1, 1917, to June 30, 1918, \$2,340.

"(7) For increase in salary of 17 elevator operators and one elevator starter, Department of Public Works, at rate of \$10 per month: for period Oct. 1, 1917, to June 30, 1918, \$1,620."

Effective Feb. 1, 1918.

Privilege of the Floor.

Auditor Thos. Boyle was granted the privilege of the floor and addressed the Board. He said that when

asked as to what would be the result of repealing the foregoing resolutions, that he had replied that there would be a chance of the men not getting their money, but that if the resolutions were in force that he would pay the increases out of any surplus that might accrue. The Board of Education had such a large appropriation this year, he said, that it has paid the teachers' increase without exceeding the one-twelfth act, and the \$60,000 provided for that purpose has not been touched. Financial conditions however, are so unsettled, the possible closing of saloons and consequent dropping off of liquor license revenue requires us to proceed cautiously. I have made note that the first money from surpluses would go to the School Department up to the amount of \$60,000. The same thing will be done for these salary increases after the \$60,000 is taken care of. This is the only way to allow the salary increases to the men. The Board of Public Works has noted on the pay-roll of the engineers instructions not to pay the increase. If the Board of Works will send down the increase I will audit it. The way for the men to get their money is to send their demands in on one warrant then I will pay them.

Mr. Maher, representing the engineers; *Mr. O'Connell*, Secretary of the San Francisco Labor Council, representing elevator men, and *Mr. Mathewson*, representing janitors, in reply to a question from Supervisor Welch, declared that they did not wish the resolutions rescinded.

Motion.

Supervisor Suhr moved that the resolutions be re-referred to the Finance Committee.

Amendments.

Supervisor Power moved as an amendment that the Board of Public Works be requested to send one demand to the Auditor for each of the engineers, elevator men, watchmen and janitors.

Supervisor Brandon moved as a substitute that Supervisor Power's motion be referred to the Finance Committee.

Point of Order.

Supervisor Power raised the point of order that Supervisor Brandon's motion was out of order because it was the same as the original motion.

Chair ruled that point of order was well taken.

Privilege of the Floor.

T. Riordan, President of the Board of Public Works, was granted the privilege of the floor and addressed the Board. He said that if the increase was paid at this time that there was danger of many men being

laid off in the months of June and July. In reply to the question as to whether or not he would authorize the warrants to be made on one demand he said that he personally would not object, but that he could not speak for the other two Commissioners.

Whereupon, the question being taken on Supervisor Power's motion, the same *carried* by the following vote:

Ayes—Supervisors Brandon, Deasy, Hayden, Hilmer, Hocks, Hynes, Lahaney, Nelson, Power, Schmitz, Welch—11.

Noes—Supervisors Gallagher, Kortick, McLeran, McSheehy, Mulvihill, Suhr—6.

Absent—Supervisor Wolfe—1.

The question being raised as to what disposition be made of the pending resolutions, Acting Mayor McLeran declared that he had erred in considering Supervisor Power's motion as an amendment inasmuch as it was not germane to the original motion.

Recommended.

Whereupon the question was taken on Supervisor Suhr's motion and the resolutions were ordered referred to the Finance Committee by the following vote:

Ayes—Supervisors Brandon, Deasy, Gallagher, Hayden, Hilmer, Hocks, Hynes, Kortick, Lahaney, McLeran, McSheehy, Mulvihill, Nelson, Schmitz, Suhr, Welch—16.

No—Supervisor Power—1.

Absent—Supervisor Wolfe—1.

Explanation of Vote.

Supervisor Power explained his vote by saying that he would rather that the issue be decided today because similar resolutions will have to be adopted if these are repealed.

Passed for Printing.

The following matters were *passed for printing*:

Oil and Boiler Permits.

On motion of Supervisor Deasy:

Extensions of Time.

Supervisor Welch presented:

Resolution No. 15290 (New Series), as follows:

Resolved, That the Federal Construction Company is hereby granted an extension of 60 days' time from February 3, 1918, within which to complete contract for the improvement of Berlin street between Bacon and Silliman streets, where not already improved.

This *fourth* extension of time is granted upon the recommendation of the Board of Public Works for the reason that the work has been completed with the exception of the asphalt covering. Petitioner has been delayed on account of the difficulty of obtaining materials.

Adopted by the following vote:

Ayes—Supervisors Brandon, Deasy, Gallagher, Hayden, Hilmer, Hocks, Hynes, Kortick, Lahaney, McLeran, McSheehy, Mulvihill, Nelson, Power, Schmitz, Suhr, Welch—17.

Absent—Supervisor Wolfe—1.

Also, Resolution No. 15291 (New Series), as follows:

Resolved, That H. Lotzin is hereby granted an extension of sixty days' time from February 8, 1918, within which to complete contract for the construction of the Lake street storm sewer.

This *first* extension of time is granted upon the recommendation of the Board of Public Works for the reason that contractor has diligently pursued his work and the contract is about 50 per cent completed. He has been delayed by labor conditions and difficulty in getting material.

Adopted by the following vote:

Ayes—Supervisors Brandon, Deasy, Gallagher, Hayden, Hilmer, Hocks, Hynes, Kortick, Lahaney, McLeran, McSheehy, Mulvihill, Nelson, Power, Schmitz, Suhr, Welch—17.

Absent—Supervisor Wolfe—1.

Also, Resolution No. 15292 (New Series), as follows:

Resolved, That the Federal Construction Company is hereby granted an extension of ninety days' time from February 6, 1918, within which to complete contract for curbing and paving Arkansas street between Mariposa and Nineteenth streets, and crossing of Mariposa and Eighteenth streets.

This *second* extension of time is granted upon the recommendation of the Board of Public Works, for the reason that the work under this contract has been completed, with the exception of the asphalt and vitrified brick covering.

Adopted by the following vote:

Ayes—Supervisors Brandon, Deasy, Gallagher, Hayden, Hilmer, Hocks, Hynes, Kortick, Lahaney, McLeran, McSheehy, Mulvihill, Nelson, Power, Schmitz, Suhr, Welch—17.

Resolved, That T. A. Clark is hereby granted an extension of sixty days' time from February 11, 1918, within which to complete contract for improving Bryant street between Sterling and Rincon streets, and intersection of Sterling street.

This *first* extension of time is granted upon the recommendation of the Board of Public Works, for the reason that the grading and curbing has been done, the sewer constructed and most of the concrete base for the pavement is finished.

Adopted by the following vote:

Ayes—Supervisors Brandon, Deasy, Gallagher, Hayden, Hilmer, Hocks, Hynes, Kortick, Lahaney, McLeran, McSheehy, Mulvihill, Nelson, Power, Schmitz, Suhr, Welch—17.

Absent—Supervisor Wolfe—1.

Also, Resolution No. 15294 (New Series), as follows:

Resolved, That H. Crummev, Inc., is hereby granted an extension of ninety days' time from February 13, 1918, within which to complete contract for improving Corbett avenue between Caselli avenue and Clayton and Twenty-third streets.

This *first* extension of time is granted upon the recommendation of the Board of Public Works, for the reason that there has been a shortage of material; a certain amount of grading has been done.

Adopted by the following vote:

Ayes—Supervisors Brandon, Deasy, Gallagher, Hayden, Hilmer, Hocks, Hynes, Kortick, Lahaney, McLeran, McSheehy, Mulvihill, Nelson, Power, Schmitz, Suhr, Welch—17.

Absent—Supervisor Wolfe—1.

Also, Resolution No. 15295 (New Series), as follows:

Resolved, That F. S. Buckman is hereby granted an extension of thirty days' time from February 8, 1918, within which to complete the improvement of Judah street between Twenty-ninth and Thirty-first avenues.

This *third* extension of time is granted upon the recommendation of the Board of Public Works for the reason that the work is nearing completion; the grading, sewer, curbs and pavement foundation having been constructed. The laying of the asphalt surface and artificial stone sidewalks remains to be done.

Adopted by the following vote:

Ayes—Supervisors Brandon, Deasy, Gallagher, Hayden, Hilmer, Hocks, Hynes, Kortick, Lahaney, McLeran, McSheehy, Mulvihill, Nelson, Power, Schmitz, Suhr, Welch—17.

Absent—Supervisor Wolfe—1.

Smileage Ticket Week.

Supervisor Welch presented:
Resolution No. 15301 (New Series),
as follows:

Whereas, this week the War Department's Military Entertainment Council is arousing the nation's interest in the purchase of "Smileage" books, to provide the men in the military training camps with theatrical and musical entertainments free of cost in their own cantonments;

Whereas, there is no better method of aiding in upholding the morale of the soldiers than by providing them with attractions which will keep them "smiling" and, incidentally, keep them from temptation, inasmuch as we decide to send a cheerful, contented, clean army to France to fight for democracy;

Whereas, The practical way to help is to subscribe for the books of coupons, now being sold by the War Department Council of Military Entertainment in this city, which books contain twenty five-cent tickets, each of which coupons gives the holder the opportunity of enjoying shows at his camp without a cent of cost to himself, the best shows not requiring in excess of five coupons;

Whereas, to assist in the campaign and to enable the Government in this laudable movement, the big theatrical producers and the leading stage stars are donating their services and Liberty Theaters are being built and equipped in the different cantonments; and

Whereas, the people of the city of San Francisco have always fulfilled to the letter each and every duty and obligation placed upon them in the past, and will now perform and render to those of our citizenry who have answered the call to the colors, all that we as a liberty and pleasure loving people feel should be done to make our soldier boys know and ap-

preciate in a practical way that our hearts are with them during every hour of their absence; be it

Resolved, That the Acting Mayor of the City and County of San Francisco do proclaim and designate the week commencing January 28, 1918, as a "Smileage Book Week"; and be it further

Resolved, That he call upon every liberty loving and pleasure loving San Franciscan to send to our friends, relatives, neighbors and employees who have answered the call to arms in the present great conflict, a small token, a most significant bit of San Francisco's spirit—a "Smileage Book," and in this manner enable those loyal hearts to enjoy to a high degree the best of performances and wholesome entertainment, for the love of which we as a people have become famous.

Adopted under suspension of the rules by the following vote:

Ayes—Supervisors Brandon, Deasy, Gallagher, Hayden, Hilmer, Hocks, Hynes, Kortick, Lahaney, McLeran, McSheehy, Mulvihill, Nelson, Power, Schmitz, Suhr, Welch—17.

JOURNAL OF PROCEEDINGS

BOARD OF SUPERVISORS

MONDAY, FEBRUARY 4, 1918, 2 P. M.

In Board of Supervisors, San Francisco, Monday, February 4, 1918, 2 p. m.

The Board of Supervisors met in regular session.

CALLING THE ROLL.

The Roll was called and the following Supervisors were noted present:

Supervisors Bancroft, Deasy, Gallagher, Hayden, Hilmer, Hocks, Hynes, Kortick, Lahaney, McLeran, McSheehy, Mulvihill, Nelson, Power, Schmitz, Suhr, Welch, Wolfe—18.

Quorum present.

His Honor Mayor Rolph presiding.

APPROVAL OF JOURNALS.

The Journals of Proceedings of January 14, 25 and 28, 1918, were considered read and approved by the following vote:

Ayes—Supervisors Brandon, Deasy, Gallagher, Hayden, Hilmer, Hocks, Hynes, Kortick, Lahaney, McLeran, McSheehy, Mulvihill, Nelson, Schmitz, Suhr, Welch, Wolfe—17.

No—Supervisor Power—1.

Explanation of Vote.

Supervisor Power explained his vote by saying that he did not consider the Journals as printed a true and correct report of the proceedings.

The following was presented, read by the Clerk and referred to Commercial Development Committee:

Seaboard Terminals.

The following was presented and read by the Clerk:

January 28, 1918.
Mr. J. S. Dunnigan, Clerk, Board of Supervisors, City Hall, San Francisco, California.

My Dear Mr. Dunnigan: I am in receipt of a letter dated January 18th enclosing copy of Resolution 15256 (New Series), favoring the creation and operation of Seaboard Terminals by the Federal Government. In reply, will say that I am taking this matter up with Secretary of the Treasury, Hon. William G. McAdoo, who is the director or transportation and manager in chief for the Government of all transportation lines.

There will be quite a fight on the

action of the House Committee in amending the Railroad Control Bill, making it an emergency measure for the duration of the war. This will have a great bearing on the matter of expenditure of funds by the Government in connection with their management of railroads and would naturally have a detrimental influence regarding the expenditure of money for permitting seaboard terminals.

I shall be glad to keep you informed as to Mr. McAdoo's position.

Very truly yours,

JOHN I. NOLAN,

Fifth District, California.

Sanitary Reduction Works.

Communication—From Mayor, transmitting correspondence from the Sanitary Reduction Works, giving notice that it can no longer handle the disposal of the garbage of San Francisco on account of changed conditions, and requesting that city take over plant and pay balance of purchase price.

Referred to Finance and Health Committees.

Appeal From Street Assessment—Wisconsin Street.

The appeal of Mary Kissane from assessment issued for street work on Wisconsin street, between Twenty-second and Twenty-third streets, was on motion of Supervisor Welch laid over in Board one week.

SPECIAL ORDER—2:30 P. M.

A. B. Patrick's Demand for Vehicle License Plates.

Supervisor Gallagher called up the matter of the payment of the demand of A. B. Patrick for furnishing vehicle license plates. The plates furnished, he alleged, were not in accordance with the specifications—a tin plate was furnished instead of an iron plate as specified. He objected, he said, to the passage of the resolution, to its approval by the Mayor and to the payment of the demand. He asked his Honor the Mayor to withhold his approval of the demand until the matter has been investigated.

SPECIAL ORDER—3 P. M.

Rincon Hill-Islands Creek Project.
Consideration of the proposed

change of grade ordinance (Rincon Hill-Islands Creek project), laid over from last meeting, was taken up:

Change of Grade Ordinance.

The following bill was passed for printing on motion of Supervisor Power:

Bill No. —, Ordinance No. — (New Series).

Providing a method of procedure for the change of street grades, for the doing of any kind of street work in connection therewith; for the payment of the costs, expenses and damages thereof, for the imposition of assessments upon land in private ownership to cover such costs and for the collection of such assessments; this ordinance to be known as the "Change of Grade Ordinance."

Be it ordained by the People of the City and County of San Francisco as follows:

Section 1. The grade of any street in the City and County of San Francisco may be changed and established, and any street work necessary or convenient to be done in connection therewith, may so be done in the manner provided in this ordinance.

Section 2. The Board of Supervisors may at any time adopt a resolution reciting that the public interest requires a change or modification of the existing grade upon any street or streets within the City and County. In such resolution the streets may be either specifically named or generally referred to as being within a district, the boundaries of which may be described therein. Any number of streets whether connected or not may be included in one proceeding. In case the public interest or convenience requires such change of grade and the establishment thereof shall be accompanied with the performance of any street work whether by the physical grading to the grade proposed to be changed and established or by the construction of pavements, curbs, gutters, sidewalks, sewers and appurtenances thereto, retaining walls or other special constructions, such resolution shall so recite. The physical grading of a street shall be held to include the excavation or removal of any material unsuitable as a foundation for any material to be used. A certified copy of such resolution shall be transmitted to the City Engineer with a request to make a report thereon as required by the next succeeding section. The project may be given a name or designation and subsequent proceedings may be referred to by such name or designation.

Section 3. Upon the receipt of the resolution referred to in the preceding section, the City Engineer shall prepare and transmit to the Board of Public Works his report thereon

which shall contain the following matter:

(a) A statement giving the names of the streets, or portions thereof, the grade of which it is proposed to change, the present elevations thereof and the elevations proposed to be established. In lieu of a detail statement of such facts, a map may be annexed showing such streets, or portions thereof, and the present and proposed elevations and a reference to such map shall be a sufficient compliance herewith.

(b) A description of the street work necessary or convenient to be done in connection with such change of grade.

(c) In case the physical grading of any street or streets is necessary or convenient, an estimate of the quantity of material to be removed therefrom, or quantity of material required to be deposited thereon.

(d) A statement as to whether any damage will result to land in private ownership by reason of said change of grade or work contemplated and the nature and measure of such damage. In case such damage would result the said Engineer shall state as to whether or not it would be expedient and to the public interest to remove all or any portion of the excess material from the lots of land to be damaged in lieu of paying such damages in money. In case such a recommendation is made, an estimate of the quantity of such material to be removed shall be given.

(e) An estimate of the incidental costs of engineering and inspection connected with the project.

(f) An estimate of the time required to do the work contemplated after the commencement thereof.

The report shall be accompanied with such maps and drawings as will furnish adequate information concerning the project.

Section 4. Upon receipt of the report the Board of Public Works shall consider the same and may change or modify the same in any respect. When the same is satisfactory to the said Board it shall cause the word "approved" to be entered thereon and shall forthwith transmit the same to the Board of Supervisors.

Section 5. Upon the receipt of such report the Board of Supervisors shall refer the same to a commission of three persons to be designated by it for further investigation and report thereon. One of the members of said Committee shall be an Assistant City Engineer and one member shall be an Assistant City Attorney, who shall be recommended respectively by the City Engineer and City Attorney. The said Board of Supervisors shall adopt a resolution of

intention to change and establish the grades of the streets named and as set forth in the report of the City Engineer, and shall also fix a date which shall not be less than thirty days from the date of the first publication of the notice herein required to be given, within which and prior to said date all claims shall be filed for damages to result from such proposed change of grade and improvement connected therewith. A notice of the fixing of such date and the requirement that all claims for damages to result as aforesaid shall be filed prior thereto, shall be published for ten days in the official newspaper of the City and County. The Board of Supervisors may give such additional notice as may be deemed proper.

Section 6. All demands for damages claimed to result from the contemplated change of grade shall be filed in the office of the Board of Supervisors and shall be referred to the commission appointed as required by the preceding section. Separate claims shall be made for damages to land, for damages to improvements, or other actual damages. Claims for damages to improvements must be itemized. All claims shall be verified by the oath of the claimant or by an agent duly authorized therefor by the person claiming damages to sign such claim, who may also be authorized to waive damages as hereinafter provided, or to compromise any claim for a sum less than that for which demand is made. All claims not filed as herein provided prior to the time fixed by the Board of Supervisors shall be deemed to have been waived and a failure to make the same in the time and manner herein provided shall operate as an express release of the City and County or of any fund that may be provided to pay the cost of the contemplated work or improvement from all liability for damages to result from such proposed change of grade and work or improvement except as may be otherwise provided herein.

Section 7. The commission herein provided for shall investigate all claims for damages and report thereon from time to time to the Board of Supervisors with such recommendations in respect thereto as may be deemed proper. Claims for damages may be allowed, compromised or rejected by the Board of Supervisors. Claims for damages to land shall not be allowed except upon the recommendation of the commission. Damages to land or improvements may be waived by the person claiming the same on condition that all or a certain portion of the excess material thereon shall be removed and the land brought down to conform to the con-

templated grade of the street, and whenever it is to the public interest that said waiver be accepted and the condition agreed to, said commission shall so report and recommend such acceptance and agreement by the Board of Supervisors. Whenever any land may be damaged and no claim for such damage has been made, the failure to make such claim shall be considered as and deemed a waiver thereof conditioned as herein provided. The commission may in its discretion recommend the payment of damages, even though no demand was presented as herein provided, but the sum recommended by the commission to be allowed in such case shall not be increased by the Board of Supervisors or by a court in case action shall be commenced to recover the same. The commission may make reports and recommendations to the Board of Supervisors from time to time and receive such directions from such Board as may be proper. When deemed expedient so to do the commission may recommend that the Board of Public Works be directed to prepare plans and specifications for any portion or the whole of the work contemplated and thereupon the Board of Supervisors shall pass a resolution to that effect.

Section 8. Should any lot or parcel of land fronting on any street, the grade of which is proposed to be changed, belong to the City and County of San Francisco or to the United States no damages thereto shall be claimed or allowed, but the Board of Supervisors may determine that any material on any such lot or parcel of land above the grade to be established of the street or streets bounding such land shall be removed at the time and manner provided for the removal of material from other lots, and such removal may be provided for in the specifications for doing the work contemplated. The Board of Supervisors shall make provision, by proper appropriation, for the payment of the cost of the removal of such material at the unit price bid therefor.

Section 9. The owner or owners of any lot or parcel of land fronting any street, the grade of which is proposed to be changed, may enter into an agreement with the commission provided in section 5 hereof by which any material on such lot or parcel of land, the removal of which has not otherwise been provided for, may be removed at the time and manner provided for the removal of material from other lots, and such removal may be provided for in the specifications for doing the work contemplated. Such owner or owners shall agree to pay into the assessment

funds thereafter to be created a sum equal to the cost of such removal of material according to the unit price bid therefor. Provision may be made in such agreement for the payment of such cost in installments with interest on deferred payments at such rate as may be agreed upon. The time and manner of making and enforcing such payments shall be expressed in the agreement. Upon the confirmation of the report of said commissioners by the Supervisors as hereinafter provided, such agreement shall be recorded in the Recorder's office, and from the date of such recording the sum agreed to be paid shall constitute a lien upon the lot or parcel of land from which the material is to be removed. The sum so provided to be paid shall be considered a part of the assessment or assessments imposed as provided in this ordinance, and its payment may be anticipated for the purpose of issuing bonds against any fund as in this ordinance provided.

Section 10. Upon the approval of the plans and specifications by the Board of Supervisors the Board of Public Works shall advertise for, receive and open bids and award a contract for doing the work proposed (including the removal of material from lots authorized as provided in this ordinance), in accordance with such plans and specifications in the manner provided therefor in Chapter 1 of Article VI of the Charter, except that a bond by an authorized surety company in lieu of a certified check shall be deemed sufficient. No contract shall be entered into until after the final report of the commission shall be confirmed as hereinafter provided. The Board of Public Works shall transmit to the Board of Supervisors a transcript of its proceedings had in respect to the award of contract and an estimate of the sum required to meet all obligations under the contract when entered into.

Section 11. Upon the conclusion of the proceedings had as provided for in the preceding section, and without unnecessary delay, the commission appointed by the Board of Supervisors shall make and file with said Board its final report in respect to the project which has been referred to it. Such report shall contain:

(a) A description of the proposed changes of the grade of the streets and a reference to the report of the City Engineer theretofore made, shall be a sufficient description.

(b) A description of the proposed work to be done in connection with the proposed change of grade and a reference to the report of said City Engineer and the plans and speci-

cations therefor, theretofore adopted and approved, shall be a sufficient description.

(c) The cost of the proposed work to be performed under the contract proposed to be entered into for doing said work, which estimate shall be that furnished by the Board of Public Works as hereinbefore provided for; the amount of incidental expenses for engineering and inspection as stated in the report of the City Engineer; the sum required to pay claims for damages, as per list to be thereto attached; the sum estimated as necessary to pay such actual damages as cannot be determined in advance of the accrual thereof; the sum required to pay other expenses, clerical, legal, etc.; the sum to be allowed to pay interest on such bonds as may be issued as hereinafter provided.

(d) A classification and description of the districts to be assessed to defray the costs herein stated.

(e) The amount of such cost apportioned to and to be assessed upon each of such districts.

(f) A declaration as to the number of assessments to be imposed upon the district, or each of the districts described, the amount of each assessment, the year in which such assessments shall be imposed and apportioned upon the lots or pieces of land comprising such district.

(g) A statement of the agreements made as provided in Section 9.

The report shall be accompanied by a map delineating the proposed districts and such drawings as may be necessary to give adequate information concerning the project.

Section 12. In the foregoing report districts may be described according to exterior boundaries or by block and lot numbers as indicated on the maps in the Assessor's office used for purposes of assessment. Districts may be classified as primary or secondary and primary districts shall be assessed for primary benefits and secondary districts shall be assessed for secondary benefits as provided in Section 18 hereof. There may be two or more districts of each class; and a district may embrace the entire area of City and County not included in any other district, and may be so described. Assessments imposed upon districts shall be known as district assessments.

Section 13. Upon filing this final report of the commission as provided in the preceding section, the Board of Supervisors shall adopt a resolution substantially in the following form:

Whereas, By proceedings heretofore had and taken it is contemplated to change and establish the grades upon certain streets and between certain

points thereon to-wit: (here insert the names of the streets and the points thereon between which grades are to be changed) and that the following described work is proposed to be done in connection with said proposed change of grade (insert description of proposed work); that it is proposed to incur certain costs, expenses and interest on account of said work and to pay certain claims for damages; that it is proposed to defray such costs, expenses and damages by imposing an assessment equal to the total of said costs, expenses, interest and damages upon land in private ownership, such assessment to be apportioned among the several districts as follows: (here insert description and classification of districts and amount of assessment upon each) all of which is shown upon the Report of the City Engineer filed and the Report of the Commission appointed by this Board to consider the same and to which reference is here made for further particulars; therefore

Notice is hereby given that the day of 19.. at the hour of .. p. m. of said day at the Chambers of the Board of Supervisors in the City Hall, San Francisco, has been fixed as the time and place for hearing any objections that may be made to said report and all persons interested or who may be affected by the proposed change of grade or improvement are hereby required to then and there show cause, if any they have, why the proposed change of grade and contemplated work of improvement should not be made; or why said costs therefor should not be incurred; or why such assessment districts should not be created and the proposed assessment against the land in private ownership within each of such districts should not be imposed; or why each of the claims for damages should not be allowed; or why said report of the said commission should not be confirmed in every respect.

The time fixed for said hearing shall not be less than thirty nor more than forty days from the date of the adoption of such resolution.

Section 14. Such resolution shall be published for ten days commencing not more than five days from the date of its adoption and shall be headed "Notice of Time Set for Hearing Objections to Change of Grade, Creations of Assessment Districts, Etc., Matter of (name of project)."

The Supervisors may give such additional notice as in their opinion may be deemed necessary. Such resolution and its publication shall, however, constitute the notice of the time and place set for hearing the report

and all objections thereto, and proof of the passage and publication thereof shall be deemed sufficient to vest in the Board of Supervisors jurisdiction to thereafter hear and determine all matters connected therewith. A recital in the minutes of the Board of Supervisors that proof of such publication has been made shall be *prima facie* evidence of the facts therein recited and thereupon the Board of Supervisors shall proceed with the hearing of any and all objections made and filed as hereinafter provided. Such hearing may be continued from time to time by the Board of Supervisors and all parties interested shall be deemed to have notice of such continuance or continuances.

Section 15. Any person aggrieved may file objections to the report made and filed by the commission, or to any portion thereof, including any change of grade proposed, the extent of any assessment district, the amount of the assessment imposed upon any such district, or to the amount of damages allowed to any such claimant of damages. Such objections shall be in writing and signed and verified by the oath of the owner or owners of land that may be affected by the proceedings, or some one legally authorized by such owner or owners, and filed with the Clerk of the Board of Supervisors prior to the date fixed for the hearing of the report.

Section 16. During said hearing, the Board of Supervisors may make such modification or changes in the report of the commission theretofore filed as such Board shall deem proper and just to all parties concerned or may order a new or amended report to be submitted. When such report shall be changed or amended, or new report made to conform to any requirements of said Board of Supervisors, such Board shall fix a date for the final hearing thereof which shall be not less than ten nor more than twenty days from the filing of such amended or new report. The Clerk of the Board of Supervisors shall give notice of the time fixed for such final hearing in substantially the following form:

"Notice of final hearing in matter of (giving name by which the proceedings may be identified).

"Notice is hereby given that the day of 19.. at the hour of ... m. at the Council Chambers of the Board of Supervisors, City Hall, has been fixed as the time and place of FINAL HEARING of the report filed in the matter of (name of proceedings sufficient for the identification thereof).

"All persons interested are hereby notified to appear and show cause if

any they have, why such report should not be confirmed.

".....Clerk."

Such notice shall be published for five times in the Official Newspaper.

Proof of the publication of such notice filed with the Clerk of the Board of Supervisors shall be *prima facie* evidence thereof.

Section 17. At such final hearing all objections made shall be considered, but no further alteration or amendment shall be made thereto, and said report shall be confirmed or rejected. If such report be rejected the Board of Supervisors, in its discretion, may direct said commission to make a new report and upon the filing thereof the same proceedings shall be had in relation thereto as in the case of the first report as provided in Sections 12 and 13.

Section 18. Should such report be confirmed, an ordinance to that effect shall be adopted changing and establishing the grade of the streets to conform to the recommendations contained in said report. It shall also contain a description of any work to be done upon any or all of such streets and the estimated cost of such work and refer to said report for any details thereof.

It shall describe the assessment district or districts and declare such district or districts have been created and established, and reference to the report confirmed or map accompanying the same shall be a sufficient description thereof.

It shall declare the amount of the assessment imposed upon such district or each of such districts and recite that amount so assessed represents the benefits to accrue to the land within such district and each of them. In case benefits have been classified as primary or secondary, as hereinafter provided, it shall so state and such districts shall be accordingly classified and designated.

It shall recite the number and amounts of the several annual assessments into which the whole assessment has been divided and the years in which such annual assessments shall be imposed and apportioned to the lots of land comprising each of such districts.

If bonds are to be authorized in accordance with the provisions of this ordinance to represent any or all of said assessments a recital to that effect shall be made.

The Board of Public Works shall be directed to enter into a contract for any work described and for which an award of contract has been made during the pendency of the proceedings, except, however, that if any material change in the amount or nature of such work shall have

been made subsequent to said award, then said Board of Public Works shall be directed to cancel such award and prepare new plans and specifications for said work, advertise for bids, award and enter into a contract therefor.

It shall recite that claims for damages to result from said changes of grade and work ordered to be done have been allowed and appear in the report of the commission to which report reference is made.

Said ordinance shall further recite that all objections to the report of the commission heretofore made have been fully considered and such objections have been allowed either in whole or in part, or have been overruled and that such report has been fully confirmed in every particular and reference thereto is therein made for further information.

Section 19. The ordinance confirming such report shall be subject to the approval or disapproval of the Mayor as provided in the Charter of the City and County. Upon his approval, or in case of his disapproval, upon the refusal of the Board of Supervisors to sustain his objections, the same shall be in full force and effect. The grades as changed and modified by said report and resolution shall be deemed established, the work described shall be deemed to have been ordered, the assessment districts as described shall be deemed to have been created; and the assessments to have been imposed upon the land embraced in said district or districts, and the lien of such assessment shall be attached thereto on the date of the taking effect of said ordinance and shall continue until the same is discharged by the payment thereof as in this ordinance provided.

Section 20. Any person who has filed a claim for damages as herein provided, and who may be dissatisfied with the amount of damages awarded by said report may commence an action in a court of competent jurisdiction to have said claim judicially determined. Such action shall be commenced within 30 days from the date of the taking effect of the ordinance confirming the aforesaid report and a failure to commence such action or to diligently prosecute the same to final judgment shall be deemed an acceptance by the party injured of the amount awarded by said report as full satisfaction of all claims for damages and a waiver of any excess above the amount so allowed. In no case shall damages be allowed in excess of any sum recovered by judgment.

Upon the commencement of such action the Board of Supervisors shall set aside from any funds collected, or to be collected, from the assess-

ment imposed, a sum sufficient to pay any judgment that may be rendered in such action, and there shall be no restraint, injunction or delay in the proceedings pending for the change of grade and work of improvement.

Any party interested in the proceeding claiming that any action taken therein was illegal or invalid for any reason either by reason of a lack of power to do the act complained of or by reason of an abuse of discretion on the part of any officer, board or commission, shall have the right to commence an action in any court of competent jurisdiction to determine the question of the legality of said act. A failure to commence such an action within 30 days from the date of the approval of the ordinance confirming the aforesaid report, or to diligently prosecute the same, shall be a waiver of all objections of whatsoever kind and nature to said report, an admission of the facts recited therein and concurrence in any recommendation, conclusion, decree or order embraced in such report and the resolution confirming the same.

Section 21. The amount of the district assessments imposed upon any district created as herein provided shall be deemed to have been so imposed in proportion to the benefits to accrue and to attach to the land therein by reason of the work proposed and ordered to be done. The amount of the assessment imposed upon the land within any district shall be apportioned to the several lots or parcels of land comprising such district in manner as follows:

Such apportionment shall be deemed to be in proportion to the benefits to accrue to each lot or parcel of land by reason of such work.

Benefits may be classified as primary and secondary.

Primary benefits are such direct and special benefits as attach to the lots or pieces of land fronting upon any street upon which work is done or upon any street forming the boundary of the block wherein such lot or parcel of land is situated, as a result of such work.

Secondary benefits are such direct and special benefits as may result by reason of entire work done or improvement made as a whole and the lots subject to such benefits need not necessarily front upon any street so improved or located in a block of which such street may form a part of the boundary thereof.

District assessments imposed upon the land within primary districts or for primary benefits shall be apportioned to and imposed upon the several lots or pieces of land therein.

(a) In proportion to the increase

of the assessed value of each of said lots, and shall be ascertained and collected as hereinafter provided.

(b) Should sufficient money not be raised to pay an assessment or installment thereof by the method stated in paragraph (a) then the remainder of such assessment or installment thereof shall be in proportion to the full assessed value of each of said lots and shall be collected as hereinafter provided.

Assessments imposed upon the land within secondary districts or for secondary benefits shall be apportioned to and imposed upon the several lots or pieces of land therein in proportion to the assessed value of each of said lots and shall be collected as hereinafter provided. The amount of assessment imposed upon the several parcels of land within a district shall be known as "lot assessment."

Section 22. At the time and in the manner required by law for the assessment of property for the purpose of taxation the Assessor of the City and County shall determine the value of all of the land in private ownership in the several districts created in accordance with the provisions of this ordinance. In determining the value of the land within any primary assessment districts so created he shall ascertain what portion of such value was due to and resulted from the change of grades and improvement made, or to be made, and shall enter such increase of value in red ink figures upon the assessment roll. He shall report to the Board of Supervisors the total amount of such increase of value in each primary assessment district. In lieu of entering the increase of value in red ink figures, the Assessor, should he deem it more convenient, may enter the same in a separate roll or volume.

The Auditor, upon receipt of the assessment roll, shall enter a charge against each lot to the amount of ten per cent of such increased value so ascertained by the Assessor as the same appears upon the assessment roll.

The Tax Collector, in tax bill prepared by him, shall enter thereon the amount of the assessment as extended and entered on the assessment roll and shall collect the same in two equal installments at the same time and manner as taxes for municipal purposes are collected and paid.

The amounts collected shall be paid into the special assessment fund provided for in this ordinance.

Section 23. For the purpose of apportioning the annual assessment imposed upon the land within any district and providing for the collection of the same and its payment into the fund providing for the payment of the

costs, damages and expenses of changing the grades and improvement theretofore ordered, the Supervisors at the time and in the manner provided by law for the levy of taxes for municipal purposes, shall levy a tax upon all the real property in private ownership assessed within each of the assessment districts theretofore created as in this ordinance provided, sufficient to pay the installments of the assessments imposed upon such districts and falling due within the next succeeding year from the date of such levy and not otherwise provided for. The tax shall be computed by the Auditor and entered upon the assessment roll as other taxes are computed and entered and the Tax Collector shall collect the same in two equal installments. For the purpose of providing for errors or duplicate assessments, a tax rate may be levied sufficient to provide an excess of not exceeding one per cent of the amount required. Any such excess shall be applied to the payment of the next subsequent assessment and should an excess of funds remain after paying all charges against the assessment on redemption funds, such excess shall be returned pro rata to those who have paid the last assessment.

Section 24. All annual lot assessments shall be payable in two installments and each installment shall be due and payable at the time and in the manner that the first and second installments of taxes levied for municipal purposes are due and payable, and shall become respectively delinquent on the days when each of said installments of taxes are delinquent. Any installment not paid on said day of delinquency shall be subject to a penalty of five per cent of the amount of the installment so unpaid and shall be added to the amount thereof. Both of said installments may be paid at one time.

Within ten days after each date of delinquency the Tax Collector shall make a list of all lots and pieces of land upon which the assessment remains unpaid. He shall fix a date not less than thirty nor more than forty days from the day of such delinquency when such lots and pieces of land will be sold to pay such delinquent assessment, penalties and costs. He shall give notice by publication in the official newspaper for a period of fifteen days that on the day so fixed said lots and parcels of land will be sold to the City and County of San Francisco to pay such delinquent assessment, the penalty of such delinquency and the further sum of one dollar which shall represent the cost of advertising. The notice shall contain a description of the lots and parcels to be sold, the amount of

the charge against the same and the name of the person to whom assessed. If such sum shall not be paid prior to the day of sale, the Tax Collector shall sell the same to the City and County and shall issue a certificate of sale thereof, which certificate shall be recorded in the office of the Recorder of the City and County. He shall also enter the fact of such sale upon the assessment roll.

Section 25. At any time prior to the expiration of one year from the date of sale any person having an interest in the property sold may redeem the same by paying to the Tax Collector the sum for which it was sold, together with interest thereon from the date of sale at the rate of seven per centum per annum. Upon such payment being made, the Tax Collector shall issue a certificate of redemption, which certificate shall be recorded in the office of the Recorder. If no redemption of the property sold shall be made the Tax Collector shall execute a deed to the City and County of the property sold and such deed shall be *prima facie* evidence of the facts recited therein and of the regularity and legality of all proceedings precedent to its issuance. Any property so acquired by the City and County may be sold in the manner provided in the Charter and the proceeds arising from such sale shall be used to reimburse any expenditures made from the general fund as provided in this ordinance. The recording of the certificate and deed herein provided for shall be without fee or charge.

Section 26. All moneys collected on account of any assessment imposed shall be paid into the Treasury of the City and County and kept in a special fund to be designated by the Treasurer as "..... (name of proceedings or project) Assessment Fund," and shall be used exclusively for the payment of the costs, damages and expenses of the changing of grade and work of improvement involved in the proceedings for which the assessment was imposed, or for the payment of the principal and interest on bonds that may be issued as herein provided. No payment of expenses shall exceed the estimates made and allowed therefor in the report theretofore confirmed, and any liability incurred in excess thereof shall be paid from the general fund of the City and County. No payment of claims for damages shall be made until such damages shall become imminent, and the question of such imminency shall be determined by the Board of Public Works. All claims for construction expenses or damages shall be approved by the Board of Public Works and allowed by the

Board of Supervisors as other claims are approved and allowed and upon such approval and allowance the Auditor shall draw his warrant therefor and the Treasurer shall pay the same.

Section 27. Upon the confirmation of the report as provided in Section 19 the Board of Public Works shall enter into a contract for doing the work authorized and the provisions of Chapter I of Article VI of the Charter in reference to the manner of entering into contract and the execution of the terms thereof shall apply thereto. The provisions of Section 7 of Chapter III of Article II of the Charter are hereby made applicable to such contract, except, however, that the amount of the bond therein required to be executed shall be determined and fixed by the Board of Public Works, and which amount so determined and fixed shall be stated in the notice inviting proposals for the work to be done.

Work under the contract shall be commencing as directed by the Board of Public Works but not within thirty days of the date of the taking effect of the ordinance confirming the report, and the contractor shall not be required to commence such work should any action (other than an action for damages) be pending and undetermined that affects the validity of the proceeds theretofore had and leading up to the entering into contract.

Extensions of time for the performance of the work may be granted by the Board of Public Works.

Provision for progressive payments to be made for the work may be incorporated in the specifications therefor, but no progressive payments can be provided for or made at any time which, if with prior payments, if there have been such, shall exceed in amount at that time seventy-five per cent of the value of the labor done and materials furnished and used up to that time; except, however, that if such progressive payments shall have in the aggregate amount thereof exceeded the sum of five hundred thousand dollars, then such limitation shall not apply, but in such case, however, there must be retained, withheld and be unpayable, until the final completion and acceptance of the work, not less than the sum of one hundred thousand dollars.

When the work shall have been completed in accordance with the plans and specifications therefor, the Board of Public Works shall so accept the same and so declare by resolution, and thereupon shall issue to the contractor a certificate to that effect.

No extra work shall be permitted to be done by the contractor unless authorized by the Board of Super-

visors and provision made for the payment of the cost thereof.

Section 28. At any time after the expiration of thirty days from the date of the approval of the resolution confirming the report as provided in Section 15 the Board of Supervisors may anticipate the payment of the assessment imposed thereby, or any portion thereof, and may provide for the issuance of bonds payable out of funds received in payment of such assessment or portion of the same. The said Board shall by ordinance prescribe the form of the bonds, their date, by whom executed, where payable, the rate of interest and the kind of money to be paid. All bonds shall be made payable on July 1 or January 1 of each year. The amount of the bonds issued and sold shall not exceed an amount which in addition to the interest thereon shall exceed the assessment or installment thereof required to pay the same upon maturity; that is to say—ample provision shall be made for the prompt payment of the principal and interest on each bond as it shall become due.

Section 29. Such bonds may be sold at such time or times, in such amounts and in such manner as may be determined by the Board of Supervisors to be necessary to provide funds to pay the cost, damage or expenses of such improvement or project.

Section 30. Upon the sale of any bonds the Treasurer of the City and County shall set aside from any money collected on account of any assessment, a sum sufficient to pay the principal and interest of such bonds. In case any assessment shall become delinquent, and by reason of such delinquency sufficient money cannot be set aside to pay the principal and interest on any bond, then, upon being directed so to do by the Board of Supervisors, he shall temporarily transfer from the general fund of the City and County a sum sufficient to meet such deficiency. Upon the collection of such delinquent assessment he shall reimburse the general fund with the amount theretofore transferred.

Section 31. The proceeds resulting from the sale of the bonds shall be paid into the special assessment fund and shall be expended in the payment of the costs, damages and expenses connected with said work of improvement. The cost of printing the bonds and the cost of a legal opinion as to their validity shall be a proper charge against said fund.

Section 32. It is hereby declared that this ordinance is adopted pursuant to the authority vested in the Board of Supervisors by Section 17 of Chapter VI of Article VI of the Charter and shall be known as the

"Change of Grade Ordinance." It shall be liberally construed so as to promote the purpose for which it is intended and particularly to secure the ends sought in any proceeding that may be instituted thereunder. It shall not affect any proceeding heretofore instituted or that may hereafter be instituted providing for the establishment or the change, modification and establishment of grades in the manner provided for in the Charter, but shall be construed as an alternative method by which the grade of any street may be changed, modified and established and street work done in connection therewith.

Steam Pipe Permit.

Also, Resolution No. — (New Series), as follows:

Resolved, That the Exchange Realty Company is hereby granted permission, revocable at will of the Board of Supervisors, to lay down and maintain pipes for the purpose of conveying steam from the building situate on the north side of Pine street, east of Montgomery street, to the new eight-story building at No. 369 Pine street, situate on the south side of Pine street.

The said pipes shall be laid to the satisfaction and under the direction of the Board of Public Works, in accordance with the provisions of Ordinance No. 2201 (New Series), entitled, "Regulating the making and refilling of excavations in the public streets, alleys, sidewalks and other public places."

Extensions of Time.

Supervisor Welch presented:
Resolution No. 15318 (New Series), as follows:

Resolved, That T. S. Hutton is hereby granted an extension of ninety days' time from and after February 21, 1918, within which to complete contract for the construction of a sewer in Caselli avenue between Falcon and Corbett avenues.

This *first* extension of time is granted upon the recommendation of the Board of Public Works for the reason that the contractor has had difficulty in securing labor and materials.

Adopted by the following vote:
Ayes—Supervisors Brandon, Deasy, Gallagher, Hayden, Hilmer, Hocks, Hynes, Kortick, Lahaney, McLeran, McSheehy, Mulvihill, Nelson, Power, Schmitz, Suhr, Welch, Wolfe—18.

Also, Resolution No. 15319 (New Series), as follows:

Resolved, That J. P. Holland is hereby granted an extension of twenty days' time from and after January 31, 1918, within which to complete contract for the improvement of Laidley street between Roanoke and Mateo streets, under public contract.

This *first* extension of time is granted upon the recommendation of the Board of Public Works for the reason that the work is about 50 per cent completed. The contractor's equipment has been tied up on United States Government work, and has just been released. He is now ready to proceed with the work.

Adopted by the following vote:
Ayes—Supervisors Brandon, Deasy, Gallagher, Hayden, Hilmer, Hocks, Hynes, Kortick, Lahaney, McLeran, McSheehy, Mulvihill, Nelson, Power, Schmitz, Suhr, Welch, Wolfe—18.

Intention to Change Grades.

Resolution No. 15320 (New Series), as follows:

Resolved, That it is the intention of the Board of Supervisors to change and establish grades on the following named streets, at the points hereinafter specified and at the elevations above City base, as hereinafter stated, in accordance with Resolution No. 57107 (Second Series) of the Board of Public Works adopted January 18, 1918, and written recommendation of said Board, filed January 19, 1918, to-wit:

Palou Avenue.

Quint street at 48 feet. (The same being the present official grade.)

15 feet southerly from the northerly line of, 150 feet westerly from Quint street, at 40.50 feet.

15 feet northerly from the southerly line of, 150 feet westerly from Quint street, at 42 feet.

February 6, transmitting preliminary opinion as to legality of the bond issue, which opinion is as follows:

February 6, 1918.

Board of Supervisors of the City and County of San Francisco, California.

Dear Sirs:

City and County of San Francisco, California, School Bonds, \$3,500,000.

At your request I have examined into the validity of an authorized issue of \$3,500,000 School Bonds of the City and County of San Francisco, California, to be dated March

1, 1918, to be payable serially in numerical order, \$175,000 thereof on March 1, 1923, and \$175,000 annually thereafter until all are paid, of the denomination of \$1,000 each, numbered from 1 to 3500, inclusive, and bearing interest at the rate of four and one-half per centum per annum, payable semi-annually March 1 and September 1. I have examined the Constitution and statutes of the State of California and the Charter of said City and County of San Francisco, and certified copies of proceedings of the Board of Supervisors of said City and County authorizing the issuance of said bonds, also the form of said bonds as contained in the said proceedings.

It is my opinion that the issuance of said bonds has been authorized in accordance with the Constitution and statutes of the State of California and the Charter of the City and County of San Francisco, and that when said bonds shall have been signed by the Mayor and Treasurer and countersigned by the Auditor of said City and County, and the seal of said City and County affixed to said bonds attested by the Clerk of the Board of Supervisors of said City and County, the coupons bearing the engraved or lithographed signature of said Treasurer, and when said bonds shall have been sold in the manner prescribed by law at not less than par and accrued interest to date of delivery, and duly delivered and paid for, said bonds will constitute valid and legally binding obligations of said City and County of San Francisco, California.

Very truly yours,

JOHN C. THOMSON.

Office San Francisco Committee for Ad Club Convention.

February 6th, 1918.

Mr. J. S. Dunnigan, Clerk to Board of Supervisors, City Hall, San Francisco.

Dear Sir:

I am returning herewith Resolution No. 15323, approved by the Mayor, pertaining to the appointment of an official San Francisco Committee for the Ad Club Convention.

The Mayor heads the Committee as

Chairman and the other members will be Supervisors Edward J. Brandon, John C. Kortick, Charles A. Nelson and Andrew J. Gallagher.

Will you please advise the Supervisors mentioned of their appointment?

Yours very truly,

Communication — From Richard Schmidt, requesting consideration in the matter of the appointment of a person to take charge of garbage disposal of San Francisco in the event that the Sanitary Reduction Works discontinues its relations with the City.

Referred to Health and Finance Committee.

Withdrawal of Notice of Termination of Contract.

The following matter was presented, read by the Clerk, referred to the Finance and Health Committees and ordered spread at length in the Journal:

February 6, 1918.

- To the City and County of San Francisco, a Municipal Corporation of the State of California, and
To the Mayor and all other Officers of said Municipal Corporation, and
To the First Federal Trust Company of San Francisco, California, and
To the Clerk of the Board of Supervisors of the City and County of San Francisco.

Gentlemen:

We hereby give notice that we desire to withdraw notice served upon you on the first day of February, 1918, in reference to the demand for payment of \$50,000 balance due in the operation of the Sanitary Reduction Works, in accordance with agreement entered into on the 8th day of March, 1909.

The purpose of this notice of withdrawal is to give to the City and County of San Francisco time to make arrangements for the proper disposal of garbage.

We reserve the right to serve notice of termination of contract at any time.

Respectfully yours,
SANITARY REDUCTION WORKS.
By E. J. PANARIO, Secretary.

Received the notice above referred to.

(Signed)

E. J. PANARIO, Secretary.

Report of Finance and Health Committee on Garbage Disposal.

The following report was presented and read by the Clerk:

San Francisco, February 7, 1918.
Board of Supervisors.

Gentlemen: Your Finance and Public Health Committees respectfully report that they met in joint session on Wednesday afternoon, February 6, 1918, to consider and act upon the communication from the Sanitary Reduction Works, announcing that it would cease to operate the incinerating plant after February 8, 1918, and making demand on the City for the balance of \$50,000 due on the purchase price of said plant.

After a discussion of the situation, the Secretary of the Sanitary Reduction Works, George J. Panario, withdrew the notice and demand previously filed with the Board of Supervisors, and agreed to continue handling the garbage and refuse under the terms of the original agreement, until the City is able to make some other arrangement for disposal of the City's waste.

Respectfully submitted,

R. McLERAN,
JOS. F. LAHANEY,
FRED SUHR, JR.,
J. C. KORTICK,
JAS. B. MCSHEEHY,

Motor-drawn vehicle and chauffeur, \$2.50 per hour.

Hand moving without the use of a vehicle, each man, \$1.00 per hour.

PIANOS.

When a piano is transported in combination with other household furniture and goods, \$1.50 extra.

Subdivision c. The amount to be charged for services upon the foregoing rates shall be computed upon the basis of the time consumed from the departure of the mover with his vehicle from said mover's stand to the return of the same at the completion of the job, exclusive of time consumed at meals.

Subdivision d. The extra rates for Sunday and other legal holidays and for overtime may be arranged by special agreement between the mover and the owner of said furniture or goods or his agent.

Subdivision e. The rates specified in Subdivision b of this section shall not apply where furniture or goods cannot be moved from the building or buildings through regular doorways or stairways. In the event that the moving of furniture or goods necessitates the use of hoists, tackle or rigging or where the same must be moved through a window the mover shall be entitled to extra charges by special agreement with the owner of said furniture or goods, or his agent.

Sec. 3. Payment of Charges and Retention for Security.

In the event that payment for charges is refused on delivery the mover may retain a part or all of the furniture or goods sufficient to cover the amount of said charges and at the expiration of twenty days, if the same be not paid, the mover may proceed to sell said property, or so much thereof as may be necessary to pay the charges and costs of sale, at public auction, after giving at least ten days' previous notice of said auction by advertising in a newspaper published in the City and County. The proceeds of said sale at auction must be applied to the payment of charges and costs of sale and the remainder, if any, must be paid to the owner of the property sold.

The mover shall have the right of an extra charge for second delivery.

Sec. 4. Plates.

Upon the payment by a mover of the vehicle license tax provided by law, the Tax Collector shall issue to said mover a metallic plate for each vehicle used by the mover in the conduct of his business and upon which the vehicle license is paid; said plate shall not be smaller than three (3) inches by nine (9) inches, and shall bear the words "Licensed Mover," together with the year of issuance, and shall be issued to the mover at a cost of one dollar (\$1.00) for each plate; said plate shall be affixed to a conspicuous part of each vehicle used by said mover in the conduct of his business and it shall be unlawful for any person, association, copartnership or corporation to engage in business as a mover unless said plate is displayed; this section shall not affect or change existing license taxes in any manner.

Sec. 5. Any person, firm or corporation violating any of the provisions of this Ordinance shall be deemed guilty of a misdemeanor and upon conviction thereof shall be punished by a fine not exceeding \$500.00 or by imprisonment in the County Jail for not more than six months or by both such fine and imprisonment.

Sec. 6. This Ordinance shall take effect immediately.

Masquerade Ball Permits.

Supervisor Hilmer presented:

Resolution No. 15345 (New Series), as follows:

Resolved, That the following named are hereby granted permits to hold masquerade balls at the times and locations hereinafter stated, without payment of the usual license fee, provided the proceeds of said balls

are devoted to charitable and benevolent purposes:

White Rock Athletic Club, at Liberty Hall, 1541 Stockton street, February 16, 1918.

Lady Lovat Lodge, at Druids' Temple, 44 Page street, February 16, 1918.

S. F. Pyramid No. 1, A. E. O. S., at Puckett's Hall, 1268 Sutter street, February 16, 1918.

Prosperity Club, at National Hall, Sixteenth and Mission streets, March 16, 1918.

Adopted by the following vote:

Ayes—Supervisors Brandon, Deasy, Gallagher, Hayden, Hilmer, Hynes, Kortick, Lahaney, McLeran, McSheehy, Mulvihill, Nelson, Power, Schmitz, Suhr, Welch, Wolfe—17.
Absent—Supervisor Hocks—1.

Extensions of Time.

Supervisor McLeran presented:

Resolution No. 15346 (New Series), as follows:

Resolved, That the following extensions of time are hereby granted, upon the recommendation of the Board of Public Works, to contractors on public work, for the reasons stated, and that the advertising fee is remitted in each instance:

Southeast Wing, S. F. Hospital (General Construction.)

To J. B. McSheehy, 90 days from February 13, 1918, *fourth* extension. Reason: Owing to railroad situation, deliveries of marble and tile to the job have been delayed.

Northeast Wing, S. F. Hospital (Lighting Fixtures.)

To Roberts Manufacturing Co., 60 days from January 30, 1918, *first* extension. Reason: Contract is completed except installing two exterior lamp standards and a portion of glassware, which, owing to condition of eastern market, it has been impossible to get within time limit. Unfinished work will not interfere with occupancy of building.

Northeast Wing, S. F. Hospital (Elec-Work—Yard.)

To J. W. Burchaell, 60 days from January 28, 1918, *first* extension. Reason: Impossible to complete contract until temporary buildings in yard are removed.

Adopted by the following vote:

Ayes—Supervisors Brandon, Deasy, Gallagher, Hayden, Hilmer, Hynes, Kortick, Lahaney, McLeran, McSheehy, Mulvihill, Nelson, Power, Schmitz, Suhr, Welch, Wolfe—17.
Absent—Supervisor Hocks—1.

Bus Service for Parkside.

Supervisor Gallagher presented:

Resolution No. 15347 (New Series), as follows:

Resolved, That the Board of Public Works be requested to install a mo-

tor bus service from the K Line, Municipal Railway, to a convenient terminal at Ulloa or Taraval and Thirty-third avenue.

Adopted by the following vote:

Ayes—Supervisors Brandon, Deasy, Gallagher, Hayden, Hilmer, Hynes, Kortick, Lahaney, McLeran, McSheehy, Mulvihill, Nelson, Power, Schmitz, Suhr, Welch, Wolfe—17.

Absent—Supervisor Hocks—1.

Extensions of Time.

Supervisor Welch presented:
 Resolution No. 15352 (New Series), as follows:

Resolved, That Blanchard-Brown Co. is hereby granted an extension of thirty days' time from and after February 3, 1918, within which to complete the improvement of Thirty-sixth avenue, between Lincoln way and Irving street, where not already improved.

This first extension of time is granted upon the recommendation of the Board of Public Works for the reason that the work is completed with the exception of laying the asphalt surface.

Adopted by the following vote:
 Ayes—Supervisors Brandon, Deasy, Gallagher, Hayden, Hilmer, Hynes, Kortick, Lahaney, McLeran, McSheehy, Mulvihill, Nelson, Power, Schmitz, Suhr, Welch, Wolfe—17.

Absent—Supervisor Hocks—1.

Also, Resolution No. 15353 (New Series), as follows:

Resolved, That Blanchard-Brown Co. is hereby granted an extension of thirty days' time from February 10, 1918, within which to complete contract for the improvement of Forty-eighth avenue, between Irving and Judah streets, where not already improved.

This first extension of time is recommended for the reason that the work is completed with the exception of laying the asphalt surface.

Adopted by the following vote:
 Ayes—Supervisors Brandon, Deasy,

Gallagher, Hayden, Hilmer, Hynes, Kortick, Lahaney, McLeran, McSheehy, Mulvihill, Nelson, Power, Schmitz, Suhr, Welch, Wolfe—17.

Also, Resolution No. 15354 (New Series), as follows:

Resolved, That P. A. Belser is hereby granted an extension of ninety days' time from February 6, 1918, within which to complete contract for the improvement of Ingerson avenue, between Railroad avenue and Hawes street.

This *second* extension of time is granted upon the recommendation of the Board of Public Works for the reason that the contractor intended to do this work with a ditching machine, but was unable to get one.

The work is now under way by hand labor.

Adopted by the following vote:

Ayes—Supervisors Brandon, Deasy, Gallagher, Hayden, Hilmer, Hynes, Kortick, Lahaney, McLeran, McSheehy, Mulvihill, Nelson, Power, Schmitz, Suhr, Welch, Wolfe—17.

Absent—Supervisor Hocks—1.

Also, Resolution No. 15355 (New Series), as follows:

Resolved, That P. A. Belser is hereby granted an extension of ninety days' time from February 11, 1918, within which to complete contract for the improvement of Redondo street, between Ingerson and Jamestown avenues.

This *first* extension of time is granted upon the recommendation of the Board of Public Works for the reason that this work connects with another contract which the contractor has on Jamestown avenue, and he wishes to complete them both at the same time.

The contractor is now working on the adjacent block on Jamestown avenue.

Adopted by the following vote:

Ayes—Supervisors Brandon, Deasy, Gallagher, Hayden, Hilmer, Hynes, Kortick, Lahaney, McLeran, McSheehy, Mulvihill, Nelson, Power, Schmitz, Suhr, Welch, Wolfe—17.

Washington, D. C., Feb. 12, 1918.

Mr. James E. Power, 690 Van Ness avenue, San Francisco, Calif.

My Dear Mr. Power:

This will acknowledge receipt of your letter of February 5th, in which you inclosed a resolution adopted by the Board of Supervisors of San Francisco, urging the Congress to enact postal wage legislation. Permit me to express to you my personal and official thanks for this evidence of your continued interest in the welfare of your former co-workers.

While the present legislative situation is not entirely satisfactory, yet we are making progress and I am almost certain that the men will receive some substantial wage increase. This happy result will be due in a great measure to the assistance rendered us by the public through the medium of just such expressions as was adopted by the Board of Supervisors of San Francisco.

With very best wishes, I am

Fraternally yours,

THOS. F. FLAHERTY,
Secretary-Treasurer Natl. Federation of Postal Employees.

Relative to Weekly Day-Off for Police-men.

The following was presented, read and ordered spread in the Journal: San Francisco, Cal., Feb. 14th, 1918. Hon. Board of Supervisors, City Hall, San Francisco.

Gentlemen:

By direction of the Mayor I am sending you enclosed copy of letter addressed to the Mayor by President Theodore J. Roche, Police Commission of this City and County, dated February 8th, and containing facts relative to the matter of "days off" in the Police Department.

The Mayor sends this for your information and respectfully requests that it be printed in the Journal of your Board.

Very sincerely,

EDWARD RAINEY,

Secretary to the Mayor.

San Francisco, California,

February 8, 1918.

Hon. James Rolph, Jr., Mayor, San Francisco.

My Dear Mayor Rolph:

Within the past few days your office has communicated to me the fact that recently another resolution was passed by the Board of Supervisors, requesting the Police Commission to accord to each member of the Police Department one day off in seven. This resolution is but the last of a series of resolutions of like import passed by the Board of Supervisors at various intervals, commencing with May 3rd, 1916, each resolution being introduced by a different member of the Board. The frequency with which these resolutions have been passed impels me, on behalf of the Police Commission, to write you, so that you may be fully advised of the attitude of the Commission respecting the subject-matter to which each of the resolutions adverts, and at the same time be informed of the reasons which, under existing circumstances, prevent the members of the Police Department from being allowed one day off in each week, or more than one day off in every two weeks.

Preliminarily, I deem it appropriate to state that he has always been your expressed desire, as well as the wish of the Police Commission, to permit the members of the Department, in common with other municipal employees, to have one day off in seven. No logical or natural reason exists why a distinction should be made in this respect between a member of the Police Department and any other employees of the city; he has, equally with other employees, the right to one day of rest in seven, and his family, in common with the families of other employees, has the right to demand the enjoyment of his society

with like frequency. Unfortunately, however, the obligations resting upon the Police Department are such that at times, like the present, unless provision is made by an increase of its members, this right cannot be given recognition and the welfare of the city preserved.

The Police Department consists of 928 men, of various ranks. This membership has not been enlarged by the addition of a single man since 1914, when the appointment of fifteen additional patrolmen was authorized. Since 1914 San Francisco has not only materially increased in population, but outlying districts not then or theretofore policed have since been platted and are now covered by residences requiring police protection. This augmented demand upon the Police Department has been satisfactorily met without increasing the strength of the Department itself.

Until the early part of 1916 the members of this Department were given one day off in every fourteen days. Notwithstanding the additional burdens cast upon the Department arising out of changed conditions, the Board of Supervisors saw fit to request that two additional days off per month be given each member of the Department, and this without at the same time providing any substitutes for the men to be relieved. It, of course, must be obvious that the granting of the two extra days off per month to each member of the Department, in effect diminishes the man-power of the Department by approximately sixty men. In spite of its diminished strength the Department has attempted, whenever conditions would permit, to comply with the spirit of these resolutions, which but echo the expressed sentiments of yourself and your administration. Accordingly, from about May 1st, 1916, to September, 1916, the members of this Department were given one day off in seven. From September, 1916, until May, 1917, the days off were again reduced to one day in two weeks, on account of the additional duties required to be performed and the vigilance required to be exercised by the Police Department during the fall and winter months. Ordinarily, it is during this period of time, due to the influx of individuals from other jurisdictions, that criminal offenses become more numerous. In 1917, however, an attempt was made to continue the one day off each week, during the fall and winter months, it being our intention not to restrict this right until conditions made it imperative. It was not until August, 1917, when the street-car strike occurred, that the order according the men the right to remain off duty one

day in seven was interfered with. It was, of course, then found necessary, not only to reduce the days off, but to require the members of the Department to remain on duty twelve hours a day instead of eight hours. Since the termination of the strike, however, it has been impossible to restore the additional two days, for various reasons which may be briefly alluded to.

1st. Each member of the Department who had not already had his vacation at the time the strike commenced was, after the strike was over, given his full vacation, together with five days additional, representing overtime worked by him during the strike. Each member of the Department who had already had his vacation was given five additional days, to represent his overtime.

2nd. In addition to taking care of this overtime, conditions have arisen, as the result of the existing war, which have made demands upon the Department necessitating intensive service on the part of all of its members. A number of men heretofore policing residential districts have been assigned to duty on the water front and in the vicinity of plants engaged in war work. A neutrality squad has been created, which is doing splendid work and which, with a number of temporary additions, is now engaged in registering resident alien Germans.

3rd. Without descending into details regarding the exact character of service rendered since the war commenced, this Department has co-operated with the military authorities to the fullest extent possible, and at all times, upon request, has rendered police service, to such a degree as to invoke from them both their commendation and appreciation.

As this administration has always recognized the right of the members of the Department to one day off in seven, and as this Commission has, in response to your express desires, repeatedly communicated, as well as its own, attempted to give recognition to such right, it occurs to me that if any further resolutions of like character are to be passed, it would be well for the Board of Supervisors to provide some means by which the resolutions can be enforced. So far as this Commission is concerned, no necessity exists, or has existed during the past several years, for the passage of these resolutions; it concedes the right of the men to the day of rest, and would be glad to see such right enforced. If the Board will provide this Department with an additional number of men, sufficient to permit the giving of one day off in seven, and make provision for

their compensation, no difficulty will be experienced in seeing that the members of the Police Department get that to which they are entitled, and which every other employee of the municipality now enjoys.

Very sincerely yours,
(Signed) THEO. J. ROCHE,
President of the San Francisco Police Commission.

Sully, Hood & Strong, Certified Public Accountants, on Financial Condition of the Tax Collector's Office.

The following was presented, read by the Clerk and on motion of Supervisor Power ordered spread at length in the Journal:

Monday, Jan. 14, 1918.

Hon. Ralph McLeran, Acting Mayor, City and County of San Francisco, San Francisco.

Dear Sir:
Acting under your instructions I have made an investigation of the financial affairs of the Tax Collector, Mr. Edward F. Bryant.

On January 8, 1918, at 2 p. m., the vaults were opened and all cash in possession of the Tax Collector was counted. The total on hand was \$10,874.54, consisting of the following items:

Real Estate	\$2,946.08
Tunnel Assessment	378.96
License Receipts	7,549.50

\$10,874.54

Inasmuch as the records of the Tax Collector appertaining to the Real Estate and Personal Property taxes had been completely verified by the Auditor as of date Dec. 3, 1917, and the records relating to the Licenses as of date Dec. 31, 1917, I have confined my attentions to the transactions subsequent thereto.

All moneys evidenced as having been received on account of Real Estate and Personal Property taxes, from Dec. 4, 1917, to Jan. 8, 1918, were verified to have been deposited with the Treasurer or remained on hand.

The receipts on account of Tunnel Assessments were checked from January 1, 1918, and verified to have either been deposited with the Treasurer or remained on hand.

Owing to the fact that the records of the License Department had been completely verified by the Auditor on Dec. 1st, 1917, and after considering the system of internal check in use, I did not deem it necessary to make a detailed examination of this Department. The amount of cash on hand was verified as being correct from the basis of the stubs of the Licenses sold on January 8, 1918.

Nothing has come to my attention which would indicate in any way a want of integrity or propriety on the

part of the Tax Collector. The records at this office appear to be efficiently maintained, and from the system of internal check in the office it would be extremely difficult for any impropriety to exist without extensive collusion.

The investigation was, of course, limited, but nothing further could have been accomplished without a detailed examination which would have necessitated a great expenditure of time, and which I believe is unnecessary owing to the indication of absolute accuracy and propriety in the maintenance of the office.

I desire to call your attention, however, to the fact that while the Auditor makes a very complete audit of the financial affairs of the Tax Collector in connection with the Real Estate taxes and License collections, I am informed that no audit has ever been made of the Twin Peaks and Stockton Street Assessment collections.

Respectfully submitted,
(Signed) WALTER HOOD,
Certified Public Accountant.

Report of Streets Committee on Extension of Hunter's Point Road

The following report was presented, read, and on motion of Supervisor Welch ordered spread in the Journal:

San Francisco, February 18, 1918.

Board of Supervisors.

Gentlemen: Your Committee on Streets and Sewers to which Resolution No. — (New Series), introduced by Supervisor James E. Power, relating to Hunter's Point Road, was referred, reports the same back to your Board with the following report:

February 15, 1918.

Board of Supervisors.

Gentlemen: Herewith I return a resolution introduced by Supervisor Power and referred to your Street Committee, requesting that the City Engineer be directed to furnish the Board of Supervisors with an estimate of cost of constructing the second unit of the Hunter's Point Road from the end of the present completed boulevard around the south-every side of the point to its juncture with Railroad avenue.

On March 27, 1916, a resolution introduced by Supervisor Welch of the Street Committee and passed by the Board was referred to this office requesting that plans and specifications and an estimate of cost be made for the construction of Hunter's Point boulevard. Subsequently the Street Committee requested this office to prepare plans and specifications for the return road, but at that time it was deemed advisable to construct only that portion which is now rapidly nearing completion. However, this office made some preliminary studies relative to the construction of the balance of this boulevard, and a tentative route has been laid out which would carry the road back along the summit of its juncture with Railroad avenue at about Oakdale avenue. It was not deemed advisable at that time to make any definite studies or prepare any definite estimates for the continuation of this boulevard until such time as it had been determined by the government whether the Navy Yard would occupy the site.

However, this office will now continue the necessary investigation of grade conditions and in the near future send you an estimate of cost and the location of the extension of

Hunter's Point Road, in accordance with the original resolution and verbal request of the Street Committee. Respectfully,

(Signed)

M. M. O'SHAUGHNESSY,
City Engineer.

Respectfully submitted,

RICHARD J. WELCH,

JAS. B. McSHEEHY,

JOS. T. LAHANEY,

J. T. KORTICK,

E. J. BRANDON,

Committee on Streets and Sewers.

Free Lunch Ordinance.

The following matter laid over from a previous meeting was taken up:

Bill No. —, Ordinance No. —

(New Series), Regulating the maintenance of lunch counters and the gratuitous distribution or furnishing of meals or articles of food, in connection with the sale of intoxicating liquors by retail liquor dealers and providing a penalty for the violation thereof.

Privilege of the Floor.

Herbert Chojnski, representing the Wet Federation, was granted the privilege of the floor and addressed the Board. He declared that a great deal of criticism had been leveled at the saloon business generally, due to the practice of giving free lunch in connection with the sale of intoxicating liquors.

The ordinance, he said, proposed that any saloon hereafter providing lunch shall charge for it a price equal to at least the amount paid for the drink. He believed that it was for the best interest of the business that the ordinance be enacted. The majority of the saloon men, he said, are for it, and only a small minority against it. He declared, furthermore, that free lunch is an unnecessary institution and a waste of food and that great assistance will be rendered Mr. Hoover and the Government in their Food Conservation Campaign by the enactment of the ordinance.

Hugh McKerrill, representing certain saloonkeepers, also addressed the Board. He opposed the passage of the ordinance, and declared that it had no place in the Board of Supervisors. The food conservation idea, he said, had nothing to do with the matter. An anti-free lunch ordinance was broached long before the war broke out. Moreover, Mr. Hoover has the matter in hand and does not require any local assistance. He decried the division that existed between saloonmen when they should be united in face of the common enemy.

Action Deferred.

Supervisor Power moved that the foregoing bill be laid over one week and that in the meantime the attorneys of both sides get together and try and arrive at some compromise.

Motion carried by the following vote:

Ayes—Supervisors Brandon, Deasy, Hayden, Kortick, Labaney, McLeran, Mulvihill, Nelson, Power, Schmitz, Suhr—11.

Noes—Supervisors Gallagher, Hocks, Hynes, McSheehy, Welch—5.

Absent—Supervisors Hilmer, Wolfe—2.

Motor Van Ordinance.

The following bill laid over from a previous meeting was taken up and on motion passed for printing:

Cancellation of Contract for Improvement of Santiago Street.

Supervisor Welch presented:

Resolution No. 15368 (New Series), as follows:

Whereas, the Board of Public Works did, by Resolution No. 57364 (Second Series), adopted February 6, 1918, recommend that the Board of Supervisors cancel that certain contract entered into on August 15, 1916, between the State Improvement Company and the Board of Public Works for the improvement of Santiago street, between Twenty-third and Twenty-fourth avenues, and of the crossing of Santiago street and Twenty-fourth avenue, by grading to the official line and grade, constructing concrete curbs and broken rock pavement, artificial stone sidewalks, sewers and appurtenances, the reason being that the city is liable for approximately one-half of the cost of the work and the necessary funds have not been provided to pay the city's portion of the cost since the contract was entered into; therefore, be it

Resolved, That the contract entered into between State Improvement Company and the Board of Public Works on August 15, 1916, for the improvement of Santiago street, between Twenty-third and Twenty-fourth avenues, and the crossing of Santiago street and Twenty-fourth avenue be and the same is hereby cancelled and annulled.

Extensions of Time.

Resolution No. 15373 (New Series),
as follows:

Resolved, That H. Crummey, Inc., is hereby granted the following extensions of time to complete street work, viz.:

Ninety days from March 12, 1918, within which to complete contract for the improvement of Leland avenue, between Delta and Sawyer streets, and Leland avenue, between Rutland and Delta streets.

These *second* extensions of time are granted upon the recommendation of the Board of Public Works, for the reason that the grading for this contract is practically completed, and contractor is preparing to construct concrete curbs.

Thirty days from March 12, 1918, to complete contract for the improvement of Donahue street between Innes and Galvez avenues; and Galvez avenue between Donahue and Coleman streets.

This *first* extension of time is granted upon the recommendation of the Board of Public Works, for the reason

that the work is practically completed, and this extension is recommended to protect the assessment.

Thirty days from March 4, 1918, within which to complete contract for the improvement of a section of the Hunters Point road, bounded by Fairfax avenue, Galvez avenue, Boalt street and Coleman street.

This first extension of time is granted upon the recommendation of the Board of Public Works for the reason that the sewer, grading, concrete curbs and concrete curbs base have been completed, but in order to cover possible delays the extension is deemed advisable.

JOURNAL OF PROCEEDINGS

BOARD OF SUPERVISORS

MONDAY, FEBRUARY 25, 1918, 2 P. M.

In Board of Supervisors, San Francisco, Monday, February 25, 1918, 2 p. m.

The Board of Supervisors met in regular session.

CALLING THE ROLL.

The Roll was called and the following Supervisors were noted present:

Supervisors Brandon, Deasy, Gallagher, Hayden, Hilmer, Hocks, Hynes, Kortick, Lahaney, McLeran, McSheehy, Mulvihill, Nelson, Power, Schmitz, Suhr, Welch, Wolfe—18.

Quorum present.

His Honor Mayor Rolph presiding.

APPROVAL OF JOURNALS.

The Journals of Proceedings of February 18 and 19, 1918, were considered, read and approved.

ROLL CALL FOR PETITIONS FROM MEMBERS.

The following matters were presented and read by the Clerk:

New Motor Car Demonstration, Ocean Shore Railroad.

Communication—From Ocean Shore Railroad Company, inviting his Honor the Mayor, Board of Supervisors and the City Engineer to take a trip on its new motor car next Saturday afternoon, March 2, 1918.

Invitation accepted.

Protest Against Passage of "Free Lunch Ordinance."

Communication—From Butchers' Union Local No. 115, opposing the passage of the proposed anti-free lunch ordinance and requesting that it be not enacted.

Read and ordered filed.

Leave of Absence, City Attorney.

Communication—From City Attorney, requesting leave of absence for the purpose of representing City in oral argument before U. S. Supreme Court in March in litigation involving the validity of certain taxes levied by the Assessor upon money impounded in the Federal courts in the several rate cases.

Read by Clerk.

Whereupon, the following resolution was presented and adopted by the following vote:

Resolution No. 15387 (New Series), as follows:

Resolved, That permission be and the same is hereby given to the City Attorney to absent himself from the State for a period of thirty (30) days, beginning March 2nd, 1918.

Ayes—Supervisors Brandon, Deasy, Gallagher, Hayden, Hilmer, Hocks, Hynes, Kortick, Lahaney, McLeran, McSheehy, Mulvihill, Nelson, Power, Schmitz, Suhr, Welch, Wolfe—18.

Farewell to Colonel Casey and Chaplain Rev. J. McQuade of the Presidio, and Ensigns Webb and Burke.

His Honor Mayor Rolph announced that it had come to his knowledge that Colonel Casey and Chaplain J. McQuade were about to leave San Francisco in the service of Uncle Sam—the one to Washington and the other to France. Mayor Rolph on behalf of the Board of Supervisors and the people of San Francisco wished both of them God-speed and a safe return.

Colonel Casey and Chaplain McQuade responded, thanking the Mayor and the Board of Supervisors for their good wishes and promising to do their best to reflect credit on our country and bring victory to its cause.

Ensign Webb of Alameda and Ensign Burke of San Francisco, who were also about to leave here in the service of the United States, were called upon by his Honor the Mayor and they expressed their readiness to do their full duty in the service of Uncle Sam.

Supervisor Power, being called upon to respond, declared that he was very happy to do so as he personally knew all of the men who were about to leave. He complimented them on their determination to "bring home the bacon" and declared that he felt they would since they came from the right stock and would do their full duty.

SPECIAL ORDERS—3 P. M.

Appeals From Street Assessments.

Clayton Street.

Appeal of property owners from assessment for the improvement of Clay-

ton street between Clarendon avenue and Corbett avenue was taken up and on motion of Supervisor Welch *laid over one week*.

Caselli Arcuac.

Appeal of property owners from assessment for the improvement of Caselli avenue between Corbett and Falcon avenues was taken up.

Protest Against Assessment for Street Improvement.

The following was thereupon presented and read:

Communication—From Richard Baxter and others objecting to assessment for improvements on crossing of Falcon and Caselli avenues and junction of Eagle street and requesting Board to make an additional appropriation of \$4,000 to cover increased cost over amount estimated by the Board of Public Works.

Privilege of the Floor.

Richard Baxter was granted the privilege of the floor and addressed the Board. He declared that at the time of the making of the Budget the estimated cost of the work was \$14,500 and that the Finance Committee, upon the petition of the property owners, had agreed to pay for one-half the work, appropriating therefor \$7,500. When the bids were called for the lowest obtained was approximately \$18,000 and the additional burden falls upon the property owners. This, he said, is unbearable and in some cases confiscatory. He requested that City appropriate \$4,000 to meet additional cost.

Mr. Healy, representing the Board of Public Works, declared that the estimate submitted by the Board of Public Works was two years old and that increased bid was due to higher price of labor and materials.

Mrs. Saxton also addressed the Board. She said that her assessment for street work is as great as the assessed value of her property. I am in favor of the improvement, she said, but the assessment for it is confiscatory. The recent storm, she declared, has undermined and destroyed a part of the work already done.

S. T. Hutton, contractor, also addressed the Board. He said that he could not see how any harm would result from a couple of weeks delay and that he would raise no objection to such action.

Action Deferred.

Whereupon, on motion of Supervisor Welch, the foregoing matter was *laid over two weeks* and referred to the Streets and Finance Committees.

Harrison Street.

Appeal of City Street Improvement Co. from assessment for the improve-

ment of Harrison street, between Sixteenth and Eighteenth streets, was taken up.

City Attorney to Advise as to Validity or Invalidity of Assessment.

Whereupon, the following resolution was presented by Supervisor Welch and *adopted*:

Resolution No. 15388 (New Series), as follows:

Whereas, the Board of Public Works filed a report of the office deputy of the Bureau of Streets dated February 15, 1918, on the appeal of the City Street Improvement Company from the assessment issued by the Board of Public Works for the improvement of Harrison street, between Sixteenth and Eighteenth streets, recommending that the matter of the appeal be referred to the City Attorney for his opinion as to the validity of the assessment; now, therefore,

Resolved, That the City Attorney is hereby requested to furnish this Board with an opinion as to whether or not the assessment issued by the Board of Public Works for the improvement of Harrison street, between Sixteenth and Eighteenth streets, is a valid assessment.

Adopted by the following vote:

Ayes—Supervisors Brandon, Deasy, Gallagher, Hayden, Hilmer, Hocks, Hynes, Kortick, Lahaney, McLeran, McSheehy, Mulvihill, Nelson, Power, Schmitz, Suhr, Welch, Wolfe—18.

Elsie Street.

Appeal of Spring Valley Water Co. from assessment for the improvement of Elsie street, between Cortland avenue and a line at right angles to the southeasterly line of Elsie street at its intersection with the northwesterly line of Holly Park Circle, including the intersections of Santa Marina street and Elsie street and of Cortland avenue and Elsie streets, was, on motion of Supervisor Welch, *laid over two weeks*.

Vermont Street.

Appeal of Western Pacific Railway Company from the action and decision of the Board of Public Works in overruling the protest against the improvement of the following streets:

Vermont street, between Alameda and Division streets.

Vermont street, between Fifteenth and Sixteenth streets, including the crossing of Fifteenth and Vermont streets.

Vermont street, between Alameda and Fifteenth streets.

Privilege of the Floor.

Mr. McDonald, representing the Western Pacific Railroad Co., was granted the privilege of the floor. He called attention to the fact that the railroads of the country had been

taken over by the Government for war purposes and urged that in accordance with the policy of the nation to conserve its financial resources for the essential needs of the war that such a non-essential as street work be deferred until this national crisis is over. He said that correspondence on this subject is now being carried on between here and Washington and he asked that the matter be at least delayed until he received a reply from the railroads' heads at Washington.

Appeal Denied.

Supervisor Welch thereupon presented the following resolution, which was adopted by the following vote:

Resolution No. 15390 (New Series), as follows:

Resolved, That the appeal of Western Pacific Railway Company from the action and decision of the Board of Public Works in overruling the protest against the improvement of the following streets, viz.:

Vermont street, between Alameda and Division streets;

Vermont street, between Fifteenth and Sixteenth streets, including the crossing of Fifteenth and Vermont streets;

Vermont street, between Alameda and Fifteenth streets;

be and the same is hereby denied and the work ordered.

Ayes—Supervisors Brandon, Deasy, Gallagher, Hayden, Hilmer, Hocks, Hynes, Kortick, Lahaney, McLeran, McSheehy, Mulvihill, Nelson, Power, Schmitz, Suhr, Welch, Wolfe—18.

Passed for Printing.

The following bill was thereupon presented by Supervisor Welch and passed for printing:

Presidio Extension of Municipal Railway.

His Honor Mayor Rolph announced early in the meeting that he had received a telephone call from Mr. Louis Mooser asking for a hearing in the matter of the proposed tearing up of two blocks of car track on Scott street, between Greenwich and Chestnut streets, and the extension of the

Municipal line from Scott to Baker street, where connection will be made with the Union street line. The Board waited for Mr. Mooser until 4 p. m. At that hour Colonel Casey, representing the Presidio Post, addressed the Board and urged the extension of the line as a military necessity. He was advised that the Board of Public Works had already ordered the work.

Louis H. Mooser, Jr., appeared before the Board later and protested vigorously against the action taken. He charged that he had been treated discourteously, and inferred that City Engineer O'Shaughnessy had been actuated by malice in ordering the removal of the tracks.

Supervisor Wolfe, Chairman of the Public Utilities Committee, thereupon gave Mr. Mooser assurance that even though the work had commenced, the Public Utilities Committee would be glad to go into the merits of his protest, and invited him to attend the meeting next Wednesday.

Free Lunch Ordinance.

The following bill, laid over from last meeting, was taken up:

Bill No. —, Ordinance No. — (New Series), Regulating the maintenance of lunch counters and the gratuitous distribution or furnishing of meals or articles of food in connection with the sale of intoxicating liquors by retail liquor dealers and providing a penalty for the violation thereof.

Be it ordained by the People of the City and County of San Francisco as follows:

Section 1. It shall be unlawful for any person, firm or corporation engaged in the business of selling spirituous, malt or fermented liquors or wines or any admixture thereof in less quantities than one quart or to whom has been issued a retail liquor dealer's license by the Tax Collector of the City and County of San Francisco, to set up, maintain, conduct or carry on any lunch counter, table, sideboard, buffet or other device whereon are kept, served, furnished, displayed or consumed any meals, parts of meals or articles of food for the free use of or gratuitous distribution to patrons of any such business, or to furnish, serve or distribute to such patrons free or gratuitously any meals, parts of meals or articles of food in connection with the conduct or management of any such business; provided, however, that nothing herein contained shall pre-

vent the serving, distribution or furnishing of meals by any employer to any of his employees in any such place.

Section 2. The provisions of this ordinance shall not apply to bona fide hotels, restaurants, grills and combination bar and grills or bar and restaurants where articles of food or meals are sold at fixed prices, which must be at least equal to the minimum price charged for any liquor sold, served or furnished in said premises; provided, however, that no free use or gratuitous distribution of articles of food shall be made in any such place except as part of such meal as provided herein or to employees of the person, firm or corporation conducting said place.

Section 3. Any person, firm or corporation who shall violate any of the provisions of this ordinance shall be guilty of a misdemeanor and upon conviction thereof shall be punished by a fine of not less than fifty (50) dollars, or not more than five hundred (500) dollars, or by imprisonment in the County Jail for not more than six (6) months, or by both such fine and imprisonment.

Section 4. This ordinance shall take effect immediately.

Compromise Ordinance.

The following bill, being a compromise agreed upon by certain of the opposing factions of the saloonmen, was presented by Supervisor Hocks as a substitute for the foregoing:

Bill No. 4870, Ordinance No. — (New Series). An ordinance regulating the maintenance of lunch counters and the gratuitous distribution or furnishing of meals or articles of food in connection with the sale of intoxicating liquors by retail liquor dealers and providing a penalty for the violation thereof.

Be it ordained by the People of the City and County of San Francisco as follows:

Section 1. It shall be unlawful for any person, firm or corporation engaged in the business of selling spirituous, malt or fermented liquors or wines or any admixture thereof in less quantities than one quart or to whom has been issued a Retail Liquor Dealer's License by the Tax Collector of the City and County of San Francisco, to set up, maintain, conduct or carry on any lunch counter, table, sideboard, buffet, or other device whereon are kept, served, furnished, displayed or consumed any meals, parts of meals or articles of food for the free use of or gratuitous distribution to patrons of any such business, or to furnish, serve or distribute to such patrons free or gratuitously any meals, parts of meals or articles of

food in connection with the conduct or management of any such business; provided, however, that nothing herein contained shall prevent the serving, distribution or furnishing of meals by any employer to any of his employees in any such place.

Section 2. The provisions of this ordinance shall not apply to bona fide hotels, restaurants, grills, and combination bar and grills or bar or restaurants where liquors are sold to be consumed with meals, the minimum price of which meals shall be at least five cents, when served or furnished in said premises; provided, however, that no free use or gratuitous distribution of articles of food shall be made in any such place except as part of such meal sold as provided herein or to employees of the person, firm or corporation conducting said place.

Section 3. Any person, firm or corporation who shall violate the provisions of this ordinance shall be guilty of a misdemeanor and upon conviction thereof shall be punished by a fine of not less than fifty (50) dollars, or not more than five hundred (500) dollars, or by imprisonment in the County Jail for not more than six (6) months, or by both such fine and imprisonment.

Section 4. This ordinance shall take effect immediately.

Privilege of the Floor.

H. Handlos, representing *H. McKevitt*, attorney for the Wet Federation, addressed the Board. He said that the substitute bill had not been agreed to by his clients and that they still oppose the passage of the ordinance.

H. Chojnski, representing certain saloonmen, also addressed the Board. He declared that the compromise bill had been agreed to by his clients as a reasonable concession, and urged its passage as presented.

Mr. Murry, representing the Butchers' Union, also addressed the Board. He declared that his organization had gone on record as against the proposed ordinance. It was estimated, he said, that a large number of sausage makers would be thrown out of employment as a result of its enactment. The protest of the Butchers' Union was read by the Clerk.

T. Zant also addressed the Board in opposition to the proposed ordinance.

Motion.

Supervisor McLeran moved that the bill be indefinitely postponed.

Supervisor Wolfe moved as an amendment that action be postponed one week.

Amendment lost by the following vote:

Ayes—Supervisors Deasy, Nelson, Power, Wolfe—4.

Noes—Supervisors Brandon, Gallagher, Hayden, Hilmer, Hocks, Hynes, Kortick, Lahaney, McLeran, McSheehy, Mulvihill, Schmitz, Welch—13.

Absent—Supervisor Suhr—1.

Whereupon, the question being taken on *indefinite postponement*, the motion was defeated by the following vote:

Ayes—Supervisors Brandon, Hilmer, Kortick, Lahaney, McLeran, Mulvihill, Nelson—7.

Noes—Supervisors Deasy, Gallagher, Hayden, Hocks, Hynes, McSheehy, Power, Schmitz, Welch, Wolfe—10.

Absent—Supervisor Suhr—1.

Passed for Printing.

Extensions of Time.

Supervisor Brandon presented:

Resolution No. 15384 (New Series), as follows:

Resolved, That the following extensions of time be granted to contractors on public works, upon the recommendation of the Board of Public Works, and that the advertising fee be remitted in each instance.

Engine House No. 37.

To Thomas Day Company, 20 days from February 5, 1918, furnishing and installing lighting fixtures. *First* extension. Reason: Building will not be ready to receive fixtures before expiration of contract.

Southeast Wing of S. F. Hospital.

To Otis Elevator Co., 60 days from Feb. 15, 1918, to furnish and install elevators. *Fourth* extension. Reason: Building not sufficiently advanced to permit the installation.

Adopted by the following vote:

Ayes—Supervisors Brandon, Deasy, Gallagher, Hayden, Hilmer, Hocks, Hynes, Kortick, Lahaney, McLeran, McSheehy, Mulvihill, Nelson, Power, Schmitz, Suhr, Welch, Wolfe—18.

Supervisor Welch presented:

Resolution No. 15383 (New Series), as follows:

Resolved, That Flinn & Treacy (assignees) are hereby granted an extension of thirty days' time from February 25th, 1918, within which to complete contract for improving Francisco street, between Columbus avenue and Taylor street.

This *third* extension of time is granted upon the recommendation of

the Board of Public Works for the reason that the grading has been completed and the curbs set.

Adopted by the following vote:

Ayes—Supervisors Brandon, Deasy, Gallagher, Hayden, Hilmer, Hocks, Hynes, Kortick, Lahaney, McLeran, McSheehy, Mulvihill, Nelson, Power, Schmitz, Suhr, Welch, Wolfe—18.

Also, Resolution No. 15385 (New Series), as follows:

Resolved, That J. G. Harney is hereby granted, the following extensions of time to complete street work, viz.:

Ninety days from March 4, 1918, within which to complete contract for the improvement of Balboa street, between Thirty-third and Thirty-fourth avenues. *First extension.*

Ninety days from March 4, 1918, within which to complete contract for the improvement of Balboa street, between Thirty-fourth and Thirty-fifth avenues. *First extension.*

Ninety days from March 4, 1918, within which to complete contract for the improvement of Balboa street, between Thirty-fifth and Thirty-sixth avenues. *First extension.*

Ninety days from March 4, 1918, within which to complete contract for the improvement of Balboa street, between Thirty-eighth and Thirty-ninth avenues. *First extension.*

The above extensions of time are granted upon the recommendation of the Board of Public Works for the reason that the contractor was unable to secure materials. No work has been done.

Ninety days from March 14, 1918, within which to complete contract for improving Eighteenth street, between Third and Illinois streets.

This *first extension* of time is granted upon the recommendation of the Board of Public Works for the reason that the contractor has had difficulty in obtaining material. The line and grade for this work has been ordered, but no work has been done under the contract.

Adopted by the following vote:

Ayes—Supervisors Brandon, Deasy, Gallagher, Hayden, Hilmer, Hocks, Hynes, Kortick, Lahaney, McLeran, McSheehy, Mulvihill, Nelson, Power, Schmitz, Suhr, Welch, Wolfe—18.

ROLL CALL FOR THE INTRODUCTION OF RESOLUTIONS, BILLS AND ORDINANCES NOT CONSIDERED OR REPORTED ON BY A COMMITTEE.

In Memory of Former Supervisor Joseph S. Tobin.

Supervisor Power presented the following resolution which was *adopted* by rising vote:

Resolution No. 15386 (New Series), as follows:

Whereas, It has pleased Almighty

God in His infinite wisdom to call from this world of cares, trials and tribulations a worthy citizen of San Francisco, Joseph S. Tobin, and

Whereas, While a member of the Board of Supervisors, he served with honor and distinction, and

Whereas, By his death San Francisco has lost one of her most prominent citizens, a man who was held in the highest esteem, and one who was loved and respected by all; therefore be it

Resolved, That we, the Board of Supervisors, in meeting assembled, do extend to his wife, mother, brothers and sister our heartfelt sympathy in the loss they have sustained by the death of a devoted husband, and of a loving son and brother; and be it

Further Resolved, That a copy of this resolution be spread in full on the minutes of this Board, a copy be sent to the public press, and a copy suitably engrossed be sent to the family of the deceased.

Extension of Time.

Supervisor Welch presented:

Resolution No. 15391 (New Series), as follows:

Resolved, That J. G. Harney, be granted an extension of 90 days' time from March 4, 1918, within which to complete contract for improving the crossing of Balboa street and Fortieth avenue.

This *first extension* of time is granted upon the recommendation of the Board of Public Works for the reason that the contract was awarded on November 16, 1917, and expires on March 4, 1918. No work has been done, the reason given by the contractor being that he could not obtain the materials. The City Engineer recommended the extension.

Adopted under suspension of the rules by the following vote:

Ayes—Supervisors Brandon, Deasy, Gallagher, Hayden, Hilmer, Hocks, Hynes, Kortick, Lahaney, McLeran, McSheehy, Mulvihill, Nelson, Power, Schmitz, Suhr, Welch, Wolfe—18.

State University Extension Course Building in Civic Center.

Supervisor McLeran presented:

Resolution No. 15377 (New Series), as follows:

Approved by the Board of Supervisors March 4, 1918.

Pursuant to Resolution No. 3402 (New Series), of the Board of Supervisors of the City and County of San Francisco, I, John S. Dunnigan, hereby certify that the foregoing is a true and correct copy of the Journal of Proceedings of said Board of the date thereon stated, and approved as above recited.

Whereas, It has been suggested that there be erected in this city a State building for the accommodation of extension classes of the University of California, and

Whereas, There is at this time unoccupied land in the Civic Center that could possibly be utilized for such a building thereby adding adornment as well as utility to our Civic Center and the city in general; therefore be it

Resolved, That the subject-matter hereof be referred to the Public Building Committee for consideration and report as to the intent of the University Regents and Faculty, and the advisability of creating arrangements whereby such a proposed building could become a part of our Civic Center group.

Adopted under suspension of the rules by the following vote:

Ayes—Supervisors Brandon, Deasy, Gallagher, Hayden, Hilmer, Hocks, Hynes, Kortick, Lahaney, McLeran, McSheehy, Mulvihill, Nelson, Power, Schmitz, Suhr, Welch, Wolfe—18.

SPECIAL ORDERS—3 P. M.

Appeals From Street Assessment.

Clayton Street.

Appeal of property owners from assessment for the improvement of Clayton street, between Clarendon avenue and Corbett avenue, was taken up and on motion of Supervisor Welch laid over one week.

Silliman Street.

Appeal of Sarah Weinstein from assessment issued for the improvement of Silliman street, between Somerset and Goettingen streets, was taken up and, on motion of Supervisor Welch, laid over one week.

Wisconsin Street.

The following matters, laid over from last meeting, were taken up:

Appeal of Mary Kirrane from assessment issued for street work on Wisconsin street, between Twenty-second and Twenty-third streets.

Also, motion of Supervisor Schmitz that the appeal be sustained.

The question being on Supervisor Schmitz's motion, Supervisor Welch offered as an amendment a resolution denying the appeal and confirming the assessment, which, on point of order raised by Supervisor Schmitz, was ruled out of order by the Chair.

The Clerk thereupon proceeded to call the Roll on Supervisor Schmitz's

motion when Supervisor Gallagher offered the following amendment:

That Supervisors Schmitz and Nelson, the mover and seconder of the motion to sustain the appeal and set aside the assessment, be appointed a committee of two to investigate and report to this Board how the contractor can be reimbursed for his work and how the Board can legally sustain the appeal and set aside the assessment.

Supervisor McLeran raised a point of order that the Roll Call on Supervisor Schmitz's motion had commenced, which point of order he subsequently withdrew.

Whereupon, Supervisor Power raised the same point of order and insisted upon a ruling.

After discussion by Supervisor Gallagher, his Honor the Mayor ruled the point of order *well taken*.

Thereupon, Supervisor Gallagher withdrew his amendment, and the Roll was called and Supervisor Schmitz's motion *defeated* by the following vote:

Ayes—Supervisors Schmitz, Nelson, Power—3.

Noes—Supervisors Brandon, Deasy, Gallagher, Hayden, Hilmer, Hocks, Hynes, Kortick, Lahaney, McLeran, McSheehy, Mulvihill, Suhr, Welch, Wolfe—15.

Action Deferred.

Whereupon, *Supervisor Welch* moved that appeal be laid over one week.

Motion *carried* by the following vote:

Ayes—Supervisors Brandon, Deasy, Gallagher, Hayden, Hilmer, Hocks, Hynes, Kortick, Lahaney, McLeran, McSheehy, Mulvihill, Nelson, Schmitz, Suhr, Welch, Wolfe—17.

No—Supervisor Power—1.

Investigation Committee Appointed.

Thereupon, Supervisor Gallagher's motion to appoint Supervisors Schmitz and Nelson a committee of two to investigate was renewed and the same was *carried* by the following vote:

Ayes—Supervisors Brandon, Deasy, Gallagher, Hayden, Hilmer, Hocks, Hynes, Kortick, Lahaney, McLeran, McSheehy, Mulvihill, Nelson, Power, Schmitz, Suhr, Welch, Wolfe—18.

Supervisor Schmitz requested that Clerk notify Mrs. Kirrane and the other protesting property owners that hearing would be had in the Board of Supervisors tomorrow evening at 8 o'clock. He also requested that the contractor and representatives of the Board of Public Works and the City Attorney's office be in attendance.

REPORTS OF COMMITTEES.

The following committees, by their respective Chairmen, presented reports

on various matters referred, which reports were presented, read and ordered *filed*:

Fire Committee, by Supervisor Deasy, Chairman.

Streets Committee, by Supervisor Welch, Chairman.

Supplies Committee, by Supervisor Hilmer, Chairman.

Public Welfare and Publicity Committee, by Supervisor Mulvihill, Chairman.

Free Lunch Ordinance.

The following bill heretofore passed for printing was taken up:

Bill No. 4870, Ordinance No. — (New Series), An ordinance regulating the maintenance of lunch counters and the gratuitous distribution or furnishing of meals or articles of food in connection with the sale of intoxicating liquors by retail liquor dealers and providing a penalty for the violation thereof.

Be it ordained by the People of the City and County of San Francisco as follows:

Section 1. It shall be unlawful for any person, firm or corporation engaged in the business of selling spirituous, malt or fermented liquors or wines or any admixture thereof in less quantities than one quart or to whom has been issued a Retail Liquor Dealer's License by the Tax Collector of the City and County of San Francisco, to set up, maintain, conduct or carry on any lunch counter, table, sideboard, buffet, or other device whereon are kept, served, furnished, displayed or consumed any meals, parts of meals or articles of food for the free use of or gratuitous distribution to patrons of any such business,

or to furnish, serve or distribute to such patrons free or gratuitous any meals, parts of meals or articles of food in connection with the conduct or management of any such business; provided, however, that nothing herein contained shall prevent the serving, distribution or furnishing of meals by any employer to any of his employees in any such place.

Section 2. The provisions of this ordinance shall not apply to bona fide hotels, restaurants, grills, and combination bar and grills or bar or restaurants where liquors are sold to be consumed with meals, the minimum price of which meals shall be at least five cents, when served or furnished in said premises; provided, however, that no free use or gratuitous distribution of articles of food shall be made in any such place except as part of such meal sold as provided herein or to employees of the person, firm or corporation conducting said place.

Section 3. Any person, firm or corporation who shall violate the provisions of this ordinance shall be guilty of a misdemeanor and upon conviction thereof shall be punished by a fine of not less than fifty (50) dollars, or not more than five hundred (500) dollars, or by imprisonment in the County Jail for not more than six (6) months, or by both such fine and imprisonment.

Section 4. This ordinance shall take effect immediately.

Privilege of the Floor.

John O'Connell, representing the San Francisco Labor Council, was granted the privilege of the floor and addressed the Board. He protested against the passage of the foregoing ordinance and declared that it had only been called to the attention of the Labor Council Friday night. He said the Council acted on the request of the butchers and cracker bakers. Thirty-five men, he said, in the Butchers' Union would be thrown out of employment by the enactment of the ordinance and many other men in the associated industries. He was advised, he said, by one of the manufacturers affected that it would mean a loss in business of approximately \$20,000 per year.

As to the argument that the enactment of the ordinance will assist the government in the conservation of food, it must be plain, he said, that if men will eat free lunch instead of a big dinner that the present condition favored conservation and the enactment of the ordinance will unnecessarily increase the consumption of food.

"Our principal objection, however, is that it means loss of employment to many of our people, prin-

cipally old men, who may become public charges."

Mr. Murray, representing the butchers, and *Mr. Butchenback*, sausage manufacturer, also protested the passage of the ordinance.

H. Chojnski, representing the Wet Federation, spoke in favor of the ordinance, urging the reasons submitted at the last hearing.

Refused Final Passage.

Whereupon, the question being taken, the foregoing bill was *refused final passage* by the following vote:

Ayes—Supervisors Gallagher, Havden, Hocks, Hynes, Power, Schmitz, Welch, Wolfe—8.

Noes—Supervisors Brandon, Deasy, Hilmer, Kortick, Lahaney, McLeran, McSheehy, Mulvihill, Nelson, Suhr—10.

Notice of Reconsideration.

Before the result was announced, Supervisor Gallagher changed his vote from *aye* to *no* and gave notice that he would move for a reconsideration of the foregoing at next meeting.

ROLL CALL FOR THE INTRODUCTION OF RESOLUTIONS, BILLS AND MOTIONS NOT CONSIDERED OR REPORTED UPON BY A COMMITTEE.

Report of Finance Committee on Deficits in Funds.

The following report was presented, read, copies ordered sent to members and spread in Journal:

San Francisco, March 4, 1918.

To the Mayor and the Board of Supervisors.

Gentlemen: Reference is herewith made to unpaid bills and deficits which confront the City at the present time.

The attention of the Board of Supervisors is brought to this matter

at this time so that the members of the Board may be advised of conditions, familiarize themselves with the accounts and co-operate with the Finance Committee in its efforts to bring about an actual balance of the funds at the close of this fiscal year, June 30, 1918.

In order to balance the books, pay outstanding bills and start the new fiscal year with a clean slate, it is positively necessary that every department refrain from expending any prospective surplus, and the Finance Committee, on its part, will be required to recommend the refusal of any additional appropriations for departmental purposes during the remainder of the fiscal year. By cutting down expenditures wherever possible, and the practice of the most rigid economy, it may be possible to bring about a balance sheet and not carry over any charges in the next year's accounts.

The deficits and bills referred to for which there are no apparent credits, are as follows:

The foregoing are actual deficits now confronting the City.

In addition to these the District

Attorney is demanding additional funds for prosecutions in the bomb cases, and the City Attorney is de-

manding additional appropriations for conducting the rate cases before the Railroad Commission and in the Federal courts. The amounts requested run to approximately \$10,000.

There is a current deficit of approximately \$1,000 in the Auditorium Fund, and the Committee could not estimate the actual deficit until the bills are all in for the month.

The unapportioned fee fund is diminished \$18,017.

It is impossible at this time to estimate what conditions will arise in the revenues from liquor licenses.

If there is no further reduction in the revenues from saloon licenses the amount estimated to be derived from this source for the year 1917-1918 will be met at the close of the fiscal year.

Respectfully submitted,

RALPH McLERAN,
FRED SUHR, JR.,
J. C. KORTICK,
Finance Committee.

Compensation of Comparers, Recorder's Office.

The following bill was presented by Supervisor McLeran and passed for printing under suspension of the rules:

Bill No. 4882, Ordinance No. — (New Series), entitled "Providing for the compensation in the Recorder's office for work done in comparing documents after the copying of the same."

Be it ordained by the People of the City and County of San Francisco as follows:

Section 1. The copyists in the office of the Recorder shall receive as compensation for the work performed by them, and each of them, for comparing documents filed for record in said office after the same are copied in the books of record in said office, the sum of one and one-half (1½) cents per folio for each of the folios in said documents compared.

Section 2. This ordinance shall take effect and be in force immediately.

The following matters were presented, read and ordered referred to Public Utilities Committee:

March 4, 1918.

To the Honorable the Board of Supervisors of the City and County of San Francisco.

Gentlemen: Under date of February 13, 1918, by a resolution of the Public Utilities Committee of your Board, I was requested to call upon Mr. Jesse W. Lilienthal, president of the United Railroads of San Francisco, to ascertain if the United Railroads was still willing to consider

selling to the City and County of San Francisco the so-called Parkside System with trackage rights over Ocean avenue to Harold avenue, and to report the results of the meeting to your Board.

Pursuant to these instructions I called upon Mr. Lilienthal and laid the matter before him. At the conference he expressed the opinion that the company was not disposed to sell these properties at this time, but upon my request he agreed to lay the matter before the Board of Directors of the United Railroads, since which time I have received the following communication from Mr. Lilienthal:

"San Francisco, March 1, 1918.
"Hon. M. M. O'Shaughnessy, City Engineer, City Hall, San Francisco.

"Dear Sir: As requested by you, I submitted to the Board of Directors of this Company the advisability of arranging to make to the City some offer of the Parkside property, but the Board were unanimously of the opinion that it was inadvisable to dispose of the property of the Company piecemeal.

"Yours very respectfully,

(Signed)

"JESSE W. LILIENTHAL.

"President."

This letter settles finally the question of the independent purchase of the Parkside lines, and with the rejection of the previous offer of the United Railroads involving joint use of the tunnel tracks covered in my report of January 4, 1918, makes it clear that the future solution of the transportation problem west of Twin Peaks must be by development of the Municipal System until such time as these franchises shall expire or the City shall acquire the United Railroads properties as a whole.

Respectfully,

M. M. O'SHAUGHNESSY,
City Engineer.

March 4, 1918.

To the Honorable the Board of Supervisors of the City and County of San Francisco.

Gentlemen: Under date of September 27, 1917, your Board adopted Resolution No. 14852, as follows:

"Resolved, That it is for the best interests of the people of the City and County of San Francisco that the City and County acquire all of the properties of the United Railroads if said properties can be purchased upon equitable terms.

"Resolved, further, That the City Engineer be and is hereby authorized to confer at once with a representative of the United Railroads for the purpose of arriving at a basis of valuation and that he report at an early date to this Board."

Acting under this resolution, on the same day I addressed a letter to Mr. Lilienthal, president of the United Railroads, in order to arrange a meeting with a representative of that company to discuss the matter. The United Railroads delegated Mr. William von Phul, vice-president and general manager, as their representative to confer with me, in an endeavor to arrive at a basis of valuation for the properties.

Subsequently numerous meetings were held between Mr. von Phul and myself, with the result that on Saturday, March 2nd, the following memorandum of a basis of valuation for the purchase and sale of the United Railroads properties was agreed on by Mr. William von Phul, vice-president and general manager of the United Railroads, representing that company, and myself representing the City and County of San Francisco.

"1. The sale price of the properties of the United Railroads of San Francisco to the City and County of San Francisco shall be the agreed present physical value of the property plus an amount equivalent to the probable net earnings of the railroad properties during their remaining franchise life.

"2. The present physical value shall be the cost to reproduce new as of December 31, 1917, with allowance for betterments to date of consummation of sale, less depreciation, based on the actual physical condition at the date of the consummation of sale. The cost to reproduce new shall be based on a physical inventory of the property and unit prices representing the average of normal conditions for the five-year period 1913-1917, inclusive, and cognizance shall be taken of existing conditions at the time the present property was constructed. The general principles recognized by the Interstate Commerce Commission and the State Railroad Commission shall be followed in making the valuation. In the valuation of the physical property, abandoned trackage shall be taken at its value for old material, and allowance made for its removal and the restoration of the streets.

"3. The probable net earnings—to be computed by the best agreed methods—of the properties during their remaining franchise life shall be the difference between the probable gross revenue and the probable gross operating expense for the properties for the period from the date of consummation of sale up to and including the year in which franchises, approximating 134 miles, have expired, plus an allowance for the additional net earnings of the remaining several and isolated lines if operated independent-

ly to the expiration of the several franchises. The net earnings shall be taken as the remainder of the gross receipts of the property after deducting operating expenses, taxes, depreciation sufficient to maintain the properties in their present condition under like future operating conditions, and interest on the agreed value of the physical property at the same rate which the City shall pay upon its deferred payments for the physical property.

"4. Payments on the purchase price of property shall be made semi-annually from the operating receipts. Deferred payments on the physical value of the property shall bear interest at 4½ per cent per annum. Payments on that portion of the net earning value of the property shall bear no interest.

"5. Nothing in the above basis of valuation shall be construed to prevent the establishment of a fair price for the purchase and sale of the properties as between a willing seller and a willing buyer.

"6. In the event that the representatives of the United Railroads and of the City are unable to reach an agreement, then such matters as are in dispute shall be referred to an arbitrator who shall be jointly selected by the City Engineer and the representative of the United Railroads. Any expenses incurred in arbitration shall be borne equally by the United Railroads and the City of San Francisco."

Should your Board desire to continue further in this matter, in accordance with the expressed intention of the resolution, it will be necessary to proceed and make a complete valuation of the United Railroads properties in order that the price may be determined upon and finally submitted to the people.

If it is the intention of your Board to have this matter submitted to the people this year, it is imperative that no time be lost in proceeding with the work of valuation.

Respectfully,

M. M. O'SHAUGHNESSY,
City Engineer.

Estimate of Cost of Construction of

Report of Public Utilities Committee on Estimates of Hetch Hetchy Construction Under Non-Contract Plan.

The following was presented and read by the Clerk:

San Francisco, March 9, 1918.

Board of Supervisors—

Gentlemen: Your Committee on Public Utilities has had under consideration the resolution of Supervisor Power, introduced at the last meeting of this Board, relative to the furnishing by the City Engineer of cost estimates covering construction of the Hetch Hetchy Water Supply under non-contract plan.

The Committee referred the resolution to the City Engineer, requesting him to furnish such explanation concerning the same as he deemed advisable, and in accordance therewith the City Engineer has submitted the following communication.

EDWARD I. WOLFE,

Chairman.

ANDREW J. GALLAGHER,

RICHARD J. WELCH,

E. J. BRANDON,

JOSEPH MULVIHILL,

March 8, 1918.

To the Honorable the Public Utilities Committee of the Board of Supervisors, City Hall, San Francisco.

Gentlemen: I have at hand the following resolution of the Board of Supervisors:

"Whereas, The Board of Public Works has requested an appropriation of \$250,000 for the prosecution of the work on the Hetch Hetchy Water Supply, and

"Whereas, This money is to be expended in payment of non-contract work, and

"Whereas, It is very advisable for the Board of Supervisors to know the approximate cost of the construction of the Hetch Hetchy Water Supply, if we are to proceed very far under the non-contract plan; therefore be it

"Resolved, That the Board of Public Works be and is hereby requested to

furnish this Board with an estimate of the cost of constructing the Hetch Hetchy Water System if they are obliged to construct said system under the non-contract or day labor plan."

In reply I submit the following:

In such times as the present, with an extraordinary national emergency confronting us, and with the Nation demanding, for the successful prosecution of the war, the best efforts of all its citizens in whatever line of endeavor they may be able to assist in this great cause, the upsetting of the ordinary routine of work and progress in all industries necessarily results in such disturbed conditions that it becomes impossible to make any definite cost estimates for the immediate future of any enterprises not directly connected with the war.

Just as prices of household supplies have gone up in a manner unprecedented in years of peace, so the enormous demand for materials of construction and for labor to incorporate those materials into structures has resulted in higher prices of both labor and materials, and where large quantities of either are required, it is in some cases impossible to secure them.

After the passing of the emergency, prices will gradually be brought back to a normal basis, which may or may not be the same basis as prevailed before the entry of our own country into the war or the beginning of the war in Europe.

No one may guess what will be the price of beef or flour a year hence in your homes, and no more can the engineer guess (for estimating is not the word to use under the present circumstances) what will be the prices of steel or cement or labor a year from now.

You can readily see, therefore, that it would be useless for me to attempt to give any figures which could pretend to accuracy, as to the cost of such a project as the Hetch Hetchy Water Supply System, if construction work on the project as a whole were to be forced ahead under the unsettled conditions of the present and the near future.

The question of the estimated cost of this project came up recently in an inquiry made by the Civic League of Improvement Clubs and associations of San Francisco, a body of public spirited citizens, who, becoming desirous of knowing the exact status of the Hetch Hetchy Water Supply work, appointed a committee to visit the City Engineer for a consultation. This committee rendered a report, dated February 7, 1918, and signed by George Skaller as chairman of the committee. This report has been presented to your committee and to the

Board of Supervisors as a whole. My opinion as to the cost of the project is set forth in the report in two paragraphs, and in response to your present query, I think I cannot do better than to quote the same:

"With reference to the cost of construction of the entire project, Mr. O'Shaughnessy informed the committee that the present bond issue of \$45,000,000 will take care of the entire construction, bringing the waters to the county line of San Francisco, providing the cost of material will gradually be restored to the basis of prices existing in the early part of 1916, when his estimate first was prepared.

"The cost of material is almost 50 per cent of the project; should, contrary to expectations, cost of material not return to a normal basis after the war, and present prices of materials, which have advanced about 50 per cent average, maintain themselves, the cost of the project would increase from ten to twelve millions of dollars."

So much for the matter of the total cost. From the form of the resolution already quoted, however, I take it that the Board of Supervisors is really more concerned to know how the cost of work on the Hetch Hetchy Water Supply, if executed on a day labor basis, will compare with the cost on a contract basis. The question might better be, "Considering the times, is contract work possible?"

On August 22, 1917, the Board of Public Works received bids for the construction of the tunnels of the Mountain Division of the Hetch Hetchy Aqueduct. Only one bid for the whole of the proposed work was received—that of R. C. Storrie and Company, who constructed the Twin Peaks tunnel by contract. The amount of this bid was \$9,233,671. The City Engineer's estimate of the cost of the work on the contract basis was \$6,200,000, the contractor's figure being about 50 per cent in excess of the Engineer's estimate. This great discrepancy is explained by two principal considerations: first, due to the fact that the City had been unable to dispose of bonds in an amount sufficient to cover the contract price, the contractor figured on marketing the bonds through his own financial connections, and included in his bid an amount sufficient to make up for the discount of the City's bonds and the other expenses of disposing of these bonds; second, the contractor expected a heavy rise in the price of labor and materials of construction. The City Engineer, in preparing his estimate, of course, made allowance for probable increased prices, but evidently it was the contractor's opinion

that such prices might rise much more than the Engineer expected.

Now, a contractor is in business to make money, and when bidding on a very large piece of work, he wants to be very sure that he is going to come out with a profit, or at least that he is not going to lose; hence in times of violent fluctuation of prices, the contractor must include in his bid a heavy percentage merely to insure himself against greatly increased prices. If prices do not go up to the maximum figures which he considered possible or probable, or if they fall, he is to that extent the gainer. On the other hand, if the City undertakes the same work, it pays the prices current as the work progresses, and any drop in prices inures directly to the benefit of the City. Furthermore, the Charter of the City of San Francisco provides that before entering into a contract, the City must have on hand in the Treasurer's office the full amount of money necessary to carry out the entire contract, even though the work will continue through several years. This provision alone would have caused the rejection of the bids for tunnel construction, unless the work had been financed through the contractor; but with the City doing its own work, the money on hand on which interest is being paid need not exceed by more than a reasonable margin the amount necessary to meet the monthly payrolls and material bills.

There are certain features in which the contract plan is more advantageous and there are others in which day labor is preferable, generally speaking, but at present the extravagantly high bids and difficult financing, caused by war conditions, throw the balance far to the day labor side.

By way of showing that the City Engineer's estimate of cost of the aqueduct tunnel above referred to was reasonable, and was not a gross underestimate as some of the contractors would have you believe, I will remark that the cost of the work now actually being done on a day labor basis at two portals of that tunnel is less than the cost of the corresponding items in the Engineer's estimate. I will also call attention to the fact that a tunnel, with concrete lining, 8 feet in diameter, is now being built for the Marin Municipal Water District at a contract price of \$29.70 per lineal foot. The proposed Hetch Hetchy tunnel is to be 10 feet 3 inches in diameter, inside of the concrete lining, and the estimated cost was about \$60 per lineal foot. The contractor's bid on the latter tunnel averages about \$90 per lineal foot.

It is instructive to consider the experience of Los Angeles with day

labor construction on that City's Owens River Aqueduct, completed a few years ago. This aqueduct is 215.54 miles in length, exclusive of the length of reservoirs and power conduits—about 40 per cent longer than the Hetch Hetchy Aqueduct. The work was mostly through desert country and required costly preliminary work. The great advantage of day labor over contract work in this case lay in the fact that by judiciously timing the sequence of operations on the various divisions, the equipment and the organization could be transferred from one division to another, as fast as work was completed in the former division, thus avoiding the duplication which would have been necessary if many different contractors had been working along the line; or, in other words, it enabled the City to co-ordinate its resources to the best advantage of the work. Several times during the execution of the aqueduct construction, financial difficulties were experienced, and under the day labor system it was possible to increase or curtail activities according to the funds in hand, whereas if this had been done while there were a number of contractors engaged, endless friction and litigation would have resulted.

The following is a quotation from the Final Report on the Construction of the Los Angeles Aqueduct (page 259), published by the Department of Public Service of the City of Los Angeles, 1916. The quotation sets forth the opinion of the Chief Engineer of the Los Angeles Aqueduct as to day labor work.

"The only portion of the Los Angeles Aqueduct built by contract consisted of 11 miles of canal and 1,485 feet of tunnel between Fairmont reservoir and the south end of the Antelope Valley siphon. This contract was awarded to P. A. Howard, December 12, 1908. The City supplied all cement at the railroad station, lumber and steel, built main roads, laid the pipe lines and built the telephone line. The contractor furnished all labor, equipment, miscellaneous supplies, such as powder, oil, etc., and the equipment and buildings required for his work.

"Bids were called for in order to compare contractors' figures with the estimates for work to be done by the City, and while it was realized that the prices asked were higher than the work could probably be done for by day labor, it was considered fair on the part of the City to let the contract, after the contractors had gone to the trouble to submit their bids.

"The contract work subsequently cost more than was indicated by the bids, because of certain unavoidable

changes that were made in the plans, for which the contractor had to be paid at a price bid per yard for extra concrete. Under the contract, the average cost per foot for the covered aqueduct was \$14.30. The cost of similar work done by the City's force under conditions where the concrete aggregates, length of haul, etc., were practically the same, was \$10.50 per lineal foot for direct field charges. To this must be added the cost of equipment, buildings and tents, which amounted to 60 cents per lineal foot, making a total cost for work done by the City by day labor of \$11.10 per foot as compared to the cost of \$14.30 per foot paid to the contractor. In other words, the City work cost 78 per cent of the cost of the contract work. The auxiliary charges, which had to be paid by the City, were practically the same in both cases, and the time required for directing the work was greater in the case of the contract job than where the City Superintendent was directly in charge of the work.

"The advantage of doing work by day labor or force account lies particularly in the freedom with which plans can be changed and the line modified to meet conditions as they develop during construction. In addition, when work is being done by day labor, it can be done faster when funds are available, or greatly reduced in case of financial stringency, without damage claims from the contractor. The work done by contract was not more satisfactory than that done by day labor.

"Bids were asked for the building of the Jawbone division by contract, but they were so much in excess of the estimates of the Engineer, even after allowing for 15 per cent profit for the contractor, that they were all rejected, and the work on the Jawbone division was finished for several hundred thousand dollars less than the lowest price bid."

Contract Work Already Executed on Hetch Hetchy Water Supply.

To date, 27 contracts for work on the Hetch Hetchy Water Supply have been entered into, aggregating approximately \$2,200,000. Many of these contracts were for machinery and material, but a few, totaling about \$1,900,000, involved large amounts of labor, the largest being the contract for the Hetch Hetchy Railroad.

On work carried out by day labor, we have expended up to date about \$500,000 for wages, a comparatively small percentage of the general total, so it will be seen that it has not been the policy of the City Engineer in the past to commit the City to a day labor basis, but generally, day

labor has been resorted to in cases where the contractors' prices were excessive, or where the nature of the work was such that definite specifications and plans would have been very difficult to draw up, and which required constant changes of plan as the work proceeded and new conditions developed. This figure also includes the operation of the City's sawmill and a great deal of pioneer work, such as road and trail building, which it would have been impracticable to handle on a contract basis.

Respectfully submitted,
M. M. O'SHAUGHNESSY,
City Engineer.

Report of Special Committee on Garbage Disposal.

The following was presented, read and ordered filed:

San Francisco, March 11, 1918.

Board of Supervisors—

Gentlemen: Your Special Committee on Garbage Disposal held a meeting on the 6th inst., Supervisors Gallagher and Wolfe, Health Officer Hassler and E. P. Jones, representing the City Engineer, being present.

Messrs. Murphy and Lister, representing the Cobwell process of garbage reduction were heard in support of that system, which is in operation in New York and several other cities.

Messrs. Hassler and Jones were appointed a sub-committee to look into the various garbage disposal plans presented to this Board and to report on the ones most likely to meet conditions as they exist in this City.

The Committee adjourned to meet at the call of the Chairman. In the meantime they will receive any additional plans that may be offered.

Respectfully submitted,

ANDREW J. GALLAGHER,
EDWARD I. WOLFE,
JOS. MULVIHILL,
E. P. JONES.

Redemption of Lots in City Land Association Tract.

Resolution No. 15452 (New Series), as follows:

Whereas, The property of Isadora Yost was assessed for the extension of Bright street to Holloway avenue in the Ingleside Terraces; and

Whereas, Isadora Yost is the owner of Lots 28 and 29 in Block 57, Sub-division 39, of said assessment; and

Whereas, The original assessment on each of said lots is the sum of \$16.80 and the penalty for non-payment of the said assessment on each of said lots amounts to \$11.04; and

Whereas, Said property was sold to the City and County of San Francisco and that certificates of sale have been issued thereon, but deeds have not been applied for nor issued to the City and County of San Francisco; and

Whereas, The said Isadora Yost is

willing to pay the original assessment on each of said lots, to-wit, the sum of \$16.80, now, therefore, be it

Resolved, That the Board of Public Works be and it is hereby authorized and directed upon the payment by the said Isadora Yost of the sum of \$16.80 on each of said lots to cancel the said assessment and said certificates of sale.

Board of Public Works to Purchase Rock Crusher Equipment.

Supervisor Hilmer presented:

Bill No. —, Ordinance No. — (New Series), as follows:

Authorizing the Board of Public Works to purchase a rock crusher, portable track and dump cars.

Be it ordained by the People of the City and County of San Francisco as follows:

Section 1. The Board of Public Works is hereby authorized to purchase of the A. L. Young Machinery Company one second-hand No. 4 Austin Gyrotory Rock Crusher, at a price of \$1,200.00, 300 feet of Koppel Portable Track at 90 cents per foot, and two Side Dump Koppel Cars at \$75.00 each, the same being proprietary articles and necessary for the use of the Department, without advertising for bids therefor, as the same would be a useless formality, and the public interest would be best served by the direct purchase as here authorized.

Section 2. This ordinance shall take effect immediately.

Referred to Finance Committee.

School Children to Attend Organ Recitals.

Supervisor Schmitz presented:

Resolution No. — (New Series), as follows:

Whereas, The organ recitals by Mr. Edwin H. Lemare are in the nature of an educational character; and

Whereas, It is highly necessary because of the large expenditure of ten thousand dollars per year in the employment of Mr. Lemare to get value received; and

Whereas, This can best be done by bringing our school children in close touch with the work of Mr. Lemare; therefore be it

Resolved, That the Board of Education be and is hereby requested to set aside one-half day a week for the

school children to visit our Auditorium and listen to an organ recital by our municipal organist.

Referred to Auditorium and Education Committees.

SPECIAL ORDERS—3 P. M.

Appeals From Street Assessment.

Wisconsin Street.

Appeal of Mary Kirrane from assessment issued for street work on Wisconsin street, between Twenty-second and Twenty-third streets, laid over from last meeting was taken up.

Report of Special Committee.

The following report of the Special Committee appointed by motion made at last meeting was presented and read by the Clerk:

San Francisco, Cal.,
March 18, 1918.

To the Honorable the Board of Supervisors:

Your Committee, consisting of Supervisors Charles A. Nelson and Eugene E. Schmitz, appointed to investigate the appeal of Mary Kirrane from the assessment levied by the Board of Works on work performed on property adjacent to hers, begs to report the following:

We wish to protest against the record in the printed minutes, which states that this matter was referred to your Committee with the intention that the Committee should bring in a report showing how the contractor was to receive his money for the work performed. We are not interested in how the contractor shall receive his money for the work performed, as it is our experience that contractors are always well protected, and very capable of taking care of themselves.

We held one open meeting, at which were present a large majority of the property holders on Wisconsin street between Twenty-second and Twenty-third streets, also a representative from the City Attorney's office, and a representative from the Engineer's office and from the Board of Works. We went into the matter very fully, giving to those present a fair opportunity to be heard and state their side of the question. We have also been in consultation with the representative from the Engineer's office, and also with the City Attorney's office, and have carefully gone over and taken into consideration all the points put forth by the gentlemen representing the aforesaid Board of Works, City Attorney and Engineer's office.

We find that Mrs. Kirrane completed the work in front of her prop-

erty some four years ago, and paid for the same \$7.75 per lineal foot. After a lapse of four years the balance of the work on that street was ordered done, and is now completed, and she is asked to pay, and will be compelled to pay, unless this Board of Supervisors sustains her appeal, \$10.03 per lineal foot, not for work actually done by her, but for work which she did not do. In other words, it is figured out that the average amount of work that she would have to do in order to make what the Board of Works considers a fair proportion of all the work ordered done, would be 60 57/100 yards less than she actually did do four years ago, and for that 60 57/100 yards of dirt which she failed to remove because it was not necessary so to do to complete the work in front of her property, she is charged at the rate of \$1.24 per yard, or \$75.10.

While we do not question the legal right of the Board of Works to levy the assessment against Mrs. Kirrane, we do question most positively the justice of such an assessment as applied in her case.

Section 21 of Bill No. 2685, Ordinance No. 2439 (New Series) states as follows:

"Upon such appeal the supervisors may remedy and correct any error or informality in the proceedings, and revise and correct any of the acts or determinations of said board relative to said work; may confirm, amend, set aside, alter, modify or correct the assessment in such a manner as to them shall seem just," etc.

It is very evident from the above language that the Board of Supervisors has the right to take such action as they may deem in their best judgment is fair and equitable.

We are therefore of the opinion that, while the Board of Works may legally assess Mary Kirrane \$75.10 for work not done on her property, we at the same time believe that the Board of Supervisors has the right to say whether this is a just assessment or not.

Your Committee begs to state in conclusion that we find that morally this is not a just assessment and recommend to this Board of Supervisors that the appeal of Mary Kirrane be sustained.

Respectfully submitted,
CHARLES A. NELSON,
E. E. SCHMITZ.

Privilege of the Floor.

Clyde E. Healy, Assistant City Engineer, was granted the privilege of the floor and addressed the Board. He declared that he was glad to see

that the Special Committee agreed with the Streets Committee and himself as to the legality of the assessment. He maintained that, inasmuch as the assessment was legal, that nothing could be gained by sustaining the appeal. The Board of Public Works could not alter its assessment. As to the equity of the case, there is nothing to be done, until the law is changed.

Daniel O'Brien, Assistant City Attorney, also addressed the Board, declaring that the report of the Board of Public Works was in accordance with the law and that the assessment was a legal and valid assessment under the Street Improvement Act.

Appeal Denied.

Whereupon the following resolution was presented by Supervisor Welch and adopted:

Resolution No. 15481 (New Series), as follows:

Resolved, That the appeal of Mary Kirrane from the assessment issued by the Board of Public Works, for the grading of Wisconsin street, between Twenty-second and Twenty-third streets, is hereby denied and the assessment confirmed.

Ayes—Supervisors Brandon, Deasy, Gallagher, Hayden, Hilmer, Hocks, Hynes, Kortick, Lahaney, McLeran, McSheehy, Mulvihill, Nelson, Power, Schmitz, Suhr, Welch, Wolfe—18.

Elsie Street.

Appeal of Spring Valley Water Company from the assessment issued for street work in Elsie street as set forth in Resolution No. 53341 (New Series), passed June 6, 1917, which was on February 25, 1918, laid over from a previous meeting, was taken up and again laid over one week.

Vermont Street.

Hearing of appeal of Kullman, Salz & Co., Eagle Tannery, and the Western Pacific Railroad Company from the action and decision of the Board of Public Works in overruling the protest against the following street work, to-wit:

The improvement of Vermont street, between Twenty-fifth and Army streets, by the construction of concrete curbs and asphalt pavement consisting of a six-inch concrete foundation and a two-inch asphaltic wearing surface on the roadway thereof, was taken up.

Privilege of the Floor.

Chas. J. McInerney, representing Kullman, Salz & Co., was granted the privilege of the floor and addressed the Board. He protested against doing the work at this time. He said that the railroads would be assessed for a large amount and that since they were under Federal control it would be

in accordance with the financial policy of the government not to do work of this character which is non-essential and unnecessary at this time.

David Dillon, property owner, addressed the Board. He urged that the appeal be denied and the assessment confirmed.

Appeal Denied.

Thereupon the following resolution was presented by Supervisor Welch and adopted:

Resolution No. 15482 (New Series).

Resolved, That the appeal of Kullman, Salz & Co., Eagle Tannery, and Western Pacific Railroad Company from the action and decision of the Board of Public Works in overruling the protest against the ordering of the proposed improvement of Vermont street, between Twenty-fifth and Army streets, be and the same is hereby denied and the work ordered.

Ayes—Supervisors Brandon, Deasy, Gallagher, Hayden, Hilmer, Hocks, Hynes, Kortick, Lahaney, McLeran, McSheehy, Mulvihill, Nelson, Power, Schmitz, Suhr, Welch, Wolfe—18.

Passed for Printing.

Whereupon, the following bill was presented by Supervisor Welch and passed for printing:

Bill No. 4899, Ordinance No. — (New Series), as follows:

Ordering the performance of certain street work to be done in the City and County of San Francisco, approving and adopting specifications therefor and authorizing the Board of Public Works to enter into contract for doing the same.

The rights granted under this Resolution shall be exercised within six months, otherwise said permit becomes null and void.

Storage of Combustibles Ordinance.

Supervisor Brandon presented:

Bill No. 4883, Ordinance No. — (New Series), as follows:

Regulating the storage of combustibles and acids and repealing Ordinance No. 2351 (New Series), approved July 9, 1913.

Be it ordained by the People of the City and County of San Francisco as follows:

Section 1. No tenement house, apartment house, hotel, lodging house, rooming house, hall or place of public assembly, nor any part thereof, nor the lot upon which it is situated, shall be used as a place of storage, keeping or handling of any explosives, inflammable oils, hay, straw, excelsior, paper stock, feathers or rags. This section shall not apply to drug stores, wherein explosives and inflammable oils are kept and stored for sale for medicinal purposes.

Section 2. No person, firm, company or corporation shall store or keep in any building more than one carboy of nitric, muriatic or sulphuric acid, unless the same be stored and kept in a fire-proof acid room, the walls of which shall be constructed of brick, concrete, terra cotta or tile from the floor to the bottom of the floor joists above; the ceiling shall be of the same construction, or of not less than one inch of plaster on metal lath. All

swinging doors shall be arranged to swing outward and to close automatically; sliding doors shall overlap the wall at least four inches at sides and top. There shall be a sill constructed of brick or concrete, rising not less than nine inches from the floor. The floor shall be of concrete and where possible shall be connected with the sewer with an iron stone pipe. Where it is impossible for a basement to be connected with the sewer, a sump shall be constructed at the lowest point of the acid room, capable of containing two carboys of acid. All doors shall be covered with galvanized iron on both sides, or may be constructed according to the fire door requirements of the Board of Fire Underwriters of the Pacific. All windows shall be of wired glass not less than one-quarter inch thick, set in metal frames or wood frames covered with galvanized iron. All acid rooms shall be vented to the open air. If the acid room is in a basement

the ceiling shall be connected with a floor pipe casing, passing through the first floor and ceiling. All acid rooms shall be protected on the inside by a sprinkler system, or in lieu of the sprinkler system, a sprinkler head or open spray shall be located in the center of the ceiling, connected with a one-inch water pipe with a valve, such valve to be located on the outside of said acid room as designated by the Chief of the Fire Department.

This section shall not apply to manufacturers of acids.

Whenever acid is stored in an open lot, said lot shall be enclosed with a fence.

All acid rooms shall be plainly lettered on the outside, with letters not less than three inches "ACID STORAGE."

Section 3. Any person, firm, company or corporation, who shall violate or refuse to comply with the provisions of this ordinance, shall be guilty of a misdemeanor and upon conviction thereof shall be punished by a fine of not less than ten dollars nor more than one hundred dollars, or by imprisonment in the County Jail for not more than three months, or by both such fine and imprisonment; and each such person, firm, company or corporation shall be deemed guilty of a separate offense for every day such violation, or refusal, shall continue, and shall be subject to the penalty for each and every separate offense.

Section 4. Ordinance No. 2351 (New Series), approved July 9, 1913, is hereby repealed.

Section 5. This Ordinance shall take effect immediately.

Extension of Time.

Supervisor Brandon presented:

Resolution No. — (New Series), as follows:

Resolved, That Wittman-Lyman Co. is granted an extension of 90 days from February 15, 1918, within which to complete contract for furnishing and installing the heating and ventilating system, southeast wing, San Francisco Hospital.

This fourth extension of time is recommended by the Board of Public Works for the reason that it is impossible for contractor to install certain equipment called for in contract until the general construction of the building is further advanced.

It is recommended that the advertising fee be remitted.

Adopted by the following vote:

Ayes—Supervisors Deasy, Gallagher, Hayden, Hilmer, Hocks, Hynes, Fortick, Labaney, McLeran, McSheehy, Mulvihill, Nelson, Power, Schmitz, Suhr, Welch, Wolfe—17.

Absent—Supervisor Brandon—1.

Passed for Printing.

The following matters were *passed for printing*:

Changing Grades.

On motion of Supervisor Welch:

Bill No. 4891, Ordinance No. — (New Series), entitled, "Changing and re-establishing the official grades on Precita avenue (northerly roadway of), between Alhambra and Folsom streets, on Alabama street between the northerly line of Precita avenue and a line connecting the southeasterly corner of Precita avenue and Alabama street with a point on the northerly line of the southerly roadway of Precita avenue at the westerly line of Alabama street produced from the south; and on Harrison street between Army street and Precita avenue."

Also, Bill No. 4892, Ordinance No. — (New Series), entitled, "Changing and re-establishing the official grades on Berlin street between Dwight and Olmstead streets."

Also, Bill No. 4893, Ordinance No. — (New Series), entitled, "Changing and re-establishing the official grades on Newhall street between Galvez and Railroad avenue, and on Innes avenue between Mendell street and Railroad avenue."

Also, Bill No. 4894, Ordinance No. — (New Series), entitled, "Changing and re-establishing the official grades on Hale street between Barenveld avenue and Merrill street."

Conditional Acceptance, Streets.

Also, Bill No. 4895, Ordinance No. — (New Series), entitled, "Providing for conditional acceptance of the roadway of Clement street, between Sixteenth and Seventeenth avenues; Clement street, between Seventeenth and Eighteenth avenues; Donahue street, between the southerly line of Innes avenue and the northerly line of Galvez avenue, including the crossings of Donahue street and Galvez avenue, Donahue street and Hudson avenue, and Donahue street and Innes avenue, and Galvez avenue, between Donahue and Coleman streets; Judah street, between the easterly line of Twenty-ninth avenue and the westerly line of Thirty-first avenue, including the crossings of Judah street and Twenty-ninth avenue, Judah street and Thirtieth avenue, and Judah street and Thirty-first avenue; Poplar street, between Twenty-sixth street and the Southern Pacific Railroad right of way; Stark place, between Stockton street and its easterly termination; crossing of Bennington and Newman streets; crossing of Jennings street and Thomas avenue; crossing of Keith street and Underwood avenue; intersection of Bocana street and Ellert street."

Extensions of Time.

Supervisor Welch presented: Resolution No. 15465 (New Series), as follows:

Resolved, That Flinn & Treacy are hereby granted an extension of thirty days from March 27, 1918, to complete contract for the improvement of Francisco street, between Columbus avenue and Taylor street, under public contract.

This *fourth* extension of time is granted upon the recommendation of the Board of Public Works for the reason that the curbs and grading have been completed and the City Engineer reports that assurance is given that the work will be completed within the extension required.

Adopted by the following vote:

Ayes—Supervisors Deasy, Gallagher, Hayden, Hilmer, Hocks, Hynes, Kortick, Lahaney, McLeran, McSheehy, Mulvihill, Nelson, Power, Schmitz, Suhr, Welch, Wolfe—17.

Absent—Supervisor Brandon—1.

Resolution No. 15466 (New Series), as follows:

Resolved, That S. F. Johnson is hereby granted the following extensions of time to complete street work, viz.:

Thirty days from April 3, 1918, within which to complete contract for the construction of a sewer in Edinburgh street, between France and Amazon avenues.

This *first* extension of time is granted upon the recommendation of the Board of Public Works for the reason that the contractor was delayed by rainy weather and difficulty in obtaining materials. A survey for this work has been made and a diagram issued but no work has been done. The contractor will probably complete the work within the original time allowed, but requests this extension to cover the issuance of acceptance.

Thirty days from March 26, 1918, within which to complete contract for the improvement of the intersections of Crescent avenue and Roscoe, Porter and Bache streets.

This *first* extension of time is granted upon the recommendation of the Board of Public Works for the reason that the contractor was delayed owing to a scarcity of material. The work is well under way, the catchbasins, curbs and sidewalks and concrete base being constructed.

Adopted by the following vote:

Ayes—Supervisors Deasy, Gallagher, Hayden, Hilmer, Hocks, Hynes, Kortick, Lahaney, McLeran, McSheehy, Mulvihill, Nelson, Power, Schmitz, Suhr, Welch, Wolfe—17.

Resolved, That T. S. Hutton is hereby granted an extension of ninety days' time from March 18, 1918, within which to complete contract for improving Danvers street, opposite the terminations of Falcon avenue and Eighteenth street.

This *first* extension of time is granted upon the recommendation of the Board of Public Works for the reason that there was a shortage of labor and material and the contractor was also delayed by inclement weather. The line and grade diagram has been ordered but no work has been done under the contract.

Adopted by the following vote:

Ayes—Supervisors Deasy, Gallagher, Hayden, Hilmer, Hocks, Hynes, Kortick, Lahaney, McLeran, McSheehy, Mulvihill, Nelson, Power, Schmitz, Suhr, Welch, Wolfe—17.

Absent—Supervisor Brandon—1.

Also, Resolution No. 15468 (New Series), as follows:

Resolved, That the Federal Construction Company is hereby granted the following extensions of time to complete street work, viz.:

Ninety days' time from April 3, 1918, within which to complete contract for the improvement of Foerster street between Joost and Mangels avenues, under public contract.

This *first* extension of time is granted upon the recommendation of the Board of Public Works for the reason that the contractors were delayed on account of difficulty in securing the necessary material. Work is now completed with the exception of the asphalt covering.

Ninety days' time from April 3, 1918, within which to complete contract for the improvement of Joost avenue between Foerster and Genesee streets, under public contract.

This *first* extension of time is granted upon the recommendation of the Board of Public Works for the reason that contractors were delayed on account of difficulty in securing necessary material. The work is now completed with the exception of the asphalt covering.

Ninety days' time from April 3, 1918, within which to complete contract for the improvement of Sunside avenue between Arcadia and Baden streets, under public contract.

This *first* extension of time is granted upon the recommendation of the Board of Public Works for the reason that contractors were delayed on account of difficulty in securing the necessary material. The work has been completed with the exception of the asphalt covering.

Adopted by the following vote:

Ayes—Supervisors Deasy, Gallagher,

Hayden, Hilmer, Hocks, Hynes, Kortick, Lahaney, McLeran, McSheehy, Mulvihill, Nelson, Power, Schmitz, Suhr, Welch, Wolfe—17.

Washington street, northerly line, at base. (The same being the present official grade.)

On Front street between the northerly lines of Clay and Washington streets and on Washington street between Davis street and the westerly line of Front street be changed and established to conform to true gradients between the grade elevations above given therefor and the present official grade of Washington street at Davis street.

The Board of Supervisors hereby declares that no assessment district is necessary as no damage will result from said change of grades, inasmuch as the streets are ungraded and there are no existing street improvements.

The Board of Public Works is hereby directed to cause to be conspicuously posted along the street or streets upon which such change or modification of grade or grades is contemplated, notice of the passage of this Resolution of Intention.

ROLL CALL FOR THE INTRODUCTION OF RESOLUTIONS, BILLS AND MOTIONS NOT CONSIDERED OR REPORTED UPON BY A COMMITTEE.

Acquisition of the United Railroads.

Supervisor Wolfe presented:
Bill No. 4896, Ordinance No. — (New Series), entitled, "Declaring that the public interest demands the acquisition of the street railway operated by the United Railroads of San Francisco, and prescribing the methods of ascertaining the value thereof and directing the Board of Public Works to make such valuations."

Ingleside and Parkside Extensions, Municipal Pailways.

Also, Bill No. 4987, Ordinance No. — (New Series), entitled, "Ordering the

preparation of plans and specifications and estimates of cost for the construction of extension of the Municipal Railway System, first, from the present terminal of the Twin Peaks Tunnel line near Sloat boulevard, thence running southerly along or adjacent to Junipero Serra boulevard to a point near the center of Ingleside Terraces, thence easterly by the most feasible route to Harold avenue; second, from a point near the southwesterly portal of the Twin Peaks Tunnel, running thence westerly over Ulloa street and along Ulloa street deflecting thence by the most feasible route through a private right of way to Vicente street, thence westerly over Vicente street to the Great Highway; and appropriating therefor the sum of \$10,000 to cover the cost of preparing the necessary plans and specifications.

Privilege of the Floor.

Geo. Skaller, representing the Civic League of Improvement Clubs, was granted the privilege of the floor and addressed the Board. He said in part: "I am opposed to the ordinances presented by the Public Utilities Committee appropriating \$10,000 to the City Engineer for plans and specifications for the construction of tracks west of the Twin Peaks Tunnel. I believe you are about to make a very serious mistake in even allowing an appropriation for such a purpose to be made.

"I remember that only three weeks ago when the Twin Peaks Tunnel was completed and you faced the problem of transportation west of the Tunnel, then you instructed the City Engineer to advise you how the problem could best be solved. He then reported that there were two methods—one which he recommended most heartily—a compromise with the United Railroads on a car mileage basis in permitting the United Railroads to operate through the tunnel. The City Engineer recommended this to you in writing and appeared before you advocating such compromise and opposing those who asked you to make appropriations in order to parallel the existing lines.

"It was then pointed out to you that of all the lines of the United Railroads these were the only lines operated without a profit. That the United Railroads were obliged to levy assessment on the property owners in order to maintain the service. Now it is proposed to parallel these unprofitable lines. I respectfully submit that that is not good business; that it is not the best solution of the problem."

T. E. Zant also addressed the Board. He favored the proposed ordinance.

D. Tobin, representing Parkside, also addressed the Board, favoring the proposed lines.

Passed for Printing.

Whereupon, the following bills were passed for printing:

Acquisition of the United Railroads.

Bill No. 4896, Ordinance No. — (New Series), as follows:

Declaring that the public interest demands the acquisition of the street railway operated by the United Railroads of San Francisco, and prescribing the method of ascertaining the value thereof and directing the Board of Public Works to make such valuation.

Be it ordained by the People of the City and County of San Francisco as follows:

Section 1. It is hereby declared that the public interest and necessity demand the acquisition of a public utility, to-wit, the street railway properties and transportation system operated by the United Railroads of San Francisco.

Section 2. The Board of Public Works is hereby authorized, empowered and directed to procure and file plans and estimates of the cost of the original construction and completion of said system, and to make a valuation for the purchase and sale of the United Railroads properties, as agreed by M. M. O'Shaughnessy, City Engineer, and William von Phul, vice-president and general manager of the United Railroads, March 2, 1918:

1. The sale price of the properties of the United Railroads of San Francisco to the City and County of San Francisco shall be agreed present physical value of the property plus an amount equivalent to the probable net earnings of the railroad properties during their remaining franchise life.

2. The present physical value shall be the cost to reproduce new as of December 31, 1917, with allowances for betterments to date of consummation of sale, less depreciation, based on the actual physical condition at the date of the consummation of sale. The cost to reproduce new shall be based on a physical inventory of the property and unit prices representing the average of normal conditions for the five-year period, 1913-1917, inclusive, and cognizance shall be taken of existing conditions at the time the present property was constructed. The general principles recognized by the Interstate Commerce Commission and the State Railroad Commission shall be followed in making the valuation. In the valuation of the physical property, abandoned trackage shall be taken at its value for old material,

and allowance made for its removal and the restoration of the streets.

3. The probable net earnings—to be computed by the best agreed methods—of the properties during their remaining franchise life shall be the difference between the probable gross revenue and the probable gross operating expense for the properties for the period from the date of consummation of sale up to and including the year in which franchises, approximating 134 miles, have expired, plus an allowance for the additional net earnings of the remaining several and isolated lines if operated independently to the expiration of the several franchises. The net earnings shall be taken as the remainder of the gross receipts of the property after deducting operating expenses, taxes, depreciation sufficient to maintain the properties in their present condition under like future operating conditions, and interest on the agreed value of the physical property at the same rate which the city shall pay upon its deferred payments for the physical property.

4. Payments on the purchase price of the property shall be made semi-annually from the operating receipts. Deferred payments on the physical value of the property shall bear interest at 4½ per cent per annum. Payments on that portion of the net earning value of the property shall bear no interest.

5. Nothing in the above basis of valuation shall be construed to prevent the establishment of a fair price for the purchase and sale of the properties as between a willing seller and a willing buyer.

6. In the event that the representatives of the United Railroads and of the city are unable to reach an agreement, then such matters as are in dispute shall be referred to an arbitrator who shall be jointly selected by the City Engineer and the representatives of the United Railroads. Any expense incurred shall be borne equally by the United Railroads and the City of San Francisco.

Section 3. The sum of \$15,000 is hereby appropriated from the funds of the Municipal Railway system for the purpose of defraying the cost of preparing the estimates of cost and valuation of the aforesaid properties.

Section 4. This ordinance shall take effect immediately.

Ayes—Supervisors Deasy, Gallagher, Hayden, Hilmer, Hocks, Hynes, Kortick, Lahaney, McLeran, McSheehy, Mulvihill, Nelson, Power, Schmitz, Suhr, Welch, Wolfe—17.

Ingleside and Parkside Extensions, Municipal Railway.

Bill No. 4897, Ordinance No. — (New Series), as follows:

Ordering the preparation of plans and specifications and estimates of cost for the construction of extensions of the Municipal Railway system, first, from the present terminal of the Twin Peaks tunnel line, near Sloat boulevard, thence running southerly along or adjacent to Junipero Serra boulevard to a point near the center of Ingleside Terraces, thence easterly by the most feasible route to Harold avenue; second, from a point near the southwesterly portal of the Twin Peaks tunnel running thence westerly over Ulloa street and along Ulloa street, deflecting thence by the most feasible route through a private right of way to Vicente street; thence westerly over Vicente street to the Great Highway; and appropriating therefor the sum of \$10,000 to cover the cost of preparing the necessary plans and specifications.

Be it ordained by the People of the City and County of San Francisco as follows:

Section 1. The Board of Public Works is hereby authorized, instructed and empowered to prepare plans and specifications and estimates of cost for the purchase of materials and the construction of extensions of the Municipal Railway system as follows:

First—From the present termination of the Twin Peaks tunnel line near Sloat boulevard, running thence southerly along or adjacent to Junipero Serra boulevard to a point near the Ingleside Terraces, thence easterly by the most feasible route to Harold avenue.

Second—From a point near the southwesterly portal of the Twin Peaks tunnel, running thence westerly over and along Ulloa street, deflecting thence by the most feasible route through a private right of way to Vicente street, thence westerly over Vicente street to the Great Highway.

Section 2. The sum of \$10,000 is hereby appropriated from the funds of the Municipal Railway to cover the cost of preparing the necessary plans and specifications and estimates of cost.

Section 3. This ordinance shall take effect immediately.

Ayes—Supervisors Deasy, Gallagher, Hayden, Hilmer, Hocks, Hynes, Kortick, Lahaney, McLeran, McSheehy, Mulvihill, Nelson, Schmitz, Suhr, Welch, Wolfe—16.

No—Supervisor Power—1.

Explanation of Vote.

Supervisor Power explained his vote:

I vote *No* because I think the recommendation of the City Engineer on the question of a compromise should be reported to the Board before this Resolution is voted upon, and further because we have already committed ourselves to the proposed construction of an extension through Parkside District.

Confidential Secretary, Police Commission.

Supervisor Hocks presented:

Bill No. 4898, Ordinance No. — (New Series), as follows:

Creating the position of confidential secretary to the Board of Police Commissioners of the City and County of San Francisco, State of California; providing how said confidential secretary shall be appointed; fixing his salary; prescribing his duties, and repealing Ordinance No. 2509 (New Series).

Be it ordained by the People of the City and County of San Francisco as follows:

Section 1. The position of confidential secretary to the Board of Police Commissioners of the City and County of San Francisco is hereby created.

Section 2. Said confidential secretary shall be appointed by said Board of Police Commissioners.

Section 3. The salary of said confidential secretary shall be \$200 per month.

Section 4. The duties of said confidential secretary shall be: To conduct, when required by said Board, investigations of a confidential character of matters affecting or relating to affairs of said Police Department within the jurisdiction of said Board, and to perform such other confidential duties as said Board from time to time prescribes.

Section 5. Ordinance No. 2509 (New Series) is hereby repealed.

Section 6. This ordinance shall take effect immediately.

Passed for printing under suspension of the rules by the following vote:

Ayes—Supervisors Deasy, Gallagher, Hayden, Hilmer, Hocks, Hynes, Kortick, Lahaney, McLeran, McSheehy, Mulvihill, Nelson, Power, Schmitz, Suhr, Welch, Wolfe—17.

Street Carnival Privilege.

Privilege of the Floor.

W. Parsons was granted the privilege of the floor. He declared that he was representing the Union and Hyde Streets Merchants Association, the holder of a permit for an outdoor park celebration from March 16 to March 24, 1918, and that owing to the lenten season and St. Patrick's Day celebration it was deemed inadvisable

to hold the celebration at the time mentioned. He therefore requested that the dates be changed to April 6 to 14, 1918.

Motions.

Supervisor Power moved to rescind resolution heretofore adopted.

Carried unanimously.

Supervisor Power moved that Streets Committee present new resolution in accordance with request.

Carried unanimously.

Street Carnival Permit.

Whereupon, the following resolution was presented by Supervisor Welch under suspension of the rules and *adopted*:

Resolution No. 15480 (New Series), as follows:

Resolved, That the Union and Hyde Streets Merchants Association is hereby granted permission to hold an outdoor park celebration at Union and Hyde streets, and one block in each direction from said corner, from April 6th to 14th, 1918, without payment of the usual license fee required for said entertainment or any concession connected therewith; that said league be permitted to decorate with electric lights or otherwise, the said location for said period of time; provided that the City and County shall be at no expense for such decorations or the removal thereof, and provided further, that no gambling devices or games shall be permitted, and the exhibition shall be conducted under the supervision of the Police Department.

Resolution No. 15442 (New Series) is hereby repealed.

Extension of Municipal Railway, Masonic Avenue.

Supervisor Power presented:

Resolution No. — (New Series), as follows:

Whereas, it is advisable to have such extensions are made to our Municipal Railway self-sustaining, and, if possible, to be the means of building the assets of our Municipal Railway; and

Whereas, an extension has heretofore been advocated from the present terminus of our line at Masonic avenue and Turk street, along Masonic avenue to Waller street, along said street to Cole street and south on Cole street, and

Whereas, such an extension would give service to a very thickly settled district and would undoubtedly be more than self-sustaining; therefore, be it

Resolved, That the City Engineer be and is hereby requested to furnish the cost of plans and specifications for said extension.

Referred to Public Utilities Committee.

ADJOURNMENT.

Privilege of the Floor.

J. McGinley, representing Culinary Workers, appeared and favored the final passage of the ordinance.

Jno. O'Connell, representing Labor Council, opposed the final passage of the ordinance, declaring that it was a matter that did not properly belong before the Board.

Final Passage Refused.

Whereupon, the following ordinance was taken up and *refused final passage* by the following vote:

Bill No. 4870, Ordinance No. — (New Series), entitled, "An ordinance regulating the maintenance of lunch counters and the gratuitous distribution or furnishing of meals or articles of food in connection with the sale of intoxicating liquors by retail liquor dealers and providing a penalty for the violation thereof."

Be it ordained by the People of the City and County of San Francisco as follows:

Section 1. It shall be unlawful for any person, firm or corporation engaged in the business of selling spirituous, malt or fermented liquors or wines or any admixture thereof in less quantities than one quart or to whom has been issued a Retail Liquor Dealer's License by the Tax Collector of the City and County of San Francisco, to set up, maintain, conduct or carry on any lunch counter, table, sideboard, buffet or other device whereon are kept, served, furnished, displayed or consumed any meals, parts of meals or articles of food for the free use of or gratuitous distribution to patrons of any such business, or to furnish, serve or distribute to such patrons free or gratuitously any meals, parts of meals or articles of food in connection with the conduct or management of any such business; provided, however, that nothing herein contained shall prevent the serving, distribution or furnishing of meals by any employer to any of his employees in any such place.

Section 2. The provisions of this ordinance shall not apply to bona fide hotels, restaurants, grills, and com-

bination bar and grills or bar or restaurants where liquors are sold to be consumed with meals, the minimum price of which meals shall be at least five cents, when served or furnished in said premises; provided, however, that no free use or gratuitous distribution of articles of food shall be made in any such place except as part of such meal sold as provided herein or to employees of the person, firm or corporation conducting said place.

Section 3. Any person, firm or corporation who shall violate the provisions of this ordinance shall be guilty of a misdemeanor and upon conviction thereof shall be punished by a fine of not less than fifty (50) dollars or not more than five hundred (500) dollars, or by imprisonment in the county jail for not more than six (6) months, or by both such fine and imprisonment.

Section 4. This ordinance shall take effect immediately.

Ayes—Supervisors Gallagher, Hayden, Hocks, Hynes, Power, Schmitz, Welch, Wolfe—8.

Noes—Supervisors Brandon, Deasy, Hilmer, Kortick, Lahaney, McLeran, McSheehy, Mulvihill, Nelson, Suhr—10.

Report of Welfare Committee on High Price of Fish.

The following report was presented and read by the Clerk:

San Francisco, March 25, 1918.

Board of Supervisors.

Gentlemen: Your Public Welfare and Publicity Committee begs leave to report as follows:

Recommends that the contract for the Official Advertising for the year commencing April 1, 1918, and ending April 1, 1919, be awarded to the Journal Publishing Company. Resolution on today's calendar.

Recommends that the contract for printing and publishing the Delin-

quent Tax List, etc., for the year 1917, be awarded to the Sunset Journal, the lowest bidder. Resolution on today's calendar.

Recommends the adoption of the customary resolution fixing the rates to be charged by the Clerk for advertising official publications in the Daily Journal of Commerce, the official newspaper.

High Cost of Fish.

A delegation of men and women, headed by Hon. Greene Majors, Mayor of Alameda, and Hon. W. H. Edwards, Commissioner of the City of Oakland, representing the Joint Fish Committee of the east bay cities, met with your Public Welfare Committee last Thursday afternoon and stated that they have been making an investigation for the past two months into the question of the exorbitant prices charged for fish. It was pointed out that fish is being sold in inland cities, hundreds of miles from the coast, at lower prices than prevail in the cities located on San Francisco Bay, in spite of the fact that the Pacific Ocean is at our front doors.

Attention was also called to the fact that the price of fish in our restaurants and hotels is higher than the price of beef or mutton.

Members of the committee stated that they had brought the situation to the attention of Mr. Weinstock, the State Market Director, but the only suggestion he had to make was that they should put forth every effort to increase the supply of fish by encouraging others to engage in the fish industry. The committee seemed to feel that Mr. Weinstock had given them very little encouragement or help.

The consensus of opinion was that the only way the problem could be effectively dealt with would be to induce the Federal Government, through its Food Conservation Department, to take a hand in the matter. Now that our country is at war and people are being urged to conserve their food supply, fish could be substituted for those articles of food which the Government has recommended that the people do not eat on certain days, providing that fish could be supplied to the people at reasonable prices.

If no remedy can be secured through this channel, the opinion of the committee inclined very strongly to the belief that it might be necessary to establish a Municipal Fish Market and the municipalities about the bay, through some concerted action, arrange to engage in the fishing business themselves.

Mr. A. Paladini was present and stated that his firm was not a member of any combination organized for the purpose of keeping up the price of

fish, that he was only too glad to cooperate with the committee in every way in its endeavor to keep down the prices. He criticized the method of the State Market Director in fixing the price of fish, claiming that on a number of occasions the price fixed by Mr. Weinstock, through his deputy, was higher than necessary—that the fishermen, on account of the size of the catch, could have sold the fish at a lower price and would still have made a reasonable profit. The reason for this, he stated, was that the State Market Director fixes the price of fish for the following day at six o'clock in the evening of the preceding day, whereas the fishermen do not return with their catch until 2 or 3 o'clock in the morning of the day following the fixing of the price. In other words, the price of the fish is fixed before the size of the catch is determined. Whereas, in the opinion of Mr. Paladini, it should be fixed after the fishermen have returned so that the price could be based upon the supply and bear some relation to the law of supply and demand.

The members of the Public Welfare Committee were added to the Joint Fish Committee of the bay cities, and a sub-committee of four, consisting of Mayor Greene Majors of Alameda, Commissioner W. H. Edwards of Oakland, and Supervisors Mulvihill and Nelson, was appointed to draft suitable resolutions for action by the various Boards of Supervisors and City Councils. It was agreed that Supervisor Mulvihill would take the matter up with Mr. Ralph Merritt, Director of Food Conservation for the State of California, with the idea of securing the co-operation of Mr. Hoover and the Federal authorities.

Respectfully submitted,

JOS. MULVIHILL,
CHAS. A. NELSON,
OSCAR HOCKS,

Public Welfare and Publicity Committee.

Report of Special Committee on Garbage Disposal.

The following report was presented, read and ordered filed:

San Francisco, March 25, 1918.
Board of Supervisors.

Gentlemen: Your Special Committee on Garbage Disposal respectfully reports that it met on Wednesday, March 20th, those present being Supervisors Gallagher, Mulvihill and Wolfe, Health Officer Hassler and E. P. Jones, representing City Engineer O'Shaughnessy.

John J. Eppinger, representing the Restaurant Men's Association, E. N. Fritz, Jr., representing the Apartment House Owners' and Managers' Associa-

tion, and E. M. Applegarth, representing the Building Owners' and Managers' Association, were heard regarding segregation and collection of refuse and garbage and prices to be collected by scavengers.

Dr. Julius Rosenstirn, representing the Civic League, and Walter McGovern, representing the Cobwell Process Co., also were heard.

Acting on the recommendation of Dr. Hassler and E. P. Jones, who were appointed at the preceding meeting to report on all disposal propositions submitted to this Board prior to January 1, 1918, it was unanimously agreed that there would be no further consideration of these proposals. None of these proposals were prepared with a view to conservation, and inasmuch as conservation along all lines is one of the greatest necessities of the present time, the propositions submitted previous to this year fail to meet the changed conditions.

This decision on the part of your Committee, however, does not preclude the renewal of these propositions, if they are amended to meet the needs of conservation. In fact, your Committee will welcome all new propositions looking toward a satisfactory and sanitary solution of the garbage disposal problem.

Your Committee recommends that Dr. Hassler and Engineer E. P. Jones be authorized by this Board to visit Pasadena and Los Angeles to study the disposal plants in operation in those cities and the method employed in the collection of garbage.

At the next meeting of the Committee to be held Wednesday, March 27th, at 3:30 p. m., the question of garbage segregation will be considered.

Respectfully submitted,

ANDREW J. GALLAGHER,
JOS. MULVIHILL,
EDW. I. WOLFE,

Whereupon, the following resolution was presented and *adopted* by the following vote:

Resolution No. 15519 (New Series), as follows:

Resolved, That Dr. William C. Hassler, Health Officer, and E. P. Jones, Assistant City Engineer, be and they are hereby authorized to visit Pasadena and Los Angeles, to study the garbage collection and disposal systems in operation in those cities, and report the result of their investigations to the Special Committee on Garbage Disposal.

Ayes—Supervisors Brandon, Deasy, Gallagher, Hayden, Hilmer, Hocks, Hynes, Korfick, Lahaney, McLeran, McSheehy, Mulvihill, Nelson, Power, Schmitz, Suhr, Welch, Wolfe—18.

or handling of any explosives, inflammable oils, hay, straw, excelsior, paper stock, feathers or rags. This section shall not apply to drug stores, where in explosives and inflammable oils are kept and stored for sale for medicinal purposes.

Section 2. No person, firm, company or corporation shall store or keep in any building more than one carboy of nitric, muriatic or sulphuric acid, unless the same be stored and kept in a fire-proof acid room, the walls of which shall be constructed of brick, concrete, terra cotta or tile from the floor to the bottom of the floor joists above; the ceiling shall be of the same construction, or of not less than one inch of plaster on metal lath. All swinging doors shall be arranged to swing outward and to close automatically; sliding doors shall overlap the wall at least four inches at sides and top. There shall be a sill constructed of brick or concrete, rising not less than nine inches from the floor. The floor shall be of concrete and where possible shall be connected with the sewer with an iron stone pipe. Where it is impossible for a basement to be connected with the sewer, a sump shall be constructed at the lowest point of the acid room, capable of containing two carboys of acid. All doors shall be covered with galvanized iron on both sides, or may be constructed according to the fire door requirements of the Board of Fire Underwriters of the Pacific. All windows shall be of wired glass not less than one-quarter inch thick, set in metal frames or wood frames covered with galvanized iron. All acid rooms shall be vented to the open air. If the acid room is in a basement the ceiling shall be connected with a floor pipe casing, passing through the first floor and ceiling. All acid rooms shall be protected on the inside by a sprinkler system, or in lieu of the sprinkler system, a sprinkler head or open spray shall be located in the center of the ceiling, connected with a one-inch water pipe with a valve, such valve to be located on the outside of said acid room as designated by the Chief of the Fire Department.

This section shall not apply to manufacturers of acids.

Whenever acid is stored in an open lot, said lot shall be enclosed with a fence.

All acid rooms shall be plainly lettered on the outside, with letters not less than three inches "ACID STORAGE."

Section 3. Any person, firm, company or corporation, who shall violate or refuse to comply with the provisions of this ordinance, shall be guilty of a mis-

demeanor and upon conviction thereof shall be punished by a fine of not less than ten dollars nor more than one hundred dollars, or by imprisonment in the County Jail for not more than three months, or by both such fine and imprisonment; and each such person, firm, company or corporation shall be deemed guilty of a separate offense for every day such violation, or refusal, shall continue, and shall be subject to the penalty for each and every separate offense.

Section 4. Ordinance No. 2351 (New Series), approved July 9, 1913, is hereby repealed.

Section 5. This Ordinance shall take effect immediately.

Ayes—Supervisors Brandon, Deasy, Gallagher, Hayden, Hilmer, Hocks, Hynes, Kortick, Lahaney, McLeran, McSheehy, Mulvihill, Nelson, Power, Schmitz, Suhr, Welch, Wolfe—18.

Acquisition of the United Railroads.

The following entitled bill heretofore passed for printing was taken up:

Bill No. 4896, Ordinance No. — (New Series), entitled, "Declaring that the public interest demands the acquisition of the street railway operated by the United Railroads of San Francisco, and prescribing the methods of ascertaining the value thereof and directing the Board of Public Works to make such valuations."

Privilege of the Floor.

E. P. E. Troy was granted the privilege of the floor and addressed the Board. He requested that final action on the above entitled bill be deferred until a public hearing in the matter could be had. He alleged that many serious defects were in the bill which should be corrected.

Motion.

Supervisor Schmitz moved that bill lay over one week and that copies of bill be furnished the members.

Motion lost by the following vote:

Ayes—Supervisors Brandon, Deasy, Gallagher, Hayden, Hilmer, Hocks, Hynes, Kortick, Lahaney, McLeran, Mulvihill, Nelson, Suhr, Welch, Wolfe—15.

Noes—Supervisors McSheehy, Power, Schmitz—3.

Motions.

Supervisor Brandon, moved that Mr. Troy be now allowed to speak and that he be limited to five minutes.

Supervisor Wolfe moved as an amendment that Mr. Troy be limited to ten minutes.

Amendment carried by the following vote:

Ayes—Supervisors Brandon, Gallagher, Hayden, Hilmer, Hocks, Hynes, Kortick, Nelson, Suhr, Welch, Wolfe—11.

Noes—Supervisors Deasy, Lahaney,

McLeran, McSheehy, Mulvihill, Power, Schmitz—7.

Whereupon, *Mr. Troy* addressed the Board and, among other things, pointed out that, according to the terms of the proposed ordinance, the City intended to purchase the properties of the United Railroads on a basis of the present physical condition of the property, together with interest, and that it was proposed to give the company in addition an amount equal to the probable income of the roads during the balance of the life of its franchises.

This, he declared, was an unheard of proposition and he protested against it. Numerous other objections to the bill were cited which, he said, justified him in asking for a full public hearing on the subject.

T. Zant also addressed the Board in opposition to the passage of the proposed bill without a full and public discussion of it.

Final Passage.

Whereupon, the foregoing bill was finally passed as Ordinance No. 4538 (New Series), by the following vote:

Ayes—Supervisors Brandon, Deasy, Gallagher, Hayden, Hilmer, Hocks, Hynes, Kortick, Lahaney, McLeran, Mulvihill, Nelson, Power, Suhr, Welch, Wolfe—16.

Noes—Supervisors McSheehy, Schmitz—2.

Report of Public Utilities Committee on Car Service West of the Twin Peaks Tunnel.

The following report was presented, read and adopted by the following vote:

San Francisco, March 25, 1918.

Board of Supervisors.

Gentlemen: Your Committee on Public Utilities having had under consideration various matters relating to transportation to be furnished by the Municipal Railway in the territory west of Twin Peaks, begs leave to report thereon as follows:

We have received petitions from a large number of property owners residing in the aforesaid district, asking that extensions to the Municipal Railway be constructed to the Ingleside District and to the Parkside District. The City Engineer reported a plan by which the United Railroads might serve the districts named, and by a mutual agreement be permitted to use the City's tracks through the tunnel while the City made use of certain of the United Railroads tracks; as an alternative plan the City could construct new tracks to reach the points desired, namely—to Harold avenue in the Ingleside District, and along Vicente street to the Ocean. We also indicated a willingness to purchase the Parkside lines of the United Railroads,

but this proposition was firmly declined.

After hearing all parties interested in the matter, your Committee has declined to favor the suggestion of permitting the United Railroads to use any of the tracks of the Municipal Railway under the so-called compromise plan, but instead favors the construction by the City of the necessary extensions along the lines stated, and ordinances to this effect have been prepared and recommended for passage.

Respectfully submitted,
EDW. I. WOLFE,
ANDREW J. GALLAGHER,
E. J. BRANDON,
RICHARD J. WELCH,
JOSEPH MULVIHILL,

Committee.

Ayes—Supervisors Brandon, Deasy, Gallagher, Hayden, Hilmer, Hocks, Hynes, Kortick, Lahaney, McLeran, McSheehy, Mulvihill, Nelson, Schmitz, Suhr, Welch, Wolfe—17.

No—Supervisor Power—1.

Final Passage.

The following bill heretofore passed for printing was taken up and finally passed by the following vote:

Ingleside and Parkside Extensions, Municipal Railway.

Bill No. 4897, Ordinance No. 4539 (New Series), as follows:

Ordering the preparation of plans and specifications and estimates of cost for the construction of extensions of the Municipal Railway system, first, from the present terminal of the Twin Peaks tunnel line, near Sloat boulevard, thence running southerly along or adjacent to Junipero Serra boulevard to a point near the center of Ingleside Terraces, thence easterly by the most feasible route to Harold avenue; second, from a point near the southwesterly portal of the Twin Peaks tunnel running thence westerly over Ulloa street and along Ulloa street, deflecting thence by the most feasible route through a private right of way to Vicente street; thence westerly over Vicente street to the Great Highway; and appropriating therefor the sum of \$10,000 to cover the cost of preparing the necessary plans and specifications.

Be it ordained by the People of the City and County of San Francisco as follows:

Section 1. The Board of Public Works is hereby authorized, instructed and empowered to prepare plans and specifications and estimates of cost for the purchase of materials and the construction of extensions of the Municipal Railway system as follows:

First—From the present termination of the Twin Peaks tunnel line near Sloat boulevard, running thence

southerly along or adjacent to Junipero Serra boulevard to a point near the Ingleside Terraces, thence easterly by the most feasible route to Harold avenue.

Second—From a point near the southwesterly portal of the Twin Peaks tunnel, running thence westerly over and along Ulloa street, deflecting thence by the most feasible route through a private right of way to Vicente street, thence westerly over Vicente street to the Great Highway.

Section 2. The sum of \$10,000 is hereby appropriated from the funds of the Municipal Railway to cover the cost of preparing the necessary plans and specifications and estimates of cost.

Section 3. This ordinance shall take effect immediately.

Ayes—Supervisors Brandon, Deasy, Gallagher, Hayden, Hilmer, Hocks, Hynes, Kortick, Lahaney, McLeran, McSheehy, Mulvihill, Nelson, Schmitz, Suhr, Welch, Wolfe—17.

No—Supervisor Power—1.

Explanation of Vote.

Supervisor Power explained his vote by saying:

"I voted No last week and do so again, for the following reasons:

"1st: Because if the proposal of the City Engineer were adopted by this Board it would give the necessary transportation to the district in question without any great expenditure from the Municipal Railway funds.

"2nd: Because the approximate cost of \$400,000 could be better expended in constructing many of the extensions to which this Board has already committed itself.

"3rd: Because we have already committed ourselves to the construction of an extension into the Parkside District.

"4th: Because it is very doubtful if the funds of the Municipal Railway will permit of such an expenditure at this time."

(Mrs. Sullivan, property owner, was granted the privilege of the floor and requested that the proposed Vicente street Municipal line be routed along Taraval street instead, declaring that it would give better service to herself and other property owners on the Great Highway.)

Final Passage.

The following matters heretofore passed for printing were taken up and finally passed by the following vote:

Changing Grades.

Bill No. 4891, Ordinance No. 4540 (New Series), entitled, "Changing and re-establishing the official grades on Precita avenue (northerly roadway of), between Alhambra and Folsom streets, on Alabama street between the northerly line of Precita avenue

Ordering Street Work, Vermont Street.
Bill No. 4899, Ordinance No. 4544 (New Series), as follows:

Ordering the performance of certain street work to be done in the City and County of San Francisco, approving and adopting specifications therefor and authorizing the Board of Public Works to enter into contract for doing the same.

Be it ordained by the People of the City and County of San Francisco as follows:

Section 1. The Board of Public Works in written communication filed in the office of the Clerk of the Board of Supervisors January 26, 1918, having recommended the ordering of the following street work, the same is hereby ordered to be done in the City and County of San Francisco, in conformity with the provisions of the Street Improvement Ordinance of said City and County of San Francisco, said work to be performed under the direction of the Board of Public Works, and to be done in accordance

with the specifications prepared therefor by said Board of Public Works, and on file in its office, which said plans and specifications are hereby approved and adopted.

Further Resolved, Resolution No. 13764 (New Series) is hereby repealed.

Privilege of the Floor.

James Nealon, State Senator, was granted the privilege of the floor and addressed the Board. He declared that his sole purpose in speaking was to assist the Board in curtailing expense in this matter. He stated that he had a bill pending in the Legislature providing for State care of tuberculosis patients which had a good prospect of passage at the next legislative session. He therefore suggested that whatever the Board did in the way of building be of temporary character.

Adopted.

Whereupon, the foregoing resolution was adopted by the following vote:

Ayes—Supervisors Brandon, Deasy, Gallagher, Hayden, Hilmer, Hocks, Hynes, Kortick, Lahaney, McLeran, McSheehy, Mulvihill, Nelson, Schmitz, Suhr, Welch, Wolfe—17.

Treasurer to Purchase Library Bonds.

Resolution No. — (New Series), as follows:

Whereas, Resolution No. 11604 (New Series), adopted by the Board of Supervisors on the 15th day of March, 1915, and approved by the Mayor on March 17th, 1915, authorized and directed the Treasurer, in accordance with the provisions of Chapter 73 of the Statutes of the State of California of the year 1913, to purchase library bonds of the City and County of San Francisco to the amount of \$292,500, maturing 1923 to 1934, inclusive, and to pay a price therefor equal to that which would net the City and County 4½ per cent interest upon the investment, together with accrued interest; and

Whereas, pursuant to said resolution, said Treasurer did thereafter purchase library bonds to the amount of \$292,500 in accordance with and as directed by said resolution; and

Whereas, the purchase price of said bonds, to-wit, \$292,500, was money belonging to and a part of the earnings of the Municipal Railway; and

Whereas, said bonds are still in the possession of the Treasurer of the City and County of San Francisco and have not been disposed of or redeemed; and

Whereas, it is necessary to dispose of a portion of said bonds, to-wit, of such portion as will net the City and County of San Francisco \$170,000; now, therefore, be it

Resolved, That the Treasurer be and he is hereby directed to sell, in accordance with the provisions of said Chapter 73 of said Statutes of the State of California of the year 1913, a sufficient number of said bonds purchased in accordance with said Resolution No. 11604 (New Series) as will net the City and County of San Francisco the sum of \$170,000.

Said bonds shall be sold to the highest bidder therefor after advertisement in the official newspaper for a period of five days; said bonds sold shall be the nearest maturing bonds of the issue so purchased by the city; that said price for which said bonds shall be sold shall not be less than

that paid by the City and County of San Francisco for the same.

Referred.

The following resolution was presented by Supervisor McLeran and ordered referred to the Finance and Buildings Committees:

Amending Street Specification Ordinance.

Also, Bill No. 4902, Ordinance No. — (New Series), as follows:

Amending Section 14 of Ordinance No. 240, entitled, "Providing general rules and standard specifications for street and sidewalk work and limiting the use of various kinds of pavements and sidewalks in the City and County of San Francisco," approved March 1, 1901.

Be it ordained by the People of the City and County of San Francisco as follows:

Section 1. Section 14 of Ordinance No. 240, the title to which is recited in the title to this ordinance, is hereby amended to read as follows:

Section 14. All streets or portions of streets which are to be graded shall be graded to the official line and grade; provided, that where any contract for grading a public street includes also the paving of the street, the grading shall be done to the subgrade for the pavement, and in that case the subgrade shall be deemed to be official grade.

Material for the fill shall be earth or sand or rock with sufficient earth

or sand to compactly fill the voids between the pieces of rock and shall be free from perishable material.

The estimates of quantity for street grading shall include excavations or fill between the lines of the street and not beyond.

Embankment or fill must be given lateral support satisfactory to the Board of Public Works.

Section 2. This ordinance shall take effect immediately.

Intention to Change Grades.

Supervisor Welch presented:

Resolution No. 15499 (New Series), as follows:

Resolved, That it is the intention of the Board of Supervisors to change and establish grades on the following named streets, in accordance with Resolution No. 58081 (Second Series) of the Board of Public Works adopted March 20, 1918, and written recommendation of said Board, filed March 21, 1918, to-wit:

On Sussex street between Conrad and Diamond streets; on Van Buren street between Sussex street and a point southerly therefrom.

The Board of Supervisors hereby declares that no assessment district is necessary as no damage will result from said change of grades, inasmuch as the streets are ungraded and there are no existing street improvements.

The Board of Public Works is hereby directed to cause to be conspicuously posted along the street or streets upon which such change or modification of grade or grade is contemplated, notice of the passage of this Resolution of Intention.

Adopted by the following vote:

City Attorney to Commence Condemnation Proceedings for the Acquisition of Land for the Widening of Army Street.

Supervisor Welch presented:

Resolution No. 15501 (New Series), as follows:

Whereas, the public interest and convenience require the acquisition by the City and County of San Francisco of certain land for the uses and purposes of a public street; now, therefore, be it

Resolved, That the City Attorney be and is authorized and instructed to inaugurate condemnation proceedings against the owners of and all persons having or claiming to have an interest in a small triangular parcel of land at the northeasterly corner of Army street and San Bruno avenue, extending 10 feet 2¼ inches into Army street.

Adopted by the following vote:

Ayes—Supervisors Brandon, Deasy, Gallagher, Hayden, Hilmer, Hocks, Hynes, Kortick, Lahaney, McLeran, McSheehy, Mulvihill, Nelson, Schmitz, Suhr, Welch, Wolfe—17.

Absent—Supervisor Power—1.

Extensions of Time.

Supervisor Welch presented:

Resolution No. 15502 (New Series), as follows:

Resolved, That the Federal Construction Company is hereby granted an extension of ninety days from April 14, 1918, within which to complete contract for the improvement of Hamburg street between the southerly line of Hearst avenue produced, and the northerly line of Sunnyside avenue and Monterey boulevard, produced, including the intersection with Sunnyside avenue and Monterey boulevard, and the intersection with Hearst avenue, under public contract.

This *second* extension of time is recommended by the Board of Public Works for the reason that the work is completed with the exception of the asphalt covering. Contractor has been delayed on account of the weather and the difficulty in securing materials.

Adopted by the following vote:

Ayes—Supervisors Brandon, Deasy, Gallagher, Hayden, Hilmer, Hocks, Hynes, Kortick, Lahaney, McLeran, McSheehy, Mulvihill, Nelson, Schmitz, Suhr, Welch, Wolfe—17.

Absent—Supervisor Power—1.

Also, Resolution No. 15503 (New Series), as follows:

Resolved, That T. A. Clark is hereby granted an extension of thirty days' time from April 4, 1918, within which to complete contract for the improvement of Bruce avenue between Harold avenue and its easterly termination, under public contract.

This *second* extension of time is recommended by the Board of Public Works, for the reason that the work is completed, with the exception of the asphalt covering.

Adopted by the following vote:

Ayes—Supervisors Brandon, Deasy, Gallagher, Hayden, Hilmer, Hocks, Hynes, Kortick, Lahaney, McLeran, McSheehy, Mulvihill, Nelson, Schmitz, Suhr, Welch, Wolfe—17.

Absent—Supervisor Power—1.

Also, Resolution No. 15504 (New Series), as follows:

Resolved, That James M. Smith is hereby granted an extension of ninety days' time from and after April 2, 1918, within which to complete contract for the improvement of Alvarado street between Castro and Diamond streets, under public contract.

This *second* extension of time is recommended for the reason that the work is practically completed, but it is necessary to have more time to keep the contract alive until after the time of appeal expires.

Adopted by the following vote:

Ayes—Supervisors Brandon, Deasy, Gallagher, Hayden, Hilmer, Hocks, Hynes, Kortick, Lahaney, McLeran, McSheehy, Mulvihill, Nelson, Schmitz, Suhr, Welch, Wolfe—17.

Absent—Supervisor Power—1.

Also Resolution No. 15505 (New Series), as follows:

Resolved, That Clarence B. Eaton is hereby granted an extension of ninety days' time from and after May 2, 1918, within which to complete contract for the improvement of Pope street between Morse and Brunswick streets, under public contract.

This *first* extension of time is granted upon the recommendation of the Board of Public Works for the reason that the work is well under way, the grading completed, sewers, curbs and catchbasins have been constructed.

Contractor has been delayed on account of the shortage of materials and labor.

Adopted by the following vote:

Ayes—Supervisors Brandon, Deasy, Gallagher, Hayden, Hilmer, Hocks, Hynes, Kortick, Lahaney, McLeran, McSheehy, Mulvihill, Nelson, Schmitz, Suhr, Welch, Wolfe—17.

Absent—Supervisor Power—1.

Also, Resolution No. 15506 (New Series), as follows:

Resolved, That Owen McHugh is hereby granted the following extensions of time to complete street work, viz.:

Sixty days' time from April 12, 1918, within which to complete contract for the improvement of the crossing of Judah street and Forty-sixth avenue, under public contract.

Sixty days' time from and after April 12, 1918, within which to complete contract for the improvement of Judah street between Forty-fifth and Forty-sixth avenues, under public contract.

Sixty days' time from and after April 12, 1918, within which to complete the improvement of Thirty-sixth avenue between Fulton and Geary streets and crossings.

Sixty days' time from and after April 12, 1918, within which to complete contract for the improvement of Judah street between Forty-fourth and Forty-fifth avenues, under public contract.

These extensions of time are granted upon the recommendation of the Board of Public Works for the reason that the grading and concrete curbs have been completed and the present progress of the work is satisfactory.

Adopted by the following vote:

Ayes—Supervisors Brandon, Deasy, Gallagher, Hayden, Hilmer, Hocks, Hynes, Kortick, Lahaney, McLeran, McSheehy, Mulvihill, Nelson, Schmitz, Suhr, Welch, Wolfe—17.

Absent—Supervisor Power—1.

Also, Resolution No. 15507 (New Series), as follows:

Resolved, That Flinn & Treacy are hereby granted an extension of sixty days' time from and after April 2, 1918, within which to complete contract for the improvement of Clayton street opposite Ashbury street, under public contract.

This *second* extension of time is granted upon the recommendation of the Board of Public Works, for the reason that E. F. Treacy, representing contractors, appeared at the meeting of this Board held March 29, 1918, and promised that Flinn & Treacy would commence this work within ten days from that date.

Adopted by the following vote:

Ayes—Supervisors Brandon, Deasy, Gallagher, Hayden, Hilmer, Hocks, Hynes, Kortick, Lahaney, McLeran, McSheehy, Mulvihill, Nelson, Schmitz, Suhr, Welch, Wolfe—17.

Absent—Supervisor Power—1.

Also, Resolution No. 15508 (New Series), as follows:

Resolved, That D. J. Counihan be and is hereby granted an extension of ninety days' time from and after April 4, 1918, within which to com-

plete contract for grading and sewer-ing Missouri street to a line 624.5 feet southerly from Twentieth street, under public contract.

This *first* extension of time is granted upon the recommendation of the Board of Public Works for the reason that there has been trouble in getting a steam shovel on the job. Under the existing circumstances the City Engineer recommends that the Board of Supervisor be requested to extend the time on this contract ninety days.

Adopted by the following vote:

Ayes—Supervisors Brandon, Deasy, Gallagher, Hayden, Hilmer, Hocks, Hynes, Kortick, Lahaney, McLeran, McSheehy, Mulvihill, Nelson, Schmitz, Suhr, Welch, Wolfe—17.

Absent—Supervisor Power—1.

Also, Resolution No. 15509 (New Series), as follows:

Resolved, That A. E. Buckman is hereby granted an extension of sixty days from and after April 8, 1918, within which to complete contract for the improvement of Judah street between Forty-first and Forty-third avenues, and crossings, under public contract.

This *fourth* extension of time is granted upon the recommendation of the Board of Public Works for the reason that the work done to date consists of grading, sewer-ing, curbing and construction of sidewalks. All that remains to be done is the covering of the concrete foundation with an asphalt pavement. The progress of the work is satisfactory.

Adopted by the following vote:

Ayes—Supervisors Brandon, Deasy, Hayden, Hilmer, Hocks, Hynes, Kortick, Lahaney, McLeran, McSheehy, Mulvihill, Nelson, Schmitz, Suhr, Welch, Wolfe—16.

Passed for Printing.

The following matters were *passed for printing*:

Pipe Line Permit.

Supervisor Welch presented:

Resolution No. — (New Series),
 as follows:

Resolved, That Angelo Ferroggiaro is hereby granted permission revocable at will of the Board of Supervisors to lay down and maintain water pipes starting at a point two hundred and thirty-nine (239) feet and three (3) inches southerly from the southeasterly corner of Keith street and Gillman street, and then running westerly on Gillman street eighteen (18) feet and thence southerly fifty-four (54) feet and thence easterly eighteen (18) feet to the easterly line of Gillman street, for the purpose of installing water service.

The said pipes shall be laid to the satisfaction and under the supervisions of the Board of Public Works in accordance with the provisions of Ordinance No. 2201 (New Series), entitled, regulating the making and refilling of excavations in the public streets, alleys, sidewalks and other public places.

Establishing Grades, Castenada Avenue.

Also, Bill No. 4903, Ordinance No. — (New Series), entitled, "Establishing grades on Castenada avenue between Twelfth avenue and a line at right angles to the northerly line of, 12.58 feet easterly from the San Miguel Rancho line and Twelfth avenue between the northerly line of Castenada avenue produced and the northerly line of Santiago street."

Spur Track Permit.

On motion of Supervisor Kortick:

Bill No. 4904, Ordinance No. — (New Series), as follows:

Granting permission to Hind Company, its successors or assigns, revocable at will of the Board of Supervisors, to lay down, construct and maintain a spur track on Fifth street from Townsend street to a point about 275 feet north of Brannan street, as shown on blue print filed March 21, 1918.

Be it ordained by the People of the City and County of San Francisco as follows:

Section 1. Permission, revocable at will of the Board of Supervisors, is hereby granted to Hind Company, its successors or assigns, to lay down, construct, maintain and operate a spur track on Fifth street from Townsend street to a point about 275 feet north of Brannan street, as shown on blue print filed March 21, 1918.

Said permission is granted subject to the provisions of Ordinance No. 69 (New Series) of the Board of Supervisors, approved October 12, 1906, and the provisions and conditions of Section 8 thereof are hereby specifically

contained in the permit hereby granted, and shall be construed as a part hereof, as completely as though the same were written in this ordinance.

Provided, That the said spur track shall be laid under the supervision and to the lines and grades as furnished by the City Engineer's office, and that any and all expenses connected with the installation of the track, restoration of pavement and any additional requirements for the surface drainage be paid for by Hind Company, its successors or assigns.

Provided, Hind Company, its successors or assigns shall erect and maintain all-night lighted arc lamps, to be placed where directed by the Lighting Committee of the Board of Supervisors.

Provided, That no car shall be taken over said spur track between the hours of 7 a. m. and 6 p. m., and provided further, that no car shall at any time be allowed to stand on said track so as to block or obstruct a street or block or obstruct a street car to exceed five minutes.

Section 2. This ordinance shall take effect immediately.

Victory Garden Day.

Supervisor Hayden presented:

Resolution No. 15515 (New Series), as follows:

Whereas, our Mayor, James Rolph, Jr., has called upon the people of San Francisco to observe "Victory Garden Day" on Monday, April 1, as the first day of "War Garden Week" proclaimed by the federal government at Washington, and

Whereas, arrangements are under way for the general observance of this day in San Francisco by patriotic demonstrations and by the beginning of a campaign of home vegetable gardening as a help to win the war, and

Whereas, a patriotic parade is being arranged for "Victory Garden Day," in which the marchers will include 1,000 Boy Scouts, 600 blue jackets from the Naval Training Station, a military detachment and band, Colum-

bia Park Boys, and others; now, therefore, be it

Resolved, That we heartily endorse the observance of "Victory Garden Day" as a patriotic expression of our desire to co-operate with our government in every way possible and that the Mayor be directed to appoint a representative committee of citizens to complete arrangements for and take charge of this parade.

Telegram.

The following was read and ordered spread in the Journal:

Mayor Rolph, San Francisco, Cal.

Will you please accept our sincere appreciation of your interest in improving the street car transportation in your city and thereby benefiting the employees of the Bethlehem Shipbuilding Corporation? Any steps taken by your city improving conditions that will assist our men in having more comfortable facilities going to and from their work will increase the output of ships. In behalf of the United States Shipping Board I wish to express to you, the Board of Supervisors and President Lilienthal of the United Railroads our sincere appreciation of your prompt action in this matter and the patriotic desire to assist the Government in every way possible.

EDWARD N. HURLEY,
Chairman.

Statement.

His Honor Mayor Rolph explained the proposed plan of allowing the

United Railroads the privilege of laying tracks on Army street to meet the demands of the Union Iron Works in relieving traffic congestion and affording transportation to the men engaged in government work at the Union Iron Works.

Captain Pillsbury and Morris Bloomfield, representing Chairman Hurley of the United States Shipping Board, have called upon me, he said, and emphasized the importance of building a relieving car line to the Union Iron Works to prevent workmen waiting twenty and thirty minutes to get a car, or hang on by the skin of their teeth to fenders at imminent risk of their lives.

We have, therefore, decided, after a conference with President Lilienthal of the United Railroads, and representatives of the Government, to go to work at once to build this line to accommodate the boys of the Union Iron Works who are helping to build ships to win the war. That conference was perfectly harmonious. President Lilienthal was fair to every proposal we made, and readily showed his willingness to do everything in his power to meet the wishes of the Government. I stated to him that day that Army street belongs to San Francisco and that when the rails are laid they will soon become the property of the Municipal lines. He acceded promptly to this. We have gone into the matter thoroughly and the City Attorney has prepared an agreement which will thoroughly safeguard the city in every respect. The city cannot build the line itself at this time because it has not rails and it is impossible to get rails at this time, but the United Railroads has rails in its car barns and we cannot get them.

Privilege of the Floor.

E. P. E. Troy was granted the privilege of the floor and addressed the Board. He urged that the city build the line itself and operate it.

"Even if the rails are in possession of the United Railroads," he said, "the United States Government can commandeer all the rails in the United Railroads car barns if the urgency is so great."

His Honor the Mayor remarked that the United States Government did not want to interfere in local affairs, that it did not want to enter into controversy with the United Railroads.

Mr. Troy rejoined by saying that it is the people of San Francisco who authorize it and there will be no controversy. "The ordinance, as proposed," he said, "is in violation of the Charter and invalid."

Mayor Rolph: "You pose as the great friend of municipal ownership. Every time the question comes up

you are on hand to talk. All you have ever done is to obstruct, obstruct, obstruct, notwithstanding we have a Municipal Railroad system and it is \$3,000,000 to the good, and you are not responsible for any part of it. I want to hear no more from you. I don't care a rap about your red tape and technicalities. The Army street track to the Union Iron Works is necessary to accommodate the shipbuilders. The Government wants it. It is our patriotic duty to see that it is built, and by the gods, I am going to see that it is built, and then the city may buy it."

Mayor Rolph, in response to Supervisor Wolfe's request, set Thursday as the time for a hearing on the proposed ordinance.

MAYOR'S VETO.

Outdoor Park Permit.

The following was presented, read, ordered spread in the Journal and *laid over one week*:

San Francisco, Cal., Mar. 29, 1918.

To the Honorable Board of Supervisors, City Hall, San Francisco, Cal.

Gentlemen:

I return to you herewith without my approval Resolution No. 15480 (New Series), adopted by your Honorable Board on the 18th day of March, 1918, as follows:

"Resolved, That the Union and Hyde Street Merchants Association is hereby granted permission to hold an outdoor park celebration at Union and Hyde streets, and one block in each direction from said corner, from April 6th to 14th, 1918, without payment of the usual license fee required for said entertainment or any concession connected therewith; that said league be permitted to decorate with electric lights or otherwise, the said location for said period of time; provided, that the City and County shall be at no expense for such decorations or the removal thereof; and provided further, that no gambling devices or games shall be permitted, and the exhibition shall be conducted under the supervision of the Police Department."

The reasons for my disapproval of this resolution are:

Great opposition to this proposed carnival developed among the property owners and residents of the neighborhood.

More than a score of them, men and women, called personally at my office in a body, and presented a petition containing some one hundred signatures, urging that the carnival permission be revoked. Their objection is based upon the fact that the site of the proposed carnival is in the center of a residential district and that it would be detrimental to the

families living in the neighborhood and in nowise conducive to good influence.

I feel that the only just way of the handling of a matter of this kind is to accomplish the most good for the most people. In this instance, the great majority of property owners in the vicinity of Union and Hyde streets are unalterably opposed to the clash and confusion of a carnival in their midst, as well as to the influx of crowds of non-residents, such as an outdoor park celebration would attract. I believe that should I approve this measure I would be doing a distinct injury to this district.

I might add that in these times, with the country determined to win the war as speedily as possible, with our boys going to the front, and with the daily sacrifice of thousands of lives for the honor of our country and the future security and contentment of our people—under these circumstances, I say, to give thought to cheap, frivolous forms of amusement in the shape of street carnivals and hurdy-gurdies, in a district where the entire neighborhood is against it, is not entitled to much consideration, and the promoters should be discouraged.

These are serious times and require of every American serious thought. I personally paid a visit to the district this morning and saw again for myself the character of the neighborhood. Service flags were generously displayed in the windows of surrounding homes and apartment houses, showing that the thoughts of the dwellers were of something far different than raucous amusement. I need not impress upon your Honorable Board the incongruity of an outdoor carnival, with its noise and confusion, beneath the windows with their service flags. It would be most certainly a contrast hardly laudable and I therefore attach my veto to this resolution.

Very truly yours,
JAMES ROLPH, JR.,
Mayor.

On motion of Supervisor Welch:

Bill No. 4905, Ordinance No. — (New Series), as follows:

Ordering the performance of certain street work to be done in the City and County of San Francisco, approving and adopting specifications therefor and authorizing the Board of Public Works to enter into contract for doing the same.

Be it ordained by the People of the City and County of San Francisco as follows:

Section. 1. The Board of Public Works in written communication filed in the office of the Clerk of the Board of Supervisors March 25, 1918, having recommended the ordering of the following street work, the same is hereby ordered to be done in the City and County of San Francisco in conformity with the provisions of the Street Improvement Ordinance of said City and County of San Francisco, said work to be performed under the direction of the Board of Public Works, and to be done in accordance with the specifications prepared therefor by said Board of Public Works, and on file in its office, which said plans and specifications are hereby approved and adopted.

The improvement of *Silliman street between Bowdoin street and Dartmouth street* by the construction of concrete curbs and by the construction of an asphalt pavement consisting of a 6-inch concrete foundation and a 2-inch asphalt wearing surface on the roadway thereof where they are not already constructed.

The improvement of *Hearst avenue between Genesee street and Hamburg street*, where not already improved, by the construction of concrete curbs and by the construction of an asphalt pavement consisting of a 6-inch concrete foundation and a 2-inch asphaltic wearing surface on the roadway thereof.

Establishing Grades.

On motion of Supervisor Welch:

Bill No. 4906, Ordinance No. — (New Series), entitled, "Establishing

grades on Brompton and Lippard avenues between Chenery and Bosworth streets."

Also, Bill No. 4907, Ordinance No. — (New Series), entitled, "Establishing grades on Burrows street between Charter Oak and San Bruno avenues.

Rock Crushing Permit.

Also, Bill No. 4908, Ordinance No. — (New Series), as follows: "Permitting the establishment of a rock crushing plant in the block bounded by Market street, Twelfth street, Brady street and Otis street."

Be it ordained by the People of the City and County of San Francisco as follows:

Section 1. Permission is hereby given for the establishment of a rock crushing plant within the block bounded by Market street, Twelfth street, Brady street and Otis street, during the period of the construction of Municipal Railway tracks in Market street, with the understanding that the material from such plant shall be exclusively used in such construction, and all ordinances, in so far as the same conflict with the provisions of this ordinance are hereby repealed.

Section 2. This ordinance shall take effect immediately.

Ratifying Proceedings for improvement of Mission Street.

On motion of Supervisor Welch: Bill No. 4909, Ordinance No. — (New Series), as follows:

Ratifying, approving and confirming the action of the Board of Public Works in the reconstruction of the pavement of the roadway of Mission street easterly from Fourth street and all proceedings had and taken by the said Board in relation thereto; authorizing said action; and appropriating funds to pay for certain material purchased and supplied for and used in the said public work by the said Board.

Whereas, a recommendation was duly made by the Board of Public Works to this Board for the improvement of the roadway of Mission street easterly from Fourth street, by constructing thereon a pavement adaptable to the necessities of the vehicular traffic on and along said portion of said street and which would in a great measure abate a nuisance affecting persons conducting business establishments fronting thereon created by the existing noise-producing basalt block pavement, and this Board acting upon such recommendation did in its budget made for the fiscal year 1917-1918, fix and allow an item of expenditure (No. 36), in the sum of \$30,000.00, for the reconstruction of Mission street, easterly from Fourth street, and did there-

after by its Resolution No. 14579 (New Series), passed July 16, 1917, and approved July 17, 1917, set aside, appropriate and authorize to be expended out of said special budget allowance the sum of \$30,000.00 for such street improvement, and did subsequently by its Resolution No. 14970 (New Series) passed October 29, 1917, set aside and appropriate out of Budget Item No. 32, Fiscal Year 1917-1918, the sum of \$23,375.00 to the credit of Budget Item No. 387, same year, for repairs, reconstruction and paving of streets, which additional sum of \$23,375.00 so set aside and appropriated was by resolution of the Board of Public Works (No. 55879, Second Series), passed on November 2, 1917, transferred to the credit of said Budget Item No. 66, to enable said Board to complete the work on said street to the Embarcadero; and

Whereas, the Board of Public Works, in view of a necessity existing for an immediate performance of the said work, and without a formal order of this Board in that behalf, did, by and through its departmental organization reconstruct the pavement of a portion of said street, by removing therefrom the old existing basalt block pavement and constructing thereon as a substitute therefor, a concrete pavement with a wearing surface of a material best adapted, in the judgment of the said Board, to meet the conditions created by the traffic on said street, and possessing in a large degree the essentials of durability, non-slipperiness and noiselessness, and said Board did, for the purpose of providing such wearing surface as a necessary and desirable ingredient for the said pavement, purchase for and in behalf of the City and County, from Warren Brothers Company, a quantity of the material constituting such wearing surface, a proprietary article, at an agreed upon reasonable price of \$7,756.00, and did use and incorporate in a portion of the said pavement so constructed as a component part thereof, the said material so purchased; now, therefore

Be it ordained by the People of the City and County of San Francisco as follows:

Section 1. The action of the Board of Public Works in the reconstruction of the pavement of the roadway of Mission street easterly from Fourth street and all proceedings had and taken by said Board in relation thereto, the employment of the necessary labor, teams and appliances for the proper execution of the said public work and the purchasing and supplying by the said Board of all the materials necessary for such work and used therein, is hereby ratified, ap-

proved and confirmed; and authority is hereby conferred on said Board to do all of the acts hereinbefore set forth as fully as if such authority had been conferred prior to the doing of said acts; and there is hereby specifically appropriated and authorized to be expended out of the funds heretofore set aside and appropriated by this Board, as recited in the preamble hereof, for the said work, the sum of \$7,756.00 for payment to Warren Brothers Company, for the wearing surface material, referred to in said preamble, purchased from the said company by the Board of Public Works for said work and by said Board used therein as an ingredient of the pavement constructed on a portion of the said street, said sum being the aggregate amount of the demands of the said company duly presented to and approved by this Board therefor.

Section 2. This ordinance shall take effect immediately.

Fixing Sidewalk Widths.

Also, Bill No. 4910, Ordinance No. — (New Series), as follows:

Amending Ordinance No. 1061, entitled, "Regulating the Width of Sidewalks," approved December 18, 1903, by adding thereto a new section to be numbered seven hundred and eight.

Be it ordained by the People of the City and County of San Francisco as follows:

Also, Bill No. 4911, Ordinance No. — (New Series), as follows:

Amending Section 74 of Ordinance No. 1857 (New Series), entitled "Regulating moving travel and traffic upon the streets and other places," etc., approved March 26, 1912.

Be it ordained by the People of the City and County of San Francisco as follows:

Section 1. Section 74 of Ordinance No. 1857 (New Series) is hereby amended so as to read as follows:

Section 74. It shall be unlawful for any person to turn the Third and

Fourth streets drawbridges between the hours of half past six o'clock and eight o'clock a. m., 12 o'clock m. and 1:00 o'clock p. m., and between 4:30 o'clock p. m. and 6:30 o'clock p. m. or at any time that would prevent said bridges from being closed between the hours named.

Section 2. Ordinance No. 2244 (New Series) is hereby repealed.

Section 3. This Ordinance shall take effect immediately.

Also, Bill No. 4912, Ordinance No. — (New Series), as follows:

Amending Ordinance No. 1061, entitled "Regulating the width of sidewalks," approved December 18, 1903, by amending Section 517 thereof.

Be it ordained by the People of the City and County of San Francisco as follows:

Section 1. Ordinance No. 1061, entitled "Regulating the width of Sidewalks," approved December 18, 1903, be and is hereby amended in accordance with the communication of the Board of Public Works, filed in this office January 10, 1918, by amending Section 517 thereof to read as follows:

Section 517. The width of sidewalks on North Point street, the northerly side of, between the Embarcadero and Powell street, are hereby dispensed with and abolished.

The width of sidewalks on North Point street, the northerly side of, between Powell street and Columbus avenue, shall be fifteen (15) feet.

The width of sidewalks on North Point street, the northerly side of, between Leavenworth street and Van Ness avenue, shall be ten (10) feet.

The width of sidewalks on North Point street, the southerly side of, between the Embarcadero and Columbus avenue, are hereby dispensed with and abolished.

The width of sidewalks on North Point street, the southerly side of, between Columbus avenue and Van Ness avenue, shall be ten (10) feet.

Section 2. Any expense caused by the above change of walk width shall be borne by the property owners.

Section 3. This ordinance shall take effect immediately.

Also, Resolution No. 15535 (New Series), as follows:

Resolved, That it is the intention of the Board of Supervisors of the City and County of San Francisco to order the opening, extension and widening of Market street from its southwesterly termination at Ord street, westerly, southwesterly, southerly, southeasterly, southerly and southwesterly to the northerly line of Twenty-fourth street.

Budget Appropriation Requested for Noe Valley Playground.

Supervisor McSheehy presented:

Resolution No. — (New Series), as follows:

Whereas, There is on file in this office a petition signed by 3000 property owners and residents of Noe Valley requesting that this Board set aside in the Budget for the ensuing fiscal year the sum of \$25,000 for the establishment of a playground in the Noe Valley District, and

Whereas, It is deemed urgent and necessary that such recreational facilities be afforded the children of this thickly populated district; therefore be it

Resolved, That this Board pledges itself to set aside and appropriate in the next Budget the aforesaid sum of \$25,000 for the purpose hereinabove indicated.

Referred to Finance Committee.

ADJOURNMENT.

There being no further business the Board at 4:30 p. m. adjourned.

J. S. DUNNIGAN, Clerk.

JOURNAL OF PROCEEDINGS

BOARD OF SUPERVISORS

MONDAY, APRIL 8, 1918, 2 P. M.

In Board of Supervisors, San Francisco, Monday, April 8, 1918, 2 p. m.
The Board of Supervisors met in regular session.

CALLING THE ROLL.

The Roll was called and the following Supervisors were noted present:

Supervisors Brandon, Deasy, Gallagher, Hayden, Hilmer, Hocks, Hynes, Kortick, McLeran, McSheehy, Mulvihill, Nelson, Schmitz, Suhr, Welch, Wolfe—16.

(*Supervisors Lahancy and Power excused on account of illness.*)

Quorum present.

His Honor Mayor Rolph presiding.

APPROVAL OF JOURNAL.

The Journal of Proceedings of March 26 and April 1, 1918, were considered, read and approved.

ROLL CALL FOR PETITIONS FROM MEMBERS.

The following matters were presented and read by the Clerk:

Dedication of Fire House at Twenty-fifth and Vermont Streets.

Communication—From East Mission Improvement Club, requesting that Supervisors attend dedication ceremonies of fire house at Twenty-fifth and Vermont streets, Sunday, April 14, 1918, at 1:30 p. m.

Invitation accepted and Supervisor Hynes appointed to represent Board of Supervisors.

MAYOR'S VETO.

Outdoor Park Permit.

The following, laid over from last meeting, was taken up:

San Francisco, Cal., Mar. 29, 1918.

To the Honorable Board of Supervisors, City Hall, San Francisco, Cal.

Gentlemen:

I return to you herewith without my approval Resolution No. 15480 (New Series), adopted by your Honorable Board on the 18th day of March, 1918, as follows:

"Resolved, That the Union and Hyde Street Merchants Association is hereby granted permission to hold an outdoor park celebration at Union and

Hyde streets, and one block in each direction from said corner, from April 6th to 14th, 1918, without payment of the usual license fee required for said entertainment or any concession connected therewith; that said league be permitted to decorate with electric lights or otherwise, the said location for said period of time; provided, that the City and County shall be at no expense for such decorations or the removal thereof; and provided further that no gambling devices or games shall be permitted, and the exhibition shall be conducted under the supervision of the Police Department."

The reasons for my disapproval of this resolution are:

Great opposition to this proposed carnival developed among the property owners and residents of the neighborhood.

More than a score of them, men and women, called personally at my office in a body, and presented a petition containing some one hundred signatures, urging that the carnival permission be revoked. Their objection is based upon the fact that the site of the proposed carnival is in the center of a residential district and that it would be detrimental to the families living in the neighborhood and in nowise conducive to good influence.

I feel that the only just way of the handling of a matter of this kind is to accomplish the most good for the most people. In this instance, the great majority of property owners in the vicinity of Union and Hyde streets are unalterably opposed to the clash and confusion of a carnival in their midst, as well as to the influx of crowds of non-residents, such as an outdoor park celebration would attract. I believe that should I approve this measure I would be doing a distinct injury to this district.

I might add that in these times, with the country determined to win the war as speedily as possible, with our boys going to the front, and with the daily sacrifice of thousands of lives for the honor of our country and the future security and contentment of our people—under these circumstances, I say, to give thought to

cheap, frivolous forms of amusement in the shape of street carnivals and hurdy-gurdies, in a district where the entire neighborhood is against it, is not entitled to much consideration, and the promoters should be discouraged.

These are serious times and require of every American serious thought. I personally paid a visit to the district this morning and saw again for myself the character of the neighborhood. Service flags were generously displayed in the windows of surrounding homes and apartment houses, showing that the thoughts of the dwellers were of something far different than raucous amusement. I need not impress upon your Honorable Board the incongruity of an outdoor carnival, with its noise and confusion, beneath the windows with their service flags. It would be most certainly a contrast hardly laudable and I therefore attach my veto to this resolution.

Very truly yours,
JAMES ROLPH, JR.,
 Mayor.

Veto Sustained.

The question being, "Shall the resolution finally pass, notwithstanding the objections of his Honor the Mayor?" the Roll was called with the following result:

Ayes—Supervisors Brandon, Deasy, Gallagher, Hayden, Hilmer, Hocks, Hynes, Kortick, McLeran, McSheehy, Mulvihill, Nelson, Schmitz, Suhr, Welch, Wolfe—16.

Absent—Supervisors Lahaney, Power—2.

Whereupon, the resolution was declared *lost* and the Mayor's veto *sustained*.

HEARING OF APPEALS.

Clayton Street.

Appeal of property owners from assessment for improvement of Clayton street between Clarendon avenue and Corbett avenue, laid over from previous meeting, was again *laid over one week*.

Thirty-eighth Avenue.

Hearing the appeal of property owners from the action and decision of the Board of Public Works in overruling the protest against the improvement of Thirty-eighth avenue between Cabrillo and Fulton streets, was *laid over one week*.

Fairfax Avenue.

Hearing the appeal of property owners from the action and decision of the Board of Public Works in overruling the protest against the improvement of Fairfax avenue between Keith and Lane streets, including the crossings of Fairfax avenue and Keith street, and Fairfax avenue and Lane street.

Ellen G. Cowan in person, and rep-

resented by attorney, opposed the proposed improvement on the ground that it was not necessary at this time and that money might be more properly invested at this time in Liberty Bonds.

Appeal Denied.

Whereupon, the following resolution was presented by Supervisor Welch:

Resolution No. 15542 (New Series), as follows:

Resolved, That the appeal of property owners from the action and decision of the Board of Public Works in overruling the protest against the improvement of Fairfax avenue between Keith and Lane streets, including the crossings of Fairfax avenue and Keith street, and Fairfax avenue and Lane street, is hereby denied.

Adopted by the following vote:

Ayes—Supervisors Brandon, Deasy, Gallagher, Hayden, Hilmer, Hocks, Hynes, Kortick, McLeran, McSheehy, Mulvihill, Nelson, Schmitz, Suhr, Welch, Wolfe.—16.

Absent—Supervisors Lahaney, Power—2.

Passed for Printing.

Whereupon, the following bill was presented by Supervisor Welch and *passed for printing*:

Bill No. 4922, Ordinance No. — (New Series), as follows:

Ordering the performance of certain street work to be done in the City and County of San Francisco, approving and adopting specifications therefor and authorizing the Board of Public Works to enter into contract for doing the same.

Be it ordained by the People of the City and County of San Francisco, as follows:

Section 1. The Board of Public Works in written communication filed in the office of the Clerk of the Board of Supervisors March 16, 1918, having recommended the ordering of the following street work, the same is hereby ordered to be done in the City and County of San Francisco in conformity with the provisions of the Street Improvement Ordinance of said City and County of San Francisco, said work to be performed under the direction of the Board of Public Works, and to be done in accordance with the specifications prepared therefor by said Board of Public Works, and on file in its office, which said plans and specifications are hereby approved and adopted.

The improvement of Fairfax avenue between Keith and Lane streets, including the crossings of Fairfax avenue and Keith street, and Fairfax avenue and Lane street, by the construction of an 8-inch vitrified, salt-glazed, ironstone pipe sewer with 24 Y branches and 2 brick manholes with cast-iron frames and covers and galvanized wrought iron steps along the

center line of Fairfax avenue from a point 300 feet easterly from Lane street to a point 20 feet westerly from Keith street; by the construction of an 18-inch vitrified, salt-glazed, ironstone pipe sewer from the last described point to the existing manhole on the center line of Keith street at the northerly line of Fairfax avenue, and by grading to official line and grade.

REPORTS OF COMMITTEES.

The following committees, by their respective Chairmen, presented reports on various matters referred, which reports were presented, read and ordered filed:

Auditorium Committee, by Supervisor Hayden, Chairman.

Streets Committee, by Supervisor Welch, Chairman.

Public Buildings Committee, by Supervisor Brandon, Chairman.

Fire Committee, by Supervisor Deasy, Chairman.

Supplies Committee, by Supervisor Hayden, Chairman.

Report of Health Committee on Vivisection.

The following report was presented by Supervisor Hayden and adopted on his motion by the following vote:

San Francisco, April 8, 1918.

Board of Supervisors.

Gentlemen: Your Health Committee respectfully reports that at a meeting held on the 4th inst. it gave consideration to a proposed ordinance submitted by William N. McCarthy to prohibit vivisection or animal experimentation upon live animals.

William N. McCarthy and Mrs. E. C. Harrington, representing the San Francisco Anti-Vivisection Society, spoke in favor of the measure.

Dr. A. H. Giannini, representing the San Francisco County Medical Society; Colonel L. M. Maus, Department Surgeon, Western Department, U. S. A.; Dr. Thomas W. Huntington, Col. L. E. Williams, Senior Surgeon, U. S. P. H. S.; Col. Guy L. Edie, Letterman Hospital, Presidio; D. W. Ophuls, Dean of School of Medicine, Leland Stanford Jr. University; Dr. W. H. Kellogg, Secretary of State Board of Health; Dr. J. H. Graves, President of the San Francisco County Medical Society; Dr. W. C. Alvarez; Dr. Julius Rosenstirn, representing the Civic League; Dr. G. H. Whipple, director of the Hooper Foundation for Medical Research; Dr. Guy E. Manning, representing the Board of Health; Dr. Grace L. Boalt and Dr. Edward E. Johnson, spoke against the measure.

It was the unanimous declaration of the opponents of the measure that animal experimentation is essential to the progress of knowledge in medicine and biology in general and that it is necessary in the diagnosis and treatment of

disease and its prevention in man and animals.

Dr. Huntington declared that the passage of the measure would be a disaster and Colonel Maus said it would be "one of the greatest crimes possible against civilization."

At the conclusion of the hearing Supervisor Hayden moved that the Committee recommend against the passage of the proposed measure. The motion was seconded by Supervisor McSheehy and carried upon roll call by the votes of Supervisors Hayden, McSheehy, Schmitz and Chairman Lahaney; Supervisor Power absent.

Supervisor Schmitz, in explaining his vote against the measure, said that it was too sweeping, as it would prevent all experimentation. "While I am opposed to brutality," said he, "I am not opposed to experimentation."

Respectfully submitted,

J. EMMET HAYDEN,

JAS. B. MCSHEEHY,

E. E. SCHMITZ,

Health Committee.

Ayes—Supervisors Brandon, Deasy, Hayden, Hilmer, Hoeks, Hynes, Kortick, McLeran, McSheehy, Mulvihill, Nelson, Schmitz, Suhr, Welch, Wolfe—15.

Excused from Voting—Supervisor Gallagher—1.

Absent—Supervisors Lahaney, Power—2.

Report of Public Utilities Committee on Army Street Railway Extension.

The following matters were presented and read by the Clerk:

San Francisco, April 8, 1918.

Board of Supervisors:

Gentlemen: Your Committee on Public Utilities has had under consideration the subject of providing for additional transportation facilities to the Union Iron Works such additional transportation facilities being necessary to the promotion of the war activities of the United States Government.

Your Committee concludes that the existing conditions require the adoption of the ordinance herewith presented and we accordingly so recommend.

Respectfully submitted,

EDWARD I. WOLFE, Chairman,

RICHARD J. WELCH,

JOSEPH MULVIHILL,

E. J. BRANDON,

ANDREW J. GALLAGHER,

Public Utilities Committee.

Communication from San Francisco Labor Council.

To the Honorable The Board of Supervisors, City and County of San Francisco.

Gentlemen: Please find inclosed original copy of resolution adopted by the Army Street Improvement Asso-

ciation in relation to the use of Army street for a street car line to the Union Iron Works, which resolutions were read to the San Francisco Labor Council and referred to its special committee investigating said proposition.

The said resolutions are approved by said special committee of the San Francisco Labor Council.

Trusting this matter will be settled to the mutual satisfaction of all parties concerned, I have the honor to be,

Respectfully,
JOHN O. O'CONNELL,
Secretary.

Whereas, The United States of America is now at war with the so-called central powers, and as a result of that war is engaged in the building of ships and other implements to be used in the prosecution of the war, and has let to the Bethlehem Steel Works certain contracts for the building of ships at the Union Iron Works in San Francisco; and

Whereas, There are employed in the occupation of building ships for our Government at the Union Iron Works, at Twentieth and Illinois streets, in the City and County of San Francisco, upwards of ten thousand men and that number steadily increasing, as well as those employed in several other large industries in that district, who are also engaged in the production of war materials; and

Whereas, The transportation facilities for the carrying of this large number of men to and from their homes in the City and County of San Francisco to their work in this industrial district is wholly inadequate, which thereby retards and hinders the work of our Government for the successful prosecution of the war; and

Whereas, The United States Government, represented by the United States Shipping Board, has called the attention of the Mayor and the officials of the City and County of San Francisco to this inadequate transportation service to and from the Union Iron Works, demanding immediate relief of said transportation situation; and

Whereas, Immediate relief of this transportation problem can be obtained by the construction and operation of a street car line on Army street, connecting the main arteries of transportation with the Union Iron Works; and

Whereas, The Mayor and City officials have taken the matter under advisement, and have entered into an agreement with the United Railroads of San Francisco for the purpose of granting the United Railroads a permit to construct and operate a street car line on Army street from Potrero avenue to Kentucky street, with the

proviso that the City and County of San Francisco shall have the right to the joint use of said tracks to be so constructed and shall have the further right to buy, take over and operate said tracks at any time the Board of Supervisors of the City and County of San Francisco may see fit; and

Whereas, The Public Utilities Committee of the Board of Supervisors of the City and County of San Francisco has approved of said agreement between said United Railroads and the City and County of San Francisco; therefore be it

Resolved, That we, the members of the Army Street Improvement Association, in view of the existing situation of inadequate transportation facilities to said Union Iron Works which is retarding the progress of our national Government in its prosecution of the war, and desiring to help our Government and country in every way possible in their efforts to hurry the war to a successful conclusion, do heartily approve of the action taken by the Public Utilities Committee of the Board of Supervisors, and recommend that their action be approved by the Board of Supervisors and by his Honor, the Mayor; and be it further

Resolved, That we, the members of this association, respectfully request the Board of Supervisors and City officials to proceed immediately with the arrangements and necessary provisions for the construction of a branch of the Municipal Railway Line on Army street, from Church street to Potrero avenue, thereby enabling the City and County of San Francisco to give all parts of our City complete service, and further enabling it to do its part towards the successful prosecution of the war in affording to the workers at the Union Iron Works and the industrial district surrounding, direct and convenient transportation service; and be it further

Resolved, That copies of these resolutions be forwarded to the Board of Supervisors and to the public press of the City and County of San Francisco.

Privilege of the Floor.

T. Zant was granted the privilege of the floor and addressed the Board.

"The United Railroads," he said, "has declared many times that it would not build any further extensions under present charter provisions in San Francisco. Now they want to build on Army street. If the Municipal Railway was built on Army street it would take \$500 a day from the United Railroads. If we don't build on Army street we will lose the \$500 per day."

Mr. Doyle, representing the Municipal Carmen's Union, also addressed the Board. He agreed with the proposal formulated by the Mayor and the Public Utilities Committee and was satisfied that the City's interests had been adequately secured.

Geo. W. Harkins, representing the Army Street Improvement Association, also approved the proposed bill. He declared that his organization has endorsed the Mayor's action and was satisfied that the City's interests are secured.

Passed for Printing.

Whereupon, the following entitled bill was taken up and, on motion of Supervisor Wolfe, *passed for printing* by the following vote:

Bill No. 4913, Ordinance No. — (New Series). Granting to the United Railroads of San Francisco the right and privilege to construct, lay down, maintain and operate a double track street railroad, together with all necessary and convenient switches, stations, side tracks, turnouts, curves, connections and appliances over and along and upon the following streets of the City and County of San Francisco, to-wit:

Commencing at the intersection of the tracks of the United Railroads at Army street and Potrero avenue, there connecting with said tracks of United Railroads on said Army street, thence across Potrero avenue over and along and upon Army street to the center line of Third street (formerly Kentucky street), there connecting with the tracks of the United Railroads on Third street (formerly Kentucky street) in order to provide immediate and necessary transportation to the Union Iron Works for the purpose of facilitating the war preparations of the United States Government, with the right and privilege of the City to purchase and take over said railroad at any time the City may so desire and with the further

right and privilege of the City to the joint use of said railroad upon payment of one-half of the cost of the construction thereof.

Ayes—Supervisors Brandon, Deasy, Gallagher, Hayden, Hilmer, Hocks, Hynes, Kortick, McLeran, McSheehy, Mulvihill, Nelson, Schmitz, Suhr, Welch, Wolfe—16.

Excused on account of illness—Supervisors Lahany and Powers—2.

Tubercular Sanitarium Committee.

His Honor Mayor Rolph announced that he had appointed Supervisor McLeran, Dr. A. H. Giannini and Dr. R. G. Broderick a committee on the selection of a site for a tubercular sanitarium outside of San Francisco, in accordance with Resolution No. 15495 (New Series).

Farewell to Captain Charles Quigley of the San Francisco Regiment.

His Honor Mayor Rolph presented Captain Quigley, who is here on a leave of absence. The Mayor spoke in laudatory terms of the Captain's efforts to build the 363rd Regiment, now encamped at Camp Lewis, and which is known as the San Francisco Regiment, being composed principally of boys from San Francisco and the bay region.

Captain Quigley, being called upon, expressed the great appreciation that he and Colonel Cavanaugh and all the boys of the regiment felt toward the officials and people of San Francisco for many kind remembrances and comforts of which they were the recipients by this city.

The boys of the 363rd Regiment, he said, want you to know that the 363rd is the San Francisco Regiment and that it proposes to make a record that will be a credit and honor to this city of their birth. From time to time, he said, we may want little things that make for the happiness, pleasure and comfort of a soldier and we expect to call upon you—our people of San Francisco—for them. We know from your kindness in the past that nothing will be wanting in this respect from the good and generous hearts of our people of San Francisco.

His Honor Mayor Rolph, in response, assured Captain Quigley, Colonel Cavanaugh and the boys of the 363rd, San Francisco's Regiment, that nothing would be wanting in San Francisco's solicitude for the comfort, happiness and welfare of her boys in Camp and in France who were making the supreme sacrifice for democracy and civilization.

At the conclusion of the remarks Mayor Rolph placed a Hawaiian lei of red, white and blue flowers on the shoulders of Captain Quigley as a

token of affection and farewell from the people of San Francisco. Miss McAvoy, who had pinned service buttons on more than 3,000 of the soldier boys, also pinned a service button on Captain Quigley.

George E. Gallagher, president of the Board of Education, being called upon, spoke eloquently of American patriotism. Frank R. R. Devlin of the State Railroad Commission made a brief address, and Supervisor Charles A. Nelson spoke in behalf of the Supervisors.

Whereupon the Board took a recess and escorted Captain Quigley to his automobile.

Emperor of Japan Presents Vase to Mayor Rolph.

Mayor Rolph brought to the Board for its inspection a highly ornamented enormous silver vase carrying the seal of the Emperor of Japan, embodied in gold, which had been presented to him. The significance of the presentation, he said, lies in the fact that the presentation was made personally by the local Japanese Consul-General in recognition of courtesies extended to Viscount Ishii and his staff, who were here several months ago. Viscount Ishii is soon to arrive as the Japanese Ambassador to this country. This is the letter of the Consul-General M. Hanihara, who made the presentation personally:

"I have the honor to advise you that His Imperial Majesty, the Emperor of Japan, has been pleased to present you with a silver vase bearing the imperial coat-of-arms, and I have been instructed to hand it to you as an expression of His Majesty's kindly regard, and more particularly in recognition of your many courtesies to Viscount Ishii and party when recently in this city.

"The vase in question is at present in process of entry at the local Custom House. As soon as it comes into my hands I will again have the honor to communicate with you, and perhaps you will be kind enough to fix a time and place when I may have the pleasure of presenting the Emperor's token of esteem in person."

Marriage of Lieutenant Jno. E. Schultz of Camp Fremont and Miss Olivia Stevens.

Lieutenant John E. Schultz of Camp Fremont and Miss Olivia Stevens of Placerville were married this afternoon in the assembly room of the Board of Supervisors. Judge Thomas F. Graham performed the ceremony.

Mayor Rolph paid a high tribute to the young couple, whose homes are in Placer county. At the conclusion of the ceremony they were given a hearty reception.

UNFINISHED BUSINESS.

Ratifying Proceedings for improvement of Mission Street.

Bill No. 4909, Ordinance No. 4555 (New Series), as follows:

Ratifying, approving and confirming the action of the Board of Public Works in the reconstruction of the pavement of the roadway of Mission street easterly from Fourth street and all proceedings had and taken by the said Board in relation thereto; authorizing said action; and appropriating funds to pay for certain material purchased and supplied for and used in the said public work by the said Board.

Whereas, a recommendation was duly made by the Board of Public Works to this Board for the improvement of the roadway of Mission street easterly from Fourth street, by constructing thereon a pavement adaptable to the necessities of the vehicular traffic on and along said portion of said street and which would in a great measure abate a nuisance affecting persons conducting business establishments fronting thereon created by the existing noise-producing basalt block pavement, and this Board acting upon such recommendation did in its budget made for the fiscal year 1917-1918, fix and allow an item of expenditure (No.

66), in the sum of \$30,000.00, for the reconstruction of Mission street, easterly from Fourth street, and did thereafter by its Resolution No. 14579 (New Series), passed July 16, 1917, and approved July 17, 1917, set aside, appropriate and authorize to be expended out of said special budget allowance the sum of \$30,000.00 for such street improvement, and did subsequently by its Resolution No. 14970 (New Series) passed October 29, 1917, set aside and appropriate out of Budget Item No. 32, Fiscal Year 1917-1918, the sum of \$23,375.00 to the credit of Budget Item No. 387, same year, for repairs, reconstruction and paving of streets, which additional sum of \$23,375.00 so set aside and appropriated was by resolution of the Board of Public Works (No. 55879, Second Series), passed on November 2, 1917, transferred to the credit of said Budget Item No. 66, to enable said Board to complete the work on said street to the Embarcadero; and

Whereas, the Board of Public Works, in view of a necessity existing for an immediate performance of the said work, and without a formal order of this Board in that behalf, did, by and through its departmental organization reconstruct the pavement of a portion of said street, by removing therefrom the old existing basalt block pavement and constructing thereon as a substitute therefor, a concrete pavement with a wearing surface of a material best adapted, in the judgment of the said Board, to meet the conditions created by the traffic on said street, and possessing in a large degree the essentials of durability, non-slipperiness and noiselessness, and said Board did, for the purpose of providing such wearing surface as a necessary and desirable ingredient for the said pavement, purchase for and in behalf of the City and County, from Warren Brothers Company, a quantity of the material constituting such wearing surface, a proprietary article, at an agreed upon reasonable price of \$7,756.00, and did use and incorporate in a portion of the said pavement so constructed as a component part thereof, the said material so purchased; now, therefore

Be it ordained by the People of the City and County of San Francisco as follows:

Section 1. The action of the Board of Public Works in the reconstruction of the pavement of the roadway of Mission street easterly from Fourth street and all proceedings had and taken by said Board in relation thereto, the employment of the necessary labor, teams and appliances for the proper execution of the said public work and the purchasing and supplying by the said Board of all the mate-

rials necessary for such work and used therein, is hereby ratified, approved and confirmed; and authority is hereby conferred on said Board to do all of the acts hereinbefore set forth as fully as if such authority had been conferred prior to the doing of said acts; and there is hereby specifically appropriated and authorized to be expended out of the funds heretofore set aside and appropriated by this Board, as recited in the preamble hereof, for the said work, the sum of \$7,756.00 for payment to Warren Brothers Company, for the wearing surface material, referred to in said preamble, purchased from the said company by the Board of Public Works for said work and by said Board used therein as an ingredient of the pavement constructed on a portion of the said street, said sum being the aggregate amount of the demands of the said company duly presented to and approved by this Board therefor.

Section 2. This ordinance shall take effect immediately.

Ayes—Supervisors Brandon, Deasy, Gallagher, Hayden, Hilmer, Hoeks, Hynes, Kortick, McLeran, McSheehy, Mulvihill, Nelson, Schmitz, Suhr, Welch, Wolfe—16.

Also, Bill No. 4920, Ordinance No. — (New Series), entitled "Changing and re-establishing the official grades on Douglass street between the northerly line of Twentieth street produced and the northerly line of Twenty-first street."

Naming Comerford Street.

Supervisor Welch presented:
Resolution No. 15552 (New Series), as follows:

Whereas, The Board of Public Works did, by Resolution No. 57594 (Second Series), adopted February 20, 1918, recommend that the Board of Supervisors designate the private roadway in Horner's Addition, Block 94, lying off Church street between Duncan and Twenty-seventh streets, as Comerford street; now, therefore,

Resolved, That the private roadway heretofore nameless, situate in Horner's Addition, Block 94, lying off of Church street between Duncan and Twenty-seventh streets, shall hereafter be known as and designated Comerford street.

Adopted by the following vote:

Ayes—Supervisors Brandon, Deasy, Gallagher, Hayden, Hilmer, Hocks, Hynes, Kortick, McLeran, McSheehy, Mulvihill, Nelson, Schmitz, Suhr, Welch Wolfe—16.

Absent—Supervisors Lahaney, Power—2.

Extension of Time.

Supervisor Welch presented:
Resolution No. 15553 (New Series), as follows:

Resolved, That J. F. Dowling is hereby granted an extension of thirty days' time from and after April 10th, 1918, within which to complete contract for the improvement of Newman street between Bennington street and Holly Park Circle.

This *first* extension of time is granted upon the recommendation of the Board of Public Works, for the reason that the contractor was delayed by inclement weather. The work is completed with the exception of the artificial stone sidewalks.

Adopted by the following vote:

Ayes—Supervisors Brandon, Deasy, Gallagher, Hayden, Hilmer, Hocks, Hynes, Kortick, McLeran, McSheehy, Mulvihill, Nelson, Schmitz, Suhr, Welch Wolfe—16.

Absent—Supervisors Lahaney, Power—2.

Also, Resolution No. 15554 (New Series), as follows:

Resolved, That D. L. Bienfield is hereby granted an extension of forty days' time from March 21, 1918, within which to complete contract for the construction of the Trocadero sewer and appurtenances, from Nineteenth avenue to Twenty-fourth avenue produced, under public contract.

This *second* extension of time is granted upon the recommendation of the Board of Public Works for the reason that 90 per cent of the work has been completed. The contractor has had considerable difficulty in procuring enough employees to work continuously.

Adopted by the following vote:

Ayes—Supervisors Brandon, Deasy, Gallagher, Hayden, Hilmer, Hocks, Hynes, Kortick, McLeran, McSheehy, Mulvihill, Nelson, Schmitz, Suhr, Welch Wolfe—16.

Absent—Supervisors Lahaney, Power—2.

Standardization of Salaries.

The following was presented, read and ordered spread in the Journal:

San Francisco, Cal., April 10, 1918.
Hon. Ralph McLeran, City Hall, San Francisco, Cal.

Dear Sir:

This is to advise you that the Mayor has today appointed a committee on the standardization of municipal salaries, as explained in the accompanying copy of a statement issued today to the press from this office.

The committee, which is headed by the Mayor as chairman, is to consist of yourself, President George A. Tracy of the Civil Service Commission, City Attorney George Lull and Auditor Thomas F. Boyle. Very sincerely yours,

W. F. BENEDICT,
Assistant Secretary to the Mayor.

April 10th, 1918.

To the Press:

The Mayor today appointed a committee on the adjustment of salaries of municipal employes, consisting of the Mayor as chairman, Auditor Thomas F. Boyle, Supervisor Ralph McLeran, chairman of the Finance Committee; City Attorney George Lull and President George A. Tracy of the Civil Service Commission.

"My object in creating this committee," said the Mayor by way of explanation, "is to find some way of increasing the municipal pay of many underpaid City employes, as well as of standardizing City salaries in general.

"To do this may require a charter amendment or the results may be accomplished by ordinances. In the charter that went into effect nearly twenty years ago the standard of salaries was low as compared to the present need for higher wages.

"For instance, some clerks and stenographers under the charter are getting only \$75.00 to \$100.00 per month, and some of these old faithful employes have been working for the City for from ten to twenty years. Yet new-comers employed today receive from \$150.00 to \$200.00 per month for the same work. In fact, stenographers' salaries in the City government range from \$75.00 to \$200.00 per month, and I feel that under these circumstances, and in view of the high cost of living, there should be a standardization. The same is true of clerks in various departments. Some clerks employed from one to two decades by the City receive as little as \$100.00 a month, while new clerks are employed at a minimum to start, that of \$150.00 per month.

"The obvious injustice of the situation prompts me to interest myself in an endeavor to find a way of raising the salaries of the underpaid, and of putting all City positions on a standardized basis."

Sale of School Bonds.

Proposals for the purchase of school bonds, issue of 1918, to the amount of \$50,000, comprising 50 bonds of \$1,000 each numbered 1 to 50 inclusive, dated March 1, 1918, and maturing March 1, 1923, and bearing interest at the rate of 4½ per cent payable semi-annually, to be opened at 3 p. m. this day.

No bid received.

Action Deferred.

Whereupon, the following bill was presented by Supervisor McLeran and on motion laid over two weeks:

Bill No. —, Ordinance No. — (New Series), as follows:

Reciting that certain school bonds remain unsold after having been advertised for sale and directing that such unsold bonds be placed on sale at the office of the Treasurer of the City and County of San Francisco, and fixing the price at which such bonds may be sold by the said Treasurer of the City and County.

Be it ordained by the People of the City and County of San Francisco as follows:

Section 1. It is hereby recited and declared that the Board of Supervisors on the 1st day of April, 1918, did adopt a resolution by which resolution the Clerk of said Board was directed to give notice by advertisement, as required by the Charter of said City and County, that on the 15th day of April, 1918, said Board would receive and consider bids for the purchase of school bonds, issue of 1918, to the amount of \$50,000, comprising 50 bonds of \$1,000 each, numbered 1 to 50, inclusive, dated March 1, 1918, and maturing March 1, 1923, and bearing interest at the rate of 4½ per cent payable semi-annually.

That in compliance with said resolution said Clerk did cause to be published in the official newspaper for a period of ten days prior to said 15th day of April, 1918, an advertisement and notice of sale of said described bonds, and that all of the requirements of the Charter of the City and County in respect thereto were fully complied with.

That no bid was received for the purchase of said bonds so advertised for sale as aforesaid, or any portion thereof, and that the whole amount thereof remain unbid for and unsold.

Section 2. As provided in Section 10 of Article XII of the Charter of the City and County of San Francisco, it is hereby ordered that all of the bonds advertised for sale and remaining unsold, to-wit: School bonds to the amount of \$50,000, comprising fifty bonds of \$1,000 denomination, maturing March 1, 1923, be placed on sale and offered for sale at the office of the Treasurer of the City and County of San Francisco, and the said Treasurer is hereby authorized to sell said described bonds to any person desiring to purchase the same. That the price at which said bonds may be sold is the par or face value thereof, together with any and all interest that may have accrued thereon at the time of the delivery of the same to the purchaser.

Section 3. This ordinance shall take effect immediately.

REPORTS OF COMMITTEES.

The following committees, by their respective Chairmen, presented reports on various matters referred, which reports were presented, read and ordered filed:

Auditorium Committee, by Supervisor Hayden, Chairman.

Streets Committee, by Supervisor Welch, Chairman.

Public Buildings Committee, by Supervisor Brandon, Chairman.

Fire Committee, by Supervisor Deasy, Chairman.

Supplies Committee, by Supervisor Hayden, Chairman.

Report of Welfare Committee.

Fake Advertising Signs.

The following was presented by Supervisor Mulvihill and read by the Clerk:

San Francisco, April 15, 1918.
Board of Supervisors.

Gentlemen: Your Public Welfare and Publicity Committee begs leave to report as follows:

The communication from California State Agricultural Society relative to San Francisco making an exhibit in the State Fair Agricultural Building in Sacramento was ordered filed.

Fake Signs.

Lawrence J. Dolan, Sealer of Weights and Measures, sent a communication to the Public Welfare Committee in which he states that repeated complaints have been made to the Department of Weights and Measures by reputable merchants, particularly those doing business on Market street, against the evil and unlawful practice of certain persons en-

gaged in the sale of merchandise, who place on their premises advertising signs misrepresenting the merchandise offered for sale and making false statements as to their intention of "Retiring from Business," "Sacrificing Their Stock," etc., which practice is an imposition and deception upon the public, and injurious to legitimate retail merchants. The Sealer submitted a list of locations where such signs are now displayed.

Mr. M. J. Welch, Chief Deputy Sealer, addressed the Committee and called attention to the numerous instances where this practice has occurred, and of the many complaints by merchants to the Bureau of Weights and Measures.

E. M. Eppstein of the Down Town Association and Ad Club, also spoke of the growing evil which promotes fraud. Messrs. J. J. Chick (representing the Mission Merchants Association), L. W. Shepperd, and E. C. Marliave (field secretary of the California Gold and Silversmiths Association), endorsed what Mr. Welch and Mr. Eppstein had stated and urged that steps be taken to remedy this growing evil.

The Public Welfare Committee decided to recommend to the Board the adoption of a resolution revoking the permits issued by the Board of Public Works for the particular signs enumerated in the Sealer of Weights and Measures' communication, and directed the Clerk to send a communication to the Board of Public Works requesting them in the future not to issue permits for signs of this character advertising the sale of merchandise or goods until the printed matter to appear on said signs has been submitted to the Bureau of Weights and Measures for its approval.

If the Building Inspection Department of the Board of Public Works will co-operate with the Bureau of Weights and Measures along these lines, your Committee believes that considerable good may be done towards checking this unlawful practice.

Censorship of Moving Pictures.

Corporal P. A. Pershon (of the Police Department) appeared before the Committee and discussed with them the matter of the censorship of moving pictures. He stated there were times when he felt that he would like to have the co-operation of some official committee to pass upon the character of moving pictures.

Corporal Pershon felt that it was quite a responsibility to be placed upon one individual, and, while he was willing to assume this responsibility in the great majority of cases,

nevertheless there were times when he preferred to have the judgment of others as well as himself as to the merits or demerits of a particular picture.

Inasmuch as the Public Welfare Committee is concerned with all matters of public welfare, particularly matters affecting public morals, they informed Corporal Pershon that they would gladly co-operate with the Chief of Police and himself in passing upon moving pictures and other public exhibitions whenever they were requested to do so.

Respectfully submitted,

JOSEPH MULVIHILL,
CHARLES A. NELSON,
OSCAR HOCKS,
RICHARD J. WELCH,
C. J. DEASY.

Ayes—Supervisors Brandon, Deasy, Gallagher, Hayden, Hilmer, Hocks, Hynes, Kortick, Lahaney, McLeran, McSheehy, Mulvihill, Nelson, Power, Schmitz, Suhr, Welch, Wolfe—18.

Explanation of Vote.

Supervisor Schmitz explained his vote by saying:

"I am going to vote for this resolution, but before I vote I want to say that a few weeks ago I introduced a similar resolution before the Auditorium Committee, and Supervisor Hayden was one who voted against me. The press said that in introducing the resolution I was doing politics. It's different with Supervisor Hayden."

Report of Auditorium Committee on Increase of Salary for Conductor of Municipal Orchestra.

Whereupon, the following excerpt from the report of the Auditorium Committee was read by the Clerk:

San Francisco, April 22, 1918.

Board of Supervisors.

Gentlemen: * * *

Motion of Supervisor Gallagher that the compensation of Frederick Schiller be fixed at \$250 per concert. Motion subsequently amended by Supervisor Gallagher that compensation be fixed at \$200 per concert. *Adopted* by following vote:

Ayes—Supervisors Gallagher, Brandon and Welch.

No—Supervisor Hayden, who gave notice that he would file a minority report with the Board of Supervisors on the subject of Schiller's compensation.

Supervisor Suhr declined to vote.

Respectfully submitted,

ANDREW J. GALLAGHER,
RICHARD J. WELCH,
EDW. J. BRANDON,

Auditorium Committee.

Minority Committee.

Thereupon, Supervisor Hayden presented the following minority report and moved its adoption in lieu of the foregoing:

To the Board of Supervisors, San Francisco, Cal.

Gentlemen: Herewith is presented a minority report by the Chairman of your Auditorium Committee, in which I concur in the findings of the committee on all matters submitted therein, except that portion of the report relating to increasing the compensation of Frederick G. Schiller, conductor of the Municipal Orchestra, providing for fixing his compensation at \$200 per concert.

I object to the increased compensation to the aforesaid conductor on the grounds that the San Francisco Municipal Orchestra is already suffering under his management from excessive overhead expense, which has helped to bring about a deficit already for the fifteen concerts to date, amounting to \$7,000.

I am in favor of a continuation of these concerts, but on more economical lines, and with that object in view have requested a number of eminent musicians, who are American citizens, and who have reputations established here in San Francisco, some covering a period of 25 years, as conductors of symphony orchestras, to make an offer as to their fee for conducting the San Francisco Municipal Orchestra of 60 pieces, once a month.

The following gentlemen have replied and all agree on a fee of \$100 per concert, to-wit: Giulio Minetti, Ferdinand Stark, Paul Steindorff, Maurice Lawrence and Herman S. Heller.

Inasmuch as Mr. Frederick Schiller threatened the Auditorium Committee, at their meeting February 11, 1918, that he would resign if his compensation was not increased, and as he asks a fee of \$200 per concert, I therefore recommend that the Auditorium Committee be instructed to provide another conductor other than Frederick G. Schiller from the list of applications now on file, and any others that might file later, and report back by next Monday, April 29, 1918.

Respectfully submitted,

J. EMMET HAYDEN.

Privilege of the Floor.

Frederick Schiller was granted the privilege of the floor and said, in part: "Ever since I took over the leadership of the San Francisco Municipal Orchestra some people have been always fighting me. All these attacks were concentrated on the determination of getting me out of my job. These people have succeeded in reaching the ear of one member of the Auditorium Committee—in the first year Supervisor Hynes, in the second year, Supervisor Hayden. The efforts to put me out of my job started with the first concert and have been going on until today. Having no

ground from a personal standpoint or from the standpoint of efficiency or management of the Municipal Orchestra, they finally have now come to attack me as an enemy alien.

"You will admit, I am in a very difficult position to defend myself, as many hundreds and thousands of my American countrymen appreciate, but I am very glad that this resolution will give me an opportunity to say a few words about my Americanism. When I came to America I came as a result of a revolution of my character which continued to develop as years passed. I had a conception of liberty and freedom which did not agree with the ideas of the country of my birth and there was only one thing for me to do, and that was to get out of it. When I came to America I came for my principles. I made sacrifices for my principles, and it will take me some time to get my start again in this country. If the law does not allow me to go on it is nobody's fault, it is my misfortune. Legally, I am in the position of hundreds of other people who, having taken out their first papers, were prevented by the war from taking out their second papers, and that was not my fault. When I came here, I was looking for the principle of democracy. I did not come as one looking for American dollars. I came here for my principles, and I am proud of the right and privilege of being received as an American for the reason of my belief in American ideals.

"You will admit that I have done my share to foster the spirit of patriotism. I have introduced community singing in this city, and hundreds of soldiers and sailors have joined in these patriotic demonstrations. I did it from my heart and soul. I say this only to express my sentiments and not to keep my job. As far as the job is concerned, I have asked for an increase of salary because I know the work I have to do is worth more to me than \$100. I am surprised at Mr. Hynes' statement that all I have to do is to wave a stick for that amount of money. I have to get my music from New York and arrange it very often myself, because certain of the music I use is out of stock. I select music and order it from New York; half the time we cannot get new music. These matters keep me busy. To lead such an orchestra as the Municipal Orchestra it takes the whole spirit of a man who wants to concentrate on his work. I have been asking for an increase in salary simply because it is taking more of my time and sacrifices more of my business. Orchestra concerts of this character cannot be conducted cheaper. I have had experience in

orchestra work here and in other countries. I have conducted for five years in different organizations and in Germany."

Point of Order.

Supervisor Wolfe thereupon raised the point of order that the Charter covered the entire situation, in that it provided that all employees of the city must be American citizens.

Point of order sustained.

All Appointments to Be Approved by Board.

Thereupon, the following resolution was presented by *Supervisor Wolfe* and adopted:

Resolution No. 15577 (New Series), as follows:

Resolved, That no member of the Board of Supervisors, Chairman of a Committee, or Committee of said Board, shall employ or engage the services of any person, or authorize or incur any change, debt or liability against the City and County, unless authority therefor shall have been first given by the Board of Supervisors by resolution or ordinance, except as otherwise provided by law.

Ayes—Supervisors Brandon, Deasy, Gallagher, Hayden, Hilmer, Hocks, Hynes, Kortick, Lahaney, McLeran, McSheehy, Mulvihill, Nelson, Power, Schmitz, Suhr, Welch, Wolfe—18.

Discontinuance of Municipal Orchestra and Organ Recitals.

Whereupon *Supervisor McSheehy* presented:

Resolution No. — (New Series), as follows:

Whereas, The Municipal Orchestra and Organ Recitals at the Civic Auditorium are being conducted at a great loss to the city—failing to fulfill the promises of those who inaugurated them and falling far short of even paying expenses; and

Whereas, The people generally have not encouraged these concerts and the expenditure at this time of any considerable amount of money for non-essential enterprises of this kind are at variance with the financial conservation policy of the United States Government in its conduct of the war, therefore be it,

Resolved, That the said concerts be discontinued until after the war and that any money remaining for these purposes be devoted to the purchase of third issue Liberty Bonds.

Referred to the Auditorium Committee.

Soldiers on Leave Visit Supervisors.

Eight members of the 347th regiment encamped at American Lake were visitors at the meeting of the Board of Supervisors. Colonel Granger and Father Lacombe, chaplain of

the regiment, and others addressed the Supervisors. Supervisor Wolfe responded. Chairman Ralph McLeran explained that the men are all from San Francisco and are here on leave to attend the ball and entertainment conducted by Hon. Harry I. Mulcrevy, under the auspices of the State Council of Defense for the benefit of their regiment.

Motion.

Supervisor Power moved that the Board join with the State Council of Defense in expressing its appreciation to Harry I. Mulcrevy for the magnificent manner in which the entertainment was conducted.

Motion carried by the following vote:

Ayes—Supervisors Brandon, Deasy, Gallagher, Hayden, Hilmer, Hocks, Hynes, Kortick, Lahaney, McLeran, McSheehy, Mulvihill, Nelson, Power, Schmitz, Suhr, Welch, Wolfe—18.

REPORTS OF COMMITTEES.

The following committees, by their respective Chairmen, presented reports on various matters referred, which reports were presented, read and ordered filed:

Streets Committee, by Supervisor Welch, Chairman.

Public Buildings Committee, by Supervisor Brandon, Chairman.

Fire Committee, by Supervisor Deasy, Chairman.

Supplies Committee, by Supervisor Hilmer, Chairman.

Public Utilities Committee, by Supervisor Wolfe, Chairman.

UNFINISHED BUSINESS.

Hearing of application of Pickwick Stages for an auto bus line permit for

passenger service between Los Angeles and San Francisco.

No objection being made to the application, the following resolution was presented by Supervisor Wolfe and passed for printing by the following vote:

Pickwick Stages Permit.

Resolution No. — (New Series), as follows:

Resolved, by the Board of Supervisors of the City and County of San Francisco as follows:

(1) That public convenience and necessity require the operation by the Pickwick Stages, Northern Division, a corporation, of a service as a common carrier of passengers and express packages over the public streets and highways of the City and County of San Francisco, hereinafter designated and between the termini of San Francisco, California, and Los Angeles, California, and intermediate points; provided, however, that the rights and privileges herein granted cannot be assigned or transferred without the written consent of the Railroad Commission of the State of California and of this Board being first had and obtained;

(2) That the Pickwick Stages, Northern Division, a corporation, be and they are hereby granted the right to operate the cars and equipment set forth in Exhibit "B" annexed to their petition on file herein; provided, however, that the grantee may substitute one vehicle for another upon filing a description of the substituted vehicle with the Clerk of the Board of Supervisors of the City and County of San Francisco; provided, further, that said substituted vehicle is covered by the bond hereinafter provided for;

(3) All cars and equipment operated under the permit herein granted shall be covered by a bond or policy of insurance as provided for by the ordinance of the City and County of San Francisco;

(4) That all cars operated by grantee herein by reason of the rights and privileges herein granted shall be operated in accordance with the rules, orders and regulations of the Railroad Commission of the State of California; and in accordance with the laws of the State of California and the ordinances of the City and County of San Francisco, which are now or which may hereafter be in force and effect;

(5) That the rights and privileges herein granted are granted for the period of five years from and after the date hereof; provided, however, that the same may at any time be revoked or suspended by order of this Board or of the Committee of Public Utilities, after a public hearing, before said Board or Committee, or the complaint of any person, or upon its own initia-

tive, if it finds that grantee herein has violated, or is violating, any of the laws of the State of California, or any of the ordinances of the City and County of San Francisco;

(6) That the streets and highways over which grantee is permitted to operate are as follows: Market, Valencia, Mission, Third, Railroad, Potrero, Tenth and such other street or streets, highway or highways, as may be necessary by reason of the foregoing street or streets, highway or highways, being closed for repairs, on account of fire, strike or for any other cause or causes whatsoever;

(7) That the rights or privileges herein granted are subject to the payment of any and all licenses now or hereafter exacted by the Board of Supervisors of the City and County of San Francisco;

(8) That this resolution shall be in full force and effect immediately upon the passage thereof and the Clerk of the Board of Supervisors of the City and County of San Francisco is hereby authorized to issue to the Pickwick Stages, Northern Division, a corporation, a permit showing the facts required to be shown by Section 5 (e), Chapter 213, Laws of 1917 of the State of California.

The cost of publishing this resolution shall be paid by the grantee.

Fischer Motor Co.

Hearing of application of Fischer Motor Company for auto bus line for passenger service permit between San Francisco and Lomita Park was, on motion, laid over until next meeting.

Remarks Withdrawn.

After some discussion, Supervisor Hayden withdrew his statement made at the last meeting that the Board of Supervisors, or members thereof, were "Prussianized" and were "taking orders from Berlin." "If I have reflected on the patriotism of this Board of Supervisors," he said, "I will apologize for it."

Mayor Rolph expressed the hope the incident would be forgotten, and the Clerk was requested to omit from Journal any further reference thereto.

REPORTS OF COMMITTEES.

The following committees, by their respective Chairmen, presented reports on various matters referred, which reports were presented, read and ordered filed:

Streets Committee, by Supervisor Welch, Chairman.

Public Buildings Committee, by Supervisor Brandon, Chairman.

Fire Committee, by Supervisor Deasv, Chairman.

Supplies Committee, by Supervisor Hilmer, Chairman.

Auditorium Committee, by Supervisor Hayden, Chairman.

Education, Parks and Playgrounds Committee, by Supervisor McSheehy, Chairman.

Relative to Paving of Division Street.

The following correspondence was presented and ordered spread in the Journal:

April 20, 1918.

To the Honorable Board of Supervisors, City and County of San Francisco, San Francisco, Cal.

Gentlemen: Referring to resolution of the Board of Supervisors of San Francisco, passed Monday, March 4th, 1918, calling for the improvement of Division street between San Bruno avenue and De Haro street:

This will involve an expenditure on the part of the Southern Pacific Company of approximately \$6,800, partly for payment of assessment against operative property of the company fronting on Division street, and partly for paving between rails and tracks of the company.

As your Honorable Body is aware the railroads of the country are in the possession of and under the control of the Federal Government, and in order to conserve capital, labor and material the United States Railroad Administration has directed that all capital expenditures be postponed during the period of the war, except such as are absolutely essential for handling the business of the country during that period. It would seem that this improvement comes under the head of work that is not absolutely essential, and I would, therefore, respectfully request your Honorable Board to set aside the resolution and postpone the improvement under the existing conditions.

Your favorable consideration of this petition will be appreciated.

Yours very truly,

W. R. SCOTT,
Southern Pacific Company.

Board of Supervisors County of San Francisco, San Francisco, Calif.:

Understand that City and County of San Francisco contemplates paving Division street, San Bruno avenue to De Haro street, which will involve considerable expenditure on part of Southern Pacific and Western Pacific railroads. We have been ordered by administration at Washington to conserve capital, material and labor wherever possible so that same may be used for direct transportation necessities in pursuit of war. Would it not be possible, in view of the great need by our nation of conservation at this time, to defer paving Division street? Will heartily appreciate your co-operation.

R. H. AISHTON,
Regional Director.

R. H. Aishton, Regional Director of Railroads, Chicago, Ill.:

Replying to your telegram in re paving of Division street, San Bruno to De Haro: Franchises of Southern and Western Pacific require paving of streets in this city on which tracks are laid. Paving ordered by City Engineer and Board of Works is essential to war industries. Streets are unimproved and in heart of industrial section where ship building and other war activities are centered. Quantities of street material in this job are negligible for war purposes, involving limited quantity of cement and crushed rock. Railroad companies have for twenty years stalled doing this work, which is required by law. City of San Francisco believes work should be done now to provide vehicular transportation to ships and yards engaged exclusively in war work. Amount of money railroad should be required to pay is estimated not to exceed forty thousand dollars. Work has been ordered and should be completed. Bills will not be payable for four or five months.

JAMES ROLPH, JR.,
Mayor of San Francisco.

RICHARD J. WELCH,
Chairman Street Committee.

James Rolph, Jr., Mayor of San Francisco, Cal.:

Your message April twenty-fifth. Will it not be possible, with proper maintenance, to provide for present traffic on Division street and defer paving so as to save the expenditure of Government transportation funds amounting to forty thousand dollars, which are so necessary for transportation necessities in this war period.

R. H. AISHTON,
Regional Director.

Regulating Payment of Demands for Car Fare for Deputies, Etc.

On motion of Supervisor McLeran: Bill No. 4934, Ordinance No. — (New Series), as follows:

An ordinance to regulate the manner of payment of and the drawing of demands for money necessary to pay disbursements for street car fares incurred by deputies, clerks or employees of the Department of Elections in the conduct of the business of said Department and to prescribe the form of such demands for money.

Be it ordained by the People of the City and County of San Francisco as follows:

Section 1. Whenever the Board of Election Commissioners shall, by rule or regulation, provide for the allowance and payment to deputies, clerks and employees in the Department of Elections of sums of money paid or disbursed by any such deputy, clerk or employee while engaged in the performance of duties under the direction of the said Department of Elections requiring such disbursements, the Registrar of Voters shall ascertain the sum of money necessary from time to time to meet and pay such street car fares or reimburse any such deputy, clerk or employee for such street car fares paid while actually engaged in work of outside registration, and, upon so ascertaining such sum, the said Registrar of Voters

shall be entitled to draw a demand payable to his own order against the city for an amount of money sufficient to pay and reimburse such sums so paid for street car fares, and shall out of the money so drawn upon such demand, pay and reimburse any such deputy, clerk or employee for any such street car fares of the nature above mentioned. Such demand so drawn in favor of the Registrar of Voters shall, in addition to the other requirements provided for by the Charter and the usual form of verification thereto, contain the words in substance by way of additional words of verification, that such sum of money is necessary to pay the lawful disbursements for street car fares by deputies, clerks or employees of the Department of Elections as ascertained to be correct by the Registrar. Upon presentation of such demand by the Registrar of Voters, so verified, the Board of Election Commissioners shall allow the same and the Auditor before auditing the same, or at such time as the Auditor may request, shall require of the Registrar of Voters to deposit with the Auditor the written statement of each deputy, clerk or employee making claim for such car fares, signed in such manner and to be in such form as the Auditor may require; which statements so required by the Auditor shall be left with the Auditor, and upon the auditing of such demands the Treasurer shall pay the same to the Registrar of Voters and the Registrar of Voters shall disburse such moneys for the purpose provided for under this ordinance and the Auditor may require any other different or further accounting from the Registrar of Voters with reference to the disbursements of such moneys if he should deem it necessary.

Section 2. Any ordinances or resolution heretofore adopted by the Board of Supervisors prescribing any form of demands for street car fares in the Department of Elections is hereby repealed.

Section 3. This ordinance shall take effect immediately.

School Bonds to Be Placed on Sale With the Treasurer.

Bill No. —, Ordinance No. — (New Series), as follows:

Reciting that certain school bonds remain unsold after having been advertised for sale and directing that such unsold bonds be placed on sale at the office of the Treasurer of the City and County of San Francisco, and fixing the price at which such bonds may be sold by the said Treasurer of the City and County.

Be it ordained by the People of the City and County of San Francisco as follows:

Section 1. It is hereby recited and declared that the Board of Supervisors on the 1st day of April, 1918, did adopt a resolution by which resolution the Clerk of said Board was directed to give notice by advertisement, as required by the Charter of said City and County, that on the 15th day of April, 1918, said Board would receive and consider bids for the purchase of school bonds, issue of 1918, to the amount of \$50,000, comprising 50 bonds of \$1,000 each, numbered 1 to 50, inclusive, dated March 1, 1918, and maturing March 1, 1923, and bearing interest at the rate of 4½ per cent payable semi-annually.

That in compliance with said resolution said Clerk did cause to be published in the official newspaper for a period of ten days prior to said 15th day of April, 1918, an advertisement and notice of sale of said described bonds, and that all of the requirements of the Charter of the City and County in respect thereto were fully complied with.

That no bid was received for the purchase of said bonds so advertised for sale as aforesaid, or any portion thereof, and that the whole amount thereof remain unbid for and unsold.

Section 2. As provided in Section 10 of Article XII of the Charter of the City and County of San Francisco, it is hereby ordered that all of the bonds advertised for sale and remaining unsold, to-wit: School bonds to the amount of \$50,000, comprising fifty bonds of \$1,000 denomination, maturing March 1, 1923, be placed on sale and offered for sale at the office of the Treasurer of the City and County of San Francisco, and the said

Treasurer is hereby authorized to sell said described bonds to any person desiring to purchase the same. That the price at which said bonds may be sold is the par or face value thereof, together with any and all interest that may have accrued thereon at the time of the delivery of the same to the purchaser.

Section 3. This ordinance shall take effect immediately.

Extensions of Time.

Supervisor Brandon presented:

Resolution No. 15613 (New Series), as follows:

Resolved, That the following extensions of time are granted on the recommendation of the Board of Public Works for the reasons stated:

To Mangrum & Otter, Inc., 90 days from April 15, 1918, within which to complete contract for furnishing and installing kitchen equipment in the southeast wing of the San Francisco Hospital.

Reason: *First* extension granted for reason that the materials incorporated in contract cannot be installed until the general contract of the building is further advanced.

To Flinn & Treacy, 50 days from March 16, 1918, within which to complete contract for the paving of the Fairmount School yard.

Reason: *Second* extension granted for the reason that all of the work in connection with the sub-grade of the yard has been completed, and balance of the work may be installed without interruption.

It is recommended that the advertising fee be remitted in the case of Mangrum & Otter only.

Extension of Time.

Supervisor Welch presented: Resolution No. 15614 (New Series), as follows:

Resolved, That H. Crummey, Incor-

porated, is hereby granted the following extensions of time to complete street work, viz.:

Ninety days' time from May 3, 1918, within which to complete contract for the improvement of Edinburgh street between Silver avenue and Peru avenue.

This *first* extension of time is granted upon the recommendation of the Board of Public Works for the reason that the contractor had difficulty in securing material for the work. No work has been done on this contract with the exception of making the necessary survey.

Ninety days from May 4, 1918, within which to complete contract for the improvement of Corbett avenue between Clayton street and Caselli avenue to Twenty-third street.

This *second* extension of time is granted upon the recommendation of the Board of Public Works for the reason that some of the grading has been done, the contractor having experienced delay in securing material.

Adopted by the following vote:

Ayes—Supervisors Brandon, Deasy, Gallagher, Hayden, Hynes, Kortick, Lahaney, McLeran, McSheehy, Mulvihill, Nelson, Power, Schmitz, Suhr, Welch, Wolfe—16.

Absent—Supervisors Hilmer, Hocks—2.

Intention to Change Grades.

Resolution No. 15615 (New Series), as follows:

Resolved, That it is the intention of the Board of Supervisors to change and establish grades on the following named streets, at the points hereinafter specified and at the elevations above City base, as hereinafter stated, in accordance with Resolution No. 58511 (Second Series) of the Board of Public Works adopted April 19, 1918, and written recommendation of said Board, filed April 22, 1918, to-wit: On Parker avenue between St. Roses avenue and a line parallel with Turk street and 618.75 feet southerly therefrom; and on Turk street between Masonic avenue and the westerly line of Parker avenue.

The Board of Supervisors hereby declares that no assessment district is necessary as no damage will result from said change of grades, inasmuch as the streets are ungraded and there are no existing street improvements.

The Board of Public Works is hereby directed to cause to be conspicuously posted along the street or streets upon which such change or modification of grade or grades is contemplated, notice of the passage of this resolution of intention.

Adopted by the following vote:

Ayes—Supervisors Brandon, Deasy, Gallagher, Hayden, Hynes, Kortick, Lahaney, McLeran, McSheehy, Mulvi-

hill, Nelson, Power, Schmitz, Suhr, Welch, Wolfe—16.

Absent—Supervisors Hilmer, Hocks—2.

Also, Resolution No. 15616 (New Series), as follows:

Resolved, That it is the intention of the Board of Supervisors to change and establish grades on the following named streets, at the points hereinafter specified and at the elevations above City base, as hereinafter stated, in accordance with Resolution No. 58530 (Second Series) of the Board of Public Works adopted April 22, 1918, and written recommendation of said Board, filed April 24, 1918, to-wit:

On Moutrie street between Powhattan and Eugenia avenues.

The Board of Supervisors hereby declares that no assessment district is necessary as no damage will result from said change of grades, inasmuch as the streets are ungraded and there are no existing street improvements.

The Board of Public Works is hereby directed to cause to be conspicuously posted along the street or streets upon which such change or modification of grade or grades is contemplated, notice of the passage of this resolution of intention.

Adopted by the following vote:

Ayes—Supervisors Brandon, Deasy, Gallagher, Hayden, Hynes, Kortick, Lahaney, McLeran, McSheehy, Mulvihill, Nelson, Power, Schmitz, Suhr, Welch, Wolfe—16.

Absent—Supervisors Hilmer, Hocks—2.

Also, Resolution No. 15617 (New Series), as follows:

Resolved, That it is the intention of the Board of Supervisors to change and establish grades on the following named streets, at the points hereinafter specified and at the elevations above City base, as hereinafter stated, in accordance with Resolution No. 58510 (Second Series) of the Board of Public Works adopted April 19, 1918, and written recommendation of said Board, filed April 22, 1918, to-wit: On Vermont street between Twenty-second and Twenty-third streets and on Humboldt street between Vermont street and a line parallel with and 50 feet easterly therefrom.

The Board of Supervisors hereby declares that no assessment district is necessary as no damage will result from said change of grades, inasmuch as the streets are ungraded and there are no existing street improvements.

The Board of Public Works is hereby directed to cause to be conspicuously posted along the street or streets upon which such change or modification of grade or grades is contemplated, notice of the passage of this resolution of intention.

Adopted by the following vote:

Ayes—Supervisors Brandon, Deasy, Gallagher, Hayden, Hynes, Kortick, Lahaney, McLeran, McSheehy, Mulvihill, Nelson, Power, Schmitz, Suhr, Welch, Wolfe—16.

Absent—Supervisors Hilmer, Hocks—2.

Extensions of Time.

Supervisor Welch presented:

Resolution No. 15619 (New Series), as follows:

Resolved, That M. A. Greely is hereby granted the following extensions of time to complete street work, viz.:

Ninety days' time from May 2, 1918, within which to complete contract for the grading and paving of Thirty-eighth avenue between Geary and Anza streets, where not already paved, under a public contract.

This first extension of time is granted upon the recommendation of the Board of Public Works for the reason that the performance of this work is dependent upon the securing of material for the grading, which petitioner states he has had difficulty in procuring grading material in this neighborhood having been scarce for some time. It is the contractor's plan to perform this work in conjunction with the paving of Anza street between Thirty-fourth and Thirty-fifth avenues.

Ninety days' time from May 9, 1918, within which to complete contract for paving Anza street between Thirty-fourth and Thirty-fifth avenues, under public contract.

This first extension of time is granted upon the recommendation of the Board of Public Works for the reason that petitioner states that owing to the small amount of work required he desires to perform this paving at the same time as he performs the work on Thirty-eighth avenue between Geary and Anza streets, under a separate contract.

Adopted by the following vote:

Ayes—Supervisors Brandon, Deasy, Gallagher, Hayden, Hynes, Kortick, Lahaney, McLeran, McSheehy, Mulvihill, Nelson, Power, Schmitz, Suhr, Welch, Wolfe—16.

Absent—Supervisors Hilmer, Hocks—2.

City Engineer to Furnish Estimate of Cost of Constructing Smooth Roadbed Along Great Highway From Point Lobos Avenue to Sloat Boulevard.

Supervisor Mulvihill presented:

Resolution No. 15620 (New Series), as follows:

Whereas, The Great Highway along the Ocean Beach from the westerly

end of Point Lobos avenue to the Sloat boulevard is in a deplorable condition, badly in need of proper repair and a smooth pavement, and

Whereas, The Great Highway is a boulevard, used by the automobile owners of the City and County of San Francisco exclusively for pleasure cars and touring, and is the natural artery and boulevard along the Pacific Ocean to the County Line; therefore be it

Resolved, That the City Engineer, through the Board of Public Works, be requested to furnish the Board of Supervisors with an estimate of the cost of construction of a smooth roadbed, and the necessary paving along the Great Highway between the points mentioned.

Adopted under suspension of the rules by the following vote:

Ayes—Supervisors Brandon, Deasy, Gallagher, Hayden, Hynes, Kortick, Lahaney, McLeran, McSheehy, Mulvihill, Nelson, Power, Schmitz, Suhr, Welch, Wolfe—16.

Absent Supervisors Hilmer, Hocks—2.

Transportation to Union Iron Works.

Supervisor Welch presented:

Resolution No. — (New Series), as follows:

Whereas, The development of Hunters Point as an industrial district of the City depends largely on transportation being secured thereto, and

Whereas, The Union Iron Works proposes to employ at once approximately 3000 persons in connection with its ship building industry and thus necessitate immediate steps to be taken by the City to meet the transportation needs of that industry; therefore

Resolved, That the Public Utilities and Commercial Development Committees give immediate attention to this matter and to submit to this Board such measures as, in their judgment, may be deemed appropriate.

Supervisor Welch requested and it was agreed that the foregoing resolution be considered in joint meeting of the Commercial Development and Public Utilities Committee Wednesday at 2:30 p. m.

Revocation of Cloth Sign Permits.

Supervisor Mulvihill presented:

Resolution No. 15604 (New Series), as follows:

Approved by the Board of Supervisors May 8, 1918.

Pursuant to Resolution No. 3402 (New Series), of the Board of Supervisors of the City and County of San Francisco, I, John S. Dunnigan, hereby certify that the foregoing is a true and correct copy of the Journal of Proceedings of said Board of the date thereon stated, and approved as above recited.

JOHN S. DUNNIGAN,

Clerk of the Board of Supervisors,
City and County of San Francisco

Whereas, Lawrence J. Dolan, Sealer of Weights and Measures, has notified the Board of Supervisors that repeated complaints have been made to the Department of Weights and Measures by reputable merchants, particularly those doing business on Market street, against the evil and unlawful practice of certain persons engaged in the sale of merchandise, who place on their premises advertising signs misrepresenting the merchandise offered for sale and making false statements as to their purpose or intention of retiring from business and sacrificing their stock, etc., which practice is an imposition and deception upon the public and injurious to the legitimate retail merchants; and

Whereas, Under Section 13 of Ordinance No. 1009 (New Series) the Board of Supervisors has the right to revoke any permit granted by the Board of Public Works permitting the erection or maintenance of signs projecting over sidewalks or public thoroughfares; therefore be it

Resolved, That permits granted for the erection and maintenance of signs at the following locations be and they are hereby revoked in accordance with the recommendation of the Sealer of Weights and Measures:

928 Market street, 930 Market street, 989 Market street, 963 Market street, 1063 Market street, 2045 Mission street, 2071 Mission street, 2146 Mission street, 2145 Mission street, 2234 Mission street, 2328 Mission street, 2340 Mission street, 2345 Mission street; and be it

Further Resolved, That a copy of this resolution be forwarded to the Board of Public Works and the Chief of Police, with the request that they take the necessary steps to secure the removal of these advertising signs.

Adopted under suspension of the rules by the following vote:

Ayes—Supervisors Brandon, Deasy, Gallagher, Hayden, Hynes, Kortick, Lahaney, McLeran, McSheehy, Mulvihill, Nelson, Power, Schmitz, Suhr, Welch, Wolfe—16.

Absent—Supervisors Hilmer, Hocks—2.

ADJOURNMENT.

There being no further business the Board at the hour of 5:50 p. m. adjourned.

Committee to Attend Supervisorial Congress at Los Angeles.

The following was presented, read and ordered *spread in the Journal*:

San Francisco, Cal., May, 4, 1918.

Mr. John S. Dunnigan, Clerk, Board of Supervisors, City Hall, San Francisco.

Dear sir:

This is to notify you that in accordance with the action of the Board of Supervisors at its meeting of April 29, 1918, the Mayor hereby designates Supervisors Edward I. Wolfe, Andrew J. Gallagher and Joseph Mulvihill as San Francisco's delegates to the Congress of Supervisors, to be held in Los Angeles during the week of May 20, 1918.

Kindly notify these three Supervisors of their appointment.

Very truly yours,

W. F. BENEDICT,

Assistant Secretary to the Mayor.

Visit of Mayor Rolph to Camp Lewis.

The following was presented and read by the Clerk:

Camp Lewis, Wash, May 6, 1918.
Honorable Board of Supervisors, City of San Francisco, City Hall, San Francisco, Cal.

Am soldiering today with our boys in camp. Had mess with them in the field at luncheon and witnessed their rapid target practice afterwards. They look and feel splendid and keep constantly giving three rousing cheers for San Francisco and the folks at home. Will meet them all tonight at open air smoker and deliver all the gifts to them in person sent by their friends at home. Gallant Colonel Cavanaugh, Major Cadwallader, Captain Tom Driscoll and Corporal Izzy Herrouitz of the 363d Infantry met me on arrival and have taken a day off to show me the camp and tomorrow we are to be the guests of the 247th, Colonel Granger commanding. Will sleep tonight and tomorrow night in camp, one night with each regiment. It is mighty inspiring to see the recruits we said good-bye to on our City Hall steps now brave fighting soldiers anxious to get across to France. I shall see them all in review at 4:30 this afternoon. This is a fine camp and wonderful air of patriotism throughout. Shall never forget the wonderful reception accorded me by officers and men and the love these boys of ours have for their home city, their families and friends is indeed very touching. Everybody joins me in warmest greetings through you to San Francisco and her big hearted, patriotic citizenship.

Sincerely,

JAMES ROLPH, JR.

Regulating Payment of Demands for Car Fare for Deputies, Etc.

Bill No. 4934, Ordinance No. 4580 (New Series), as follows:

An ordinance to regulate the manner of payment of and the drawing of demands for money necessary to pay disbursements for street car fares incurred by deputies, clerks or employees of the Department of Elections in the conduct of the business of said Department and to prescribe the form of such demands for money.

Be it ordained by the People of the City and County of San Francisco as follows:

Section 1. Whenever the Board of Election Commissioners shall, by rule or regulation, provide for the allowance and payment to deputies, clerks and employees in the Department of Elections of sums of money paid or disbursed by any such deputy, clerk or employee while engaged in the performance of duties under the direction of the said Department of Elections requiring such disbursements, the Registrar of Voters shall ascertain the sum of money necessary from time to time to meet and pay such street car fares or reimburse any such deputy, clerk or employee for such street car fares paid while actually engaged in work of outside registration, and, upon so ascertaining such sum, the said Registrar of Voters shall be entitled to draw a demand payable to his own order against the city for an amount of money sufficient to pay and reimburse such sums so paid for street car fares, and shall out of the money so drawn upon such demand, pay and reimburse any such deputy, clerk or employee for any such street car fares of the nature above mentioned. Such demand so drawn in favor of the Registrar of Voters shall, in addition to the other requirements provided for by the Charter and the usual form of verification thereto, contain the words in substance by way of additional words of verification, that such sum of money is necessary to pay the lawful disbursements for street car fares by deputies, clerks or employees of the Department of Elections as ascertained to be correct by the Registrar. Upon presentation of such demand by the Registrar of Voters, so verified, the Board of Election Commissioners shall allow the same and the Auditor before auditing the same, or at such time as the Auditor may request, shall require of the Registrar of Voters to deposit with the Auditor the written statement of each deputy, clerk or employee making claim for such car fares, signed in such manner and to be in such form as the Auditor may require; which statements so required by the Auditor shall be left with the Auditor, and upon the auditing of such demands the Treasurer shall pay the same to the Registrar of Voters and the Registrar of Voters shall disburse such moneys for the purpose provided for under this ordinance and the Auditor may require any other different or further accounting from the Registrar of Voters with reference to the disbursements of such moneys if he should deem it necessary.

Section 2. Any ordinances or resolution heretofore adopted by the

Board of Supervisors prescribing any form of demands for street car fares in the Department of Elections is hereby repealed.

Section 3. This ordinance shall take effect immediately.

Pickwick Stages Permit.

Resolution No. 15638 (New Series), as follows:

Resolved, By the Board of Supervisors of the City and County of San Francisco, as follows:

(1) That public convenience and necessity require the operation by the Pickwick Stages, Northern Division, a corporation, of a service as a common carrier of passengers and express packages over the public streets and highways of the City and County of San Francisco, hereinafter designated, and between the termini of

San Francisco, California, and Los Angeles, California, and intermediate points; provided, however, that the rights and privileges herein granted cannot be assigned or transferred without the written consent of the Railroad Commission of the State of California and of this Board being first had and obtained:

(2) That the Pickwick Stages, Northern Division, a corporation, be and they are hereby granted the right to operate the cars and equipment set forth in Exhibit "B" annexed to their petition on file herein; provided, however, that the grantee may substitute one vehicle for another upon filing a description of the substituted vehicle with the Clerk of the Board of Supervisors of the City and County of San Francisco; provided, further, that said substituted vehicle is covered by the bond herein-after provided for;

(3) All cars and equipment operated under the permit herein granted shall be covered by a bond or policy of insurance as provided for by the Ordinance of the City and County of San Francisco;

(4) That all cars operated by grantee herein by reason of the rights and privileges herein granted shall be operated in accordance with the rules, orders and regulations of the Railroad Commission of the State of California; and in accordance with the laws of the State of California and the ordinances of the City and County of San Francisco, which are now or which may hereafter be in force and effect;

(5) That the rights and privileges herein granted are granted for the period of five years from and after the date hereof; provided, however, that the same may at any time be revoked or suspended by order of this Board or of the Committee of Public Utilities, after a public hearing, before said Board or Committee, on the complaint of any person, or upon its own initiative, if it find that grantee herein has violated or is violating any of the laws of the State of California, or any of the ordinances of the City and County of San Francisco;

(6) That the streets and highways over which grantee is permitted to operate are as follows: Market, Valencia, Mission, Third, Railroad, Potrero, Tenth and such other street or streets, highway or highways as may be necessary by reason of the foregoing street or streets, highway or highways being closed for repairs, on account of fire, strike or for any other cause or causes whatsoever;

(7) That the rights or privileges herein granted are subject to the payment of any and all licenses now or

hereafter exacted by the Board of Supervisors of the City and County of San Francisco.

(8) That this Resolution shall be in full force and effect immediately upon the passage thereof and the Clerk of the Board of Supervisors of the City and County of San Francisco is hereby authorized to issue to the Pickwick Stages, Northern Division, a corporation, a permit showing the facts required to be shown by Section 5 (e), Chapter 213, Laws of 1917 of the State of California.

The cost of publishing this Resolution shall be paid by the grantee.

Anti-Vivisection Ordinance.

The following report and bill were presented and *read by the Clerk*:

San Francisco, May 6, 1918.

Board of Supervisors.

Gentlemen: Your Health Committees respectfully recommends that the proposed ordinance "Limiting and regulating the practice of vivisection and animal experimentation and providing penalties for all violations" do not pass.

A public hearing was granted the proponents and opponents of the measure at a meeting of your committee held on Thursday, May 2, 1918.

William N. McCarthy and Mrs. Walter Manchester spoke in favor of the proposed ordinance and at the conclusion of their remarks Supervisor Power offered a motion, seconded by Supervisor Hayden, that the committee report adversely on the bill.

The motion failed, Supervisors Power and Hayden voting in favor and Supervisors Lahaney and Schmitz against.

John Enright read a lengthy argument in support of the measure.

Health Officer Hassler, Dr. Thomas W. Huntington, Dr. A. H. Giannini, Commander Rosseter, U. S. N.; Major Shields, U. S. A.; Rev. Charles Ramm, Dr. Graves, President of the County

Medical Society; Mrs. Heyman, Dr. G. H. Whipple, J. K. Moffitt, Dr. Rosenstirn and Sister Mary Malacchi of St. Mary's Hospital, spoke against the bill.

Communications were received from Dr. W. Ophuls, Dean Stanford University Medical School; Dr. Herbert C. Moffitt, Dean University of California Medical School; Ray Lyman Wilbur, President Stanford University; Dr. Roy H. Briggs, Secretary California Academy of Medicine; Harry M. Sherman, Chairman California State Committee, Medical Section, Council of National Defense; the California Society for the Promotion of Medical Research and Dr. T. W. Huntington, Director of Intensive Training School for Medical Officers in San Francisco, protesting against the passage of the measure.

The arguments in favor of the bill were closed by Mrs. A. Clancy, Mrs. Hall and Mrs. Walter Manchester.

Supervisor Schmitz moved that the measure be favorably recommended. There was no second to the motion.

Supervisor Power then moved that the committee report against the passage of the measure; Supervisor Hayden seconded the motion, which was carried by the affirmative votes of Supervisors Power, Hayden and Lahaney. Supervisor Schmitz voted against the motion.

Respectfully submitted,

JOS. F. LAHANEY,
J. EMMET HAYDEN,
JAMES E. POWER,
Health Committee.

Minority Report.

San Francisco, May 6, 1918.

Board of Supervisors, City and County of San Francisco.

Gentlemen: I hereby file a minority report to the report of the Health Committee, and most respectfully file my approval of the "Anti-Vivisection" Ordinance, and recommend its adoption.

Respectfully,

E. E. SCHMITZ,
Supervisor, Member of Health Committee.

Bill No. —, Ordinance No. — (New Series), as follows:

Limiting and regulating the practice of vivisection and animal experimentation, and providing penalties for all violations.

Be it ordained by the People of the City and County of San Francisco as follows:

Section 1. Excepting as herein specifically provided for, and subject to the limitations and conditions contained in Section 2, 3, 4, 5 and 6 of this ordinance, it shall be unlawful for any person, association, college or other institution to perform, or cause

or permit to be performed, any act of vivisection or animal experimentation upon any animal, or to have in their possession, or to keep or receive any live animal to be used for the purpose of vivisection or animal experimentation.

Section 2. Provided, however, that nothing in this ordinance shall prohibit any person who has been licensed to practice medicine or surgery for not less than three years, from using live animals other than dogs or cats; first, for the purpose of diagnosis of disease by laboratory biological examination of specimens of swabs, stools, tissues, blood, pus and sputum. Second, for the production of vaccines, serum and anti-toxins.

Section 3. All persons, before being authorized to use animals for the purpose set forth in Section 2 hereof, must first secure the permission of the Board of Health of the City and County of San Francisco, State of California. Said Board shall inquire as to the applicant's eligibility and if satisfied, issue to the said applicant a permit which is to be renewed annually; the fee for said permit and its form to be determined by the said Board of Health.

Persons employed in laboratories belonging to the City and County of San Francisco, and under the control of the Board of Health, shall be exempt from the payment of a permit, but shall be subject to all other provisions of this ordinance.

Section 4. All persons to whom the permit mentioned in Section 3 hereof is issued, and all persons employed in similar work in any said City and County institution in the City and County of San Francisco shall keep a true and correct record of all animals used, enumerating the different kinds of animals, and the nature and kind of experiment or operation performed upon each; such record must be filed monthly with the Secretary of the Board of Health, and by him kept on file as a public record, accessible to any citizen during ordinary office hours. Blank forms for this purpose will be issued by the Board of Health.

Section 5. No animal may be used for the purposes permitted in Section 2 of this ordinance more than once, and after the conclusion of the experiment to which each animal has been subjected, it shall forthwith be killed in as painless a manner as possible.

Section 6. The San Francisco Anti-Vivisection Society shall have the right to appoint two representatives, who, upon showing their credentials, shall be entitled to admission at any

and all times, to any place wherein animals are kept, or where any of the work or acts set forth in Section 2 hereof are performed or accomplished for the purpose of ascertaining and determining that the provisions of this ordinance are strictly complied with according to the tenor thereof.

Section 7. Any person who shall violate any of the provisions of this ordinance shall be guilty of a misdemeanor, and upon conviction thereof shall be punished by a fine not to exceed five hundred (\$500) dollars or by imprisonment in the County Jail for not more than six (6) months or by both such fine and imprisonment.

Section 8. All orders and parts of orders in conflict herewith are hereby repealed.

Section 9. This ordinance shall take effect and be in force thirty days after its passage.

City Attorney to Compromise Damage Claim of Annora Murphy for \$5,000.

Supervisor Wolfe presented:

Resolution No. 15643 (New Series), as follows:

Whereas, In an action commenced and pending in the Superior Court of the City and County of San Francisco, wherein Annora Murphy is plaintiff and the City and County of San Francisco is defendant (said action being designated in the records of the Superior Court as action No. 81896) an offer of compromise has been made for the sum of \$5,000 as net; and

Whereas, The City Attorney has by written communication addressed to the Board of Supervisors recommended the settlement and compromise of said action for the said sum of \$5,000 net; and

Whereas, It appears from said communication of the City Attorney that it would be for the best interests of the City to so do, now therefore be it

Resolved, That the City Attorney be and he is hereby authorized and directed to settle and compromise said action for the sum of \$5,000 net and to draw the necessary papers therefor.

The Journal of Proceedings of May 6, 1918, was considered, read and approved.

ROLL CALL FOR PETITIONS FROM MEMBERS.

The following matters were presented and read by the Clerk:

State Building in Civic Center.

Communication—From Willis Polk, requesting that city take steps to have a review by the Commission of Fine Arts of the alleged lack of harmony in the State Building with the other Civic Center structures.

Referred to the Public Building Committee.

City Attorney's Opinion in Re Paving Between Rails on Municipal Railway Lines.

Communication—From the City Attorney, advising that there is no liability imposed on the city and county to pay the cost of paving between the rails or tracks of the Municipal Railway, and that the city and county has authority to require the pavement of streets between the tracks of the Municipal Railway and two feet on each side thereof, to be paid for by the abutting property owners.

Referred to Public Utilities Committee.

City Attorney Advises As to Employing Organist.

The following was presented and read by the Clerk:

Gentlemen:

I am in receipt of your communica-

tion of even date herewith in which you ask to be advised as to your authority to authorize his Honor the Mayor to employ Edwin Lemare as organist in the Auditorium, in view of the fact, as you state, that Mr. Lemare is a British subject.

Opinion.

The employment of persons who are not citizens of the United States by the City and County of San Francisco is regulated by Section 2 of Article XVI of the Charter. Said section is as follows:

"All persons appointed to office, position or employment under the City and County must be citizens of the United States, and must, during their respective terms of office or employment actually reside in the City and County, and must have so resided for the period of one year next preceding their appointment; provided, that positions requiring expert or technical training may, by resolution of the Board of Supervisors approved by the Mayor, be exempted from this condition, and there shall be imposed in lieu thereof a certification of training and experience. Appointees whose duties are performed outside of the City and County shall not be subject to the requirements of this section. All provisions of the Charter in conflict with this section are hereby repealed."

The question of whether the position or employment of organist comes within the purview of the proviso of Section 2, as requiring expert or technical training is one for the determination of your Honorable Board, and you have full power to exempt such position or employment from the condition of citizenship and residence as set forth in the section, after you have determined that such position or employment requires expert or technical training.

In that event, considering the matter from the standpoint that Mr. Lemare is to be an employee of the City and County, your Honorable Board may adopt a resolution exempting the position or employment of organist from the condition set forth in Section 2. Mr. Lemare on his part is required to provide a certificate of training and experience.

If Mr. Lemare is an independent contractor furnishing organ concerts, then

the rule expressed in the Appellate Court in the case of Figone vs. Repetti, reported in 11 Cal. App., p. 251, controls. The court held that the provisions of Section 2, Article XVI, did not apply to the case of an independent contractor; that the section which restrains the right of the City and County to employ certain classes of persons must be given no broader construction than its plain words imply. It said also that a contractor is not an employee of the City and County and therefore did not come within the terms of Section 2.

You are therefore advised that in either event, whether as an employee or contractor, your Honorable Board has the power to employ Mr. Lemare or authorize his Honor the Mayor to enter into the contract referred to in your communication.

Respectfully,

GEORGE LULL, City Attorney.

Whereupon, the following resolution was presented and *adopted*:

Resolution No. 15676 (New Series), as follows:

Resolved, That the Mayor is hereby authorized to enter into contract with Edwin H. Lemare as the official organizer at the Exposition Auditorium for the period of three months, from April 1 to July 1, 1918, at a compensation not to exceed \$833.33 per month.

Adopted by the following vote:

Ayes—Supervisors Brandon, Deasy, Gallagher, Hayden, Hilmer, Hynes, Kortick, Lahaney, McLeran, McSheehy, Nelson, Power, Schmitz, Suhr, Welch, Wolfe—16.

Absent—Supervisors Hocks, Mulvihill—2.

Relative to Mayor Rolph's Trip to Camp Lewis.

The following was presented by Supervisor Mulvihill:

Resolution No. 15655 (New Series), as follows:

Whereas, Under the auspices of the San Francisco Ad Club and the San Francisco Call, a public patriotic mass meeting will be held on Thursday evening, May 16, 1918, at the Civic Auditorium, to celebrate the city's loyal support of the war, and its magnificent war work record;

Whereas, An excellent program has been arranged, and his Honor the Mayor, who has just returned from a visit to Camp Lewis, will address our people on the part the city has taken in aiding the Government in the vigorous prosecution of the war, and will also give a general outline of his visit while at Camp Lewis as to the health and condition of our boys at the camp;

Resolved, That we, the Board of Supervisors, on behalf of the parents, relatives and friends and the citizens of San Francisco, express our grateful appreciation and heartfelt thanks to his Honor the Mayor, James Rolph Jr., for the wonderful tribute he has paid our boys by making the trip to Camp Lewis and the friendly spirit he has shown in bringing them words of good cheer and presents from their people;

Further Resolved, That we, the Board of Supervisors, express our desire to co-operate with this war work rally committee and will attend this mass meeting in a body, and that we further request all of our public officials, the relatives and friends of the boys at Camp Lewis, and the patriotic citizens of San Francisco to attend this gathering.

Adopted under suspension of the rules by the following vote:

Absent—Supervisor Hocks.

Whereupon, Supervisor Schmitz, under suspension of the rules, presented

the following entitled bill and moved its reference to the Health Committee:

Bill No. —, Ordinance No. — (New Series), entitled "Regulating the practice of vivisection and animal experimentation in the City and County of San Francisco, requiring applications and permits therefor, and reports in relation thereto; permitting authorized persons to have access to all places wherein such work is being carried on, and providing penalties for violations of the ordinance."

Referred to Health Committee.

Committee of the Whole.

Thereupon, on motion of Supervisor Power, the Board resolved itself into the Committee of the Whole for the purpose of hearing the proponents and the opponents of the proposed measure by the following vote:

Ayes—Supervisors Brandon, Deasy, Hayden, Hilmer, Kortick, Lahaney, McLeran, McSheehy, Mulvihill, Power, Suhr, Wolfe—12.

Noes—Supervisors Gallagher, Hynes, Nelson, Schmitz, Welch—5.

Absent—Supervisor Hocks—1.

Privilege of the Floor.

Whereupon, *Wm. N. McCarthy, Mrs. Harrington, Mmc. Grosjean and Mrs. Manchester* addressed the Board in favor of the proposed legislation. *Mrs. Clancy* also addressed the Board in opposition to the practice of vivisection generally.

Dr. John Gallwey, Rev. Chas. Ramo, representing Regents of State University, *Geo. Gerhard and Dr. Julius Rosenstirn*, representing the Civic League, and *Major Wheatley* of the U. S. Army, *Mrs. Dilliubeck, Mrs. Olivia Hicks and Dr. Hassler*, representing the Board of Health, also addressed the Board in opposition to any legislation at this time that will tend to limit medical research and investigation by means of animal experimentation. (See stenographic notes on file in Clerk's office.)

Surgeon-General Ryerson of Canada also addressed the Board, calling attention to the advancement made in medical science through animal experimentation.

Whereupon, Supervisor Power moved that the Committee of the Whole arise and report progress.

Motion carried.

NOTICE OF RECONSIDERATION.

Santa Clara street, San Jose; that the vehicles to be used in the transportation of freight are: 1 one-ton Republic truck and 1 one-ton trailer; that the rights and privileges herein granted are for the term of five years from date hereof, provided the same may be revoked or suspended by the Board of Supervisors in the manner provided by law.

In the exercise of the privileges herein granted the grantee shall observe all the requirements of the ordinances of the City and County.

The cost of publishing this resolution shall be paid by the grantee.

REPORTS OF COMMITTEES.

The following committees, by their respective Chairmen, presented reports on various matters referred, which reports were presented, read and ordered *filed:*

Fire Committee, by Supervisor Deasy, Chairman.

Streets Committee, by Supervisor Welch, Chairman.

Auditorium Committee, by Supervisor Hayden, Chairman.

Police Committee, by Supervisor Hilmer, Acting Chairman.

Report of Finance Committee on Budget of Municipal Expenditures for 1918-1919.

The following report and ordinance were presented by Supervisor McLeran and ordered spread in the Journal:

San Francisco, Cal., May 13, 1918.
To the Board of Supervisors, San Francisco, California.

Gentlemen:

Conditions arising directly from the war with Germany, and the necessity to provide for expenses over which the Board of Supervisors has no control, compel your Finance Committee to recommend an increase over last year's Budget estimates of \$444,270.

This increase, analyzed with relation to the increases in cost of living, necessary raises in wages and to provide for a Christianlike maintenance of the sick and dependent, has been kept at the lowest possible point.

In fact, the total increases in the

Budget, together with the great falling off in revenues from outside sources, will add less than 10 per cent to the tax rate.

The Budget recommended, notwithstanding the increase, will necessitate the most rigid economy on the part of the city during the next year. The worldwide war compels such economy. Cities, states, individuals—in fact, the whole nation—must obviate waste of every character and must undergo privation. To win the war the Federal Government insists upon savings in every possible place, and to meet these circumstances the Committee has omitted appropriations requested by improvement clubs, by public officials and individuals, which improvements in normal times should go on immediately. It must be reiterated again and again that savings must be made, and the Finance Committee has gone along and almost ruthlessly cut out expenses. The hope is that the city functions may be carried on without undue deprivation, and that the people will patiently wait the end of the war before demanding expenditures that are not absolute necessities.

Standing against this minimum increase the Finance Committee was confronted with the knowledge that prices of subsistence, raises in wages, and other costs have increased throughout the world.

Reduced Saloon Revenue.

In estimating the probable tax rate, the Committee has taken into consideration, and reports to the Board a marked falling off in revenues from outside sources. The receipts from liquor licenses will diminish more than \$400,000, which means, when the tax rate is fixed prior to September, that these revenues will have to be made up from taxation; and means further, that it will amount to approximately 8 cents in the tax rate. The Board should be advised at this time that the income from outside revenue sources may diminish still further—no one knows how many saloons will remain in business during the next year. Other revenues have likewise diminished. These factors will have to be considered after the assessment roll is completed by the Board of Equalization, and the reports from the license department are at hand.

The recommendations here made, if approved by the Board of Supervisors, will eliminate many city positions. These eliminations will occur in the various departments, and the administrative officers, acting under civil service regulations, will be compelled to drop from the payroll the positions for which no money has been appropriated.

It is perhaps justifiable upon the part of the Committee to advise the Board that unusual difficulties surround the preparation of Budget recommendations. It is not necessary to attempt to recount in detail the effect of the present war upon every community. These conditions are known to officials and the public. While preparing these recommendations, the Committee had frequent conferences with Federal officials, the chairman consulted with the President and Directors of the Federal Reserve Bank, and as a result of emphatic and insistent advice from these sources, no new projects of any character are recommended. It is proposed that the Board of Supervisors provide only sufficient money to carry on the functions of the city, make only necessary repairs to existing streets and buildings.

Auditor's Budget Form.

So far as possible at this time the Committee has adopted the form of Budget recommended by Auditor Boyle; the codification and classification of accounts which he proposes is simple and logical, and the Committee regrets that the full detailed itemization cannot be followed. Following up this form the Board in another year may very properly adopt the Budget form prepared by the Auditor. One reason why it is not attempted at this time is that the Board of Supervisors will be placed in the position of dictating the form of organization in the administrative departments. Under the Charter several departments have exclusive control of their own affairs, and the Committee feels that it is not proper to dictate to them as to how they shall run their business. Later on, by co-operation and assistance, a completely itemized Budget can be prepared.

The Imperative Increases.

For the information of the Board and the public the Committee calls attention to some of the larger increases which make up the amounts which affect the Budget total. To begin with, there is a wage increase already provided by scales adopted by the United States Government and industrial institutions for which provision has been made in these estimates. The Committee urges that provision be made for these increases. In adjusting appropriations the Committee advises the Board that no recommendations herein increase the wages or salaries of any city employee who is receiving \$200 or more a month. Effort has been made to give salaries to clerks and employees so that they might maintain themselves and families upon a fair American standard.

Estimates for wage rates are based upon the prevailing conditions throughout the city and country. It should be said here that appropriations committees of the United States Government and of the municipalities throughout the country have taken similar action.

Twin Peaks Tunnel Deficit.

Another increase is the recommendation that the Board provide one hundred and seventy thousand dollars to pay the deficit in the construction of the Twin Peaks tunnel. The contractor has completed his work, the Tunnel Fund is exhausted and the city is obligated to pay the bill. Heretofore the Committee recommended that this bill be paid out of Municipal Railroad Fund. This recommendation has not been approved; the bill should be paid, and therefore the Committee includes it in the Budget.

Recommendation is also made that \$120,000 be provided for the purchase of Civic Center property. Land on Fulton street, opening into Market, was placed under condemnation, the owner of the property deprived of the use and income thereof, and the purchase of this and other property under like circumstances, should be made from year to year; were it not that the war is upon us a much larger appropriation would be recommended.

Tuberculosis Sanitarium.

An increase of \$160,858 goes in the estimates of the Board of Health. Of this \$50,000 is for a Tuberculosis Sanatorium outside of the City and County. The Board instructed the Committee to provide for this, and the Committee feels the appropriation will be approved by the public. Sanitary requirements by the Federal Government compel the expenditure of another \$50,000, and the balance of the increase is necessary for maintenance of the hospitals.

School Appropriations.

To overcome in small measure the urgent necessities of the School Department and tide over conditions until school bonds can be sold, the Committee recommends an appropriation of \$200,000 for repairs, construction and reconstruction of school buildings. This is an increase of \$85,000 over last year's appropriation. The money herein recommended will provide for the construction of temporary and portable schools to relieve the existing congestion, and, in some instances, provide for full-day classes for school children. If this is not done the Board of Education will be compelled to split the classes and give the children only half a day schooling. There can be no question that appropriations of this kind must be made be-

cause the primal duty in America today is to provide educational opportunities for the children. Included in the school fund appropriation is an increase of \$163,784.

Another Election.

The Board will be compelled to appropriate \$74,623 additional to the Department of Elections; the State Primary is an extra election as compared with last year and the law compels appropriation therefor.

It is also compulsory to appropriate \$30,000 additional for Maintenance of Minors, Widows' Pensions and the Magdalen Asylum—these expenditures are regulated by State law and must be met.

Pension Deficit.

By Charter provision it is necessary to appropriate \$30,000 to meet deficit in the Police and Firemen's Pension Funds. The revenues which were intended to provide that these funds should be automatic and self-sustaining have fallen off to a point which creates a deficit and the Charter provides that it is the duty of the Board of Supervisors to provide in the tax levy for such deficits when they occur. The Committee deems it sound policy to appropriate for these deficits from year to year instead of letting them accumulate till they reach a point where a marked increase in the tax rate will result.

Two-Platoon System.

The Fire Department increase is only \$10,000, and the total recommended will provide for the installation of the two-platoon system. The men in the department advised the Committee that the two-platoon system, which was voted by the people, ought not to increase the present expense of the department.

Auditorium.

The Committee recommends an appropriation of \$21,000 for the maintenance and operation of the Civic Auditorium. This is \$16,000 increase over last year's appropriation. In connection herewith it is also recommended that the management and control of the Auditorium be placed in the hands of the Board of Public Works. The appropriation here recommended will provide for maintenance and the revenues received from the Auditorium can be deposited like any other revenue to the credit of Receipts from Other Sources. Under the present method of operating the Auditorium a special fund exists and the revenues are expended oftentimes before they are received. The Auditorium fund for the current year shows a deficit of more than \$5,000, notwithstanding the appropriation provided in the last Budget, together with the revenues for the year had been spent. In the

judgment of the Committee it will be much better business to enforce the ordinance fixing the rental of the Auditorium and let the building be managed exclusively by the Board of Public Works.

Urgent Necessity Fund.

The full amount permitted by the Charter for Urgent Necessity—namely \$100,000—should be appropriated. The unusual conditions under which the city is operating and the possibility that moneys may be urgently and instantly needed to meet an emergency, requires that this amount be left intact. It does not necessarily follow that the money has to be expended for anything except an urgent necessity.

The appropriations for the Park and the Library are automatically increased \$26,000.

The appropriation for lighting expense is increased \$7,000, and the appropriation for Water for Public Buildings is increased \$5,500.

Recommendation is made for item. \$1,500 for pump for the City Hall and \$1,100 for pump for the County Jails 2 and 3. A well has been bored at Van Ness avenue, in front of the City Hall, and a well exists at the County Jails. By the installation of the necessary pumps water can be supplied for these buildings and a saving made in the water bills as they now run.

Street Repairs.

In appropriating for street work the Committee recommends special items on the repair or reconstruction of six streets, as follows:

Brannan street, Seventh to Tenth	\$ 31,000
Bryant street, Third to Fifth	72,350
Hyde street, Sutter to McAllister	23,500
Leavenworth street, McAllister to Post	16,000
Folsom street, First to Second	8,950
Powell street, Broadway to Union	4,700

Total \$156,500

For repair and construction of streets to be expended under the indentment of the Board of Public Works, \$404,500 is recommended. This makes a total for street work, \$561,000.

Recommendation is respectfully made to the Board of Public Works that the Side Sewer Department, as it now exists, be abolished, and the functions of said department be transferred to the Sewer Repair Bureau. This trans-

fer would undoubtedly make for better administration of the side sewer installation.

The Board of Works is also respectfully requested to transfer the Sidewalk Inspection Bureau to the Bureau of Building Inspection, thereby eliminating some overhead.

City Planning.

An appropriation of \$5,000 for the City Planning Commission is recommended. The Charter was amended providing for this Commission, ordinances were passed and his Honor the Mayor appointed the Commission. The Commission now proposes to begin work and make scientific study of sanitation and industrial conditions so that when times approach normal recommendations may be made for the improvement of the sanitary and economic conditions of the municipality. The Commission proposes to make studies for the location and regulation of industrial zones and bring into use vacant and non-productive property.

Economy Urged.

Presented herewith is a copy of the Budget appropriations. The Committee has the detail upon which these estimates are based. The information at hand is open to the members of the Board, and the members of the Committee will give the Supervisors the data upon which estimates were predicated.

In conclusion, the Committee again requests the Board and all city officials and employees to practice strict economy in the expenditure of public funds. Many difficulties, now unforeseen, are sure to arise as a result of war conditions. The utmost co-operation between departments must be had so that we may all do our share as patriotic, loyal and thrifty Americans to help win the war.

The Committee has no pride of opinion or superior judgment, and presents its recommendations as a result of several weeks' arduous work. Should the Board differ with the Committee there need be no extended argument and no criticism. An honest difference in judgment is expected. The Committee only asks that the Board appreciate that it has done the best it could, and submits the result of its labors to the Board for its analysis and action.

Respectfully submitted

RALPH McFERRAN

Itemization of Comparative Budgets.

Supervisor Hynes presented:

Resolution No. 15654 (New Series), as follows:

Whereas, The Finance Committee has presented to the Board of Supervisors the Budget for the Fiscal Year 1918-19, with the recommendation that same be adopted by this Board; and

Whereas, It is the desire of each individual member of this Board to be in a position to intelligently analyse the various items contained in said Budget; and

Whereas, In order to do so the Supervisors should be in possession of all the information which enabled the members of the Finance Committee to reach their conclusions; therefore be it

Resolved, That a copy of the itemizations, as prepared by Mr. Williams for the information of the Finance Committee, be furnished to each member of this Board who desires same, in order that they may be able to cast their votes with full knowledge of the subject.

Adopted under suspension of the rules by the following vote:

Ayes—Supervisors Brandon, Deasy, Gallagher, Hayden, Hilmer, Hynes, Kortick, Labaney, McLeran, McSheehy, Mulvihill, Nelson, Power, Schmitz, Suhr, Welch, Wolfe—17.

Ordering Street Work.

On motion of Supervisor Welch:

Bill No. 4952, Ordinance No. — (New Series), as follows:

Ordering the performance of certain street work to be done in the City and County of San Francisco, approving and adopting specifications therefor and authorizing the Board of Public Works to enter into contract for doing the same.

Be it ordained by the People of the City and County of San Francisco as follows:

Section 1. The Board of Public Works in written communication filed in the office of the Clerk of the Board of Supervisors May 4, 1918, having recommended the ordering of the following street work, the same is hereby ordered to be done in the City and County of San Francisco in conformity with the provisions of the Street Improvement Ordinance of said City and County of San Francisco, said work to be performed under the direction of the Board of Public Works, and to be done in accordance with the specifications prepared therefor by said Board of Public Works, and on file in its office, which said plans and specifications are hereby approved and adopted.

The improvement of *Fout avenue between Pemberton place and Clarendon avenue, of the crossing of Fout avenue and Pemberton place, of a portion of Clarendon avenue between Burnett avenue and Villa Terrace, and of a portion of Clarendon avenue opposite the termination of Fout avenue*, by grading to official line and grade, by the construction of a low, reinforced concrete retaining wall in Clarendon avenue and opposite the termination of Fout avenue, of a high reinforced concrete retaining wall in Clarendon avenue, opposite the termination of, and extending into Fout avenue, of 15 reinforced concrete posts and a two rail 2-inch galvanized wrought-iron pipe railing on the high retaining wall, and of a vitrified brick pavement between the two walls; by resetting existing manholes and catchbasins to official line and grade and the construction of a brick catchbasin with cast-iron frame, grating and trap and 10-inch vitrified, salt-glazed, ironstone pipe culvert on the easterly half of Fout avenue; by the construction of concrete curbs and artificial stone sidewalks of the full official width; by the construction of a vitrified brick pavement on Fout avenue from Pemberton place to a line through the first angle points northerly therefrom on the easterly and westerly property lines thereof and northerly from a line through the first angle points southerly from Clarendon avenue on the easterly and westerly property lines of Fout avenue to a line through the southerly ends of the two retaining walls; and by the construction of an asphalt

pavement consisting of a 6-inch concrete foundation and a 2-inch asphaltic wearing surface on the remainder of the roadway thereof. All being in accordance with Specifications No. 13149, approved by City Engineer M. M. O'Shaughnessy on March 5, 1918.

The improvement being of more than local or ordinary public benefit, the expense of such improvement is chargeable upon a district in accordance with Section 5 of the Street Improvement Ordinance and the boundaries of the district benefited by and to be assessed for the cost of the proposed improvement are as follows:

Commencing at the point of intersection of the easterly line of Lot 16 of Block 2719B, as shown on the Assessor's Block Book, with the southerly line of Fout avenue; thence southerly along the easterly line to the southerly line of said Lot 16; thence westerly along the southerly line of Lots 16 and 15 of said Block 2719B to the easterly line of Lot 14; thence southerly along the easterly line of Lot 14 to the southerly line thereof; thence westerly along the southerly line of Lots 14, 13, 12, 11 and 10 to the northwesterly line of Lot 10; thence northeasterly along the northwesterly line of Lot 10 to the southwestery line of Lot 9; thence northwesterly along the southwestery line of Lots 9 and 8 to the northeasterly line of Crown Terrace; thence northerly and westerly along the northeasterly line of Crown Terrace to the southerly line of Clarendon avenue; thence along the easterly line of Crown Terrace produced to the northerly line of Clarendon avenue; thence northerly and easterly along the northerly line of Clarendon avenue to the second angle point southerly from Carmel street; thence southeasterly along a line to the southerly line of Clarendon avenue at its point of intersection with the westerly line of Villa Terrace; thence southerly and westerly along the southerly line of Clarendon avenue to the southwestery line of the unnamed alley to the north of Fout avenue and between Villa Terrace and Clarendon avenue; thence southeasterly along said southwestery line of the unnamed alley to the northwesterly line of Villa Terrace; thence southerly and easterly along the southwestery line of Villa Terrace to the northerly line of Fout avenue; thence southerly and at right angles to the northerly line of Fout avenue to the southerly line of Fout avenue; thence easterly along the southerly line of Fout avenue to the point of commencement; saving and excepting all public streets.

Amending Street Specifications Ordinance.

Also, Bill No. 4953, Ordinance No. (New Series), as follows:

Amending Section 35 of Ordinance No. 240, entitled "Providing general rules and standard specifications for street and sidewalk work and limiting the use of various kinds of pavements and sidewalks in the City and County of San Francisco," approved March 1, 1901.

Be it ordained by the People of the City and County of San Francisco as follows:

Section 1. Section 35 of Ordinance No. 240, the title to which is recited in the title to this ordinance, is hereby amended to read as follows:

Section 35: Concrete foundation for pavement.

Concrete foundation for pavements shall consist of concrete composed of Portland cement and fine and coarse aggregate mixed with water in the proportions hereinafter specified, laid in one course six (6) inches thick, except where in this ordinance a different thickness is expressly permitted or required.

MATERIALS.

Cement.

Cement shall conform to the requirements as specified for cement in Section 36 of this ordinance.

Sand or Fine Aggregate.

Fine aggregate shall consist of sand or dustless screenings from clean, hard, durable crushed rock or gravel consisting of quartzite grains or other equally hard material. It shall be free from loam, clay, vegetable or other inferior matter and shall show not more than five (5) per cent by volume of silt after being shaken and washed in water and allowed to settle for one (1) hour.

The fine aggregate may be either a graded sand or a city sand. The graded sand shall be well graded from coarse to fine with the following limitations:

Passing 1/4-inch screen.....	100%
Passing 20-mesh screen..	45% to 80%
Passing 50-mesh screen..	10% to 35%
The city sand, obtained from the natural sand deposits within the city, must pass the following screen test:	
Passing 10-mesh screen.....	100%
Passing 50-mesh screen, not more than	85%
Passing 80-mesh screen, not more than	15%

Rock or Coarse Aggregate.

Coarse aggregate shall consist of clean, hard, durable crushed rock or gravel, such as trap, limestone, granite or altered sandstone, free from dust, loam, clay, shale or other inferior materials, and shall contain no

soft, flat or elongated particles. Any delivery containing cracked or laminated rock or rock which can be readily broken, after immersion in water for one (1) hour, will be rejected. When shaken or washed in water, the volume of silt settling in one (1) hour shall not exceed three (3) per cent of the volume of the sample.

Coarse aggregate shall be well graded in size, shall all pass a two (2) inch screen, and shall all be retained on a screen having four (4) meshes per linear inch.

For convenience, gravel or crushed rock may be designated by number in conformity with the following schedule:

No. Rock.	Passing Screen.	Rejected by Screen.
2.....	2-inch mesh	1½-inch mesh
3.....	1½-inch mesh	¾-inch mesh
4.....	¾-inch mesh	¼-inch mesh

The material shall be graded from the smallest to the largest size in the following proportions:

No. 2 Rock.....	40%
No. 3 Rock.....	40%
No. 4 Rock.....	20%

Water.

Water used in mixing concrete shall be fresh and clean.

CONSTRUCTION.

Measuring Materials.

The method of measuring the materials for the concrete, including water, shall be one which will insure separate and uniform proportion of each of the materials at all times. Wheelbarrows shall be of such capacity that one or more struck barrows shall contain the exact amount of rock or sand. Partly filled barrows will not be allowed. A bag of Portland cement weighing ninety-four pounds shall be considered one cubic foot in measuring cement.

Proportions.

The concrete shall be mixed in the proportions of one cubic foot of Portland cement, three cubic feet of graded sand and not more than seven cubic feet of rock of coarse aggregate (1:3:7) or in the proportion of one cubic foot of Portland cement and two and one-half cubic feet of city sand and not more than six cubic feet of coarse aggregate (1:2½:6). The materials shall be mixed with sufficient water to produce a concrete of plastic consistency, but shall not be so wet as to cause a separation of the mortar from the coarse aggregate in handling.

Mixing.

A thorough incorporation of all the materials will be required.

Where any work to be done requires the placing of more than ten cubic yards of concrete or a super-

ficial area of five hundred square feet of concrete foundation, the mixing shall be done in a machine of a type approved by the Board of Public Works and one for which the proportions of each batch are exactly measured. The mixer shall be equipped with a suitable automatic water-tank and an approved device for counting the number of revolutions of the drum and each batch of concrete shall remain in the mixer at least one minute, during which time the drum shall make not less than fourteen nor more than eighteen complete revolutions. The drum shall be completely emptied before materials for a new batch are admitted to it.

If the mixing is done by hand labor, the dry cement and fine aggregate shall be thoroughly mixed in the exact proportions in a tight box or on a tight platform until of a uniform color. Sufficient water shall then be added to make a wet mortar and the mixing continued until all of the mortar is of the same consistency. After the coarse aggregate has been drenched with water, the mortar shall be added to it and the whole mass turned at least twice and until it has the required uniform consistency for shoveling into place.

The use of retempered mortar or concrete, which has partially hardened, will not be permitted.

Placing.

After being mixed, the concrete shall be deposited rapidly, in successive batches, upon the subgrade, prepared as hereinbefore specified, and shall be immediately evenly spread and well tamped. The number of men tamping shall be governed by the rate of placing the concrete; one tamper being required for each three hundred square feet, or fraction thereof, of foundation placed per hour. Not more than five minutes shall elapse between the time of mixing and the final placing of the concrete.

The concrete shall be transported in equipment which will prevent the loss of mortar or the separation of the mortar from the coarse aggregate. If carts or cars are used for transporting the concrete, the conveyance shall be of the type which requires turning the contents over on depositing. The concrete shall be dumped from carts or cars onto a metal platform, of suitable size, and from there shoveled into place, except that where the length of haul is less than three hundred feet the concrete may be deposited in place from the conveyance and immediately spread and tamped as required.

The surface of the concrete after ramming shall not be porous and when prepared for asphaltic wearing

surface the uppermost pieces of coarse aggregate shall be firmly held by the mortar, when set, and shall not project more than one-half inch above the general surface of the foundation. When prepared for wearing surfaces of the block type, the surface of the concrete foundation shall be prepared with special care so that there will be no projections in excess of one-quarter inch above the general surface. The general surface of the foundation shall, on completion, conform to grade and cross-section.

Protection.

The finished concrete foundation shall be wet on each of the two days following its completion and must be protected from traffic for at least seven days following its completion, by covering with a layer of planking at least two inches thick, or by temporarily closing the street in whole or in part, as may be directed by the Board of Public Works.

Section 2. This ordinance shall take effect immediately.

Full Acceptance, Streets.

Also, Bill No. 4954, Ordinance No. (New Series), entitled "Providing for full acceptance of the roadway of Francisco street between Columbus avenue and Taylor street; Greenwich street between Kearny street and Grant avenue and the intersection of Greenwich and Child streets; Holloway avenue between Capitol and Miramar avenues and between Jules and Faxon avenues; Judah street between the easterly line of Forty-first avenue and the westerly line of Forty-third avenue, including the crossings of Judah street and Forty-first avenue, Judah street and Forty-second avenue and Judah street and Forty-third avenue; Mississippi street between Nineteenth and Twentieth streets."

Conditional Acceptance, Streets.

Also, Bill No. 4955, Ordinance No. (New Series), entitled "Providing for conditional acceptance of the roadway of Division street between Potrero avenue and Utah street and the intersection of Division and Utah streets; Thirty-sixth avenue between Geary and Anza streets; Thirty-sixth avenue between Balboa and Cabrillo streets; Thirty-sixth avenue between the northerly line of Anza street and the southerly line of Balboa street and between the northerly line of Cabrillo street and northerly line of Fulton street, including the crossings of Thirty-sixth avenue and Anza street; Thirty-sixth avenue and Balboa street and Thirty-sixth avenue and Cabrillo street; Whittier street between Brunswick and Morse streets; crossing of Ingalls street and Quesada avenue;

crossing of Jennings street and Shafter avenue; crossing of Keith street and Shafter avenue; crossings of France avenue and Naples street and France avenue and Vienna street."

Extension of Time.

Supervisor Welch presented:

Resolution No. 15672 (New Series), as follows:

Resolved, That Thos. S. Hutton is hereby granted an extension of sixty days from May 22, 1918, within which to complete contract for the construction of a sewer in Caselli avenue and Corbett avenue under public contract.

This first extension of time is granted upon the recommendation of the Board of Public Works, for the reason that the contractor was delayed in completing the work on account of the shortage of labor and materials.

Adopted by the following vote:

Ayes—Supervisors Brandon, Deasy, Gallagher, Hayden, Hilmer, Hynes, Kortick, Lahaney, McLeran, McSheehy, Mulvihill, Nelson, Power, Schmitz, Suhr, Welch, Wolfe—17.

Absent—Supervisor Hocks—1.

Also, Resolution No. 15673 (New Series), as follows:

Resolved, That C. B. Eaton is hereby granted the following extensions of time to complete contracts, viz.:

Ninety days from May 24, 1918, within which to complete contract for improvement of Detroit street between Hearst and Flood avenues, under public contract.

This first extension of time is granted upon the recommendation of the Board of Public Works for the reason that the work is well under way; the grading is partly completed and the sewer constructed.

Ninety days from May 24, 1918, within which to complete contract for the improvement of Mariposa street between Potrero avenue and Utah street, under private contract.

This first extension of time is granted upon the recommendation of the Board of Public Works, for the reason that the City Engineer reports the reason advanced for requesting this extension of time is that the scarcity of labor and material allowed only for working of the contract on the Greenwich street railroad. Under the foregoing conditions it is recommended that the requested extension of time be granted.

Ninety days' time from June 9, 1918, within which to complete contract for the improvement of Teddy avenue between Delta and Elliott streets, under public contract.

This first extension of time is granted upon the recommendation of the Board of Public Works for the reason that the work is well under way and contractor has been delayed by the

water and gas companies lowering their mains on the street.

Adopted by the following vote:

Ayes—Supervisors Brandon, Deasy, Gallagher, Hayden, Hilmer, Hynes, Kortick, Lahaney, McLeran, McSheehy, Mulvihill, Nelson, Power, Schmitz, Suhr, Welch, Wolfe—17.

Intention to Change Grades.

Supervisor Welch presented:

Resolution No. 15675 (New Series), as follows:

Resolved, That it is the intention of the Board of Supervisors to change and establish grades on the following named streets, at the points herein-after specified and at the elevations above City base, as hereinafter stated, in accordance with Resolution No. 58728 (Second Series) of the Board of Public Works adopted May 8, 1918, and written recommendation of said Board, filed May 9, 1918, to-wit:

On Randolph street between the southwesterly line of Worcester avenue and a line at right angles to the southerly line of, at the northeasterly line of Worcester avenue on Byxbee street between Worcester avenue and a line parallel with and 300 feet southerly from Sargent street; on Monticello street between Worcester avenue and Sargent street; on Sargent street between Worcester avenue and Monticello street; on Beverly street between Worcester avenue and a line parallel with and 200 feet southerly from Shields street; and on Worcester avenue between the southerly line of Randolph street and Junipero Serra boulevard.

The Board of Supervisors hereby declares that no assessment district is necessary as no damage will result from said change of grades, inasmuch as the streets are ungraded and there are no existing street improvements.

The Board of Public Works is hereby directed to cause to be conspicuously posted along the street or streets upon which such change or modification of grade or grades is contemplated, notice of the passage of this Resolution of Intention.

Adopted by the following vote:

His Honor Mayor Rolph being absent Supervisor Gallagher was called to the chair.

CALLING THE ROLL.

The Roll was called and the following Supervisors were noted present: Supervisors Brandon, Deasy, Gallagher, Hayden, Hilmer, Hocks, Hynes, Kortick, Lahaney, McLeran, McSheehy, Mulvihill, Nelson, Power, Schmitz, Suhr, Welch, Wolfe—18.

Quorum present.

Interpreter For Courts.

Supervisor Mulvihill presented:

Communication—From judges of Superior Courts, calling attention to necessity of a larger appropriation for interpreters for the courts.

Referred to Finance Committee with instructions to report during the consideration of the budget.

Chairman McLeran of the Finance Committee declared to several judges who appeared in the matter that the omission was made through some error and that it would be corrected.

Maintenance of Minors.

Representatives of the Associated Charities, who were in attendance, were assured by Chairman McLeran that nothing would be done to reduce the appropriation for the maintenance of minors.

Collingwood Street Sewer.

M. Miller, representing property owners on Collingwood street, declared that there was great urgency for an appropriation of approximately \$10,000 for the construction of a sewer in Collingwood street. "The sewage," he said, "runs in the street and the stench is terrible. There is no water pressure in the pipes and consequently fire insurance rates are excessive."

C. E. Healy, Assistant City Engi-

neer, explained that the City Engineer's office did not favor an appropriation of \$10,000 for this work for the reason that that amount would not be sufficient to give relief to that particular portion of Collingwood street where the conditions were as represented by Mr. Miller. At least \$25,000 would be required to obtain any results. The entire work would amount to approximately \$70,000.

Diagonal Street in the Potrero.

Mrs. Lennon was granted the privilege of the floor and asked for an appropriation in the budget for a diagonal street over the Potrero hills from Carolina street between Twentieth street and Twenty-second street. She declared that \$10,000 was appropriated for this purpose last year but the money was spent for other purposes. As to the alleged unwillingness of property owners to stand for a portion of the cost, she said that personally she would not object to a little assessment of \$3 or \$4, but that the property owners generally believed that the city should appropriate the entire amount.

Mrs. Whittle made the same statement and called attention to the fact that such a street was indispensable in order that proper fire protection be afforded; also, that street car service to and from that section might be obtained.

District Attorney.

District Attorney Chas. Fickert stated to the Board that in this year's appropriation for his office no provision had been made for Mr. Hirscher, in charge of the Juvenile Department. He asked that last year's appropriation for this position, which has been created by ordinance, be restored.

"Five bond and warrant clerks," he said, "have been cut out and these positions are absolutely indispensable. Bond and warrant clerks work not less than twelve hours a day and handle fully 50,000 complaints a year. They are required to take dying statements and are called up all hours of the day and night. Work in my office has increased one-third this year and the office is open all night." He requested that the total appropriation be increased to \$71,000.

Sealers of Weights and Measures.

Chas. F. Gallagher, representing the Downtown Association, requested an appropriation of \$1,800 for an assistant to work on fake advertising. "The Downtown Association," he said, "is paying for this man at the present time. A specially trained man is required for this work—an investigator who knows how to get the evidence. He must also be an attorney who can properly prosecute the offenders."

District Attorney Fickert declared that the position referred to by Mr. Gallagher was not necessary and a waste of money for the reason that the work could be taken care of by his office in a few minutes each day. "My office and the Police Department can handle all these cases and I have told Mr. Epstein, who has been doing this work, through courtesy extended to him by my office, that I shall no longer permit him to appear in these matters."

Civil Service.

James Maher, Secretary of the Civil Service Commission, requested that a minimum of \$23,500 be allowed the Civil Service Commission. "This is the lowest amount to comply with Charter requirements. Only \$21,100 has been allowed by the Finance Committee."

Chairman McLeran of the Finance Committee declared that the same amount as last year was allowed this year.

Whereupon, the Clerk was directed to obtain an opinion from the City Attorney as to the minimum amount that could be allowed in accordance with Charter provisions.

Publicity and Advertising.

C. Harris, representing the San Francisco Hotel Association, Convention and Tourist Association and sixteen other organizations, said: "If nothing else had been accomplished than obtaining the conventions of the Advertising Clubs of the World and the A. O. H. and 67 other conventions, these should warrant the appropriation of \$75,000. Congress favors travel to this coast and Celestine Sullivan told us at the Palace luncheon the other day after his 15,000-mile advertising trip throughout the United States that President Wilson said in an audience that 'during the war he wanted as few casualties in business as in our army in France.'"

Mr. Webb, representing the Convention League, declared that \$20,000 at least was needed to carry out the plans of the League for the year.

San Francisco Bureau of Municipal Research.

Paul Eliel, director of the San Francisco Bureau of Municipal Research, was granted the privilege of the floor

and addressed the Board. He asked that the Finance Committee differentiate between expense of operation and capital expenditures for improvements and equipment. "The Federal Reserve Board," he said, "has made a specific request for conservation in the matter of capital expenditures. Ten thousand dollars for the Municipal Band is unnecessary at this time; make it \$5,000. Interment of ex-soldiers and sailors should be reduced—it is \$3,000 larger than last year. The Civic Center appropriation is not in accord with the policy of the United States Government." He suggested that no appropriation be made for the purpose this year. He filed with the Clerk the following list of proposed reductions:

Municipal Band	\$ 5,000
Civic Center purchase.....	120,000
One-half deficit in Twin Peaks contract balance	85,000
Reconstruction of Bryant St..	72,350
Reconstruction of Hyde St....	23,500
Or reconstruction of Leavenworth St.....	16,000
Reconstruction of Powell St..	4,700
Reduction in purchase of Library books and replacements	15,000
For deliveries of election booths	11,570
Reduction in number of registration deputies	15,000

Total if Hyde St. is not paved

Total if Leavenworth St. is not paved

Increase in appropriation for advertising resolutions and ordinances

Increase in appropriation for printing Law and Motion Calendar

Increase in appropriation for interment of United States soldiers and sailors

Increase in appropriation for Municipal Auditorium

Increase in appropriation for bond interest and redemption

Note: The official grade of Hyde street at its intersection with McAllister street is 43 feet above the base. The grade at Post street is 130 feet above base line. The difference in grade in the seven blocks is 87 feet.

The official grade at Leavenworth and McAllister streets is 37 feet. The official grade at Leavenworth and Post is 150 feet. The difference is 113 feet and the excess in grade on Leavenworth street as compared to Hyde street is 26 feet.

It is proposed to finance the deficit in the Twin Peaks tunnel contract by placing one-half of the total on the tax rate for 1918-19. The other half

is to be funded as a loan from the depreciation fund of the Municipal Railroads. In order to guarantee and maintain the integrity of the Municipal Railroad's funds it is proposed that the ordinance or resolution of appropriation transferring this amount specifically set forth that the Railroad Depreciation Fund is to be refunded from the tax rate during the two succeeding fiscal years.

Twin Peaks Tunnel.

Theo. Savage, representing *Storrie & Co.*, declared that there is still due his client \$289,000 on account of the Twin Peaks tunnel contract. As an offset to this there is \$136,000 assessment held up by the Superior Court for which the contractor is willing to wait. He asked that the \$170,000 deficit in the Twin Peaks Tunnel Fund be provided for in this budget else the city would have to resort to a supplementary assessment on property owners involving further delay and additional expense.

Noe Valley Playground.

Mrs. Rac, representing the Noe Valley Mothers' Club, said that the club heartily endorses the proposed playground on land adjoining the James Lick School and requests an appropriation of \$25,000 for the project.

Board of Health Appropriation.

Mmc. Grosjean, representing the Parents' Rights League of America, wanted to know if any part of the \$50,000 additional allowed the Board of Health for sanitation at the request of the Federal Government was for the treatment and prevention of venereal disease, and was advised by Health Officer Hasler that it was proposed to use a portion of that amount for the establishment and maintenance of prophylactic stations for the prevention of the spread of venereal disease.

Whereupon, *Mme. Grosjean* protested against the appropriation to be used for that purpose, declaring that it encourages and spreads vice rather than suppresses it. She proposed to take the matter to Congress and the President if no attention was paid to her protest.

Mrs. Clancy said that she was the local representative of the Public School Protective League and the Bay View School. She, also, protested the appropriation on the same grounds.

Recess.

Whereupon, the Board at 6 p. m. took a recess until 8 p. m.

J. S. DUNNIGAN,
Clerk.

Reassembled.

The Board of Supervisors re-assembled at 8:30 p. m. for the purpose of

continuing the public hearing on the proposed budget of municipal expenditures for the year 1918-1919.

CALLING THE ROLL.

The Roll was called and the following Supervisors were noted present: Supervisors Gallagher, Hayden, Hynes, Kortick, Lahaney, McLeran, McSheehy, Mulvihill, Nelson, Schmitz, Suhr, Welch—12.

Supervisor Gallagher in the chair.

Playgrounds, Clay and Sacramento Streets.

Mr. Sands, representing property owners, requested an appropriation of a few thousand dollars for fitting up the old hospital lot between Clay and Sacramento streets, Lyon and Baker streets, as a children's playground.

Great Highway Sewer.

Mr. Crozier, representing the Ocean Beach Improvement Association, asked for an appropriation of \$18,500 for the construction of a sewer in the Great Highway between Moraga and Quintara streets.

J. J. Calish also urged that an appropriation be made for a sewer in the Great Highway between Moraga and Quintara streets.

Glen Park Playground.

Mr. Tours appeared on behalf of the Glen Park Improvement Association. He urged an appropriation for playground purposes. He declared that the property for which \$60,000 was asked several years ago could now be had for \$30,000, payment to be made in instalments of \$10,000 per annum, or probably an initial payment of \$7,500 would cinch the deal. The improvements alone, he declared, were worth what was asked for the property.

Lobos Square.

D. F. McMahon asked that an appropriation be made for restoring Lobos Square to its condition prior to the Panama-Pacific International Exposition, when it was fully equipped as a park and playground.

Building Repairs.

Chas. McComb, representing the per diem men, addressed the Board. He requested that of the \$200,000 appropriated for repairs to school buildings, \$115,000 be set aside for school repairs and the balance, \$85,000, for temporary school buildings. As representative of per diem men, he objected to the appropriation for the plumber in the San Francisco Hospital if he is taken care of on the present basis—\$2,200 per year. At that rate, he declared that the plumber in the San Francisco Hospital was receiving less than any other plumber in the city's employ.

Chairman McLeran assured *Mr. McComb* that no part of the \$200,000 would be spent for new buildings, and

that more will be spent on repairs than expected.

Tax Collector's Office.

Ans. J. Linchan, representing seven men in promotional positions in the Tax Collector's office who have not been considered in salary increases, addressed the Board. He requested that salaries be increased from \$1,800 to \$2,100 per annum. He declared that he was eighteen years in the city's service and received only one increase of \$25. The Tax Collector assured us that we had been taken care of, but evidently we were overlooked.

Side Sewer Men.

Mr. Ferguson, representing the Per Diem Men's Association. He declared that the work of the side sewer men had been turned over to the General Sewer Repairs Department. He wanted to know what provision was being made to take care of the side sewer men. Also, spoke in favor of placing per diem men on a monthly salary basis.

Mr. Moran, representing the side sewer men, declared that the side sewer department would go out of existence unless money for it was specifically appropriated. He asked that the city set aside a sufficient sum to be used as a loan and the basis of a revolving fund to be returned when fees are forthcoming from property owners.

Motion.

Supervisor Pauer moved that the Finance Committee confer with the Board of Public Works and make arrangement for an appropriation for a revolving fund.

Eugene Sieben, representing the Apartment House Association, also addressed the Board. He suggested a general reduction in the clerical force in the Mayor's office, Board of Supervisors and other departments.

Edgar Painter called attention to desirable street improvements for the downtown business section.

COMMUNICATIONS.

The following communications were read by the Clerk:

From Superior Courts, in re appropriation for interpreters.

Hon. James Rolph Jr.,

San Francisco, Calif.

On behalf of my officers and men, as well as on behalf of the allied officers who accompany us and on my own behalf, I thank you from my heart for your splendid reception and for all the courtesies and kindness that have been

shown to us in San Francisco. Will you be kind enough to convey the expression of our gratitude to the committees of your city and to all your citizens who have made our visit to San Francisco so agreeable and charming? We shall always have the most pleasant recollections of your city and also of the personality of the Mayor.

MAJOR OSTERRIETH.

Read and *filed*.

Clerk Jno. S. Dunnigan's Service in Purchase of Land at Hunters Point for the U. S. Emergency Fleet Corporation and the Bethlehem Ship Building Corporation Approved.

The following was presented and read:

San Francisco, Cal.
May 20th, 1918.

Hon. Board of Supervisors, City and County of San Francisco, San Francisco—
Gentlemen:

The U. S. Emergency Fleet Corporation and the Bethlehem Ship Building Corporation have requested the service of Mr. John S. Dunnigan, Clerk of the Board of Supervisors, to negotiate for the purchase of land in the vicinity of Hunters Point.

A request for Mr. Dunnigan's services was made to me orally some weeks ago, and I in turn requested him to do anything he could to aid in establishing another industry in San Francisco. He has been working on the project and I respectfully request the Board of Supervisors to approve my action in the permission granted him.

Respectfully,

JAMES ROLPH JR.,
Mayor.

Whereupon, the following resolution was presented:

Resolution No. 15701 (New Series), as follows:

Whereas, at the request of the U. S. Emergency Fleet Corporation and Bethlehem Ship Building Corporation his Honor the Mayor has imposed upon J. S. Dunnigan, Clerk of the Board, certain duties in respect to negotiating for the purchase of land in the vicinity of Hunters Point for the use of the United States Government, therefore

Resolved, That this Board approve of the same request and sanctions the rendition of the services required and all future services so far as the same shall not conflict with his duties as Clerk of the Supervisors.

Adopted by the following vote:

Ayes—Supervisors Brandon, Deasy, Hayden, Hilmer, Hocks, Hynes, Koriek, Lahaney, McLeran, McSheehy, Nelson, Power, Schmitz, Suhr, Welch—15.

Absent—Supervisors Gallagher, Mulhill, Wolfe—3.

Control of Venereal Disease.

Mayor presented:

Communication — From Lieutenant Allison T. French, Sanitary Corps, N. A., thanking Board for an appropriation in budget of \$23,000 to continue work of Board of Health in Ward "L" and City Jail for the treatment and control of venereal disease.

May 15th, 1918.

Mr. John E. McDougald, Treasurer, City and County of San Francisco, San Francisco, Cal.

Dear Sir:

We are in receipt of the following letter from the National Park Bank, New York, under date of May 9th:

"Replying to your favor of April 29th, in which you request us to send

on for the information of the officials of the City and County of San Francisco copy of the original instructions filed with us in connection with payment of their obligations, we regret to advise you that the original instructions in question have become mislaid in our office and we are not at this time in a position to give you a verbatim copy thereof. We may say, however, that we have been paying on presentation any matured obligations of the City and County of San Francisco which were not payable elsewhere on their face, this, we believe, being in strict accordance with the instructions in question. If this method does not conform to the requirements of the situation, will you kindly send us modifying instructions and oblige."

Kindly advise us in regard to the above at your earliest convenience, and oblige.

Very truly yours,

G. W. EBNER,

Assistant Cashier, Crocker National Bank.

REPORTS OF COMMITTEES.

The following committees, by their respective Chairmen, presented reports on various matters referred, which reports were presented, read and ordered filed:

Report of Committees on Public Utilities, Finance, Commercial Development and Streets on Hunters Point Transportation.

The following report was presented, read and ordered spread in the Journal:

May 20, 1918.

Board of Supervisors.

Gentlemen:

Your Committees on Public Utilities, Finance, Commercial Development and Streets beg leave to report that at a joint meeting of said committees, together with his Honor the Mayor, relative to proposed development of Hunters Point as a ship repair and construction station, and the installation of a system of transportation thereto, it was unanimously agreed that the City and County would co-operate in the matter of affording the necessary transportation facilities, and to this end the City Engineer and Government engineers will prepare plans and details of the proposed work and will co-ordinate the energies of municipal and Federal authorities.

Your committees will report such

further details from time to time as they may develop.

Respectfully submitted,

J. C. KORTICK,
E. J. BRANDON,
RICHARD J. WELCH,
FRED SUHR JR.,
R. McLERAN.

Hearing of Application for Bus Line Permit, Inter County Express Company.

Consideration of the application of the Inter County Express Company for permission to conduct an auto bus transportation system between San Francisco and San Jose.

The affidavit of publication was read by the Clerk and the Chair inquired if there were any objections to the granting of the permit, and there being no response, the following resolution was presented by Supervisor Brandon and passed for printing by the following vote:

Resolution No. — (New Series), as follows:

Resolved, That pursuant to the provisions of Chapter 213 of the Statutes of the State of California, year 1917, permission is hereby granted to H. K. Snow, under the name of Inter County Express Co., to engage in the business of transporting freight for hire and to operate automobiles over the following streets of the City and County of San Francisco: Third street (Kentucky street), Railroad avenue, San Bruno avenue, Potrero avenue, Mission street, and such other streets as may be necessary by reason of any of the foregoing streets being obstructed or closed for repairs; that the fixed termini between which the grantee is permitted to operate such vehicles are 1005 Mission street, San Francisco, and 192 West Santa Clara street, San Jose; that the vehicles to be used in the transportation of freight are: 1 one-ton Republic truck and 1 one-ton trailer; that the rights and privileges herein granted are for the term of five years from date hereof, provided the same may be revoked or suspended by the Board of Supervisors in the manner provided by law.

In the exercise of the privileges herein granted the grantee shall observe all the requirements of the ordinances of the City and County.

The cost of publishing this Resolution shall be paid by the grantee.

Ayes—Supervisors Brandon, Deasy, Hayden, Hilmer, Hocks, Hynes, Kortick, Lahaney, McLeran, McSheehy, Nelson, Power, Schmitz, Suhr, Welch—15

Providing for Issuance of Badges to Junk Gatherers.

Bill No. 4951, Ordinance No. 4597 (New Series), as follows:

Providing for the issuance of badges to junk gatherers.

Be it ordained by the People of the City and County of San Francisco as follows:

Section 1. Every person engaged in business as a junk gatherer, either buying, selling, collecting or exchanging junk from vehicles or in any other manner upon the streets of the City and County of San Francisco, State of California, after securing a permit from the Board of Police Commissioners to carry on such business, must, at the time the license is issued to him, pay to the Tax Collector the sum of one (1) dollar and he shall receive therefor from the Tax Collector a junk gatherer's metal badge, having imprinted thereon a number

and the year for which same is issued. The design and lettering of said badge shall be determined by the Tax Collector, but such design must be distinctively different for each year.

Section 2. Every person engaged in business as a junk gatherer, either buying, selling or exchanging junk from vehicles or in any other manner upon the streets of the City and County of San Francisco, must wear conspicuously exposed on the outside lapel of his coat the metal badge prescribed in the preceding section.

Section 3. Any person who shall violate any of the provisions of this ordinance shall be punished by a fine not to exceed five hundred (500) dollars, by imprisonment in the County Jail for not more than six months, or by both such fine and imprisonment.

Section 4. This ordinance shall take effect July 1, 1918.

Ordering Street Work.

Bill No. 4952, Ordinance No. 4598 (New Series), as follows:

Ordering the performance of certain street work to be done in the City and County of San Francisco, approving and adopting specifications therefor and authorizing the Board of Public Works to enter into contract for doing the same.

Be it ordained by the People of the City and County of San Francisco as follows:

Section 1. The Board of Public Works in written communication filed in the office of the Clerk of the Board of Supervisors May 4, 1918, having recommended the ordering of the following street work, the same is hereby ordered to be done in the City and County of San Francisco in conformity with the provisions of the Street Improvement Ordinance of said City and County of San Francisco, said work to be performed under the direction of the Board of Public Works, and to be done in accordance with the specifications prepared therefor by said Board of Public Works, and on file in its office, which said plans and specifications are hereby approved and adopted.

The improvement of *Fout avenue between Pemberton place and Clarendon avenue, of the crossing of Fout avenue and Pemberton place, of a portion of Clarendon avenue between Burnett avenue and Villa Terrace, and of a portion of Clarendon avenue opposite the termination of Fout avenue*, by grading to official line and grade, by the construction of a low, reinforced concrete retaining wall in Clarendon avenue and opposite the termination of Fout avenue, of a high reinforced concrete retaining wall in Clarendon avenue, opposite the termination of, and extending into Fout avenue, of 15 reinforced concrete posts and a two rail 2-inch galvanized wrought-iron pipe railing on the high retaining wall, and of a vitrified brick pavement between the two walls; by resetting existing manholes and catchbasins to official line and grade and the construction of a brick catchbasin with cast-iron frame, grating and trap and 10-inch vitrified, salt-glazed, ironstone pipe culvert on the easterly half of Fout avenue; by the construction of concrete curbs and artificial stone sidewalks of the full official width; by the construction of a vitrified brick pavement on Fout avenue from Pemberton place to a

line through the first angle points northerly therefrom on the easterly and westerly property lines thereof and northerly from a line through the first angle points southerly from Clarendon avenue on the easterly and westerly property lines of Fout avenue to a line through the southerly ends of the two retaining walls; and by the construction of an asphalt pavement consisting of a 6-inch concrete foundation and a 2-inch asphaltic wearing surface on the remainder of the roadway thereof. All being in accordance with Specifications No. 13149, approved by City Engineer M. M. O'Shaughnessy on March 5, 1918.

The improvement being of more than local or ordinary public benefit, the expense of such improvement is chargeable upon a district in accordance with Section 5 of the Street Improvement Ordinance and the boundaries of the district benefited by and to be assessed for the cost of the proposed improvement are as follows:

Commencing at the point of intersection of the easterly line of Lot 16 of Block 2719B, as shown on the Assessor's Block Book, with the southerly line of Fout avenue; thence southerly along the easterly line to the southerly line of said Lot 16; thence westerly along the southerly line of Lots 16 and 15 of said Block 2719B to the easterly line of Lot 14; thence southerly along the easterly line of Lot 14 to the southerly line thereof; thence westerly along the southerly line of Lots 14, 13, 12, 11 and 10 to the northwesterly line of Lot 10; thence northeasterly along the northwesterly line of Lot 10 to the southwesterly line of Lot 9; thence northwesterly along the southwesterly line of Lots 9 and 8 to the northeasterly line of Crown Terrace; thence northerly and westerly along the northeasterly line of Crown Terrace to the southerly line of Clarendon avenue; thence along the easterly line of Crown Terrace produced to the northerly line of Clarendon avenue; thence northerly and easterly along the northerly line of Clarendon avenue to the second angle point southerly from Carmel street; thence southeasterly along a line to the southerly line of Clarendon avenue at its point of intersection with the westerly line of Villa Terrace; thence southerly and westerly along the southerly line of Clarendon avenue to the southwesterly line of the unnamed alley to the north of Fout avenue and between Villa Terrace and Clarendon avenue; thence southeasterly along said southwesterly line of the unnamed alley to the northwesterly line of Villa Terrace; thence southerly and easterly along the southwesterly line of Villa Terrace

to the northerly line of Fout avenue; thence southerly and at right angles to the northerly line of Fout avenue to the southerly line of Fout avenue; thence easterly along the southerly line of Fout avenue to the point of commencement; saving and excepting all public streets.

Amending Street Specifications Ordinance.

Also, Bill No. 4953, Ordinance No. 4599 (New Series), as follows:

Amending Section 35 of Ordinance No. 240, entitled "Providing general rules and standard specifications for street and sidewalk work and limiting the use of various kinds of pavements and sidewalks in the City and County of San Francisco," approved March 1, 1901.

Be it ordained by the People of the City and County of San Francisco as follows:

Section 1. Section 35 of Ordinance No. 240, the title to which is recited in the title to this ordinance, is hereby amended to read as follows:

Section 35: Concrete foundation for pavement.

Concrete foundation for pavements shall consist of concrete composed of Portland cement and fine and coarse aggregate mixed with water in the proportions hereinafter specified, laid in one course six (6) inches thick, except where in this ordinance a different thickness is expressly permitted or required.

MATERIALS.

Cement.

Cement shall conform to the requirements as specified for cement in Section 36 of this ordinance.

Sand or Fine Aggregate.

Fine aggregate shall consist of sand or dustless screenings from clean, hard, durable crushed rock or gravel consisting of quartzite grains or other equally hard material. It shall be free from loam, clay, vegetable or other inferior matter and shall show not more than five (5) per cent by volume of silt after being shaken and washed in water and allowed to settle for one (1) hour.

The fine aggregate may be either a graded sand or a city sand. The graded sand shall be well graded from coarse to fine with the following limitations:

Passing 1/4-inch screen.....	100%
Passing 20-mesh screen..	45% to 80%
Passing 50-mesh screen..	10% to 35%

The city sand, obtained from the natural sand deposits within the city,

must pass the following screen test:	
Passing 10-mesh screen.....	100%
Passing 50-mesh screen, not more than	85%
Passing 80-mesh screen, not more than	15%

Rock or Coarse Aggregate.

Coarse aggregate shall consist of clean, hard, durable crushed rock or gravel, such as trap, limestone, granite or altered sandstone, free from dust, loam, clay, shale or other inferior materials, and shall contain no soft, flat or elongated particles. Any delivery containing cracked or laminated rock or rock which can be readily broken, after immersion in water for one (1) hour, will be rejected. When shaken or washed in water, the volume of silt settling in one (1) hour shall not exceed three (3) per cent of the volume of the sample.

Coarse aggregate shall be well graded in size, shall all pass a two (2) inch screen, and shall all be retained on a screen having four (4) meshes per linear inch.

For convenience, gravel or crushed rock may be designated by number in conformity with the following schedule:

No.	Passing Screen.	Rejected by Screen.
2.....	2-inch mesh	1½-inch mesh
3.....	1½-inch mesh	¾-inch mesh
4.....	¾-inch mesh	¼-inch mesh

The material shall be graded from the smallest to the largest size in the following proportions:

No. 2 Rock.....	40%
No. 3 Rock.....	40%
No. 4 Rock.....	20%

Water.

Water used in mixing concrete shall be fresh and clean.

CONSTRUCTION.

Measuring Materials.

The method of measuring the materials for the concrete, including water, shall be one which will insure separate and uniform proportion of each of the materials at all times. Wheelbarrows shall be of such capacity that one or more struck barrows shall contain the exact amount of rock or sand. Partly filled barrows will not be allowed. A bag of Portland cement weighing ninety-four pounds shall be considered one cubic foot in measuring cement.

Proportions.

The concrete shall be mixed in the proportions of one cubic foot of Portland cement, three cubic feet of graded sand and not more than seven cubic feet of rock of coarse aggregate (J:3:7) or in the proportion of one cubic foot of Portland cement and two and one-half cubic feet of city sand and not more than six cubic

feet of coarse aggregate (1:2½:6). The materials shall be mixed with sufficient water to produce a concrete of plastic consistency, but shall not be so wet as to cause a separation of the mortar from the coarse aggregate in handling.

Mixing.

A thorough incorporation of all the materials will be required.

Where any work to be done requires the placing of more than ten cubic yards of concrete or a superficial area of five hundred square feet of concrete foundation, the mixing shall be done in a machine of a type approved by the Board of Public Works and one for which the proportions of each batch are exactly measured. The mixer shall be equipped with a suitable automatic water-tank and an approved device for counting the number of revolutions of the drum and each batch of concrete shall remain in the mixer at least one minute, during which time the drum shall make not less than fourteen nor more than eighteen complete revolutions. The drum shall be completely emptied before materials for a new batch are admitted to it.

If the mixing is done by hand labor, the dry cement and fine aggregate shall be thoroughly mixed in the exact proportions in a tight box or on a tight platform until of a uniform color. Sufficient water shall then be added to make a wet mortar and the mixing continued until all of the mortar is of the same consistency. After the coarse aggregate has been drenched with water, the mortar shall be added to it and the whole mass turned at least twice and until it has the required uniform consistency for shoveling into place.

The use of retempered mortar or concrete, which has partially hardened, will not be permitted.

Placing.

After being mixed, the concrete shall be deposited rapidly, in successive batches, upon the subgrade, prepared as hereinbefore specified, and shall be immediately evenly spread and well tamped. The number of men tamping shall be governed by the rate of placing the concrete; one tamper being required for each three hundred square feet, or fraction thereof, of foundation placed per hour. Not more than five minutes shall elapse between the time of mixing and the final placing of the concrete.

The concrete shall be transported in equipment which will prevent the loss of mortar or the separation of the mortar from the coarse aggregate. If carts or cars are used for transporting the concrete, the conveyance

shall be of the type which requires turning the contents over on depositing. The concrete shall be dumped from carts or cars onto a metal platform, of suitable size, and from there shoveled into place, except that where the length of haul is less than three hundred feet the concrete may be deposited in place from the conveyance and immediately spread and tamped as required.

The surface of the concrete after ramming shall not be porous and when prepared for asphaltic wearing surface the uppermost pieces of coarse aggregate shall be firmly held by the mortar, when set, and shall not project more than one-half inch above the general surface of the foundation. When prepared for wearing surfaces of the block type, the surface of the concrete foundation shall be prepared with special care so that there will be no projections in excess of one-quarter inch above the general surface. The general surface of the foundation shall, on completion, conform to grade and cross-section.

Protection.

The finished concrete foundation shall be wet on each of the two days following its completion and must be protected from traffic for at least seven days following its completion, by covering with a layer of planking at least two inches thick, or by temporarily closing the street in whole or in part, as may be directed by the Board of Public Works.

Section 2. This ordinance shall take effect immediately.

Fixing May 27, 1918, for Hearing, Excelsior Avenue.

Supervisor Welch presented:

Resolution No. 15692 (New Series), as follows:

Resolved, That Monday, May 27th, 1918, at 3 p. m., be fixed as the time for hearing the appeal of Flinn & Treacy from the assessment issued by the Board of Public Works for the improvement of Excelsior avenue between Edinburgh and Vienna streets.

Adopted by the following vote:

Ayes—Supervisors Brandon, Deasy, Gallagher, Hayden, Hilmer, Hynes, Kortick, Lahaney, McLeran, McSheehy, Mulvihill, Nelson, Power, Schmitz, Suhr, Welch, Wolfe—17.

Absent—Supervisor Hocks—1.

Fixing May 27, 1918, for Hearing, Francisco Street.

Supervisor Welch presented:

Resolution No. 15693 (New Series), as follows:

Resolved, That Monday, May 27, 1918, at 3 p. m., be fixed as the time for hearing the appeal of Flinn & Treacy from the assessment issued by the Board of Public Works for the improvement of Francisco street between Columbus avenue and Taylor street.

Adopted by the following vote:

Ayes—Supervisors Brandon, Deasy, Gallagher, Hayden, Hilmer, Hynes, Kortick, Lahaney, McLeran, McSheehy, Mulvihill, Nelson, Power, Schmitz, Suhr, Welch, Wolfe—17.

Absent—Supervisor Hocks—1.

Extension of Time.

Supervisor Welch presented:

Resolution No. 15694 (New Series), as follows:

Resolved, That J. F. Lorenz is hereby granted an extension of sixty days' time from June 12, 1918, within which to complete contract for the improvement of Chenery street between Diamond street and the westerly line of Burnside avenue, including the intersection of Chenery street and Thor avenue.

This first extension of time is granted for the reason that the contractor has been unable to obtain the asphalt wearing surface. The work is completed with the exception of the asphalt covering.

Adopted by the following vote:

Ayes—Supervisors Brandon, Deasy, Gallagher, Hayden, Hilmer, Hynes, Kortick, Lahaney, McLeran, McSheehy, Mulvihill, Nelson, Power, Schmitz, Suhr, Welch, Wolfe—17.

Absent—Supervisor Hocks—1.

Extensions of Time.

Supervisor Welch presented:

Resolution No. 15695 (New Series), as follows:

Resolved, That H. Crummy, Incorporated, is hereby granted the follow-

ing extensions of time to complete street work, viz.:

Thirty days from June 10th, 1918, within which to complete the contract for improvement of Leland avenue between Delta and Sawyer streets and intersections.

Thirty days from June 10th, 1918, within which to complete contract for the improvement of Leland avenue between Rutland and Della streets, including the intersection of Leland avenue and Cora street.

These *third* extensions of time are granted upon the recommendation of the Board of Public Works for the reason that the work is completed and the requested extension being necessary pending the issuance of acceptance.

Adopted by the following vote:

Ayes—Supervisors Brandon, Deasy, Gallagher, Hayden, Hilmer, Hynes, Kortick, Lahaney, McLeran, McSheehy, Mulvihill, Nelson, Power, Schmitz, Suhr, Welch, Wolfe—17.

Absent—Supervisor Hocks—1.

Extensions of Time.

Also, Resolution No. 15696 (New Series), as follows:

Resolved, That State Improvement Company is hereby granted the following extensions of time to complete street work, viz.:

Sixty days from May 22, 1918, within which to complete contract for curbing and paving a portion of Taraval street between Twenty-fourth and Twenty-fifth avenues, under public contract.

Sixty days' time from May 22, 1918, within which to complete contract for curbing and paving a portion of Taraval street between Thirty-fifth and Thirty-sixth avenues, under public contract.

These *first* extensions of time are granted for the reason that the concrete curbs have been constructed and the contractor is at work on the pavement.

Adopted by the following vote:

Ayes—Supervisors Brandon, Deasy, Gallagher, Hayden, Hilmer, Hynes, Kortick, Lahaney, McLeran, McSheehy, Mulvihill, Nelson, Power, Schmitz, Suhr, Welch, Wolfe—17.

Absent—Supervisor Hocks—1.

Resolution No. 15697 (New Series), as follows:

Resolved, That Fay Improvement Company is hereby granted an extension of ninety days' time from June 7, 1918, within which to complete contract for curbing and paving of Forty-fifth avenue between Balboa and Cabrillo streets, under public contract.

This *first* extension of time is granted for the reason that the prosecution of the contract under these proceedings is contingent upon the de-

cision of the Board of Supervisors in the question now before it relative to the cost of the work between the tracks of the Municipal Railway.

Adopted by the following vote:

Ayes—Supervisors Brandon, Deasy, Gallagher, Hayden, Hilmer, Hynes, Kortick, Lahaney, McLeran, McSheehy, Mulvihill, Nelson, Power, Schmitz, Suhr, Welch, Wolfe—17.

Absent—Supervisor Hocks—1.

Also, Resolution No. 15698 (New Series), as follows:

Resolved, That H. Crummey, Inc., is hereby granted the following extensions of time to complete street work, viz.:

Ninety days from June 21, 1918, within which to complete contract for improving Kansas street between Twenty-second and Twenty-third streets, under public contract.

Ninety days' time from June 21, 1918, within which to complete contract for improving the crossing of Kansas and Twenty-second streets, under public contract.

These *first* extensions of time are granted for the reason that the contractor was delayed on account of shortage of labor and materials. He gives assurance that the work will be completed with the additional time requested.

Adopted by the following vote:

Ayes—Supervisors Brandon, Deasy, Gallagher, Hayden, Hilmer, Hynes, Kortick, Lahaney, McLeran, McSheehy, Mulvihill, Nelson, Power, Schmitz, Suhr, Welch, Wolfe—17.

Absent—Supervisor Hocks—1.

South Beach Land Fund to Amount of \$50,000 Invested in School Bonds.

Supervisor McLeran presented:

Resolution No. 15680 (New Series), as follows:

Whereas, By Ordinance No. 4393

(New Series) a fund was created and designated as the "South Beach Lands Fund" and certain money received from the Southern Pacific Company as the proceeds from the sale of certain lands was deposited in and placed to the credit of such fund; that the money so deposited be used for the purchase or retirement of bonds of the City and County of San Francisco; and

Whereas, The City and County has on sale at the office of the Treasurer \$50,000 School Bonds, Issue of 1918, maturing March 1, 1923, numbered 1 to 50, inclusive, bearing interest at 4½ per cent per annum, which bonds are for sale at par and accrued interest; therefore

Resolved, That the sum of \$50,000, constituting a part of the South Beach Lands Fund, remaining unexpended and unappropriated therein, constitutes surplus moneys not needed for immediate expenditure, and that the said sum be invested in said School Bonds maturing in 1923, in accordance with the provisions of Chapter 73 of the statutes of the State of California of the year 1913.

The Treasurer is hereby directed to purchase, on June 1, 1918, School Bonds of the City and County to the amount of \$50,000, numbered 1 to 50, inclusive, maturing March 1, 1923, at the par or face value thereof, together with accrued interest thereon, and to report the fact of such purchase to the Auditor and Board of Supervisors.

JOURNAL OF PROCEEDINGS

BOARD OF SUPERVISORS

WEDNESDAY, MAY 22, 1918, 2 P.M.

In Board of Supervisors, Wednesday, May 22, 1918, 2 p. m.

The Board of Supervisors met pursuant to adjournment for the purpose of continuing the consideration of the Budget for the fiscal year 1918-1919.

CALLING THE ROLL.

The Roll was called and the following members were noted present: Supervisors Brandon, Deasy, Hayden, Hilmer, Hynes, Kortick, Lahaney, McLeran, McSheehy, Nelson, Power, Schmitz, Suhr, Welch—14.

Absent — Supervisors Gallagher, Hocks, Mulvihill, Wolfe—4.

Quorum present.

Supervisor McLeran, chairman of the Finance Committee, in the chair. Salary Increases in Mayor's Office Repealed.

Supervisor McLeran stated that his Honor, the Mayor, informed him that it was called to his attention that certain salaries in his office had been increased upon the recommendation of the Finance Committee, and that he disapproved of it. "The initiative was taken by us," said *Supervisor McLeran*, "and the Mayor knew nothing about it."

"The Mayor," he said, "wishes me to express his thanks to the Board for the confidence and appreciation you have in the conduct of his office. He requested, however, that, owing to the war, that the increases granted be withdrawn. He does not want any increases over salaries paid last year." Whereupon

Supervisor McLeran moved for a reconsideration of the salary increases granted in the Mayor's office.

Motion Carried.

Supervisor McLeran thereupon moved that the Mayor's office stand as it did last year, to-wit, \$23,160.

Ayes—Supervisors Deasy, Hayden, Hilmer, Hynes, Kortick, McLeran, McSheehy, Nelson, Power, Schmitz, Suhr, Welch—12.

Noes—Supervisors Brandon, Lahaney.

Absent — Supervisors Gallagher, Hocks, Mulvihill, Wolfe—4.

Fifteen Per Cent Salary Increase.

Supervisor McLeran reported on *Supervisor Schmitz'* motion that all employees receiving less than \$175 be increased 15 per cent. He said: "In order that the rate of increase might be the same, we are warranted, in order to do justice to all as near as possible under conditions as they exist, in providing that all increases heretofore made by the Board, including the recommendations of the Finance Committee, be fixed at a maximum of \$15 per month. That would mean that two or three men in the Assessor's office who were increased \$25 be reduced to \$15. The Finance Committee makes that recommendation and I move that maximum salary increase be fixed at \$15."

Point of Order.

Supervisor Power raised a point of order that items are being considered seriatim.

Chair ruled point of order not well taken.

Motion.

Whereupon, the question being taken on *Supervisor McLeran's* report, the same was defeated by the following vote:

Ayes—Supervisors Brandon, Hilmer, Kortick, McLeran, Nelson, Schmitz, Suhr, Welch—8.

Noes—Supervisors Deasy, Hayden, Hynes, Lahaney, McSheehy, Power—6.

Absent — Supervisors Gallagher, Hocks, Mulvihill, Wolfe—4.

Notice of Reconsideration.

Supervisor Welch thereupon changed his vote from aye to no and gave notice for reconsideration.

Reconsideration.

Supervisor Power moved for immediate reconsideration.

Motion carried by the following vote:

Ayes—Supervisors Brandon, Deasy, Hilmer, Hynes, Kortick, Lahaney, McLeran, McSheehy, Nelson, Power, Schmitz, Suhr—12.

Noes—Supervisors Hayden, Welch—2.

Absent — Supervisors Gallagher, Hocks, Mulvihill, Wolfe—4.

Motion Defeated.

Whereupon, the question being again taken on Supervisor McLeran's motion, the same was *defeated* by the following vote:

Ayes—Supervisors Brandon, Hilmer, Kortick, McLeran, Nelson, Schmitz, Suhr, Welch—8.

Noes—Supervisors Deasy, Hayden, Hynes, Lahaney, McSheehy, Power—6.

Absent — Supervisors Gallagher, Hocks, Mulvihill, Wolfe—4.

Auditor's Office.

The roll was called for on the following item and the same was *defeated* by the following vote:

"A-0-1 3 Deputies at \$2700, \$8100."

Noes—Supervisors Brandon, Kortick, McLeran, Schmitz, Suhr, Welch—6.

Absent — Supervisors Gallagher, Hocks, Mulvihill, Wolfe—4.

Notice of Reconsideration.

Supervisor Power thereupon changed his vote from aye to no and gave notice that he would move for reconsideration on the next legislative day.

Supervisor Welch moved that the Board proceed to reconsider the foregoing action now.

Chair ruled motion *out of order*.

Privilege of the Floor.

Auditor Thos. F. Boule was granted the privilege of the floor. He called attention to the importance of the work being performed in his department by Mr. Hurlbut and urged that the salary be increased to \$2100 per year.

Whereupon, the question being taken on the approval of

"A-0-1 Clerk (Duties under Sec. 4099 P. C.), \$2,100," the motion was *lost* by the following vote:

Ayes—Supervisors Deasy, Hayden, Hilmer, Hynes, McSheehy, Nelson, Power—7.

Noes—Supervisors Brandon, Kortick, Lahaney, McLeran, Schmitz, Suhr, Welch—7.

Absent — Supervisors Gallagher, Hocks, Mulvihill, Wolfe—4.

Explanation of Vote.

Supervisor Schmitz explained his vote by saying that he voted no because his proposed \$15 general increase was voted down.

Notice of Reconsideration.

Supervisor Power changed his vote from aye to no and gave notice of reconsideration.

Supervisor Power thereupon moved for reconsideration.

So ordered.

Whereupon, Supervisor Power moved that the item read as follows:

"A-0-1 Clerk (duties under Sec. 4099 P. C.), \$1980."

Motion *carried* by the following vote:

Ayes—Supervisors Brandon, Deasy, Hayden, Hilmer, Hynes, Lahaney, McSheehy, Nelson, Power, Welch—10.

Read by the Clerk

Federal Reserve Board on Non-Essential Street Improvements.

The following was presented and read by the Clerk:

Chicago, Ill., May 27, 1918.

J. S. Dunnigan, Clerk Board of Supervisors, San Francisco, Cal.:

Appreciate your telegram of twenty-fourth, but regret that it is considered essential to carry on such extensive work on Division and Vermont streets. We trust we may have your hearty co-operation in not undertaking any improvement work which is not imperatively necessary, in view of the need for conservation of effort of all kinds, as previously mentioned, and the shortage of men and material.

R. H. AISHTON,

Regional Director.

Read and ordered *filed*.

Memorial Day Committee.

Communication—From Memorial Day Committee, with invitation to attend Memorial Day exercises at National Cemeteries, Thursday, May 30, 1918, at 10 a. m.

Read and *accepted*.

Call-Post Patriotic Mass Meeting.

Communication—From E. J. Gaugh, managing editor of the "Call-Post," expressing appreciation for co-operation in patriotic mass-meeting Thursday evening, May 23, 1918, at Auditorium.

Read and ordered *filed*.

HEARING OF APPEALS.

Clayton Street.

Appeal of property owners from assessment for improvements of Clayton street between Clarendon avenue and Corbett avenue, fixed for 3 p. m., was, on motion of Supervisor Welch, *laid over one week*.

Excelsior Avenue.

Appeal of Flinn & Treacy from the assessment issued by the Board of Public Works for the improvement of Excelsior avenue between Edinburgh and Vienna streets, fixed for 3 p. m. this day, was, on motion of Supervisor Welch, *laid over two weeks*.

Francisco Street.

Appeal of Flinn & Treacy from the assessment issued by the Board of Public Works for the improvement of Francisco street between Columbus avenue and Taylor street, fixed for 3 p. m. this day, was, on motion of Supervisor Welch, *laid over two weeks*.

Market Street Extension.

Hearing objections of property owners to the ordering of the opening, extension and widening of Market street from its southwesterly termination of Ord street westerly, southwesterly by southerly and southwest-erly to the northerly line of Twenty-fourth street, as provided in Resolution of Intention No. 15535 (New Series), fixed for 3 p. m. this day.

Privilege of the Floor.

M. Sutro, representing Wells Fargo National Bank; H. Jackson, represent-

ing Odd Fellows' Hall Association; *Steve Costello*, representing property owners; *W. H. Schultze*, representing Odd Fellows' Hall Association; *J. Jordan*, representing the North Central Improvement Association; *Mr. Cuthbertson* and *Dr. C. G. Kenyon* opposed the assessment and the proposed improvement at this time.

Mr. Casey and *Miss Sexton* favored the proposed improvement, particularly for sanitary reasons.

Motion.

Supervisor Suhr moved to lay over until first Monday in December.

Supervisor Power moved as an amendment that the protest be overruled and that the ordering of the work be deferred until the government advises that work will not interfere with the prosecution of the war.

The question being raised as to whether or not the adoption of the foregoing motion would carry with it the approval and adoption of an assessment district, *Supervisor Power* changed his motion to one providing that matter lay over one week and *City Attorney's* opinion be obtained as to the adoption of the aforesaid motion carries with it the approval and adoption on the assessment district.

Motion carried.

Supervisor Schmitz requested that he be placed on record as not in favor of the proposed assessment plan.

Supervisor McSheehy moved that plans for the proposed Market Street Extension be provided for the members of the Board, if it is practicable to make copies without too much expense.

Motion carried.

HEARING OF APPEAL.

Crescent Avenue.

Hearing of appeal of property owners from the action and decision of the Board of Public Works in overruling the protest of property owners against the improvement of Crescent avenue between Mission street and the westerly line of Roscoe street produced, including the intersection of Crescent avenue and Leese street, and Crescent avenue and Murray street, as set forth in Resolution of Intention No. 57934 (Second Series), fixed for 3 p. m.

Attorney Burke, representing the Roman Catholic Archbishop, opposed the proposed improvement on the ground that it was not necessary at this time and that such work was not in harmony with the nation's war policy of shutting down all capital expenditures for non-essentials during

the war. He declared, moreover, that the protestants represented more than a majority of the frontage to be assessed for the work.

M. Gavan spoke in favor of the proposed improvement.

Appeal Denied.

Whereupon, *Supervisor Suhr* presented:

Resolution No. 15730 (New Series), as follows:

Resolved, That the appeal of property owners from the assessment issued by the Board of Public Works for the improvement of Crescent avenue between Mission street and the westerly line of Roscoe street produced, including the intersection of Crescent avenue and Leese street, and Crescent avenue and Murray street, as set forth in Resolution of Intention No. 57934 (Second Series), be denied and the work ordered.

Adopted by the following vote:

Ayes—Supervisors Brandon, Deasy, Hayden, Hilmer, Hocks, Hynes, Kortick, Lahaney, McLeran, McSheehy, Mulvihill, Nelson, Power, Schmitz, Suhr, Welch, Wolfe—17.

Absent—Supervisor Gallagher—1.

Passed for Printing.

Whereupon, the following bill was passed for printing:

Ordering Street Work, Crescent Avenue.

On motion of *Supervisor Welch*:

Bill No. 4969, Ordinance No. — (New Series), as follows:

Ordering the performance of certain street work to be done in the City and County of San Francisco, approving and adopting specifications therefor and authorizing the Board of Public Works to enter into contract for doing the same.

Be it ordained by the People of the City and County of San Francisco as follows:

Section 1. The Board of Public Works in written communication filed in the office of the Clerk of the Board of Supervisors April 5, 1918, having recommended the ordering of the following street work, the same is hereby ordered to be done in the City and County of San Francisco in conformity with the provisions of the Street Improvement Ordinance of said City and County of San Francisco, said work to be performed under the direction of the Board of Public Works, and to be done in accordance with the specifications prepared therefor by said Board of Public Works, and on file in its office, which said plans and specifications are hereby approved and adopted.

The following matters were passed for printing:

Ordering Improvements, Public Library Building.

On motion of Supervisor McLeran: Bill No. 4966, Ordinance No. — (New Series), as follows:

Ordering improvements in and adjacent to the Public Library site, Larkin and McAllister streets; authorizing and directing the Board of Public Works to enter into contract for said improvements and approving plans and specifications therefor, and permitting progressive payments during the progress of said work.

Be it ordained by the People of the City and County of San Francisco as follows:

Section 1. The Board of Public Works is hereby authorized, instructed and empowered to enter into contract for improvements in and adjacent to the Public Library site, McAllister and Larkin streets, in accordance with plans and specifications prepared therefor by the Board of Public Works, and on file in its office, which plans and specifications are hereby approved and adopted.

Section 2. The said Board of Public Works is hereby authorized and permitted to incorporate in the contract for said improvements in and adjacent to the Public Library site, conditions that progressive payments shall be made in the manner set forth in said specifications on file in the

office of the Board of Public Works, and as provided by Section 21, Chapter I, Article VI of the Charter.

Section 3. This Ordinance shall take effect immediately.

Oil Permit.

On motion of Supervisor Deasy:

Resolution No. — (New Series), as follows:

Resolved, That permission revocable at will of the Board of Supervisors is hereby granted California Pleating Co., to install and maintain an oil storage tank, 1500 gallons capacity, at 270 Sutter street.

The rights granted under this Resolution shall be exercised within six months, otherwise said permit becomes null and void.

Recommended.

The following Bill was presented by Supervisor Hocks and on motion ordered re-committed to the Police Committee:

Amending Taxicab Ordinance.

Supervisor presented:

Bill No. —, Ordinance No. — (New Series), as follows:

Amending Section 5 of Ordinance No. 1898 (New Series) entitled "Regulating the Use of Hackney Carriages, Automobiles, Taxicabs, and Other Public Passenger Vehicles, Fixing the Rates to be Charged for the Transportation of Persons and Personal Baggage, Regulating the Use of Boats in the Waters of the Bay, Providing a Punishment for Any Violation Thereof and Repealing Order No. 1611, Ordinances Nos. 446, 1033 and 514 (New Series)."

Be it ordained by the People of the City and County of San Francisco as follows:

Section 1. That Section 5 of Ordinance No. 1898 (New Series), the title of which is above recited, is hereby amended to read as follows:

Section 5. Charges for taxicabs, automobiles or hacks to or from railway depots, ferries, steamboat landings or docks and hotels or other points in the following described district:

Rates in Hotel District.

The district within the City and County of San Francisco hereinafter described shall, for the purposes of this Ordinance, be known as the Hotel District. Such district is bounded and more particularly described as follows, to-wit:

Commencing at the intersection of The Embarcadero and Broadway, and running thence westerly along Broadway to Grant avenue; thence southerly along Grant avenue to Bush street; thence westerly along Bush street to Taylor street; thence southerly along Taylor street to Market street; thence easterly along Market street to Fifth street; thence southerly along Fifth

street to Howard street; thence easterly along Howard street to Fourth street; thence southerly along Fourth street to King street; thence easterly along King street to Second street; thence northerly along Second street to Howard street; thence easterly along Howard street to The Embarcadero, and thence northerly along The Embarcadero to Broadway and point of commencement.

The maximum fare for service by taxicabs, automobiles or hacks, to or from any railroad depot, steamboat landing, steamship dock, or any point on The Embarcadero, located within the aforesaid Hotel District, by a continuous trip, to or from any hotel within the said Hotel District, shall be the following flat rate, to-wit:

For exclusive use of taxicab, automobile or hack, containing four passengers or less, one dollar.

For every additional passenger, twenty-five cents.

Every passenger upon any taxicab, automobile or hack within the aforesaid Hotel District, shall be allowed, and have conveyed with him, upon such vehicle, without charge therefor, his ordinary light traveling baggage, in any amount not to exceed seventy-five pounds.

A fee of fifty cents may be charged for conveying a trunk.

Except for limousines or seven-passenger touring cars not occupying public space, or offered for hire, but furnished only for special calls for which the charge shall be provided in Section 8 of this Ordinance.

For exclusive use of taxicab, automobile or hack, between any points within the boundaries of the aforesaid Hotel District, except between railroad and steamboat depots and hotels or other points, unless the passenger elects to pay the flat rate of one dollar for four or less passengers, the rate shall be by the hour or meter rates, as prescribed by Section 7, 8 or 9 of this Ordinance.

The rate for taxicabs and automobiles to or from any ferry, railroad depot, steamboat landing or steamship dock and any hotel or other point outside of the Hotel District shall be by the hour or meter rates, as prescribed in Sections 8 and 9 of this Ordinance.

Any building or hotel located on the outer line of the street bounding said district, even though the entrance thereof is not on said boundary street shall be deemed within said Hotel District for the purposes of this Ordinance.

Section 2. This Ordinance shall effect immediately.

Passed for Printing.

On motion of Supervisor Welch:

Bill No. 4868, Ordinance No. — (New Series), as follows:

Amending Ordinance No. 1061, entitled "Regulating the Width of Sidewalks," approved December 18, 1903, by amending section five hundred and sixty-five thereof.

Be it ordained by the People of the City and County of San Francisco as follows:

Section 1. Ordinance No. 1061, entitled "Regulating the Width of Sidewalks," approved December 18th, 1903, be and is hereby amended in accordance with the communication of the Board of Public Works, filed in this office May 23, 1918, by amending section five hundred and sixty-five thereof to read as follows:

Section 565. The width of sidewalks on Revere avenue between Is lais creek and Newhall street shall be fifteen (15) feet.

The width of sidewalks on Revere avenue between Newhall street and Railroad avenue shall be as shown on a certain map entitled "Map of Revere avenue from Railroad avenue to Newhall street showing location of street and curb line and width of sidewalks."

The width of sidewalks on Revere avenue between Railroad avenue and Water Front street shall be fifteen (15) feet.

Section 2. Any expense caused by the above change of walk widths shall be borne by the property owners.

Section 3. This Ordinance shall take effect immediately.

Extension of Time.

Supervisor Welch presented:

Resolution No. 15720 (New Series), as follows:

Resolved, That H. Crummey (Inc.) is hereby granted an extension of ninety days from June 8, 1918, within which to complete contract for the improvement of Balboa street between Forty-fourth and Forty-fifth avenues, under public contract.

This *first* extension of time is granted for the reason that contract has been held up pending the disposal by the Board of Supervisors of the petition of the property owners that the city pay the cost of the work between the tracks of the Municipal Railway. This decision has not yet been rendered.

Adopted by the following vote:

Ayes—Supervisors Brandon, Deasy, Hayden, Hilmer, Hocks, Hynes, Kortick, Lahaney, McLeran, McSheehy, Mulvihill, Nelson, Power, Schmitz, Suhr, Welch, Wolfe—17.

Absent—Supervisor Gallagher—1.

Also, Resolution No. 15721 (New Series), as follows:

Resolved, That J. G. Harney is hereby granted the following extensions of time to complete street work, viz: 90 days from June 2, 1918:

Balboa street between Thirty-third and Thirty-fourth avenues; Balboa street between Thirty-fourth and Thirty-fifth avenues; Balboa street between Thirty-fifth and Thirty-sixth avenues; Balboa street between Thirty-eighth and Thirty-ninth avenues; crossing of Balboa street and Fortieth avenue.

These *second* extensions of time are granted for the reason that contract has been held up pending the disposal by the Board of Supervisors of the petition of the property owners that the city pay the cost of the work between the tracks of the Municipal Railway. This decision has not been rendered.

Adopted by the following vote:

Ayes—Supervisors Brandon, Deasy, Hayden, Hilmer, Hocks, Hynes, Kortick, Lahaney, McLeran, McSheehy, Mulvihill, Nelson, Power, Schmitz, Suhr, Welch, Wolfe—17.

Absent—Supervisor Gallagher—1.

Also, Resolution No. 15722 (New Series), as follows:

Resolved, That J. G. Harney is hereby granted an extension of ninety days from June 12, 1918, within which to complete contract for the improvement of Cabrillo street between Forty-fifth avenue and La Playa, including the crossings of Forty-fifth, Forty-sixth, Forty-seventh and Forty-eighth avenues.

This *first* extension of time is granted for the reason that contract has been held up pending the disposal by

the Board of Supervisors of the petition of the property owners that the city pay the cost of the work between the tracks of the Municipal Railway. This decision has not yet been rendered.

Adopted by the following vote:

Ayes—Supervisors Brandon, Deasy, Hayden, Hilmer, Hocks, Hynes, Kortick, Lahaney, McLeran, McSheehy, Mulvihill, Nelson, Power, Schmitz, Suhr, Welch, Wolfe—17.

Absent—Supervisor Gallagher—1.

Also, Resolution No. 15723 (New Series), as follows:

Resolved, That Flinn & Treacy are hereby granted an extension of thirty days' time from and after June 1, 1918, within which to complete contract for improving Clayton street opposite the termination of Ashbury street.

This *third* extension of time is granted for the reason that the work is under way and the explanation given for the long delay in completing the work is that there is a scarcity of labor and material, the City Engineer recommending the extension.

Adopted by the following vote:

Ayes—Supervisors Brandon, Deasy, Hayden, Hilmer, Hocks, Hynes, Kortick, Lahaney, McLeran, McSheehy, Mulvihill, Nelson, Power, Schmitz, Suhr, Welch, Wolfe—17.

Absent—Supervisor Gallagher—1.

Also, Resolution No. 15724 (New Series), as follows:

Resolved, That Geo. N. Wilson, as agent for property owners, is hereby granted an extension of ninety days from May 3, 1918, within which to complete contract for the improvement of Mohawk street between Huron avenue and Mission street.

This *first* extension of time is granted for the reason that the grading on this contract is 50 per cent completed.

Adopted by the following vote:

Ayes—Supervisors Brandon, Deasy, Hayden, Hilmer, Hocks, Hynes, Kortick, Lahaney, McLeran, McSheehy, Mulvihill, Nelson, Power, Schmitz, Suhr, Welch, Wolfe—17.

Absent—Supervisor Gallagher—1.

Also, Resolution No. 15725 (New Series), as follows:

Resolved, That H. Lotzin is hereby granted an extension of thirty days' time from May 24, 1918, within which to complete contract for the construction of the Lake street relief outlet sewer.

This *third* extension of time is granted for the reason that the work is about 98 per cent completed. The contractor has been delayed owing to the scarcity of labor and material.

Adopted by the following vote:

Ayes—Supervisors Brandon, Deasy, Hayden, Hilmer, Hocks, Hynes, Kor-

tick, Lahaney, McLeran, McSheehy, Mulvihill, Nelson, Power, Schmitz, Suhr, Welch, Wolfe—17.

Absent—Supervisor Gallagher—1.

Adjustment of Claim of Tuolumne River Placer Mining Company for Damages to Property.

Supervisor Wolfe presented:

Resolution No. 15727 (New Series), as follows:

Whereas, Ernest Wierck of Sonora, Tuolumne County, California, has presented a claim in behalf of himself, W. H. Wierck and the Tuolumne River Placer Mining Company against the City and County of San Francisco in the sum of \$66,029 for alleged damage to the claimants' mining claims and improvements thereon resulting from the blasting of rock and gravel onto the same in the construction of the Hetch Hetchy Railroad through the Tuolumne River Canyon, and

Whereas, The City Engineer and special counsel for the Hetch Hetchy Water Supply, after due investigation of the claim, have advised settlement of the same by paying to the claimants the sum of \$3,000 and delivering to them 10 squares of 2-ply roofing paper for the restoration of building roofs damaged by blasting, which settlement is acceptable to the claimants, and

Whereas, It is to the best interests of the City that said claim be adjusted on the above basis, now, therefore, be it

Resolved, That said claim be settled on the basis set forth in the above preamble, and the special counsel for the Hetch Hetchy Water Supply is hereby authorized and directed to settle the same and pay the above consideration to said claimants, upon receipt from them of satisfactory release of all claims against the City.

REPORTS OF COMMITTEES.

The following committees, by their respective Chairmen, presented reports on various matters referred, which reports were presented, read and ordered filed:

Supplies Committee, by Supervisor Hilmer, Chairman.

Streets Committee, by Supervisor Welch, Chairman.

Federal Reserve Bank of San Francisco on Economy of Labor, Money and Materials.

The following was presented, read by the Clerk and referred to the Finance Committee:

May 31, 1918.

The Honorable, The Board of Supervisors, San Francisco, California.

Gentlemen: As chairman of the Sub-Committee on Capital Issues in this Federal Reserve District, permit me to bring to your most thoughtful consideration the vital importance of governmental economy at this time—economy in the absorption of labor, money and materials. Betterment or extension of utilities, street improvements, whether construction, reconstruction or repairing, or construction of new buildings, in short, any public improvements such as would be natural and appropriate in peace time, but which can be postponed until after the war, should not be entered upon at this time. Undertakings which do not contribute directly or indirectly to winning the war necessarily withhold support correspondingly from our mili-

tary efforts, which means that they can be carried forward only at the cost of deferring the conclusion of the war and the consequent increased sacrifice of lives of those at the front. This applies equally whether undertaken by state, county or city and whether to be paid for by sales of bonds by general taxes or local assessments.

No German propaganda could be more insidious nor more harmful than one for undertaking at this time public work which can be deferred for the time being. It is a time when all non-essential projects should be deferred and when the cost of government should be reduced to the minimum in order that all energies may be concentrated in the one vital effort of winning the war.

Section 203 of the War Finance Corporation Act, approved April 5, 1918, provides in part:

"That the Committee may, under rules and regulations to be prescribed by it from time to time, investigate, pass upon and determine whether it is compatible with the national interest, that there should be sold or offered for sale or for subscription any issue, or any part of any issue of securities hereafter issued by any person, firm, corporation, or association, the total or aggregate par or face value of which issue and any other securities issued by the same person, firm, corporation or association since the passage of this Act is in excess of \$100,000."

If the issue of securities in amounts exceeding \$100,000 is being considered application for approval, giving full information, should be addressed to Capital Issues Committee, Washington D. C., and duplicate forwarded to Sub-Committee on Capital Issues, Federal Reserve Bank, San Francisco, Cal.

The aggregate issues of securities after April 5, 1918, by one obligor will be taken together in determining whether the amount is in excess of \$100,000, and it will probably be regarded as equally an "issue" of securities, within the meaning of the Act whether they are bought by the state, county or city, whether they are paid to contractors, or whether they are otherwise disposed of.

Bespeaking your earnest and patriotic co-operation, I remain,

Yours very truly,

JOHN PERRIN,

Chairman Sub-Committee Capital Issues Committee.

Tribute to the Memory of James Rolph Sr.

The Clerk read the following:

At the age of four score years the father of our esteemed Mayor, James Rolph, Sr., has been called from active duty to the tranquility of the life immortal.

It is fitting, therefore, at this time that this Board of Supervisors should

add its quota to the public expressions of sorrow for the event, of appreciation of the usefulness of a long life well spent, of acknowledgment of the fine qualities and upright character of him who has gone; to render a tribute to his worth as a citizen and offer sympathy to those who are bereft.

The axiom that men live to the end that the world may be better for those who are to follow is strikingly exemplified in the life of James Rolph, Sr.

To those whom he served he gave full measure of faithful labor; to the community in which he lived he furnished a worthy example of public spirit; to his church he gave devotion; to his friends he gave loyalty; and to his family he gave love and care, instilling in his sons and daughters the virtues of patriotism, integrity, industry and all that goes to make true men and women.

Viewed from every standpoint his life was a successful one—one to be strived for and one to be emulated, and to his achievements we give salutation; we realize with what proud thought our Mayor may use the word "Father."

This, then, is our humble tribute, to which we may add our sorrow for a life terminated and our condolence to those who have cause to deeply mourn.

Motion.

Supervisor Welch moved that the foregoing tribute be spread in the minutes, that the Board adjourn at 4 p. m. in respect to the memory of the deceased and go in a body to offer their sympathy to his Honor Mayor Rolph and the relatives of the deceased.

Supervisor Gallagher moved that a committee of the Board be appointed to attend the funeral.

Motion carried.

Supervisor Mulvihill moved as an amendment that the Board attend the funeral tomorrow in a body.

Amendment carried.

Remarks of Supervisor Edward I. Wolfe.

Supervisor Wolfe, in suggesting that a suitably engrossed copy of the above be sent to the relatives, in an eloquent address paid a splendid tribute to the character of the deceased. He said in part: "I wish, also, to make a motion or suggestion that the memorial just read by the Clerk be suitably engrossed and a copy sent to his Honor the Mayor. I, too, have known James Rolph, Sr. . . . I knew him intimately for a period extending over thirty-five years. I met him first when he was a note teller in the Bank of California. I was then employed by the Black Diamond Coal Company and had business with the bank from time to time during a number of years, and want to add my testimony as to the splendid character of the father of our honored Mayor—to his modest, kindly,

God-fearing character and disposition and to his genial and affable manner toward all who had social or business relations with him. A more lovable, kindly, noble and upright character I never met. In civic life he represented the highest type of citizenship. In his social and domestic relations he was the perfect gentleman and good father—universally esteemed, admired and loved.

"At four score years he sleeps the sleep that knows no awakening—he has run his course—he has laid aside the burden that he has borne so long and so well. He leaves behind an honored name, nay, more, he leaves behind to perpetuate that name a splendid family of men and women—a family in every way worthy of so splendid a father.

"It is idle for us here to try by words to console the bereaved for a loss so great. Our words are cold and meaningless in the house of death. Those who sorrow must look on high for the consolation that the world cannot give. But we can have a copy of these resolutions suitably engrossed so that in the future the family of the deceased may look upon them and know that, though we could not console them, they had our deepest sympathy in the hour of their great sorrow and their irreparable loss. I, therefore, move you, Mr. Chairman, that this memorial be suitably engrossed and a copy presented to his Honor Mayor Rolph and the family of the deceased."

Court Adjourns Out of Respect.

Department 10 of the Superior Court adjourned out of respect to the memory of the late James Rolph Sr. The motion to adjourn was made by Attorney Thomas W. Hickey, who said, in addressing the Court:

"If your Honor please, there is a messenger none can ignore, bearing a summons that must be obeyed. Sooner or later he comes to all. Obscurity and prominence, he makes no distinction. This morning, if your Honor please, the unbidden messenger knocked at the door of James Rolph Sr. and summoned him to his last sleep and he brought a sense of personal sorrow to a household and to a city. James Rolph Sr. was not a lawyer practicing at this bar, but on account of his long residence in this city, the wonderful family he has raised in this community, including our beloved Mayor. I would ask that your Honor adjourn your Court out of respect to James Rolph Sr."

Judge Thomas F. Graham, in reply said:

"The city of San Francisco has lost one of its oldest and most respected citizens in the death of James Rolph Sr. Mr. Rolph was a man of kindly

heart and sturdy, honest nature. No one ever came into contact with him without being forcibly impressed with his courage and sincerity. Always frank and outspoken in sentiment, he was yet ever loyal to his friends, and the cause he supported in public and private life, his influence and his activities were a power for good. Mr. Rolph lived a full four-score years, he left a splendid family to perpetuate his good name and I think it is fit and proper that when this Court adjourns it does so out of respect to the memory of James Rolph Sr.

Presentation of Proposals.

Stationery.

Thirty-five proposals to furnish stationery, printed books and blanks, required for the various departments, officers and offices of the City and County, from July 1, 1918, to June 30, 1919, were received, opened and referred to the Supplies Committee.

Hearings of Appeal.

Clayton Street.

Appeal of property owners from assessment for improvements of Clayton street between Clarendon avenue and Corbett avenue, fixed for 3 p. m. was laid over one week.

Harrison Street.

Appeal of City Street Improvement Company from assessments issued for the improvement of Harrison street between Seventeenth and Eighteenth streets was laid over one week.

Market Street Extension.

Hearing objections of property owners to the ordering of the opening,

extension and widening of Market street from its southwesterly termination of Ord street westerly, southwest-erly by southerly and southwest-erly to the northerly line of Twenty-fourth street, as provided in Resolution of Intention No. 15535 (New Series), fixed for 3 p. m. this day.

Motion.

Supervisor Power moved that hearing be laid over one week, City At-torney's opinion be referred to Streets Committee.

Motion carried.

UNFINISHED BUSINESS.

Final Passage.

The following bill, heretofore passed for printing, was taken up and finally passed by the following vote:

Budget of Municipal Expenditures for 1918-1919.

Bill No. 4964, Ordinance No. 4610 (New Series), as follows:

An ordinance fixing and appropriat-ing the aggregate sum and the items thereof allowed to each department, office, board and commission for the fiscal year ending June 30, 1919, and making a budget of the same.

Be it ordained by the People of the City and County of San Francisco as follows:

Section 1. The aggregate sums and items thereof hereinafter set forth are hereby fixed, designated and appro-priated for the respective purposes set opposite the same, to be expended dur-ing the fiscal year ending June 30, 1919, in accordance with the pro-visions of Article III, Chapter 1 of the Charter of the City and County of San Francisco, to-wit:

Explanations of Vote.

Supervisor Gallagher explained his vote by saying:

"I am voting no on final passage of the budget, not because I do not approve the general recommendations of the Finance Committee, but because I cannot consent to a great many of the additions made to their report. Further, I am pledged to vote for a playground in Noe Valley, which has been excluded."

Power wanted same explanation of his vote entered in record as on passage to print, to-wit:

"I am voting no at the present time because these appropriations are unnecessarily large and will necessitate an increase in the tax rate of the people of San Francisco."

Schmitz: I refuse to vote for the final passage of the budget because I am against the total amount of the

budget with its increased tax rate, and I am particularly against the following items:

Civic Center purchase.....	\$65,000
Deficit in Twin Peaks contract (balance) ..	85,000
Reconstruction of Bryant street ..	72,350
Board of Health Central Office.	15,000
Subsistence of Public Institutions (extra)	35,000
Urgent Necessity Fund.....	50,000
	\$322,350

Rates of Fare Ordinance Amended.

On motion of Supervisor Hocks:

Bill No. 4970, Ordinance No. — (New Series), Amending Section 5 of Ordinance No. 1898 (New Series), entitled, "Regulating the Use of Hackney Carriages, Automobiles, Taxicabs, and Other Public Passenger Vehicles, Fixing the Rates to Be Charged for the Transportation of Persons and

Personal Baggage, Regulating the Use of Boats in the Waters of the Bay, Providing a Punishment for Any Violation Thereof and Repealing Order No. 1611, Ordinances Nos. 446, 1033 and 514 (New Series)."

Be it ordained by the People of the City and County of San Francisco as follows:

Section 1. That Section 5 of Ordinance No. 1398 (New Series), the title of which is above recited, is hereby amended to read as follows: :

Section 5. Charges for taxicabs, automobiles or hacks to or from railway depots, ferries, steamboat landings or docks and hotels or other points in the following described district:

Rates in Hotel District.

The district within the City and County of San Francisco hereinafter described shall, for the purpose of this ordinance, be known as the Hotel District. Such district is bounded and more particularly described as follows, to-wit:

Commencing at the intersection of The Embarcadero and Broadway, and running thence westerly along Broadway to Grant avenue; thence southerly along Grant avenue to Bush street; thence westerly along Bush street to Taylor street; thence southerly along Taylor street to Market street; thence easterly along Market street to Fifth street; thence southerly along Fifth street to Howard street; thence easterly along Howard street to Fourth street; thence southerly along Fourth street to King street; thence easterly along King street to Second street; thence northerly along Second street to Howard street; thence easterly along Howard street to The Embarcadero, and thence northerly along The Embarcadero to Broadway and point of commencement.

The maximum fare for service by taxicabs, automobiles or hacks, to or from any railroad depot, steamboat landing, steamship dock, or any point on The Embarcadero, located within the aforesaid Hotel District, by a continuous trip, to or from any hotel within the said Hotel District, shall be the following flat rate, to-wit:

For exclusive use of taxicab, automobile or hack, containing four passengers or less, one dollar.

For every additional passenger, twenty-five cents.

Every passenger upon any taxicab, automobile or hack within the aforesaid Hotel District, shall be allowed, and have conveyed with him, upon such vehicle, without charge therefor, his ordinary light traveling baggage, in any amount not to exceed seventy-five pounds.

A fee of fifty cents may be charged for conveying a trunk.

Except for limousines or seven-passenger touring cars not occupying public space, or offered for hire, but furnished only for special calls for which the charge shall be provided in Section 8 of this ordinance.

For exclusive use of taxicab, automobile or hack, between any points within the boundaries of the aforesaid Hotel District, except between railroad and steamboat depots and hotels or other points, unless the passenger elects to pay the flat rate of one dollar for four or less passengers, the rate shall be by the hour or meter rates, as prescribed by Sections 7, 8 or 9 of this ordinance.

The rates for taxicabs and automobiles to or from any ferry, railroad depot, steamboat landing or steamship dock and any hotel or other point outside of the Hotel District shall be by the hour or meter rates, as prescribed in Sections 8 and 9 of this ordinance.

Any building or hotel located on the outer line of the street bounding said district, even though the entrance thereof is not on said boundary streets, shall be deemed within said Hotel District for the purposes of this ordinance.

Section 2. This ordinance shall take effect immediately.

Intention to Close Lena Place.

The following was presented and read by the Clerk:

May 28, 1918.

Board of Supervisors City and County of San Francisco, San Francisco, California.

Gentlemen: By virtue of authority granted by law the President has requisitioned and taken over for the United States the possession of and title to all lands between Michigan and Illinois streets south of Twentieth street, extending south to a line described as follows:

Commencing at the intersection of the north line of Lena place with the east line of Illinois street; thence extending along Lena place one hundred (100) feet; thence north parallel with Illinois street thirty-six (36) feet; thence east one hundred (100) feet along the north boundary of a parcel of land formerly belonging to Catherine T. Williams, now owned by the Bethlehem Shipbuilding Corporation, Ltd., to the intersection of this line with the west line of Michigan street.

And has directed that the same be taken possession of by the undersigned and turned over to the Bethlehem Shipbuilding Corporation, Ltd., for use in connection with government contracts.

The taking over of this property leaves Lena place without value as a public thoroughfare for the reason that all the property adjacent thereto will be under the control of the Bethlehem Shipbuilding Corporation, Ltd. Proper utilization of the property for Government purposes requires that Lena place be closed and authority is accordingly requested that your Honorable Board take such steps as may be necessary to close said Lena place.

Respectfully,

D. C. NUTTING,

Senior Member Coast Inspection Board for U. S. N.

We concur in this request.

BETHLEHEM SHIPBUILDING CORPORATION, LTD.

By A. S. GUNN.

Supervisor Welch thereupon presented:

Resolution No. 15740 (New Series), as follows:

Whereas, By virtue of authority granted by law the President has requisitioned and taken over for the United States the possession of and title to all lands between Michigan and Illinois streets, south of Twentieth street, extending south to a line described as follows:

Commencing at the intersection of the north line of Lena place with the east line of Illinois street; thence extending along Lena place one hundred (100) feet; thence north parallel with Illinois street thirty-six (36) feet; thence east one hundred (100) feet along the north boundary of a parcel of land formerly belonging to Catherine T. Williams, now owned by the Bethlehem Shipbuilding Corporation, Ltd., to the intersection of this line with the west line of Michigan street.

And has directed that the same be taken possession of by D. C. Nutting, Senior Member, Coast Inspection Board for U. S. N., and turned over to the Bethlehem Shipbuilding Corporation, Ltd., for use in connection with Government contracts; and

Whereas, Public interest and convenience require and would be conserved by the closing of Lena place hereinafter more particularly described; therefore be it

Resolved, That it is the intention of the Board of Supervisors to close and abandon Lena place, more particularly described as follows:

Commencing at a point on the easterly line of Illinois street distant thereon 236 feet southerly from the southerly line of Twentieth street; thence southerly along the easterly line of Illinois street 14 feet; thence at right angles easterly 132 feet; thence at right angles northerly 14 feet; thence at right angles westerly 132 feet to the easterly line of Illinois street and the point of commencement.

Said closing of said Lena place shall be done and made in a manner and in accordance with the provisions of Section 2 of Chapter III of Article VI of the Charter as amended, and the sections of said chapter and article following said Section 2.

Be it further Resolved, That the Clerk of this Board transmit a certified copy of this resolution to the Board of Public Works, and that the Board of Public Works be instructed to proceed thereafter as required by law, and the Clerk is hereby directed to advertise this resolution in the

Daily Journal of Commerce as required by law.

Adopted by the following vote:

Ayes—Supervisors Brandon, Deasy, Gallagher, Hilmer, Hocks, Hynes, Kortick, Lahaney, McLeran, McSheehy, Mulvihill, Nelson, Power, Schmitz, Welch, Wolfe—16.

Absent—Supervisors Hayden, Suhr—2.

Confirming and Ratifying Contract of General Electric Company for Furnishing Electric Storage Battery Locomotives for Hetch Hetchy Work.

Supervisor McLeran presented:

Resolution No. 15744 (New Series), as follows:

Whereas, in accordance with the authorization contained in the Charter and Ordinance No. 4466 (New Series) of the Board of Supervisors, the Board of Public Works of the City and County of San Francisco has by its Resolution No. 58859 awarded to the General Electric Company contract No. 36, for furnishing and delivering six (6) electric storage battery locomotives for use in connection with the aqueduct work of the mountain division of the Hetch Hetchy water supply; and

Whereas, Since the award of said contract the Superior Court of this City and County has rendered a decision in Department 14, denying the authority of the Board of Supervisors to delegate the power to the Board of Public Works to enter into contracts for the purchase of equipment for the construction and operation of public utilities; and

Whereas, The same court in another department has rendered a decision upholding the validity of such contracts; and

Whereas, Pending the final determination on appeal to the Supreme Court of this question, the General Electric Company, through its attorney, has requested that before being required to commence work under said contract No. 36, the Board of Supervisors by resolution ratify and approve said award by said Board of Public Works; now, therefore, be it hereby

Resolved, That the action of the Board of Public Works in awarding said contract No. 36 to the General Electric Company for furnishing and delivering said six (6) storage battery locomotives to the City and County of San Francisco for use in connection with the Hetch Hetchy project be and it is hereby ratified, approved and confirmed, and that the specifications on which said contract were let and the acts and procedure of the Board of Public Works in soliciting bids for and awarding such contracts be and they are hereby ratified and confirmed.

Mayor Rolph's Acknowledgment of Tributes of Respect to the Memory of His Father.

June 10, 1918.

Honorable Board of Supervisors, City and County of San Francisco, San Francisco.

My Dear Friends: There comes a time in the life of every man when words fail utterly to express the emotions and the feelings that he experiences.

I have passed through such a period in the death of my dear father.

Never will I, or the other members of my family, forget the consoling words and acts of friends who sought so earnestly to bring solace to us in our grief, nor the mark of universal respect paid his memory by the city in general.

For the visit of the members of your honorable board at my father's home, as well as for their escort to and attendance at the funeral services, we are deeply grateful and honored.

The beautiful sentiments expressed in the resolution adopted by your hon-

orable Board last Monday, June 3rd, 1918, as a tribute to the worth as a citizen and in memory of my father touch us deeply, and in the name of all my brothers and sisters, and for myself, I thank you.

Very sincerely yours,
JAMES ROLPH, JR.

Whereupon, the following bill was

presented by Supervisor McLeran and passed for printing:

School Bonds Placed on Sale With Treasurer.

Bill No. 4973, Ordinance No. — (New Series), as follows:

Reciting that certain School Bonds remain unsold after having been advertised for sale, and directing that such unsold bonds be placed on sale at the office of the Treasurer of the City and County of San Francisco, and fixing the price at which such bonds may be sold by the said Treasurer of the City and County.

Be it ordained by the People of the City and County of San Francisco as follows:

Section 1. It is hereby recited and declared that the Board of Supervisors on the 13th day of May, 1918, did adopt a resolution, by which resolution the Clerk of said Board was directed to give notice by advertisement as required by the Charter of said City and County, that on the 10th day of June, 1918, said Board would receive and consider bids for the purchase of School Bonds, issue of 1918, to the amount of \$435,000.00 and maturing \$17,000 on March 1, 1923, and \$22,000 each year thereafter from 1924 until 1942. The bonds are of \$1,000 denomination and bear interest at the rate of 4½ per centum per annum, payable semi-annually March 1 and September 1.

That in compliance with said resolution said Clerk did cause to be published in the official newspaper for a period of ten days prior to said 10th day of June, 1918, an advertisement and notice of sale of said described bonds, and that all of the requirements of the Charter of the City and County in respect thereto were fully complied with.

That no bid was received for the purchase of said bonds so advertised for sale as aforesaid, or any portion thereof, and that the whole amount thereof remained unbid for and unsold.

Section 2. As provided in Section 10 of Article XII of the Charter of the City and County of San Francisco, it is hereby ordered that all of the bonds advertised for sale and remaining unsold, to-wit: School Bonds to the amount of \$435,000 maturing \$17,000 March 1, 1923, and \$22,000 maturing each year thereafter from 1924 until 1942, be placed on sale and offered for sale at the office of the Treasurer of the City and County of San Francisco, and the said Treasurer is hereby authorized to sell said described bonds to any person desiring to purchase the same. That the price at which said bonds may be sold is the par or face value thereof, together

with any and all interest that may have accrued thereon at the time of the delivery of the same to the purchaser.

Section 3. This ordinance shall take effect immediately.

Ayes—Supervisors Brandon, Deasy, Gallagher, Hayden, Hilmer, Hocks, Hynes, Kortick, Lahaney, McLeran, McSheehy, Mulvihill, Nelson, Power, Schmitz, Suhr, Welch, Wolfe—18.

Report of Special Committee on Garbage Disposal.

The following was presented, ordered printed for the members and *laid over one week:*

San Francisco, June 10, 1918.

To the Honorable the Board of Supervisors—

Gentlemen: Your Special Committee delegated by you to the investigation of and recommendation upon the subject of garbage disposal begs leave to submit the following progressive report:

Your Committee has held many meetings on this subject, and has heard the opinions and protests of the representatives of Restaurant Men's Assn., Apartment House Owners' Assn., Civic League of Improvement Clubs, Building Owners' and Managers' Assn., Scavengers' Union, attorneys and other representing interests desiring to bid upon and receive the contract for disposal of the city's garbage. In addition, all of the members of this Committee have made an investigation of the system of collection and disposal now prevailing in the City of Los Angeles, as well as that obtaining in other cities.

On March 28, 1918, we reported, and you adopted the following:

"Acting on the recommendation of

Dr. Hassler and E. P. Jones, who were appointed at the preceding meeting to report on all disposal propositions submitted to this Board prior to January 1, 1918, it was unanimously agreed that there would be no further consideration of these proposals. None of these proposals were prepared with a view to conservation, and inasmuch as conservation along all lines is one of the greatest necessities of the present time, the propositions submitted previous to this year failing to meet the changed conditions."

Your Committee attached itself to the problem with an idea of obtaining the highest possible modern method of disposal, and considered carefully the element of possible revenue to the city. In addition, we have considered the subject of segregation of garbage, and the municipalization of both the collection and disposal of garbage and rubbish. We are advised by governmental experts and agents that it is of the utmost importance at this time, and will be for some years to come, that all cities of over 100,000 inhabitants obtain from garbage, by reduction or other process, all the food values that remain. Your Committee gladly acquiesces in this highly patriotic idea, and has practically determined on a policy of conservation.

On the question of whether it is better to reduce the garbage, and by reduction obtain from it the soap fats, glycerine, alcohol and tankage, or whether it is better to feed the hogs the so-called wet garbage for the raising of pork, is an undetermined question either by your committee or by the government experts on the subject.

Incineration: It is practically conceded that so far as general refuse is concerned, incineration of all except the combustible rubbish has now become an antiquated method. At least it is conceded that to destroy possible food values by burning is an unwarranted waste, and therefore your committee has, so far as wet garbage is concerned, discarded any thought of incineration of same.

Dumping the Garbage: In the same manner and for the same reason, your Committee has, so far as wet garbage is concerned, discarded any idea of permitting, or recommending that it be permitted, the dumping of this valuable by-product in the ground, with the feeling that that also would be waste, but with the further idea that non-combustible rubbish and ashes could be used for that purpose.

Segregation: Your Committee has decided upon and recommends to your Honorable Board in favor of a policy of segregation of refuse at the household. This can be accomplished with-

out any additional cost to the household, and after separation there will be, according to the reports in our hands, approximately 150 tons of wet garbage for utilization for future food products. The containers which are now used by the average household for garbage may be retained for wet garbage, and the household can be permitted to use whatever receptacle to them seems best for depositing the dry rubbish or refuse.

Collection and Scavengers: Your Committee has given serious consideration to the subject of municipal collection of garbage and is in favor of same, but deems that this is an inadvisable time in which to embark in that enterprise, as well as we deem it inadvisable at this time to recommend municipal disposal of garbage and rubbish. We have, however, given consideration to the use of the incinerator recently built for the city and located in Islais Creek, and we are disposed to feel that the way has been pointed out to the scavengers whereby the cost of collection of garbage and rubbish can be cheapened, and that they might profitably use the Islais Creek Incinerator for combustible rubbish, and at a profit to the city. In regard to the present incinerator at Rhode Island and De Haro streets, operated by the Sanitary Reduction Works, your Committee is of the opinion, except for some proposition which may change our views, that that plant is a thing of the past, a nuisance, and that its abolition would be a highly desirable proposition.

Restaurants and Hotels: Your Committee has deemed it advisable in the recommendations herewith made, and which hereafter follow, to exclude the garbage from the provisions of a proposition for bids, and for this reason: The down-town restaurants and hotels now obtain a revenue from this source; it is estimated that they receive approximately \$5.00 a ton for 100 tons of garbage a day. The garbage of these places is segregated in the highest possible degree, and is now being used for feeding hogs. The elimination of hotels and restaurants from the provisions of a proposal for bids will permit them to continue their present method of segregation and disposal, and will not violate the contract which they now have running over a period of from six months to two years covering same.

Time of Contract: Your Committee is of the opinion that any contract for the disposal of garbage, in view of the extraordinary conditions surrounding the nation at this time, covering a period of more than ten

years would be a mistake, but believes that a ten-year period would be a very safe period on which a contract might be let.

Propositions Involving Building Plants That Will Become City Property: Your Committee has given much consideration to proposals involving a contract calling for the building of plants to be used by the contractors in the disposal of garbage for a period of time and then becoming the property of the city at the expiration of said contracts. It must be obvious to you that, while these propositions are alluring on their face, acceptance of same would be a mistake, for the reason that the contractor during the period of his contract would obtain all the profits out of the reduction or other method of disposal of garbage and rubbish, and the city would obtain at the end of the period a plant probably obsolete, but at least depreciated to a very considerable extent. It has occurred to your Committee and must occur to you that if contractors can bid for garbage disposal based upon making out of investments running all the way from half a million to a million dollars, that profit, by the time their contract expires, it would be good financial policy for the city to make his profit during that period, and avoid the necessity of taking over a probably obsolete or depreciated plant at the end of the contract period.

Until such time as the bids are before us, your Committee, of course, cannot recommend definitely what propositions may be accepted. We have before us, however, in tentative form, the following propositions:
From—

Cobwell Corporation, agreeing to build necessary plants for disposing of city's waste and agreeing to turn said plants over to the city at the end of 20 years. It was estimated by the representatives of the Cobwell people that said plant would cost in the neighborhood of \$750,000.

In this connection your Committee desires to say that, in addition to Dr. Hassler and Mr. Jones, Supervisors Wolfe, Mulvihill and Gallagher took advantage of their attendance at the Supervisors Convention at Los Angeles, to make a thorough inspection of the Cobwell plant and system. It is only fair to say in this connection that the almost complete absence of odor and nuisances attached to this plant was remarkable. The Cobwell system consists of a secret reduction process, by which all of the values are obtained from the garbage and rubbish. This system, so we are informed, is the last word in reduction process, and we found the plant

up to date, almost odorless, and in splendid running order.

D. O. Lively, submitting tentative proposal to dispose of garbage without cost to scavengers, pay the city in addition for the privilege of disposal and purchase, the Islais Creek Incinerator for \$195,000.

William H. Williams, Jr., offering to dispose of all garbage and street sweepings if he were paid \$10,000.00 a month and allowed to operate the plant owned by the city.

Your Committee has had the benefit of a special report from a subcommittee, consisting of Dr. Wm. C. Hassler and E. P. Jones of the City Engineer's office, and have to some extent been guided by the recommendations contained in their report.

Recommendations: As noted above, we have recommended that the Board decide in favor of a policy of segregation of garbage. Having so decided in the matter of policy, your committee will then have prepared for submission to the Board, ordinances for your approval, carrying out the details of said policy.

It is further recommended, that the Clerk be directed to advertise proposals for bids for disposing of the garbage of the City and County of San Francisco, excluding, as above noted, hotels and restaurants.

Respectfully submitted,

ANDREW J. GALLAGHER,
E. P. JONES,
Asst. City Engineer,

EDWARD I. WOLFE,
JOSEPH MULVIHILL,
WM. C. HASSLER,

Health Officer,

Special Committee on Garbage Disposal.

Note:

As a member of the Special Garbage Committee I concur in all of the recommendations of the Committee, with the following exceptions:

Under paragraph *Restaurants and Hotels*, page 3: I do not concur in the recommendation that the garbage of the hotels and restaurants be eliminated, as this deprives the City of a revenue that would amount to over \$100,000.00 per annum.

Recommendation, page 5: Under this paragraph I do not concur with the Committee in excluding hotels and restaurants in the calling for proposals for the disposal of garbage, and recommend that proposals be called for disposal of *all of the garbage of the city*.

JOSEPH MULVIHILL,
Supervisor.

REPORTS OF COMMITTEES.

Fire Committee, by Supervisor Deasy, Chairman.

Lighting Service Committee, by Supervisor Nelson, Chairman.

Supplies Committee, by Supervisor Hilmer, Chairman.

Streets Committee, by Supervisor Welch, Chairman.

Sergeant Major Jack Anderson of the Princess Pat Regiment and Captain L. E. Ransom Visit Board.

Sergeant Major Jack Anderson, member of the Princess Pat Regiment, was presented to the Board by Supervisor McLeran. He said that next to receiving the Cross of Honor the greatest favor that has been conferred on him has been his reception and hospitable treatment at the hands of the people of San Francisco. He declared that he had lost a leg in battle and was now on the Orpheum Circuit lecturing on his experiences at the front. He declared that no one could live under German militarism and urged encouragement and support to our soldiers abroad in order that they might be enabled to "carry on".

Capt. L. E. Ransom declared that in a spirit of adventure he had joined in French forces at the outbreak of the war and before the United States was in it. "Nothing," he said, "pleased me more than when the United States came in on the side of humanity and democracy. I am mighty proud to be accorded this hearty demonstration on the part of the representatives of the citizens of San Francisco who I know are in back of the boys at the front to a man."

Supervisor Gallagher, being called upon to respond, said in part: "It is pretty hard for me to add anything worth while to these men, especially Jack Anderson, who has lost one of his limbs fighting our battle in the trenches. It makes one feel pretty small after all, even though we occupy the dignified position of legislators." He paid a splendid tribute to the valor of our allies, felicitated the visitors on the part they were playing in the great war and extended to them a most hearty welcome to San Francisco.

Seattle Officials Visit Supervisors.

Supervisor McLeran presented:

Ollie Hansen, Mayor of Seattle, Corporation Counsel Caldwell of Seattle and C. B. Fitzgerald, chairman of the Finance Committee of the Common Council of Seattle, who are visiting in San Francisco.

Mayor Ollie Hansen, being called upon, addressed the Board. He said, in part:

"We wish to thank the officials and people of San Francisco for the great hospitality with which we have been received and entertained since coming to the city. You people of San

Francisco have a great affection for your city. On account of the fire which nearly destroyed San Francisco in 1906, you have been drawn closer together and the love of your city heats deeper in your hearts on account of the ordeal through which you have passed.

"We have been royally entertained by Mr. Rainey, the Mayor's secretary, and City Engineer O'Shaughnessy. You people do not appreciate that old bald-headed Irishman, O'Shaughnessy, and the wonderful work he is doing in Hetch Hetchy. Fifty years from now the people will be paying honor to his monument in your Civic Center.

"We came here from Seattle on a mission for the purpose of obtaining permission from the Federal Reserve Board to sell bonds for the purpose of constructing our water, light and power systems.

"Last year we netted \$350,000 on our lighting plant, and for the first three months of this year we netted \$199,863.

"In Seattle our water system is supplied water at one-fourth the price paid in San Francisco. We are supplied at less than at Niagara Falls, where the supply is in private hands.

"We are going ahead with the development of our hydro-electric system, and unless San Francisco is wide-awake to her interests, we are going to beat her and take her factories from her."

Messrs. Fitzgerald, chairman of the Finance Committee of the Common Council, and *Caldwell*, City Attorney of Seattle, also addressed the Board, expressing appreciation for the hospitality shown them and congratulating the Board on the splendor of the City Hall and Civic Center.

Rates of Fare Ordinance Amended.

Bill No. 4970, Ordinance No. 4613 (New Series), Amending Section 5 of Ordinance No. 1898 (New Series), entitled, "Regulating the Use of Hackney Carriages, Automobiles, Taxicabs, and Other Public Passenger Vehicles, Fixing the Rates to Be Charged for the Transportation of Persons and Personal Baggage, Regulating the Use of Boats in the Waters of the Bay, Providing a Punishment for Any Violation Thereof and Repealing Order No. 1611, Ordinances Nos. 446, 1033 and 514 (New Series)."

Be it ordained by the People of the City and County of San Francisco as follows:

Section 1. That Section 5 of Ordinance No. 1898 (New Series), the title of which is above recited, is hereby amended to read as follows:

Section 5. Charges for taxicabs, automobiles or hacks to or from railway depots, ferries, steamboat landings or docks and hotels or other points in the following described district:

Rates in Hotel District.

The district within the City and County of San Francisco hereinafter described shall, for the purpose of this ordinance, be known as the Hotel District. Such district is bounded and more particularly described as follows, to-wit:

Commencing at the intersection of The Embarcadero and Broadway, and running thence westerly along Broadway to Grant avenue; thence southerly along Grant avenue to Bush street; thence westerly along Bush street to Taylor street; thence southerly along Taylor street to Market street; thence easterly along Market street to Fifth street; thence southerly along Fifth street to Howard street; thence easterly along Howard street to Fourth street; thence southerly along Fourth street to King street; thence easterly along King street to Second street; thence northerly along Second street to Howard street; thence easterly along Howard street to The Embarcadero, and thence northerly along The Embarcadero to Broadway and point of commencement.

The maximum fare for service by taxicabs, automobiles or hacks, to or from any railroad depot, steamboat landing, steamship dock, or any point on The Embarcadero, located within the aforesaid Hotel District, by a continuous trip, to or from any hotel within the said Hotel District, shall be the following flat rate, to-wit:

For exclusive use of taxicab, automobile or hack, containing four passengers or less, one dollar.

For every additional passenger, twenty-five cents.

Every passenger upon any taxicab, automobile or hack within the aforesaid Hotel District, shall be allowed, and have conveyed with him, upon such vehicle, without charge therefor, his ordinary light traveling baggage, in any amount not to exceed seventy-five pounds.

A fee of fifty cents may be charged for conveying a trunk.

Except for limousines or seven-passenger touring cars not occupying public space, or offered for hire, but furnished only for special calls for which the charge shall be provided in Section 8 of this ordinance.

For exclusive use of taxicab, automobile or hack, between any points within the boundaries of the aforesaid Hotel District, except between railroad and steamboat depots and hotels or other points, unless the passenger elects to pay the flat rate of one dollar for four or less passengers, the rate shall be by the hour or meter rates, as prescribed by Sections 7, 8 or 9 of this ordinance.

The rates for taxicabs and automobiles to or from any ferry, railroad depot, steamboat landing or steamship dock and any hotel or other point outside of the Hotel District shall be by the hour or meter rates, as prescribed in Sections 8 and 9 of this ordinance.

Any building or hotel located on the outer line of the street bounding said district, even though the entrance thereof is not on said boundary streets, shall be deemed within said Hotel District for the purposes of this ordinance.

Section 2. This ordinance shall take effect immediately.

Ayes—Supervisors Brandon, Deasy, Gallagher, Hayden, Hilmer, Hocks, Hynes, Kortick, Lahaney, McSheehy, Nelson, Power, Schmitz, Suhr, Welch, Wolfe—16.

Absent—Supervisors McLeran, Mulvihill—2.
